A Message to Arkansas Taxpayers

Thank you for your continued support and diligence in filing your annual Individual Income Tax. Your efforts do not go unnoticed, and we appreciate the time and commitment you invest in this vital task every year.

Recognizing your significant contributions, Governor Sanders has reduced Arkansas Income Tax rates even further. The most recent change cut the top rate from 4.4% to 3.9% in the 2024 Second Extraordinary Session. This additional reduction will ease your financial burden and bring about a more optimistic future. Overall, Governor Sanders and the Legislature have reduced the top rate from 4.9% to 3.9% since 2023, changes that directly benefit you, the hardworking taxpayers of Arkansas.

The Department of Finance and Administration is committed to providing the best service possible to our taxpayers. In 2023, an independent nationwide survey showed our Department of Motor Vehicles was rated #7, and our Tax Services were rated #8 in customer service. We are dedicated to climbing higher on this list and ensuring you receive top-notch service. As always, we appreciate your suggestions. Please mail any suggestions and comments to: Manager, P.O. Box 3628, Little Rock, AR 72203-3628, or send an email to individual.income@dfa.arkansas.gov.

Sincerely,

Charles S. Collins

Commissioner of Revenue

ELECTRONIC FILING

www.arkansas.gov/efile

- **E-file is hassle-free**—both your federal and Arkansas income tax returns can be filed electronically in one transmission.
- **E-file is smart**—computer programs catch 98% of tax return errors.
- **E-file is worry-free**—receive acknowledgement within 2 to 3 business days if your return has been received and accepted.

Arkansas participates in the Federal/State Electronic Filing Program for Individual Income Tax. The program is available to most full year residents and certain qualifying nonresidents and part year residents.

Since Arkansas is a member of the **“Free File Alliance,”** depending on the level of income, taxpayers may qualify to file returns for free. (Go to **www.arkansas.gov/efile** for details.)

The State of Arkansas is requesting additional information this filing season in an effort to combat identity tax fraud and ensure that your hard-earned tax refund goes to you. Providing information from your driver’s license or state-issued identification card will help protect your identity and could help process your return quicker. However, this is only a request. Information from your driver’s license is not required, and your return will be processed without the additional information. The information is being requested solely to help protect your identity and ensure a more-secure refund.

IDENTITY THEFT

In recent years, identity theft associated with income tax returns has become an increasingly severe problem. Sometimes thieves steal a taxpayer’s Social Security Number and other private information then use this information to file tax returns and receive refunds that were not due to them.

If you believe your identity may have been used to file an Arkansas state tax return, these are the steps we suggest you take:

- Contact us at (501) 682-1100 to report that your identity may have been stolen and request a hold on your account to stop all fraudulent refunds.
- Contact the IRS Identity Protection Specialized Unit at **(800) 908-4490** and inform them that your identity was stolen and may have been used to file a fraudulent tax return. You should complete **IRS Form 14039**, an identity theft affidavit, to support your claim.
- **Send a copy of the stamped IRS identity theft affidavit form to: Arkansas Individual Income Tax, PO Box 3628, Little Rock, AR 72203-3628**
- Contact the credit bureaus to ensure there have not been any other thefts related to your identity, and ask to have a fraud alert put on your credit report. The numbers for the credit bureaus are listed below:
 - Equifax - (800) 525-6285
 - Experian - (888) 397-3742
 - Trans-Union - (800) 680-7289

SPECIAL INFORMATION FOR TAX YEAR 2024

Individual Income Tax Rate Reduction (Act 1 of the Second Extraordinary Session of 2024)

Marginal Income Tax rates for 2024 have been amended, and the top rate will be reduced to 3.9%.

Pass-Through Entity Tax

If you are a member of an entity that participates in Pass-Through Entity Tax, include all income from the PET return on the individual return. Use the AR-OI form to back out the income or losses reported on the Pass-Through level. Do not include the amount of tax paid on your behalf as withholding.

