**State of Arkansas
Tax Software Provider
Letter of Intent
S-Corporation Income Tax Returns**

**Tax Year
2021**

Welcome to the Income Tax Letter of Intent (LOI). If your software company intends to submit electronic and/or paper returns to the **Arkansas Department of Finance and Administration, Income Tax Administration** you will need to complete this form and submit it to ARefile@dfa.arkansas.gov.

By submitting this Letter of Intent (LOI) to the **Arkansas Department of Finance and Administration, Income Tax Administration**, you agree to meet our standards for software provider registration, tax preparation software, and substitute forms. If you do not meet the standards and requirements explained in this LOI, we may deny your application or revoke your approved software provider status and reject all electronic and/or paper returns submitted using your products.

You must complete a separate LOI for each unique product your company offers. We may reject an incomplete Letter of Intent.

Note: If you are a new Software Provider who has not filed city/state income tax returns with any city or state agencies, you must have passed assurance testing with the IRS. Attach documentation from the IRS demonstrating you have successfully tested with the IRS.

IMPORTANT DATES:

The **Arkansas Department of Finance and Administration, Income Tax Administration** has important key dates to ensure we are ready for the filing season and taxpayers can file an accurate and timely tax return. Please note the following key dates:

- Complete and submit this form by Nov 31st.
- Assurance testing (ATS) begins on same date as the IRS.

Authorized access to the State Exchange System

On page 10, provide information for each employee you are authorizing for access to the State Exchange System.

Rebranded Software Products

Complete this section only if your product is rebranded.

For software to be considered rebranded, changes cannot be made to the software requirements and output(s). As the Software company selling and/or licenses your product to a third-party, it is your responsibility to make sure the rebranded product reflects the current software requirements and output(s). List each of your rebranded product below.

Use one of the following class codes for each product:

- **Class Code 1:** Software products sold/licensed to a third-party user and the third-party user can add their own logos and/or splash screens, but they cannot modify calculations in the program.
- **Class Code 2:** Software products sold/licensed to a third-party user and the third-party user can modify calculations in the program.

***If there are more than 5 software products that have rebranded under a different name, please list them on a separate sheet and attach with your LOI submission.**

For Rebranded Products, the Arkansas Department of Finance and Administration, Income Tax Administration has the following requirement for paper forms and/or e-File ATS approval:

- Rebranded Products with class code 2 are required to complete the full e-file ATS/paper form approval process

Forms and Schedules Supported

Check the boxes of the forms and schedules your company supports. If there is a check in the “mandated for e-File” column, your company is required to submit these returns electronically.

Note: Arkansas requires the forms listed below to be submitted for review and approval.

* Act 143 has been signed into law. A tax practitioner that files a taxpayer’s federal income tax return electronically shall also file the taxpayer’s Arkansas income tax return electronically.

Agency Requirements

This section identifies agency requirements and expectations of new and existing Software Providers and the software product.

Issue Notification and Resolution Requirements

This section represents the **Arkansas Department of Finance and Administration, Income Tax Administration** issue notification and issue resolution standards.

Data breaches, security incidents, or other improper disclosures of taxpayer data that by law require reporting to the Arkansas Attorney General must also be reported to the **Arkansas Department of Finance and Administration, Income Tax Administration**.

Notify by email (ARefile@dfa.arkansas.gov) or call (501) 682-7925 with information regarding any incorrect and/or missing calculation or e-File data element for any paper or electronically returns submitted to the **Arkansas Department of Finance and Administration, Income Tax Administration**.

Production Return Submission Requirements

All returns generated from this software must be electronically filed or printed from the initially approved software or a subsequent product update.

Product Updates

Desktop product users who attempt to file 10 or more business days after a production release must be required to download and apply the product update.

Schemas

Your software must adhere to the schema requirements. **Arkansas Department of Finance and Administration, Income Tax Administration** schema information requirements can be found on the State exchange system.

System Security Requirements

The **Arkansas Department of Finance and Administration, Income Tax Administration** does not prescribe the security requirements for your system. You are responsible for implementing appropriate security measures to protect taxpayers and their information in your system. You must apply security measures to protect taxpayer information in your system when it is on-line, off-line, at rest, and in transit.

Testing and Submission Requirements

All e-file ATS and substitute forms tests submitted during the approval process must be created in, and originate from, the actual software.

Agency Requirements (Continued)

Validation of Data Elements

This section represents **Arkansas Department of Finance and Administration, Income Tax Administration** requirements for validation of specific data elements.

Software Vendors cannot release Arkansas income tax forms in software products until approval has been received by the State of Arkansas.

