A Message to Arkansas Taxpayers

Thank you for continuing to support the great State of Arkansas through your annual Individual Income Tax filings and payments. I appreciate the time and effort you invest in this endeavor every year.

The Arkansas Individual Income Tax was initiated in 1929 at a top rate of 5%. The top rate was raised to 7% in the 1970s, where it stayed for several decades. During recent Legislative Sessions, the top tax rate has been reduced.

Governor Sarah Sanders pledged to reduce Arkansas Income Tax rates even further. Upon taking office in 2023, she worked with Legislators to pass a \$100 million tax cut. The Individual Income Tax rate was reduced to 4.7% during the 2023 General Legislative Session. This tax rate reduction is reflected in the tax tables in this booklet for tax year 2023. This 4.7% top rate is the lowest top tax rate in Arkansas since the Income Tax was initiated almost a century ago.

In September 2023, Governor Sanders called for a Special Legislative Session to provide further tax relief for Arkansans. This added tax relief includes a one-time tax credit of up to \$150 for tax year 2023. More information about this single-year credit (2023 only) is on page 21 of this tax booklet. The legislation passed during the September 2023 Special Session also reduces the Individual Income Tax top rate even further, to 4.4% for tax year 2024 (the tax tables will be updated to reflect the 2024 change next year).

Governor Sanders understands Arkansans thrive when the money they earn remains in their pockets. The significant action taken by Governor Sanders and the legislature in 2023 to provide tax relief also benefits the overall state economy. Companies considering Arkansas as a business destination will find a centrally located state with unmatched logistical advantages, a versatile and expanding workforce, and leaders committed to the reduction of the state income tax. In addition, the Governor is working closely with leaders across all Departments to responsibly manage state spending, maximizing every dollar of tax revenue.

We want to provide you with the best service possible. As always, we appreciate your suggestions. Please mail any suggestions and comments to: Manager, Individual Income Tax, P.O. Box 3628, Little Rock, Arkansas 72203-3628, or send an email to individual.income@dfa.arkansas.gov.

Sincerely,

A handwritten signature in black ink that reads "Charlie". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

ELECTRONIC FILING

www.arkansas.gov/efile

- **E-file is hassle-free**—both your federal and Arkansas income tax returns can be filed electronically in one transmission.
- **E-file is smart**—computer programs catch 98% of tax return errors.
- **E-file is worry-free**—receive acknowledgement within 2 to 3 business days if your return has been received and accepted.

Arkansas participates in the Federal/State Electronic Filing Program for Individual Income Tax. The program is available to most full year residents and certain qualifying nonresidents and part year residents.

Since Arkansas is a member of the **“Free File Alliance,”** depending on the level of income, taxpayers may qualify to file returns for free. (Go to www.arkansas.gov/efile for details.)

The State of Arkansas is requesting additional information this filing season in an effort to combat identity tax fraud and ensure that your hard-earned tax refund goes to you. Providing information from your driver’s license or state-issued identification card will help protect your identity and could help process your return quicker. However, this is only a request. Information from your driver’s license is not required, and your return will be processed without the additional information. The information is being requested solely to help protect your identity and ensure a more-secure refund.

IDENTITY THEFT

In recent years, identity theft associated with income tax returns has become an increasingly severe problem. Sometimes thieves steal a taxpayer’s Social Security Number and other private information then use this information to file tax returns and receive refunds that were not due to them.

If you believe your identity may have been used to file an Arkansas state tax return, these are the steps we suggest you take:

- Contact us at (501) 682-1100 to report that your identity may have been stolen and request a hold on your account to stop all fraudulent refunds.
- Contact the IRS Identity Protection Specialized Unit at **(800) 908-4490** and inform them that your identity was stolen and may have been used to file a fraudulent tax return. You should complete **IRS Form 14039**, an identity theft affidavit, to support your claim.
- **Send a copy of the stamped IRS identity theft affidavit form to: Arkansas Individual Income Tax, PO Box 3628, Little Rock, AR 72203-3628**
- Contact the credit bureaus to ensure there have not been any other thefts related to your identity, and ask to have a fraud alert put on your credit report. The numbers for the credit bureaus are listed below:
 - Equifax - (800) 525-6285
 - Experian - (888) 397-3742
 - Trans-Union - (800) 680-7289

SPECIAL INFORMATION FOR TAX YEAR 2023

Individual Income Tax Rate Reduction (Act 532 of the General Session of 2023):

Marginal Income Tax rates for 2023 have been amended and the top rate will be reduced to 4.7%.