Additional Tax Credit for Qualified Individuals (Act 1 of the Second Extraordinary Session of 2021)

Allows an individual taxpayer having a net income up to \$26,900 who timely files a tax return, an additional tax credit.

DEVELOPMENTALLY DISABLED CREDIT (Act 191 of the General Session of 2023)

Eliminated the requirement for re-certification of a developmental disability that is expected to continue indefinitely. The form **AR1000RC5** has been changed to **AR1000-DD**. The only change to the form, other than the name, is where it can be claimed on your return. If claiming this credit, you are required to use the **AR1000TC** form, complete line 7, and enter the child(ren)'s name(s) and social security number(s) on the form (7A-7F- one child per line). If this is the first time you use this credit, attach the **AR1000-DD** and the **AR1000TC** to your return. If your **AR1000RC5** was valid on January 1, 2022, you will not be required to submit the **AR1000-DD**. This credit is permanent and no longer requires a renewal every five (5) years; however, you must submit the **AR1000TC** yearly. The credit will follow the child (no matter who the caretaker is) and can only be claimed on one tax return per year.

Remote Work (Act 1019 of the General Session of 2021)

A nonresident who is paid a salary, lump sum payment, or any other form of payment for work inside and outside Arkansas is only taxed on the amount of income while physically located inside Arkansas. For remote workers who perform all of their duties from outside Arkansas, no income would be taxed. If duties performed are a combination of inside and outside Arkansas, only the portion that reasonably can be allocated to work performed in Arkansas is taxable.

Teacher and Retired Teacher Death Benefits (Act 171 of the General Session of 2023)

Among other issues addressed, Act 171 allows teacher and retired teacher death benefits from the Arkansas Teacher Retirement system to be distributed to multiple beneficiaries if requested or to the estate if no beneficiaries are named or survive to receive benefits. Such death benefits are exempt from Arkansas income taxes if a lump sum distribution.

Additional changes can be found on our website: <https://www.dfa.arkansas.gov/office/taxes/income-tax-administration/individual-income-tax>.

IF THE IRS AUDITS YOU

If the Internal Revenue Service examines your return for any tax year and changes your net taxable income, you must report the changes to the Arkansas Department of Finance and Administration within one hundred eighty (**180**) days from the receipt of the notice and demand for payment by the Internal Revenue Service.

File an Amended Individual Income Tax Return for the year(s) involved reporting the changes to your state return. **Attach a copy of the federal changes.**

If you fail to notify this Department within one hundred eighty (**180**) days and do not file the required amended return, the Statute of Limitations will remain open for three (**3**) years on the year(s) in question. Additional interest will be figured on any tax you owe the State of Arkansas.

INFORMATION EXCHANGE PROGRAMS WITH THE IRS

Under authorization of Internal Revenue Code Section 6103(D) the State of Arkansas participates in several information exchange programs with the Internal Revenue Service:

- **CP2000:** The IRS matches income reported on a taxpayer's federal income tax return with documents (W-2s, 1099s, etc.) provided to the IRS by the payer to determine whether income was omitted from the taxpayer's return. If unreported income is discovered, the IRS assesses additional federal tax on the omitted income then notifies the State of Arkansas. The taxpayer's state tax return is then reviewed for unreported income. (Some examples of commonly omitted income include wages, pensions, and cancellation of debt.)
- **Examination Operational Automation Database "EOAD":** When the IRS adjusts a taxpayer's federal income tax return as the result of an audit, details are provided to the State of Arkansas. The taxpayer's state tax return is then reviewed and adjusted if appropriate. (Some examples of EOAD adjustments include disallowance of deductions, expenses, or dependents and assessment of early withdrawal penalties.)
- **Non-filer Identification:** The IRS provides the Arkansas Department of Finance and Administration with a list of taxpayers who filed federal returns using Arkansas addresses. This information is then compared with Arkansas income tax records to identify individuals who filed federal returns using Arkansas addresses but did not file Arkansas returns. Letters are sent inquiring whether the taxpayer is required to file. The taxpayer should file the return in question or provide documentation why he/she is not required to file. If a sufficient response is not received, state tax is assessed using amounts reported on the taxpayer's federal return, and the taxpayer is mailed a Notice of Proposed Assessment.

