

Instructions For Form AR8453-CR

SPECIAL INFORMATION

The State of Arkansas requires a completed and signed AR8453-CR for the composite return filed electronically. The AR8453-CR must be signed by an authorized officer, partner, or accountant of the pass-through entity, the ERO and the paid preparer.

The "Declaration for Electronic Filing" document used for e-filing is Form AR8453-CR. The document is an affidavit in which the officer, partner or accountant attests to the truth of the information contained in the Declaration and attached return information. It has the same legal effect as if the officer, partner or accountant has actually and physically signed the return.

IMPORTANT NOTES FOR EROs

- Effective January 1, 2014 and for future years, Electronic Filers, Transmitters, and Electronic Return Originators must retain all signed AR8453-CR forms with all required schedules, attachments and information for three years from the due date of the return or the Arkansas received date, whichever is later.
- You should confirm the identity of the officer.
- Provide the officer, partner or accountant with a signed copy of Form AR8453-CR for his or her records upon request.
- Provide the officer with a corrected copy of Form AR8453-CR if changes are made to the return.
- EROs can sign the form using a rubber stamp, mechanical device (such as a signature pen), or computer software program.
- For more information, see Publication AR4163 on our website at www.arkansas.gov/efile

Part I - Tax Return Information

Line 4. Enter the total State of Arkansas withholding from Form AR1099PT.

Part II - Declaration of Officer

The officer, partner or accountant signature allows the State of Arkansas to disclose to the ERO and/or the transmitter the reason(s) for delays in the processing of the return.

If the ERO makes changes to the electronic return after Form AR8453-CR has been signed by the officer, partner or accountant but before it is transmitted, the ERO must have the officer, partner or accountant complete and sign a corrected Form AR8453-CR if the total income on line 1 differs from the amount on the electronic return by more than \$25.

Part III - Declaration of Electronic Return Originator (ERO) and Paid Preparer

The State of Arkansas requires the ERO's Signature.

A paid preparer must sign Form AR8453-CR in the space for Paid Preparer's Use Only. Only handwritten paid preparer signatures are acceptable. If the paid preparer is also the ERO, he/she should not complete the paid preparer's section. Instead, the box labeled "Check if also paid preparer" should be checked.