Pass-Through Entity Tax

If you are a member of an entity that participate in Pass-Through Entity Tax include all income from the PET return on the Individual return. Use the AR-OI form to back out the income or losses that were reported on the Pass-Through level.

Inflationary Relief Income - Tax credit (Act 6 of the First Extraordinary Session of 2023)

Allows for a full year Arkansas resident having a net income up to \$103,600 an additional tax credit of up to \$150.

Additional Tax Credit for Qualified Individuals (Act 1 of Second Extraordinary session of 2021)

Allows for an individual taxpayer having a net income up to \$26,100 who timely files a tax return an additional tax credit.

Philanthropic Investment in Arkansas Kids Program Scholarship Credit (Act 904 of 2021)

Creates a tax credit for eligible contributions made to a scholarship-granting organization. The total amount of tax credits awarded in a year shall not exceed \$6 million. This limit was raised from the previous \$2 million limit in the Act 237 (LEARNS Act) of the General Session of 2023

Remote Work (Act 1019 of the General Session of 2021)

A nonresident who is paid a salary, lump sum payment, or any other form of payment for work inside and outside of Arkansas is only taxed on the amount of income while physically located inside of Arkansas. For remote workers who perform all of their duties from outside Arkansas, no income would be taxed. If duties performed are a combination of inside and outside of Arkansas, only the portion that reasonably can be allocated to work performed in Arkansas is taxable.

Credit for Developmentally Disabled Dependents (Act 191 of the General Session of 2023)

Removed the expiration date of the certification form and made the certification good for the life of the developmentally disabled individual. This certification will follow the developmentally disabled individual instead of the taxpayer, allowing it to be transferred from one caretaker to another without recertification. **The certification form has been renamed the AR1000-DD (formerly AR1000RC5).**

Historic Rehabilitation Credit (Act 650 and Act 651 of the General Session of 2023)

Act 650 increases the amount of the Arkansas Historic Rehabilitation Tax Credit and creates a tiered system to incentivize investment in smaller communities. It raised the credit from 25% of investment to a scale of 30%-40% depending on the population of the city in which the project occurs.

Act 651 extended the application period end date from June 30, 2025 to June 30, 2030.

Teacher and Retired Teacher Death Benefits (Act 171 of the General Session of 2023)

Among other issues addressed, Act 171 allows teacher and retired teacher death benefits from the Arkansas Teacher Retirement system to be distributed to multiple beneficiaries if requested or to the estate if no beneficiaries are named or survive to receive benefits. Such death benefits are exempt from Arkansas income taxes.

Additional changes can be found on our website www.dfa.arkansas.gov/income-tax

IF THE IRS AUDITS YOU

If the Internal Revenue Service examines your return for any tax year and changes your net taxable income, you must report the changes to the Arkansas Department of Finance and Administration within one hundred eighty (**180**) days from the receipt of the notice and demand for payment by the Internal Revenue Service.

File an Amended Individual Income Tax Return for the year(s) involved reporting the changes to your state return. **Attach a copy of the federal changes.**

If you fail to notify this Department within one hundred eighty (**180**) days and do not file the required amended return, the Statute of Limitations will remain open for three (**3**) years on the year(s) in question. Additional interest will be figured on any tax you owe the State of Arkansas.

INFORMATION EXCHANGE PROGRAMS WITH THE IRS

Under authorization of Internal Revenue Code Section 6103(D) the State of Arkansas participates in several information exchange programs with the Internal Revenue Service:

- **CP2000:** The IRS matches income reported on a taxpayer's federal income tax return with documents (W-2s, 1099s, etc.) provided to the IRS by the payer to determine whether income was omitted from the taxpayer's return. If unreported income is discovered, the IRS assesses additional federal tax on the omitted income then notifies the State of Arkansas. The taxpayer's state tax return is then reviewed for unreported income. (Some examples of commonly omitted income include wages, pensions, and cancellation of debt.)
- **Examination Operational Automation Database "EOAD":** When the IRS adjusts a taxpayer's federal income tax return as the result of an audit, details are provided to the State of Arkansas. The taxpayer's state tax return is then reviewed and adjusted if appropriate. (Some examples of EOAD adjustments include disallowance of deductions, expenses, or dependents and assessment of early withdrawal penalties.)
- **Non-filer Identification:** The IRS provides the Arkansas Department of Finance and Administration with a list of taxpayers who filed federal returns using Arkansas addresses. This information is then compared with Arkansas income tax records to identify individuals who filed federal returns using Arkansas addresses but did not file Arkansas returns. Letters are sent inquiring whether the taxpayer is required to file. The taxpayer should file the return in question or provide documentation why he/she is not required to file. If a sufficient response is not received, state tax is assessed using amounts reported on the taxpayer's federal return, and the taxpayer is mailed a Notice of Proposed Assessment.