PRESERVATION OF TAX RECORDS

A taxpayer who files an Arkansas income tax return is required to retain records to prove the accuracy of that return. The records must be retained for at least **six (6) years** (unless otherwise provided by law) and are subject to examination by the Director at any reasonable time during that period.

When a taxpayer fails to preserve and maintain the required records, the Director may make an estimated assessment based upon any available information as to the amount of tax due by the taxpayer. Per ACA 26-18-506, the burden of proof of refuting this estimated assessment is upon the taxpayer.

REQUEST FOR COPIES OF ARKANSAS TAX RETURNS

If your tax return was completed by a paid tax preparer, he/she should be able to provide a copy of the return. If you used a software product to prepare your tax return, you should be able to print a copy of the tax return from the software used. Otherwise to request a copy of your Arkansas tax return, please complete and submit Form AR4506. Form AR4506 is included in this book and can also be downloaded from our website at: <https://www.dfa.arkansas.gov/office/taxes/income-tax-administration/individual-income-tax/forms/>

MILITARY PERSONNEL

Active-Duty Military

Under federal law, a military servicemember's state of legal residence does not change solely as the result of the servicemember's assignment for service in another state. An Arkansas resident who enters into military service will remain an Arkansas resident unless they officially change their state of legal residence as described in DD Form 2058. Military servicemembers who are Arkansas residents are subject to the same income tax filing requirements as other Arkansas residents, even if they are serving in another state. These requirements are described under the heading "Who Must File A Tax Return".

Military Pay Exemption (Act 1408 of 2013):

Provides a 100% exemption from income tax for service pay or allowance received by an active-duty member of the armed forces for tax years beginning on or after January 1, 2014. Active duty includes all armed forces members, including the National Guard and Reserve Units. You must file to claim the exemption.

Military Spouses Residency Relief Act:

Exempts a military spouse's income from Arkansas tax if the servicemember's Home of Record is not Arkansas and the spouse's domicile is the same as the service member's Home of Record. Effective January 1, 2009. Please check the box on the tax return "Military Spouse" and attach a completed Form AR-MS (available at: <https://www.dfa.arkansas.gov/office/taxes/income-tax-administration/individual-income-tax/forms/>) and a copy of the service member's W-2 or Leave and Earning Statement (LES) to verify Home of Record. (For future tax purposes, the nonmilitary spouse **must** submit a new payroll withholding form, ARW-4MS, to his/her employer each year to exempt future withholding.)

The Military Family Tax Relief Act of 2003 (Act 372 of 2009):

This act adopts IRC 121, 134, and 162 as in effect on January 1, 2009. Provisions of this act include exclusion of gain on sale of principal residence, deduction of overnight travel expenses for National Guard and Reserve members, and exclusion from income of "qualified military benefits".

Military Retirement Exemption (Act 141 of 2017):

Beginning with tax year 2018, retirement benefits received by a member of the uniformed services as defined in this Act are exempted from income tax. Retirees cannot claim the \$6,000 exemption for traditional or employer sponsored distributions if their military retirement exemption exceeds \$6,000. If the military retirement exemption is less than \$6,000, the remaining amount of the exemption may be taken for traditional or employee sponsored distributions. Please see instructions for lines 18A and 18B for details.

The Servicemembers Civil Relief Act:

Deferral of Tax - Upon notice to the Internal Revenue Service or the tax authority of a state or a political subdivision of a state, the collection of income tax on the income of a servicemember falling due before or during military service shall be deferred for a period not more than one hundred and eighty (180) days after termination of or release from military service, if a service member's ability to pay such income tax is materially affected by military service.

Accrual of Interest or Penalty - No interest or penalty shall accrue for the period of deferment by reason of nonpayment on any amount of tax-deferred under this section.

