

## ARKANSAS INDIVIDUAL INCOME TAX ANNUALIZED PENALTY FOR UNDERPAYMENT OF ESTIMATED INCOME TAX

| Primary's legal name | Primary's social security number |
|----------------------|----------------------------------|
|                      |                                  |

|     | Taxpayers with varied income may use this f<br>UEP on an annualized basis. Complete lines<br>one column before completing the next column       | 1 through 30 of  |    | Jan. 1, 2021<br>to<br>March 31, 2021 | Jan. 1, 2021<br>to<br>May 31, 2021 | Jan. 1, 2021<br>to<br>Aug. 31, 2021   | Jan. 1, 2021<br>to<br>Dec. 31, 2021 |
|-----|---|------------------|----|--------------------------------------|------------------------------------|---------------------------------------|-------------------------------------|
| 1.  | Enter your adjusted gross income for each p   | period.          | 1  | ,                                    | ,                                  | , , , , , , , , , , , , , , , , , , , | ,                                   |
| 2.  | Enter spouse's income. (Filing status 4 only)   |                  | 2  |                                      |                                    |                                       |                                     |
| 3.  | . Annualization amounts.  |                  | 3  | 4                                    | 2.4                                | 1.5                                   | 1                                   |
| 4.  | . Annualized income. (Multiply line 1 by line 3)  |                  | 4  |                                      |                                    |                                       |                                     |
| 5.  | . Spouse's annualized income. (Multiply line 2 by line 3)   |                  | 5  |                                      |                                    |                                       |                                     |
| 6.  | Enter standard deduction or itemized deduction if filing status 4) for period in each column  |                  | 6  |                                      |                                    |                                       |                                     |
| 7.  | Enter spouse's standard deduction or itemiz (Prorated if filing status 4) for period in ea  |                  | 7  |                                      |                                    |                                       |                                     |
| 8.  | . Annualization amounts.  |                  | 8  | 4                                    | 2.4                                | 1.5                                   | 1                                   |
| 9.  | Annualized deductions. (Multiply line 6 by I  | ine 8)           | 9  |                                      |                                    |                                       |                                     |
| 10. | Spouse's annualized deductions. (Multiply line 7 by line 8)   |                  | 10 |                                      |                                    |                                       |                                     |
| 11. | . Subtract line 9 from line 4.  |                  | 11 |                                      |                                    |                                       |                                     |
| 12. | . Subtract line 10 from line 5.   |                  | 12 |                                      |                                    |                                       |                                     |
| 13. | . Figure the tax on the amount on line 11. (Use regular tax table)  |                  | 13 |                                      |                                    |                                       |                                     |
| 14. | . Figure the tax on the amount on line 12. (Use regular tax table)  |                  | 14 |                                      |                                    |                                       |                                     |
| 15. | . Add lines 13 and 14.  |                  | 15 |                                      |                                    |                                       |                                     |
| 16. | Enter other amounts due for each payment period as shown on Form AR1000F/AR1000NR, lines 31 and 32. (Skip this line if filing AR1002F/AR1002NR) |                  | 16 |                                      |                                    |                                       |                                     |
| 17. | . Total tax. (Add lines 15 and 16)  |                  | 17 |                                      |                                    |                                       |                                     |
| 18. | For each period, enter total credits as allowed on Form AR1000F/AR1000NR, line 37 or AR1002F/AR1002NR, line 23.                                 |                  | 18 |                                      |                                    |                                       |                                     |
| 19. | Subtract line 18 from line 17. (If zero or les  | s, enter zero)   | 19 |                                      |                                    |                                       |                                     |
| 20. | . Applicable percentages.   |                  | 20 | 22.5%                                | 45%                                | 67.5%                                 | 90%                                 |
| 21. | . Multiply line 19 by line 20.  |                  | 21 |                                      |                                    |                                       |                                     |
| 22. | Enter the combined amounts of line 30 from all preceding columns.   |                  | 22 |                                      |                                    |                                       |                                     |
| 23. | Subtract line 22 from line 21. (If less than ze   | ero, enter zero) | 23 |                                      |                                    |                                       |                                     |
| 24. | Enter your 2021 net tax from line 38,<br>Form AR1000F; or line 38D, AR1000NR;<br>line 24B, AR1002F or line 24F, AR1002NR.                       | 24               |    |                                      |                                    |                                       |                                     |
| 25. | Multiply line 24 by 90% (.90).  | 25               |    |                                      |                                    |                                       |                                     |
| 26. | 6. Divide line 25 by four and enter the result in each column.  |                  | 26 |                                      |                                    |                                       |                                     |
| 27. | 7. Enter amount from line 29 of the preceding column.   |                  | 27 |                                      |                                    |                                       |                                     |
| 28. | Add lines 26 and 27 and enter here.   |                  | 28 |                                      |                                    |                                       |                                     |
| 29. | . If line 28 is more than line 23, subtract line 23 from line 28; otherwise enter zero.   |                  | 29 |                                      |                                    |                                       |                                     |
| 30. | Enter the smaller of line 23 or line 28 here.   |                  | 30 |                                      |                                    |                                       |                                     |