PRESERVATION OF TAX RECORDS

A taxpayer who files an Arkansas income tax return is required to retain records to prove the accuracy of that return. The records must be retained for at least **six (6) years** (unless otherwise provided by law) and are subject to examination by the Director at any reasonable time during that period.

When a taxpayer fails to preserve and maintain the required records, the Director may make an estimated assessment based upon any available information as to the amount of tax due by the taxpayer. Per ACA 26-18-506, the burden of proof of refuting this estimated assessment is upon the taxpayer.

REQUEST FOR COPIES OF ARKANSAS TAX RETURNS

If your tax return was completed by a paid tax preparer, he/she should be able to provide a copy of the return. If you used a software product to prepare your tax return, you should be able to print a copy of the tax return from the software used. Otherwise to request a copy of your Arkansas tax return, please complete and submit Form AR4506. Form AR4506 is included in this book and can also be downloaded from our website at: www.dfa.arkansas.gov/income-tax/forms

MILITARY PERSONNEL

Active-Duty Military

Under federal law, a military servicemember's state of legal residence does not change solely as the result of the servicemember's assignment for service in another state. An Arkansas resident who enters into military service will remain an Arkansas resident unless they officially change their state of legal residence as described in DD Form 2058. Military servicemembers who are Arkansas residents are subject to the same income tax filing requirements as other Arkansas residents, even if they are serving in another state. These requirements are described under the heading "Who Must File A Tax Return"

Military Pay Exemption (Act 1408 of 2013):

Provides a 100% exemption from income tax for service pay or allowance received by an active-duty member of the armed forces for tax years beginning on or after January 1, 2014. Active duty includes all members of the armed forces, including the National Guard and Reserve Units. You must file to claim the exemption.

Military Spouses Residency Relief Act:

Exempts a military spouse's income from Arkansas tax if the servicemember's Home of Record is not Arkansas and the spouse's domicile is the same as the service member's Home of Record. Effective January 1, 2009. Write the words "military spouse" at top of tax return and attach a completed Form AR-MS (available at www.dfa.arkansas.gov/income-tax/forms) and a copy of service member's Leave and Earning Statement (LES) to verify Home of Record. (For future tax purposes, the nonmilitary spouse must submit a new payroll withholding form ARW-4MS, to his/her employer each year to exempt future withholding.)

The Military Family Tax Relief Act of 2003 (Act 372 of 2009):

This act adopts IRC 121, 134, and 162 as in effect on January 1, 2009. Provisions of this act include exclusion of gain on sale of principal residence, deduction of overnight travel expenses for National Guard and Reserve members, and exclusion from income of "qualified military benefits".

Military Retirement Exemption (Act 141 of 2017):

Beginning with tax year 2018, retirement benefits received by a member of the uniformed services as defined in this Act are exempted from income tax. Retirees cannot claim the \$6,000 exemption for traditional or employer sponsored distributions if their military retirement exemption exceeds \$6,000. If the military retirement exemption is less than \$6,000, the remaining amount of the exemption may be taken for traditional or employee sponsored distributions. Please see instructions for lines 18A and 18B for details.

The Servicemembers Civil Relief Act:

Deferral of Tax - Upon notice to the Internal Revenue Service or the tax authority of a state or a political subdivision of a state, the collection of income tax on the income of a servicemember falling due before or during military service shall be deferred for a period not more than 180 days after termination of or release from military service, if a service member's ability to pay such income tax is materially affected by military service.

Accrual of Interest or Penalty - No interest or penalty shall accrue for the period of deferment by reason of nonpayment on any amount of tax-deferred under this section.

Statute of Limitations - The running of a statute of limitations against the collection of tax-deferred under this section, by seizure or otherwise, shall be suspended for the period of military service of the servicemember and for an additional period of 270 days thereafter.

Residence or Domicile - A servicemember shall neither lose nor acquire a residence or domicile for purposes of taxation with respect to the person, personal property, or income of the servicemember by reason of being absent or present in any tax jurisdiction of the United States solely in compliance with military orders.

Military Service Compensation - Compensation of a servicemember for military service shall not be deemed to be income for services performed or from sources within a tax jurisdiction of the United States if the servicemember is not a resident or domiciliary of the jurisdiction in which the servicemember is serving in compliance with military orders.