Statute of Limitations - The running of a statute of limitations against the collection of tax deferred under this section, by seizure or otherwise, shall be suspended for the period of military service of the servicemember and for an additional period of two hundred and seventy (270) days thereafter.

Residence or Domicile - A servicemember shall neither lose nor acquire a residence or domicile for purposes of taxation with respect to the person, personal property, or income of the servicemember by reason of being absent or present in any tax jurisdiction of the United States solely in compliance with military orders.

Military Service Compensation - Compensation of a servicemember for military service shall not be deemed to be income for services performed or from sources within a tax jurisdiction of the United States if the servicemember is not a resident or domiciliary of the jurisdiction in which the servicemember is serving in compliance with military orders.

RETIRED MILITARY PERSONNEL

Extension of Time for Veterans (Retirees) to File for Refund (Act 238 of 2009):

This act extends the statute of limitations for a veteran to file a claim for refund of an overpayment that results from retroactive determination by the Secretary of Veterans Affairs that part or all of the uniformed service retirement payments to the taxpayer are payments made for a service-connected disability and are not included in gross income. Effective January 1, 2001.

DEFINITIONS

GROSS INCOME

Gross income is all income (before deductions) other than income specifically described as exempt on pages 10 and 11.

Exception: The \$6,000 exemption on retirement income, exemption on U.S. active-duty military income and military retirement as described on pages 10 and 11 are included in gross income.

DOMICILE

This is the place you intend to have as your permanent home and the place you intend to return to whenever you are away. You can have only one domicile. Your domicile does not change until you move to a new location which you intend to make your permanent home. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

FULL YEAR RESIDENT

You are a full year resident if you lived in Arkansas all of calendar year 2024, or if you have maintained a domicile or Home of Record in Arkansas during the tax year.

NONRESIDENT

You are a nonresident if you did not make your domicile in Arkansas.

PART YEAR RESIDENT

You are a part year resident if you established a domicile in Arkansas or moved out of the state during calendar year 2024.

MILITARY PERSONNEL

If Arkansas is your Home of Record and you are stationed outside of Arkansas, you are still required to file an **AR1000F** reporting all of your income, including U.S. active-duty military compensation. However, active-duty military compensation is exempt from Arkansas tax beginning in tax year 2014. (If you are stationed in Arkansas and your Home of Record is another state, Arkansas does not tax your U.S. active-duty military compensation.)

U.S. active-duty military compensation includes wages received by members of the Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, and Reserve Units.

DEPENDENTS

You may claim as a dependent any person who received over half of his or her support from you, earned less than \$5,050 in gross income, and was your:

| | | | | | |
|---------------|---------------|----------------|---------------|-------------|-----------------|
| Child | Stepchild | Mother | Father | Grandparent | Brother |
| Sister | Grandchild | Stepbrother | Stepsister | Stepmother | Stepfather |
| Mother-In-Law | Father-In-Law | Brother-In-Law | Sister-In-Law | Son-In-Law | Daughter-In-Law |

Or, an individual (other than your spouse) who, for the tax year of the taxpayer, had the same principal place of abode as the taxpayer and was a member of the taxpayer's household. Or, if related by blood: Uncle, Aunt, Nephew, Niece. The term "dependent" includes a foster child if the child had as his or her principal place of abode the home of the taxpayer and was a member of the taxpayer's household for the taxpayer's entire tax year.

The term "dependent" does not apply to anyone who is a citizen or subject of a foreign country **UNLESS** that person is a resident of **Mexico or Canada**.

If your child/stepchild was under age 19 at the end of the year, the \$5,050 gross income limitation does not apply. Your child/stepchild may have earned any amount of income and still be your dependent if the other dependency requirements in this section were met.

If your child/stepchild was a student under age 24 at the end of the calendar year, the \$5,050 gross income limitation does not apply. The other requirements in this section must be met.

To qualify as a student, your child/stepchild must have been a full-time student for five (5) months during the calendar year at a qualified school, as defined by the Internal Revenue Service.

If your dependent died during the tax year, you may claim the full amount of tax credit for the dependent on your tax return regardless of when the death occurred during the year.