Arkansas income tax returns cannot be prepared nor can taxpayers receive an “early look” until all new year changes have been updated to the software product.

All updates must be updated in the tax software before allowing printing of tax returns.

All software products must have a two step verification for all routing and account numbers.

Transferring data year-over-year that is not initially entered accurately causes issues with processing tax returns. The following items should not be transferred year over year:

- State driver’s license data elements
- Bank account numbers
- State identity PIN’s

Do not mask or truncate taxpayer information

Data Breach Reporting

All software providers executing this agreement are subject to the data breach security laws and/or regulations of the **State of Arkansas and the Department of Finance and Administration** noted below, including but not limited to provisions regarding who must comply with the law, definitions of “personally identifiable information”, what constitutes a breach, requirements for notice, and any exemptions.

Arkansas Code Title 4 Business and Commercial Law / Subtitle 7 Consumer Protection

- Chapter 110 Personal Information Protection Act / A.C.A. § 4-110-101-108
- <https://arkansasag.gov/consumer-protection/identity/column-one/security-or-data-breach/>

Software providers who discover an internal or client data breach must notify the State of Arkansas within twenty-four (24) hours. The notification must include all information available with regard to the clients and/or users affected. Notifications can be sent to Arkansas Electronic Filing Section using the following contact information:

- **Phone:** (501) 682-7925
- **Email:** ARefile@dfa.arkansas.gov

Customer Notices

This section identifies information **Arkansas Department of Finance and Administration, Income Tax Administration** is requiring the software providers to communicate with customers.

Disclosure and Use of Information Language Expectations

You must include the following consent language with electronic filing software.

For Do-It-Yourself software:

*By using a computer system and software to prepare and file my tax return(s) electronically, I consent to the transmission of my return(s) and to the disclosure of all information about my use of the system and software to the **Arkansas Department of Finance and Administration, Income Tax Administration**.*

For Tax Professional software:

*By using a computer system and software to prepare and file my client's return(s), I consent to the transmission of my client's return(s) and to the disclosure of all information about my use of the system and software **Arkansas Department of Finance and Administration, Income Tax Administration**.*

For Business software:

*By using a computer system and software to prepare and file this business tax return(s), I consent to the transmission of the return(s) and to the disclosure of all information about the use of the system and software to **Arkansas Department of Finance and Administration, Income Tax Administration**.*

State Driver's License/ID Card Expectations - (Individual Income Tax Only)

Arkansas Department of Finance and Administration, Income Tax Administration is providing the following expectations and information:

For e-File returns:

■ **Arkansas** requests the DL/ID card be included with the tax return but won't reject it if it's not included.

For printed/paper forms requesting the DL/ID Card Information:

■ **Arkansas** requests the full DL/ID Card Information on the form(s)

Arkansas Department of Finance and Administration, Income Tax Administration is providing a URL and/or a statement for the DL/ID Card. All Do It Yourself (DIY) and Tax Professional software packages must include this information in your software. The message is expected to be displayed within the software in a way to maximize the likelihood the message is read.

URL: <https://www.dfa.arkansas.gov/income-tax/individual-income-tax/>

Statement: The State of Arkansas is requesting additional information this filing season in an effort to combat identity tax fraud and ensure that your hard-earned tax refund goes to you. Providing information from your driver's license or state issued identification card will help protect your identity and could help process your return quicker. However, this is only a request. Information from your driver's license is not required, and your return will be processed without the additional information. The information is being requested solely to help protect your identity and ensure a more-secure refund.

Customer Notices (Continued)

State Documents and Materials

All **Arkansas** income tax forms, publications and schemas will be posted on the FTA State Exchange System (SES).

State Refund Expectations - (Individual Income Tax Only)

Arkansas Department of Finance and Administration, Income Tax Administration is providing a URL and statement about refund processing. You must include the URL and statement in all your products and show it to users within the software in the most prominent way possible.

URL: www.atap.arkansas.gov (**Arkansas “Where’s My Refund”**)

Statement:

Identity Theft has been a growing problem nationally and the Department is taking additional measures to ensure tax refunds are issued to the correct individuals. These additional measures may result in tax refunds not being issued as quickly as in past years.

Tax Due Expectations

Arkansas Department of Finance and Administration, Income Tax Administration is providing a URL and statement about tax dues, such as how to schedule or make a tax payment and/or estimated tax payments. You must include the URL and statement in all your products and show it to users within the software in the most prominent way possible.

URL: www.atap.arkansas.gov

Statement:

Taxpayers can schedule or request an electronic tax payment for balance due returns and/or estimated tax payments by visiting our website.
