Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments.
- Claiming the wrong amount of standard deduction or itemized deductions.
- Claiming a dependent already claimed on another return.
- The amount of refund or payments made on an original return does not match our records when amending your tax return.
- Claiming the wrong amount of withholding by incorrectly totaling or transferring the amounts from your federal Form W-2, Wage and Tax Statement.
- Claiming the wrong amount of real estate withholding.
- Claiming the wrong amount of SDI.
- Claiming the wrong amount of exemption credits.

To avoid errors and to help process your tax return faster, use these helpful hints when preparing your tax return.

Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to ftb.ca.gov and login or register for MyFTB to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2020 tax return you requested to be applied to your 2021 estimated tax.

Claiming state disability insurance:

- Verify the amount of SDI used to figure the amount of excess SDI claimed on Form 540NR, line 84, matches amounts from your W-2's.

Claiming standard deduction or itemized deductions:

- See Form 540NR, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

Claiming withholding amounts:

- Go to ftb.ca.gov and login or register for MyFTB to verify withheld amount or see instructions for line 81 of Form 540NR. Confirm only California income tax withheld is claimed.
- Verify real estate or other withholding amount from Form 592-B, Resident and Nonresident Withholding Tax Statement, and Form 593, Real Estate Withholding Statement. See instructions for line 83 for Form 540NR.

Claiming refund or payments made on an original return when amending your tax return:

- Go to ftb.ca.gov and login or register for MyFTB to check tax return records for refund or payments made.
- Verify the amount from your original return Form 540NR, line 125, and include any adjustment by FTB.

Use e-file:

- By using e-file, you can eliminate many common errors. Go to ftb.ca.gov and search for **efile options**.

Do I Have to File?

Steps to Determine Filing Requirement

If you are a nonresident of California and received income in 2021 with sources in California, go to Step 1. For more details see page 8.

Step 1: Is your gross income (gross income is computed under California law and consists of all income received from all sources in the form of money, goods, property, and services, that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (adjusted gross income is computed under California law and consists of your federal adjusted gross income from all sources, reduced or increased by all California income adjustments) more

than the amount shown in the California Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

Step 3: If your income is less than the amounts on the chart you may still have a filing requirement. See "Requirements for Children with Investment Income" and "Other Situations When You Must File." Do those instructions apply to you? If yes, you have a filing requirement. If no, go to step 4.

Step 4: Are you married/RDP filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

Active duty military personnel, get FTB Pub. 1032, Tax Information for Military Personnel.

Requirements for Children with Investment Income

California law conforms to federal law which allows parents' election to report a child's interest and dividend income from children under age 19 or a student under age 24 on the parent's tax return. For each child under age 19 and student under age 24 who received more than \$2,200 of investment income in 2021, complete Form 540NR and form FTB 3800, Tax Computation for Certain Children with Unearned Income, to figure the tax on a separate Form 540NR for your child.

If you qualify, you may elect to report your child's income of \$11,000 or less (but not less than \$1,100) on your return by completing form FTB 3803, Parents' Election to Report Child's Interest and Dividends. To make this election, your child's income must be **only** from interest and/or dividends. See "Order Forms and Publications" or go to ftb.ca.gov/forms.

Other Situations When You Must File

If you have a tax liability for 2021 or owe any of the following taxes for 2021, you must file Form 540NR.

- Tax on a lump-sum distribution.
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or an Archer Medical Savings Account (MSA).
- Tax for children under age 19 or a student under age 24 who have investment income greater than \$2,200 (see paragraph above).
- Alternative minimum tax.
- Recapture taxes.
- Deferred tax on certain installment obligations.
- Tax on an accumulation distribution from a trust.

Filing Status

Use the same filing status for California that you used for your federal income tax return, unless you are an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Exception: If you file a joint tax return for federal, you may file separately for California if either spouse was either of the following:

- An active member of the United States armed forces or any auxiliary military branch during 2021.
- A nonresident for the entire year and had no income from California sources during 2021.

Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

Single

You are single if **any** of the following is true on December 31, 2021:

- You were never married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2021, and did not remarry or enter into another registered domestic partnership in 2021.

Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married or an RDP as of December 31, 2021, even if you did not live with your spouse/RDP at the end of 2021.
- Your spouse/RDP died in 2021 and you did not remarry or enter into another registered domestic partnership in 2021.
- Your spouse/RDP died in 2022 before you filed a 2021 tax return.

Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately status. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, or FTB Pub. 1032. See "Order Forms and Publications" or go to ftb.ca.gov/forms.
- You cannot claim a personal exemption credit for your spouse/RDP even if your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person's tax return.
- You may be able to file as head of household if your child lived with you and you lived apart from your spouse/RDP during the entire last six months of 2021.

Head of Household

For the specific requirements that must be met to qualify for head of household (HOH) filing status, get FTB Pub. 1540, Tax Information for Head of Household Filing Status. In general, HOH filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use HOH filing status if **all** of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2021.
- You paid more than one-half the cost of keeping up your home for the year in 2021.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for HOH filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for HOH purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use HOH filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your HOH filing status. For more information about the HOH filing requirements, go to ftb.ca.gov and search for **hoh**. To get form FTB 3532, see "Order Forms and Publications" or go to ftb.ca.gov/forms.

Qualifying Widow(er)

Check the box on Form 540NR, line 5 and use the joint tax return tax rates for 2021 if **all** five of the following apply:

- Your spouse/RDP died in 2019 or 2020 and you did not remarry or enter into another registered domestic partnership in 2021.
- You have a child, stepchild, or adopted child (not a foster child) whom you can claim as a dependent or could claim as a dependent except that, for 2021:
 - The child had gross income of \$4,300 or more;
 - The child filed a joint return, or
 - You could be claimed as a dependent on someone else's return.If the child isn't claimed as your dependent, enter the child's name in the entry space under the "Qualifying widow(er)" filing status.

