

General Information

A Purpose

Form FTB 8879-FID, California e-file Signature Authorization for Fiduciaries, must be completed when a fiduciary e-file tax return is being signed using the Practitioner PIN method. By signing this form, the fiduciary or officer representing the fiduciary authorizes the electronic return originator (ERO) to enter the fiduciary or officer representing the fiduciary's personal identification number (PIN) on his or her 2018 e-filed California fiduciary income tax return. This is a one-time authorization tied to this specific tax return.

Form FTB 8879-FID does not serve as proof of filing your income tax return; the e-file acknowledgement containing the date of acceptance for the accepted tax return is that proof.

Do not use form FTB 8879-FID if the fiduciary or officer representing the fiduciary will sign form FTB 8453-FID, California e-file Return Authorization for Fiduciaries, or will enter their own PIN.

B Practitioner PIN Method

The Practitioner PIN method is an electronic signature option for fiduciaries or officers representing fiduciaries e-filing their fiduciary income tax return through an ERO. To select this method, both the fiduciary or officer representing the fiduciary and ERO must sign form FTB 8879-FID.

C Fiduciary Responsibilities

Before you can e-file the fiduciary tax return, you must:

- Inspect a copy of the fiduciary income tax return and ensure the information is correct. Confirm the routing and account numbers entered into the tax preparation software.