RETIRED MILITARY PERSONNEL

Extension of Time for Veterans (Retirees) to File for Refund (Act 238 of 2009):

This act extends the statute of limitations for a veteran to file a claim for refund of an overpayment that results from retroactive determination by the Secretary of Veterans Affairs that part or all of the uniformed service retirement payments to the taxpayer are payments made for a service-connected disability and are not included in gross income. Effective January 1, 2001.

DEFINITIONS

GROSS INCOME

Gross income is any and all income (before deductions) other than income specifically described as exempt from tax on pages 10 and 11 “Exempt From Income Tax”.

Exception: The \$6,000 exemption on retirement income, exemption on U.S. active-duty military income and military retirement as described on pages 10-11 are included in gross income.

DOMICILE

This is the place you intend to have as your permanent home and the place you intend to return to whenever you are away. You can have only one domicile. Your domicile does not change until you move to a new location which you intend to make your permanent home. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

FULL YEAR RESIDENT

You are a full year resident if you lived in Arkansas all of calendar year 2023, or if you have maintained a domicile or Home of Record in Arkansas during the tax year.

NONRESIDENT

You are a nonresident if you did not make your domicile in Arkansas.

PART YEAR RESIDENT

You are a part year resident if you established a domicile in Arkansas or moved out of the state during calendar year 2023.

MILITARY PERSONNEL

If Arkansas is your Home of Record and you are stationed outside of Arkansas, you are still required to file an **AR1000F** reporting all of your income, including U.S. active-duty military compensation. However, active-duty military compensation is exempt from Arkansas tax beginning in tax year 2014. (If you are stationed in Arkansas and your Home of Record is another state, Arkansas does not tax your U.S. active-duty military compensation.)

U.S. active-duty military compensation includes wages received by members of the Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, and Reserve Units.

DEPENDENTS

You may claim as a dependent any person who received over half of his or her support from you, earned less than \$4,400 in gross income, and was your:

Child	Stepchild	Mother	Father	Grandparent	Brother
Sister	Grandchild	Stepbrother	Stepsister	Stepmother	Stepfather
Mother-In-Law	Father-In-Law	Brother-In-Law	Sister-In-Law	Son-In-Law	Daughter-In-Law

Or, an individual (other than your spouse) who, for the tax year of the taxpayer, had the same principal place of abode as the taxpayer and was a member of the taxpayer’s household. Or, if related by blood: Uncle, Aunt, Nephew, Niece. The term “dependent” includes a foster child if the child had as his or her principal place of abode the home of the taxpayer and was a member of the taxpayer’s household for the taxpayer’s entire tax year.

The term “dependent” does not apply to anyone who is a citizen or subject of a foreign country UNLESS that person is a resident of **Mexico or Canada**.

If your child/stepchild was under age 19 at the end of the year, the \$4,400 gross income limitation does not apply. Your child/stepchild may have earned any amount of income and still be your dependent if the other dependency requirements in this section were met.

If your child/stepchild was a student under age 24 at the end of the calendar year, the \$4,400 gross income limitation does not apply. The other requirements in this section must be met.

To qualify as a student, your child/stepchild must have been a full-time student for five (5) months during the calendar year at a qualified school, as defined by the Internal Revenue Service.

If your dependent died during the tax year, you may claim the full amount of tax credit for the dependent on your tax return regardless of when the death occurred during the year.

Arkansas has adopted Internal Revenue Code §151(c)(6) regarding the tax treatment of kidnapped children.

When you file your return, check the box indicating you filed a state extension. **If the box on the front of your return is not checked, you will not receive credit for your federal or state extension.**

An extension extends the amount of time to file your return, but does not extend the amount of time to pay. Any tax due must be paid by April 15, 2024 to avoid failure to pay penalty and interest.

Payments made on extension should be made using the voucher attached to Form AR1055-IT.

See Page 15 for information on penalties and interest.

7. **Interest** you received from direct United States obligations, its possessions, the State of Arkansas, or any political subdivision of the State of Arkansas is exempt from tax. Interest from government securities paid to individuals through a mutual fund is exempt from tax.

WHEN TO FILE

You can file your calendar year original tax return any time after December 31, 2023, but **NO LATER THAN** April 15, 2024, (unless an extension has been granted).

If you file a fiscal year tax return, your return is due **NO LATER THAN** three and one-half (3 ½) months following the close of the income year.

NOTE: The date of the postmark stamped by the U.S. Postal Service is the date you filed your return.

If the due date of your return falls on a Saturday, Sunday, or legal holiday, the return will be considered timely filed if it is postmarked on the next business day.

