

Enter the tax year information if other than for a calendar year. Also, on the upper right area of the form indicate if the Schedule K-1 is a final K-1 or an amended K-1. Schedule K-1 is divided into 3 columns. Column (a) shows the total Alabama distributable income that is taken as a deduction on page 1, line 2. This amount includes Alabama sourced and Alabama non-sourced income. Column (b) shows the nonresident beneficiary or owner's share of non-Alabama source income. The adjustments in Column B will include adjustments to arrive at the proper amount of Alabama sourced income. Column (c) shows amounts reportable on the Alabama return of the beneficiary by subtracting Column (b) from Column (a). Amounts in Column C are reportable to Alabama for both resident and nonresidents.