Arkansas has adopted Internal Revenue Code §151(c)(6) regarding the tax treatment of kidnapped children.

***Gross Income is all income (before deductions) other than income specifically described as exempt on pages 10 and 11.**

Exception: The \$6,000 exemption on retirement income, exemption on U.S. active-duty military income, and military retirement as described on pages 10 and 11 are included in gross income.

If your gross income was less than the amount shown in the last column for your filing status, you are not required to file a return. **However, you must file a return to claim any refund due.**

NONRESIDENTS (Use Form AR1000NR)

Nonresidents who received any gross income from Arkansas sources **must** file a return (regardless of marital status, filing status, or amount).

Remote workers must file if the employer reports Arkansas taxable income.

PART YEAR RESIDENTS (Use Form AR1000NR)

Part year residents who received any gross income while an Arkansas resident **must** file a return (regardless of marital status, filing status, or amount).

NOTE: The maximum extension that will be granted to an individual on an AR1055-IT is two hundred and ten (210) days, extending the Arkansas due date until November 15th.

When you file your return, check the box indicating you filed a state extension. **If the box on the front of your return is not checked, you will not receive credit for your federal or state extension.**

An extension extends the amount of time to file your return, but does not extend the amount of time to pay. Any tax due must be paid by April 15, 2025 to avoid failure to pay penalty and interest.

Payments made on extension should be made using the voucher attached to Form AR1055-IT.

See page 16 for information on penalties and interest.

EXEMPT FROM INCOME TAX

NOTE: List exempt income on AR4, Part III. (You do not need to list exclusion amounts from numbers 11-13.)

1. **Military Pension** received as a member of the uniformed services.
2. Money you received from a **life insurance policy** because of the death of the person who was insured is exempt from tax.

NOTE: You must include as taxable income any interest payments made to you from the insurer (the insurance company that issued the policy).

3. Money you received from **life insurance**, an endowment, or a private annuity contract for which you paid the premiums is allowed cost recovery pursuant to Internal Revenue Code §72.
4. Amounts you received as **child support** payments are exempt from tax.
5. **Gifts, inheritances, bequests, or devises** are exempt from tax.
6. **Scholarships, fellowships, and grants** are taxed pursuant to Internal Revenue Code §117. (Stipends are fully taxable.) For additional information on scholarships, fellowships, and grants see instructions for line 22 on page 14.
7. **Interest** you received from direct United States obligations, its possessions, the State of Arkansas, or any political subdivision of the State of Arkansas is exempt from tax. (Interest received on tax refunds is not exempt income, because it did not result from a debt issued by the United States, the State of Arkansas, or any political subdivision of the State of Arkansas.) Interest from government securities paid to individuals through a mutual fund is exempt from tax.

WHEN TO FILE

You can file your calendar year original tax return any time after December 31, 2024, but **NO LATER THAN** April 15, 2025, (unless an extension has been granted).

If you file a fiscal year tax return, your return is due **NO LATER THAN** three and one-half (3 ½) months following the close of the income year.

NOTE: The date of the postmark stamped by the U.S. Postal Service is the date you filed your return.

If the due date of your return falls on a Saturday, Sunday, or legal holiday, the return will be considered timely filed if it is postmarked on the next business day.

Statute of Limitations – Refunds. An amended return or claim for refund of an overpayment must be filed by the taxpayer within three (3) years from the time the return was filed or two (2) years from the time the tax was paid, whichever is later.

IF YOU NEED MORE TIME

If you request an extension of time to file your federal income tax return (by filing **federal Form 4868** with the IRS) you are entitled to receive the same extension on your Arkansas income tax return. The federal automatic extension extends the Arkansas deadline to file until November 15th.

