Payment Voucher for Corporations and Exempt Organizations e-filed Returns

Important Information

Net Operating Loss (NOL) Carrybacks –

For taxable years beginning on or after January 1, 2019, the provision under California Revenue and Taxation Code Section 19131.5 which allowed corporations or exempt organizations expecting a Net Operating Loss (NOL) carryback an extension of time to pay tax, is no longer allowed.

General Information

Use form FTB 3586, Payment Voucher for Corporations and Exempt Organizations e-filed Returns, to pay the tax due only if the corporation or exempt organization meets all of the following:

- Files its tax return electronically
- Has a balance due
- Remits payment with a check or money order
- Is not required to remit payment electronically

If a limited liability company (LLC) elects to be taxed as a corporation for federal tax purposes, the LLC must file form FTB 3586 and enter the California corporation number, Federal employer identification number (FEIN), and California Secretary of State (CA SOS) file number, if applicable, in the space provided. The Franchise Tax Board (FTB) will (1) assign an identification number to an LLC that files as a corporation, and (2) notify the LLC with the identification number upon receipt of the first estimated tax payment, first tax payment, or the first tax return. The LLC will be subject to the applicable provisions of the Corporation Tax Law and should be considered a corporation for purpose of all instructions unless otherwise indicated.

Private Mail Box (PMB) – Include the PMB in the address field. Write “PMB” first, then the box number. Example: 111 Main Street PMB 123.

Electronic Payment

Electronic Funds Transfer (EFT)

Corporations or exempt organizations remitting an estimated tax payment or extension payment in excess of \$20,000 or having a total tax liability in excess of \$80,000 must remit all payments through EFT. Once a corporation or exempt organization meets the threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically to avoid a 10% non-compliance penalty. The first payment that would trigger

the mandatory EFT requirement does not have to be made electronically. Corporations or exempt organizations required to remit payments electronically may use electronic funds withdrawal (EFW), Web Pay, or a credit card and be considered in compliance with that requirement. The FTB notifies corporations or exempt organizations that are subject to this requirement. Those that do not meet these requirements may participate on a voluntary basis. For more information, go to ftb.ca.gov and search for **eft** or call 916.845.4025.

Electronic Funds Withdrawal (EFW)

Corporations can make an estimated tax and extension payment using tax preparation software. Check with the software provider to determine if they support EFW for estimated tax or extension payments. Exempt organizations can use EFW to make a return payment when e-filing Form 199, California Exempt Organization Annual Information Return.

Web Pay

Corporations or exempt organizations can make payments online using Web Pay for Businesses. Corporations or exempt organizations can make an immediate payment or schedule payments up to a year in advance. Go to ftb.ca.gov/pay for more information.

Credit Card

Corporations or exempt organizations can use Discover, MasterCard, Visa or American Express Card to pay business taxes. Go to officialpayments.com. Official Payments Corporation charges a convenience fee for using this service.

If the corporation or exempt organization remits its payment electronically, **do not** mail the payment voucher.

Penalties and Interest

If the corporation or exempt organization fails to pay its total tax liability by the original due date, the corporation or exempt organization will incur a late payment penalty plus interest. The FTB may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return, but not less than minimum franchise tax if applicable, is paid by the original due date of the return. However, the imposition of interest is mandatory.

If the corporation or exempt organization does not file its California tax return by the extended due date, or the corporation's powers, rights, and privileges have been suspended or forfeited by the FTB or the CA SOS as of the original due date, the automatic extension will not apply and a delinquency penalty plus interest will be assessed from the original due date of the California tax return.

If the corporation or exempt organization is required to remit all of its payments electronically and pays by another method, a 10% non-compliance penalty will be assessed.