Statute of Limitations – Refunds. An amended return or claim for refund of an overpayment must be filed by the taxpayer within three (3) years from the time the return was filed or two (2) years from the time the tax was paid, whichever is later.

IF YOU NEED MORE TIME

If you request an extension of time to file your federal income tax return (by filing **federal Form 4868** with the IRS) you are entitled to receive the same extension on your Arkansas income tax return. The federal automatic extension extends the Arkansas deadline to file until November 15th.

The Department no longer requires that a copy of **federal Form 4868** be attached to your state tax return. **When your Arkansas return is complete and ready to file, simply check the box on the face of the return indicating you filed a federal extension.**

If you do not file a federal extension, you can file an Arkansas extension using Form AR1055-IT before the filing due date of April 15th. **Inability to pay is not a valid reason to request an Arkansas extension.** Send your request to:

FILING STATUS

DETERMINE YOUR FILING STATUS

BOX 1. Filing Status 1 (Single)

Check this box if you are SINGLE or UNMARRIED and DO NOT qualify as HEAD OF HOUSEHOLD. (Read the instructions for BOX 3 to determine if you qualify for HEAD OF HOUSEHOLD.)

BOX 2. Filing Status 2 (Married Filing Joint)

Check this box if you were MARRIED and are filing jointly. IF YOU ARE FILING A JOINT RETURN, YOU MUST ADD BOTH SPOUSES' INCOME TOGETHER. Enter the total amount in column A on Lines 8 through 23 under "Your/Joint Income".

MARRIED COUPLES—CHOOSING THE BEST FILING STATUS

If you and your spouse had separate incomes, you might save money by figuring your tax separately using one of the following two methods. Use the method that suits you best.

METHOD A.

List your income separately under Column A ("Your Income"). List your spouse's income separately under Column B ("Spouse's Income"). Figure your tax separately and then add your taxes together. See instructions for Married Filing Separately on the Same Return, Box 4.

If you use Method A, your result will be either a COMBINED REFUND or a COMBINED TAX DUE.

METHOD B.

You must file separate individual tax returns. See instructions for Married Filing Separately on Different Returns, Box 5.

If you use Method B, one of you may owe tax and the other may get a refund. The tax due must be paid with the proper tax return and the refund will be due on the other return. YOU MAY NOT OFFSET ONE AGAINST THE OTHER.

BOX 3. Filing Status 3 (Head of Household)

To file as Head of Household you must have been unmarried or legally separated on December 31, 2023, and meet either 1 or 2 below. The term "Unmarried" includes certain married persons who lived apart, as discussed at the end of this section.

1. You paid over half the cost of keeping a home for the entire year that was the main home of your parent whom you can claim as a dependent. Your parent did not have to live with you in your home.

OR

2. You paid over half the cost of keeping a home in which you lived, **and** in which one of the following also lived, for more than six (6) months of the year (temporary absences, such as vacation or school, are counted as time lived in the home):

- a. Your unmarried child, grandchild, great-grandchild, adopted child or stepchild. This

8. **Social Security benefits, VA benefits, Workers' Compensation, Railroad Retirement benefits** and related supplemental benefits are exempt from tax.

Railroad Retirement Benefits exempt from income tax include tier I, tier II, vested dual benefits (VDB), and supplemental annuity payments reported on Form(s) RRB-1099-R and/or RRB-1099. Private pensions reported on form 1099-R from railroad companies are not considered exempt Railroad Retirement Benefits.

9. The rental value of a home or the **housing allowance paid to a duly ordained or licensed minister** of a recognized church is exempt to the extent that it was used to rent or provide a home. The rental value of a home furnished to a minister includes utilities furnished to the minister as part of compensation. The housing allowance paid to a minister includes an allowance for utilities paid to the minister as part of compensation to the extent it was used to furnish utilities in the home.
10. **Disability income** MAY BE exempt from tax pursuant to Internal Revenue Code §104.
11. Beginning with tax year 2014, **U.S. active-duty military compensation** is exempt from tax. To claim the exemption, you must file a return and report all of the income you received during the year.
12. If you received income from an **employer-sponsored retirement plan**, including disability retirement, that is not exempt under IRC §104, the first \$6,000 is exempt from tax. If you contributed after-tax dollars to your plan, you are allowed to recover your cost (investment) in your retirement plan in accordance with Internal Revenue Code §72. Then the first \$6,000 of the balance is exempt from tax.
13. If you received a traditional **IRA distribution** after reaching age fifty-nine and one-half (59 1/2), the first \$6,000 is exempt from tax. Your traditional IRA distribution may be adjusted for nondeductible IRA contributions, if any, by completing Federal Form 8606 and attaching it to your Arkansas return. Premature distributions made on account of the participant's death or disability also qualify for the exemption. All other premature distributions or early withdrawals (including, but not limited to, those taken for medical expenses, higher education expenses or a first-time home purchase) do not qualify for the exemption.