The Department no longer requires that a copy of **federal Form 4868** be attached to your state tax return. **When your Arkansas return is complete and ready to file, simply check the box on the face of the return indicating you filed a federal extension.**

If you do not file a federal extension, you can file an Arkansas extension using Form AR1055-IT before the filing due date of April 15th. **Inability to pay is not a valid reason to request an Arkansas extension.** Send your request to:

FILING STATUS

DETERMINE YOUR FILING STATUS

BOX 1. Filing Status 1 (Single)

Check this box if you are SINGLE or UNMARRIED and DO NOT qualify as HEAD OF HOUSEHOLD. (Read the instructions for BOX 3 to determine if you qualify for HEAD OF HOUSEHOLD.)

BOX 2. Filing Status 2 (Married Filing Joint)

Check this box if you were MARRIED and are filing jointly. IF YOU ARE FILING A JOINT RETURN, YOU MUST ADD BOTH SPOUSES' INCOME TOGETHER. Enter the total amount in column A on lines 8 through 23 under "Your/Joint Income".

MARRIED COUPLES—CHOOSING THE BEST FILING STATUS

If you and your spouse had separate incomes, you might save money by figuring your tax separately using one of the following two methods. Use the method that suits you best.

METHOD A.

List your income separately under column A ("Your Income"). List your spouse's income separately under column B ("Spouse's Income"). Figure your tax separately and then add your taxes together. See instructions for Married Filing Separately on the Same Return, box 4.

If you use Method A, your result will be either a COMBINED REFUND or a COMBINED TAX DUE.

METHOD B.

You must file separate individual tax returns. See instructions for Married Filing Separately on Different Returns, box 5.

If you use Method B, one of you may owe tax and the other may get a refund. The tax due must be paid with the proper tax return and the refund will be due on the other return. YOU MAY NOT OFFSET ONE AGAINST THE OTHER.

BOX 3. Filing Status 3 (Head of Household)

To file as Head of Household you must have been unmarried or legally separated on December 31, 2024, and meet either 1 or 2 below. The term "Unmarried" includes certain married persons who lived apart, as discussed at the end of this section.

1. You paid over half the cost of keeping a home for the entire year that was the main home of your parent whom you can claim as a dependent. Your parent did not have to live with you in your home.

OR

2. You paid over half the cost of keeping a home in which you lived, **and** in which one of the following also lived, for more than six (6) months of the year (temporary absences, such as vacation or school, are counted as time lived in the home):

a. Your unmarried child, grandchild, great-grandchild, adopted child or stepchild. This

8. **Social Security benefits, VA benefits, Workers' Compensation, Railroad Retirement benefits** and related supplemental benefits are exempt from tax.

Railroad Retirement Benefits exempt from income tax include tier I, tier II, vested dual benefits (VDB), and supplemental annuity payments reported on Form(s) RRB-1099-R and/or RRB-1099. Private pensions reported on Form 1099-R from railroad companies are not considered exempt Railroad Retirement Benefits.

9. The rental value of a home or the **housing allowance paid to a duly ordained or licensed minister** of a recognized church is exempt to the extent that it was used to rent or provide a home. The rental value of a home furnished to a minister includes utilities furnished to the minister as part of compensation. The housing allowance paid to a minister includes an allowance for utilities paid to the minister as part of compensation to the extent it was used to furnish utilities in the home.

10. **Disability income** MAY BE exempt from tax pursuant to Internal Revenue Code §104.

If you contributed after-tax dollars to your plan, you are allowed to recover your cost (investment) in your retirement plan in accordance with Internal Revenue Code §72. Then the first \$6,000 of the balance is exempt from tax.

13. If you received a traditional **IRA distribution** after reaching age fifty-nine and one-half (59 1/2), the first \$6,000 is exempt from tax. Your traditional IRA distribution may be adjusted for nondeductible IRA contributions, if any, by completing Federal Form 8606 and attaching it to your Arkansas return. Premature distributions made on account of the participant's death or disability also qualify for the exemption. All other premature distributions or early withdrawals (including, but not limited to, those taken for medical expenses, higher education expenses or a first-time home purchase) do not qualify for the exemption.

A surviving spouse qualifies for the exemption; however he/she is limited to a single \$6,000 exemption.

