# 2020 Instructions for Form FTB 3531

## California Competes Tax Credit

### What's New

**Credit Limitation** – For taxable years beginning on or after January 1, 2020, and before January 1, 2023, there is a \$5,000,000 limitation on the application of business credits for taxpayers. The total of all business credits including the carryover of any business credit for the taxable year may not reduce the “net tax”, for personal income tax filers, or the “tax”, for corporate filers, by more than \$5,000,000. For taxpayers included in a combined report, the limitation is applied at the group level. The business credits disallowed due to the limitation may be carried over. The carryover period for disallowed credits is extended by the number of taxable years the credit was not allowed. This limitation does not apply to the Low-Income Housing Credit.

### General Information

#### A Purpose

Use form FTB 3531, California Competes Tax Credit, to report the credit amount for the current year, the amount to carryover to future years, and any amount recaptured. Also use this form to claim pass-through credits received from S corporations, estates, trusts, partnerships, or limited liability companies (LLCs).

S corporations, estates, trusts, partnerships, and LLCs should complete form FTB 3531 to figure the amount of credit to pass through to shareholders, beneficiaries, partners, or members. Attach this form to Form 100S, California S Corporation Franchise or Income Tax Return; Form 541, California Fiduciary Income Tax Return; Form 565, Partnership Return of Income; or Form 568, Limited Liability Company Return of Income. Show the pass-through credit for each shareholder, beneficiary, partner, or member on Schedule K-1 (100S, 541, 565, or 568), Share of Income, Deductions, Credits, etc.

#### B Description

The California Competes Tax Credit (CCTC) is available for taxable years beginning on and after January 1, 2014, and before January 1, 2030, to businesses that enter into a CCTC Allocation Agreement (credit agreement) with the Governor's Office of Business and Economic Development (GO-Biz). Tax credit agreements are negotiated by GO-Biz and approved by the California Competes Tax Credit Committee. For more information, go to the GO-Biz website at [business.ca.gov](http://business.ca.gov) and search for **ca competes**.

#### C Qualifications

To claim the CCTC, a taxpayer must have entered into a credit agreement with the GO-Biz and met the terms and conditions in the credit agreement. The credit is allocated by taxable year as specified in the credit agreement. As part of the credit agreement, a taxpayer commits to meet and maintain yearly employment and project investment requirements, referred to as “milestones.” If a taxpayer meets the milestones for a taxable year as specified in the credit agreement, then the credit for that year is earned and may be claimed on the tax return.

#### D Limitations

For taxable years beginning on or after January 1, 2020, and before January 1, 2023, there is a \$5,000,000 limitation on the application of business credits, including carryover. For taxpayers included in a combined report, the limitation is applied at the group level. The limitation does not apply to the Low-Income Housing Credit.

S corporations may claim only 1/3 of the credit against the 1.5% entity-level tax (3.5% for financial S corporations). The remaining 2/3 must be disregarded and may not be used as carryover. In addition, S corporations may pass through 100% of the credit to their shareholders.

If a taxpayer owns an interest in a disregarded business entity [a single member limited liability company (SMLLC) not recognized by California, and for tax purposes is treated as a sole proprietorship owned by an individual or a branch owned by a corporation], the credit amount a taxpayer receives from the disregarded entity that can be utilized is limited to the difference between the taxpayer's regular tax figured with the income of the disregarded entity, and the taxpayer's regular tax figured without the income of the disregarded entity.

For more information on SMLLCs, get Form 568, Limited Liability Company Tax Booklet.

This credit cannot reduce the minimum franchise tax (corporations and S corporations), the annual tax (limited partnerships, limited liability partnerships, and LLCs classified as a partnership), the alternative minimum tax (corporations, exempt organizations, individuals, and fiduciaries), the built-in gains tax (S corporations), or the excess net passive income tax (S corporations).

If a C corporation had unused credit carryovers when it elected S corporation status, the carryovers were reduced to 1/3 and transferred to the S corporation. The remaining 2/3 were disregarded. The allowable carryovers may be used to offset the 1.5% tax on net income in accordance with the respective carryover rules. These C corporation carryovers may not be passed through to shareholders. For more information, get Schedule C (100S), S Corporation Tax Credits.

This credit can reduce regular tax below the tentative minimum tax (TMT). Get Schedule P (100, 100W, 540, 540NR, or 541), Alternative Minimum Tax and Credit Limitations, for more information.

**This credit is not refundable.**

#### E Assignment of Credits

**Assigned credits to affiliated corporations** – Credit earned by members of a combined reporting group may be assigned to an affiliated corporation that is an eligible member of the same combined reporting group. A credit assigned may only be claimed by the affiliated corporation against its tax liability. For more information, get form FTB 3544, Assignment of Credit, or go to [ftb.ca.gov](http://ftb.ca.gov) and search for **credit assignment**.

#### F Carryover

If the available credit exceeds the current year tax liability, the unused credit may be carried over for up to six years or until the credit is exhausted, whichever occurs first. For taxable years beginning on or after January 1, 2020, and before January 1, 2023, the total of all business credits including carryover of any business credit for the taxable year may not reduce tax by more than \$5,000,000. The credits disallowed due to the limitation may be carried over. The carryover period for disallowed credit is extended, without regard to carryover provisions, by the number of taxable years the credit was not allowed. In no event can the credit be carried back and applied against a prior year's tax. If you have a carryover, retain all records that document this credit and carryover used in prior years. The Franchise Tax Board may require access to these records.