A surviving spouse qualifies for the exemption; however he/she is limited to a single \$6,000 exemption.

NOTE: Total exemptions from all plans described under 12 and 13 cannot exceed \$6,000 per taxpayer, not including recovery of cost.

14. Beginning with tax year 2017, income received by a taxpayer under the **Community Match Rural Physician Recruitment Program** is exempt from income tax.

15. **Public Service Loan Forgiveness:** Under current Arkansas law, the amounts discharged under the Public Service Loan Forgiveness ("PSLF") program should be excluded from gross income but amounts discharged from other programs would be included in gross income for Arkansas income tax purposes.

Even if you were not divorced or legally separated in 2023, you may be considered unmarried and file as Head of Household. See Internal Revenue Service instructions for Head of Household to determine if you qualify.

BOX 4. Filing Status 4 (Married Filing Separately on the Same Return)

Check this box if you were married and are filing SEPARATELY ON THE SAME TAX RETURN. This method of tax computation may reduce your tax liability if both spouses had income. The result will be either a combined refund or a combined tax due.

IF ONE SPOUSE HAD A TOTAL NEGATIVE INCOME, YOU MUST FILE MARRIED FILING JOINTLY.

BOX 5. Filing Status 5 (Married Filing Separately on Different Returns)

Check this box if you were married and are filing separate tax returns.

BOX 6. Filing Status 6 [Surviving Spouse]

Check this box if you are a SURVIVING SPOUSE.

You are eligible to file as a SURVIVING SPOUSE if your spouse died in 2021 or 2022 and you meet each of the following tests:

1. You were entitled to file MARRIED FILING JOINTLY or MARRIED FILING SEPARATELY ON THE SAME RETURN with your spouse for the year your spouse died. It does not matter whether you actually filed a joint return.
2. You did not remarry before the end of 2023.
3. You had a child, stepchild, adopted child, or foster child who qualified as your dependent for the year.
4. You paid more than half the cost of keeping a home, which was the main home of that child for the entire year except for temporary absences.

DECEASED TAXPAYER

An Arkansas tax return should be filed for a taxpayer who died during the tax year as if the taxpayer had lived the entire year. Check the box after the taxpayer's name.

NOTE: Any refund check issued to a deceased taxpayer will be made out to the estate of the deceased taxpayer, i.e. "Estate of John/Jane Doe". To cash the check, the bank may require documentation such as death certificate, will, or power of attorney.

PERSONAL TAX CREDITS

LINE 7A. Each taxpayer and spouse is entitled to one personal tax credit. You can claim additional personal tax credits if you can answer "Yes" to any of these questions:

On December 31, 2023, were you **deaf?**

On December 31, 2023, were you **blind?**

Blindness is defined as being unable to tell light from darkness, having eyesight in the better eye not exceeding 20/200 with corrective lens, or having a field of vision limited to an angle of 20 degrees.

You can claim the **Deaf** Credit only if the average loss in speech frequencies (500 to 2000 Hertz) in the better ear is 86 decibels, I.S.O., or worse.

Any taxpayer **age 65 or over** not claiming a retirement income exemption on Line 18 is eligible for an additional **\$29** (per taxpayer) tax credit. Check the box(es) marked "65 Special".

Add the number of boxes you checked on Line 7A. Write the total in the box provided. Multiply the number by **\$29** and write amount in space provided.

NONRESIDENTS AND PART YEAR RESIDENTS MUST ATTACH A COPY OF PAGES 1&2 OF YOUR FEDERAL 1040. THE ARKANSAS RETURN WILL NOT BE PROCESSED WITHOUT IT

Round all amounts to the nearest dollar. (For example, if your Form W-2 shows \$10,897.50, round to \$10,898. If your Form W-2 shows \$10,897.49, round to \$10,897.)

Your spouse's income is exempt from Arkansas tax if your Home of Record is not Arkansas and your spouse's domicile is the same as your Home of Record.

(For future tax purposes, your nonmilitary spouse must submit a new payroll withholding form, ARW-4MS to his/her employer each year to exempt withholding.)

Adjust your gains and losses for depreciation differences, **if any**, in the federal and Arkansas amounts on Lines 2, 5 and 10 of the Arkansas Form AR1000D.