NOTE: Total exemptions from all plans described under 12 and 13 cannot exceed \$6,000 per taxpayer, not including recovery of cost.

14. Beginning with tax year 2017, income received by a taxpayer under the **Community Match Rural Physician Recruitment Program** is exempt from income tax.

15. **Public Service Loan Forgiveness:** Under current Arkansas law, the amounts discharged under the Public Service Loan Forgiveness ("PSLF") program should be excluded from gross income but amounts discharged from other programs would be included in gross income for Arkansas income tax purposes.

Staple the state copy of each of your W-2(s), W-2G(s), 1099-R(s), 1099PT(s), and 1099-G(s) to the left margin of P1 of your return. Failing to attach these forms may delay the processing of your return.

Adjust your gains and losses for depreciation difference, if any, in the federal and Arkansas amounts on lines 2, 5, and 10 of the Arkansas Form AR1000D.

If you and your spouse filed a JOINT declaration and you and your spouse choose to file your tax returns on separate forms this year, payments made under the joint declaration of estimate will be credited to the primary filer. If the primary taxpayer is deceased, please submit a signed written request that any estimated payments or carryovers from the previous tax year be moved to the spouse's account.

DIRECT DEPOSIT

Get your refund faster with direct deposit. For direct deposit to your checking or savings account, you must enter your routing and account numbers and check the box for either checking or savings. If you checked the box ultimately placing your direct deposit into a foreign account, stop here. Direct deposits will not be deposited into accounts outside the United States; this includes Puerto Rico, Guam and the Virgin Islands.

The State of Arkansas is not responsible for the misapplication of a direct deposit that results from error, negligence or malfeasance on the part of the taxpayer, the provider or preparer, financial institution or any of their agents.

Check your form carefully, since any error could prevent your bank from accepting your direct deposit. Refunds that are not direct deposited because of Institutional refusal, erroneous account or routing transit numbers, closed accounts, bank mergers or any other reason are issued as paper checks. While the State of Arkansas ordinarily processes a request for direct deposit, it reserves the right to issue a paper check and does not guarantee a specific date for deposit of the refund into the taxpayer's account. **Please also verify you are using your mailing address on your return, in the event we do have to mail out a paper check.**

SIGNATURE(S)

Your tax return will not be valid and cannot be processed unless you SIGN IT.

Write in the DATE. If you and your spouse are filing a joint tax return or filing separately on the same return, both of you must sign it.

If someone else prepares your return, that person must sign and complete the Paid Preparer section. If you prepare your own return, **DO NOT** use this section.

A penalty of one percent (1%) per month for failure to pay and five percent (5%) per month for failure to file, up to a maximum of thirty-five percent (35%), will be assessed on the amount of tax due on an original return. Interest of ten percent (10%) per year will also be assessed on any additional tax due, calculated from the original due date to the date you paid the tax due on an original or amended return.

An extension to file is not an extension to pay. If you have not paid the amount due by the original due date you will be subject to a failure to pay penalty of one percent (1%) per month of the unpaid balance.

In addition to any other penalties assessed, a penalty of \$500 will be assessed, if any taxpayer files what appears to be a return, but the return does not contain information on which the correctness of the return may be judged, and such conduct is due to a position which is frivolous or an effort to delay or impede the administration of any State law.

