- Provide the taxpayer with a corrected copy of Form AR8453 if changes are made to the return.

LINE INSTRUCTIONS

Name, Address, and Social Security Number

Verify the Name(s), Address and Social Security Number(s) are correct. An incorrect or missing social security number may delay any refund. If filing a joint return, be sure the names and social security numbers are listed in the same order.

Part I-Tax Return Information

Line 3. Enter the total State of Arkansas withholding from Form(s) W-2 and/or 1099.

Part II-Declaration of Taxpayer

The taxpayer's signature allows the State of Arkansas to disclose to the ERO and/or the transmitter the reason(s) for delays in the processing of the return.

If the ERO makes changes to the electronic return after Form AR8453 has been signed by the taxpayer but before it is transmitted, the ERO must have the taxpayer complete and sign a corrected Form AR8453.

Part III-Declaration of Electronic Return Originator (ERO) and Paid Preparer

The State of Arkansas requires the ERO's signature.

A paid preparer must sign Form AR8453 in the space for Paid Preparer's Use Only. Only handwritten signatures are acceptable. If the paid preparer is also the ERO, he/she should not complete the paid preparer's section. Instead, the box labeled "Check if paid preparer" should be checked.