If, after the netting process, you had a capital gain or loss reported on **federal Schedule D** or on Form 1040/1040A, use Arkansas Form **AR1000D** to determine the taxable amount to enter. **Attach federal Schedule D and Arkansas Form AR1000D to your return.**

(See AR1000TD to determine if you qualify to use the averaging method.) **Attach 1099-R(s).**

Premature distributions are amounts you withdrew from your traditional IRA, deferred compensation, or thrift savings plans before you were either age 59 ½ or disabled. Rollovers on distributions are tax exempt.

If Box 2a is blank, use the Simplified Method Worksheet in the federal 1040 Instruction Booklet to calculate the taxable amount of your distribution. You are entitled to a **\$6,000** exemption from the taxable amount; the balance is taxable to Arkansas. Enter the balance on Line 18A, Column A. **Attach 1099-R(s).**

LINE 18B.

If filing status 2, Married Filing Joint, spouse must enter the taxable amount on line 18B, Column A.

If filing status 4, Married Filing Separately on the Same Return, spouse must enter the taxable amount on line 18B, Column B.

You might be eligible for the **\$6,000** exemption for retirement or disability benefits provided the distribution was from public or private employment-related retirement systems, plans, or programs. **(The recipient does not have to be retired.)** The method of funding is irrelevant. The exemption may be taken from either lump-sum or installment payments. The early withdrawal penalty may be applicable even though the exemption is granted.

If you received a traditional IRA distribution after reaching the age of fifty-nine and one-half (59 1/2), the first **\$6,000** is exempt from tax. DIRECT DEPOSIT

Get your refund faster with direct deposit. For direct deposit to your checking or savings account, you must enter your routing and account numbers and check the box for either checking or savings. If you checked the box ultimately placing your direct deposit into a foreign account, stop here. Direct deposits will not be deposited into accounts outside the United States; this includes Puerto Rico, Guam and the Virgin Islands.

The State of Arkansas is not responsible for the misapplication of a direct deposit that results from error, negligence or malfeasance on the part of the taxpayer, the provider or preparer, financial institution or any of their agents.

Check your form carefully, since any error could prevent your bank from accepting your direct deposit. Refunds that are not direct deposited because of Institutional refusal, erroneous account or routing transit numbers, closed accounts, bank mergers or any other reason are issued as paper checks. While the State of Arkansas ordinarily processes a request for direct deposit, it reserves the right to issue a paper check and does not guarantee a specific date for deposit of the refund into the taxpayer's account.

SIGNATURE(S)

Your tax return will not be legal and cannot be processed unless you SIGN IT.

Write in the DATE. If you and your spouse are filing a joint tax return or filing separately on the same return, both of you must sign it.

If someone else prepares your return, that person must sign and complete the Paid Preparer section. If you prepare your own return, **DO NOT** use this section.

PENALTIES & INTEREST

You must mail your tax return by April 15, 2024. Any return not postmarked by April 15, 2024 (unless you have an extension) will be delinquent. A penalty of one percent (1%) per month for failure to pay and five percent (5%) per month for failure to file, up to a maximum of thirty-five percent (35%), will be assessed on the amount of tax due on an original return. Interest of ten percent (10%) per year will also be assessed on any additional tax due, calculated from the original due date to the date you paid the tax due on an original or amended return.

An extension to file is not an extension to pay. If you have not paid the amount due by the original due date you will be subject to a failure to pay penalty of one percent (1%) per month of the unpaid balance.

In addition to any other penalties assessed, a penalty of \$500 will be assessed, if any taxpayer files what appears to be a return, but the return does not contain information on which the correctness of the return may be judged, and such conduct is due to a position which is frivolous or an effort to delay or impede the administration of any State law.

DEPARTMENT OF FINANCE AND ADMINISTRATION

YOUR RIGHTS AS A TAXPAYER

You have the right to a full explanation of all actions by any employee of the Secretary of the Department of Finance and Administration both during an audit and during collection activities.