If you do not file a petition with the Commission, you may still pursue judicial remedies by filing an action in circuit court.
- A decision of the Commission has the same effect and shall be enforced in the same manner as a decision of a circuit court, unless judicial review of the decision is pending. After the issuance of the Notice of Final Assessment or the final decision of the Commission, you may seek judicial relief by following the procedures stated in the Arkansas Tax Procedure Act and appealing the tax assessment to circuit court. To pursue your appeal of a tax assessment to circuit court, you must do one of the following:
 - (1) File suit within 180 days of the date of the Notice of Final Assessment or final decision of the Commission if the taxpayer does not make any payment of the tax, penalty, or interest due;
 - (2) Pay the entire amount of tax due within one year of the date of the Notice of Final Assessment or final decision of the Commission and file suit within one year of the date of payment; or
 - (3) File suit within one year of the date of the final decision of the Commission to recover assessed tax, penalty, and interest paid prior to the time for issuance of the Notice of Final Assessment.
- A taxpayer may file an amended return or a verified claim for credit or refund of an overpayment of any state tax within three years from the date the return was filed or two years from the date the tax was paid, whichever is later. Any amended return or claim for refund should be filed with the office of the Revenue Division which administers the type of tax in question. The ability to file an amended return is not available to a taxpayer whose liability was determined as a result of an audit by the Department.
- If the Secretary disallows the refund claim either in whole or in part, the Secretary will issue a Notice of Claim Denial. You may protest the Notice of Claim Denial by filing a petition with the Commission. This protest must be filed with the Commission within 90 days from the date the Department issues the Notice of Claim Denial.
- Following the final decision of the Commission, you may seek judicial relief from the Notice of Claim Denial by appealing the decision to circuit court. Judicial review is available whether or not you filed a petition with the Commission. To pursue your appeal to circuit court, you must file suit within one year of the date of the mailing of the Notice of Claim Denial or the final determination of the Commission.
- Any taxpayer who wishes to file a petition to protest a proposed assessment or refund claim denial should file the petition in writing to:

Tax Appeals Commission

Mail: 900 West Capitol Avenue, Suite 310, Little Rock AR 72201

Online: ig.arkansas.gov/tax-appeals-commission/

- In administering the state tax laws, the Secretary is authorized by law to make an examination or investigation of the business, books, and records of the taxpayer. If the Secretary determines that an additional amount of tax is due, then a Notice of Proposed Assessment shall be issued to the taxpayer. The taxpayer may seek relief from the Notice of Proposed Assessment as outlined above. If the taxpayer fails to preserve and maintain records suitable to determine the amount of tax due or to prove accuracy of any return, the Secretary may make an estimated assessment based upon the best information available as to the amount of tax due by the taxpayer.
- The Secretary may issue a jeopardy assessment against any taxpayer (1) whose tax liability exceeds any bond on file indemnifying the state for the payment of a state tax, (2) who intends to leave the State, remove his or her property, or conceal himself or herself or his or her property, (3) who intends to discontinue his or her business without making adequate provisions for payment of state taxes, or (4) who does any other act tending to prejudice or jeopardize the Secretary's ability to compute, assess, or collect any state tax. Any taxpayer seeking relief from a jeopardy assessment must file a petition with the Commission within five days from the receipt of the jeopardy assessment.
- When collecting any state tax due from a taxpayer, the Secretary is authorized to file a Certificate of Indebtedness (state tax lien) with the circuit clerk of any county of this state certifying that the person named therein is indebted to the state for the amount of tax due as established by the Secretary. The Certificate of Indebtedness shall have the same force and effect as the entry of a judgment rendered by a circuit court and shall constitute a lien upon the title of any real and personal property of the taxpayer in the county where the Certificate of Indebtedness is recorded.
- After the filing of the Certificate of Indebtedness, the Secretary may take all steps authorized by law for the collection of the tax, including the issuance of a writ of execution, garnishment, and cancellation of any state tax permits or registrations.
- Any court costs or sheriff's fees which result from the Secretary's attempt to collect delinquent taxes shall be collected from the taxpayer in addition to the tax, interest, and penalties included in the Certificate of Indebtedness.

2024 Regular Income Tax Table

Instructions:

1. Find your net taxable income from line 28, **AR1000F/AR1000NR**, in the table below. Your tax is to the right of this amount.
2. Married couples must use the same filing status and tax table. If one spouse uses the Regular Income Tax Table, then both must use the Regular Income Tax Table.
3. Be sure to subtract line 27 (standard deduction or your itemized deductions) from line 25 before using the Regular Income Tax Table. If you and your spouse use Filing status 4 or 5, make sure you prorate your itemized deductions between you and your spouse.

Current year indexed tax brackets are available on our website at www.dfa.arkansas.gov/incometax