|     | Complete lines 1 through 30 for all periods before continuing to line 31.  |    | (A)<br>April 15, 2021 | (B)<br>June 15, 2021 | (C)<br>Sept. 15, 2021 | (D)<br>Jan. 15, 2022 |
|-----|--|----|-----------------------|----------------------|-----------------------|----------------------|
| 31. | Enter amount from line 30 for each period.   | 31 |                       |                      |                       |                      |
| 32. | Estimated tax paid and tax withheld. For column <b>(A)</b> only, also enter the amount from line 32 on line 36.  | 32 |                       |                      |                       |                      |
| 33. | Enter amount, if any, from line 39 of the previous column.   | 33 |                       |                      |                       |                      |
| 34. | Add lines 32 and 33 and enter total.   | 34 |                       |                      |                       |                      |
| 35. | Add amounts on lines 37 and 38 of the previous column and enter total.   | 35 |                       |                      |                       |                      |
| 36. | Subtract line 35 from line 34. (If zero or less, enter zero) For column (A) only, enter the amount from line 32.   | 36 |                       |                      |                       |                      |
| 37. | Determine remaining underpayment from previous period. If amount on line 36 is zero, subtract line 34 from line 35 and enter the result; otherwise enter zero. | 37 |                       |                      |                       |                      |
| 38. | UNDERPAYMENT: If line 31 is more than or equal to line 36, subtract line 36 from line 31, then go to line 32 of the next column; otherwise go to line 39.      | 38 |                       |                      |                       |                      |
| 39. | OVERPAYMENT: If line 36 is more than line 31, subtract line 31 from line 36, then go to line 32 of the next column.  | 39 |                       |                      |                       |                      |
| 40. | PENALTY COMPUTATION: (Caution - ALL penalty computations start from the due date of the estimated tax payments)  | 40 | (A)<br>April 15, 2021 | (B)<br>June 15, 2021 | (C)<br>Sept. 15, 2021 | (D)<br>Jan. 15, 2022 |
| 41. | Enter the date the payment was made or 4-15-2022, whichever is earlier.  | 41 |                       |                      |                       |                      |
| 42. | Count the number of days between the dates on lines 40 and 41 and enter here.  | 42 |                       |                      |                       |                      |
| 43. | Multiply the number of days by .00027397 for the penalty percentage.   | 43 |                       |                      |                       |                      |
| 44. | Enter the amount from line 38 for each period.   | 44 |                       |                      |                       |                      |
| 45. | Multiply the amount on line 44 by the percentage on line 43.   | 45 |                       |                      |                       |                      |
| 46. | Total the amounts for each period on line 45. Enter the amounts here and on Form AR1000F/AR1000NR, line 52B or Form AR1002F/AR1002NR, line 36B.                | 46 |                       |                      |                       |                      |

IMPORTANT: You must enter exception code "6" in box 52A of Form AR1000F/AR1000NR or box 36A of Form AR1002F/AR1002NR.