- All tax information contained in the records and files of the Secretary of the Department of Finance and Administration (hereinafter "Secretary") pertaining to you or your business is confidential subject to exceptions in Ark. Code Ann. § 26-18-303.
- You may represent yourself in any proceeding or interview before the Secretary or you may be represented by anyone whom you authorize in writing to be your representative.
- You have the right to consult with a lawyer, accountant, or other representative at any time during an interview with an employee of the Secretary. The Secretary shall suspend the interview to allow you to consult with your representative.
- You may record any interview with the Secretary or his or her employee at your expense. You should let the Secretary or his or her employee know in advance of your intention to record the interview. The Secretary may likewise record an interview, and a copy may be obtained within a reasonable time at your expense.
- You may protest a proposed assessment of tax by filing a petition with the Tax Appeals Commission ("Commission"). You must file your petition in writing no later than 90 days from the date the Department issues a proposed assessment. The petition may be heard in-person, by teleconference, by videoconference, by any combination of those means, or solely upon the documents filed with the Commission. If you do not file a petition with the Commission, you may still pursue judicial remedies by filing an action in circuit court.
- A decision of the Commission has the same effect and shall be enforced in the same manner as a decision of a circuit court, unless judicial review of the decision is pending. After the issuance of the Notice of Final Assessment or the final decision of the Commission, you may seek judicial relief by following the procedures stated in the Arkansas Tax Procedure Act and appealing the tax assessment to circuit court. To pursue your appeal of a tax assessment to circuit court, you must do one of the following:
 - (1) File suit within 180 days of the date of the Notice of Final Assessment or final decision of the Commission if the taxpayer does not make any payment of the tax, penalty, or interest due;
 - (2) Pay the entire amount of tax due within one year of the date of the Notice of Final Assessment or final decision of the Commission and file suit within one year of the date of payment; or
 - (3) File suit within one year of the date of the final decision of the Commission to recover assessed tax, penalty, and interest paid prior to the time for issuance of the Notice of Final Assessment.
- A taxpayer may file an amended return or a verified claim for credit or refund of an overpayment of any state tax within three years from the date the return was filed or two years from the date the tax was paid, whichever is later. Any amended return or claim for refund should be filed with the office of the Revenue Division which administers the type of tax in question. The ability to file an amended return is not available to a taxpayer whose liability was determined as a result of an audit by the Department.
- If the Secretary disallows the refund claim either in whole or in part, the Secretary will issue a Notice of Claim Denial. You may protest the Notice of Claim Denial by filing a petition with the Commission. This protest must be filed with the Commission within 90 days from the date the Department issues the Notice of Claim Denial.
- Following the final decision of the Commission, you may seek judicial relief from the Notice of Claim Denial by appealing the decision to circuit court. Judicial review is available whether or not you filed a petition with the Commission. To pursue your appeal to circuit court, you must file suit within one year of the date of the mailing of the Notice of Claim Denial or the final determination of the Commission.
- Any taxpayer who wishes to file a petition to protest a proposed assessment or refund claim denial should file the petition in writing to:

Tax Appeals Commission

Mail: 900 West Capitol Avenue, Suite 310, Little Rock AR 72201

Online: ig.arkansas.gov/tax-appeals-commission/

- In administering the state tax laws, the Secretary is authorized by law to make an examination or investigation of the business, books, and records of the taxpayer. If the Secretary determines that an additional amount of tax is due, then a Notice of Proposed Assessment shall be issued to the taxpayer. The taxpayer may seek relief from the Notice of Proposed Assessment as outlined above. If the taxpayer fails to preserve and maintain records suitable to determine the amount of tax due or to prove accuracy of any return, the Secretary may make an estimated assessment based upon the best information available as to the amount of tax due by the taxpayer.
- The Secretary may issue a jeopardy assessment against any taxpayer (1) whose tax liability exceeds any bond on file indemnifying the state for the payment of a state tax, (2) who intends to leave the State, remove his or her property, or conceal himself or herself or his or her property, (3) who intends to discontinue his or her business without making adequate provisions for payment of state taxes, or (4) who does any other act tending to prejudice or jeopardize the Secretary's ability to compute, assess, or collect any state tax. Any taxpayer seeking relief from a jeopardy assessment must file a petition with the Commission within five days from the receipt of the jeopardy assessment.
- When collecting any state tax due from a taxpayer, the Secretary is authorized to file a Certificate of Indebtedness (state tax lien) with the circuit clerk of any county of this state certifying that the person named therein is indebted to the state for the amount of tax due as established by the Secretary. The Certificate of Indebtedness shall have the same force and effect as the entry of a judgment rendered by a circuit court and shall constitute a lien upon the title of any real and personal property of the taxpayer in the county where the Certificate of Indebtedness is recorded.
- After the filing of the Certificate of Indebtedness, the Secretary may take all steps authorized by law for the collection of the tax, including the issuance of a writ of execution, garnishment, and cancellation of any state tax permits or registrations.
- Any court costs or sheriff's fees which result from the Secretary's attempt to collect delinquent taxes shall be collected from the taxpayer in addition to the tax, interest, and penalties included in the Certificate of Indebtedness.