- This child lived in your home for all of 2021. Temporary absences, such as for vacation or school, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

Which Form To Use

Beginning in tax year 2019, Short Form 540NR, has been eliminated. Use Form 540NR if either you or your spouse/RDP were a nonresident or part-year resident in tax year 2021.

If you and your spouse/RDP were California residents during the entire tax year 2021, use Forms 540, California Resident Income Tax Return, or 540 2EZ, California Resident Income Tax Return. To download or order the 540 Personal Income Tax Booklet or the 540 2EZ Personal Income Tax Booklet, go to ftb.ca.gov/forms or see "Where to Get Income Tax Forms and Publications."

What's New and Other Important Information for 2021

Differences between California and Federal Law

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

Conformity – For updates regarding federal acts, go to ftb.ca.gov and search for **conformity**.

However, the Paycheck Protection Program Extension Act extends the covered period of the PPP to June 30, 2021. California law does not conform to this extension and does not allow an exclusion from gross income for PPP loans forgiven due to the extended covered period after March 31, 2021 to June 30, 2021. For more information, see Schedule CA (540NR) instructions.

Also, the ARPA expands PPP eligibility to include "additional covered nonprofit entities" which includes certain Code 501(c) nonprofit organizations and Internet-only news publishers and Internet-only periodical publishers. How Nonresidents and Part-Year Residents Are Taxed

General Information

Nonresidents of California who received California sourced income in 2021, or moved into or out of California in 2021, file Form 540NR. California taxes all income received while you resided in California and the income you received from California sources while a nonresident.

If you file Form 540NR, use Schedule CA (540NR) column A through column D to compute your total adjusted gross income as if you were a resident of California for the entire year. Use column E to compute all items of total adjusted gross income you received while a resident of California and those you received from California sources while a nonresident. You determine your California tax by multiplying your California taxable income by an effective tax rate. The effective tax rate is the tax on total taxable income, taken from the tax table, divided by total taxable income. You may also qualify for California tax credits, which reduces the amount of California tax you owe.

If you were a resident of California for all of 2021, get a California Resident Personal Income Tax Booklet and file Form 540 or Form 540 2EZ.

For more information on the taxation of nonresidents and part-year residents, get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency. Go to ftb.ca.gov/forms or see "Where To Get Income Tax Forms and Publications."

Pension Income of Retirees Who Move to Another State

Nonresidents of California Receiving a California Pension

California does not impose tax on retirement income attributable to services performed in California received by a nonresident after December 31, 1995.

California Residents Receiving an Out-of-State Pension

In general California residents are taxed on all income, including income from sources outside California. Therefore, a pension attributable to services performed outside California but received after you become a California resident is taxable.

For more information about pensions, go to ftb.ca.gov/forms and get FTB Pub. 1005, Pension and Annuity Guidelines.

Temporary and Transitory Absences from California

If you are domiciled in California and you worked outside of California for an uninterrupted period of at least 546 consecutive days under an employment contract, you are considered a nonresident. This provision also applies to the spouse/RDP who accompanies the employed individual during those 546 consecutive days. However, you will not qualify under this provision if you are present in California for a total of more than 45 days during any taxable year covered by the contract, or if you have income from stocks, bonds, notes, or other intangible property in excess of \$200,000 for any taxable year covered by the contract. For more information, go to ftb.ca.gov/forms and get FTB Pub. 1031.

Group Nonresident Return

Nonresident partners, nonresident members, and nonresident shareholders of a partnership, limited liability company, or S corporation that does business in California or has income from California sources may elect to file a group nonresident return on Form 540NR. For more information, go to ftb.ca.gov/forms and get FTB Pub. 1067, Guidelines for Filing a Group Form 540NR. This publication includes form FTB 1067A, Nonresident Group Return Schedule, which must be attached to the group Form 540NR.

Military Servicemembers

Active duty military servicemembers go to ftb.ca.gov/forms and get FTB Pub. 1032.

Servicemembers domiciled outside of California, and their spouses/RDPs, exclude the member's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay in California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel.

Both spouses will have California source income and they will **not** qualify for the nonresident spouse exception. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

Registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Nonresident Alien – A joint tax return may be filed if, in the case of a nonresident alien married to a United States citizen or resident, both spouses/RDPs elect to treat the nonresident alien spouse/RDP as a resident for tax purposes.

If You Filed Federal Form 1040-NR, you do not qualify to use the head of household or married/RDP filing jointly filing statuses. Instead, use single, married/RDP filing separately, or qualifying widow(er) filing status, whichever applies to you.

If You File as Head of Household, do not claim yourself or a nonrelative as the qualifying individual for head of household. Get FTB Pub. 1540, Tax Information for Head of Household Filing Status, for more information. See "Where To Get Income Tax Forms and Publications."

Exemptions

Line 6 – Can be Claimed as a Dependent

Check the box on line 6 if someone else can claim you or your spouse/RDP as a dependent on their tax return, even if they chose not to.

Line 7 – Personal Exemptions

Did you check the box on line 6?

No Follow the instructions on Form 540NR, line 7.

Yes Ignore the instructions on Form 540NR, line 7. Instead, enter in the box on line 7 as shown below for your filing status:

- Single or married/RDP filing separately, enter -0-.
- Head of household, enter -0-.
- Married/RDP filing jointly and both you and your spouse/RDP can be claimed as dependents, enter -0-.
- Married/RDP filing jointly and only one spouse/RDP can be claimed as a dependent, enter 1.

Do not claim this credit if someone else can claim you as a dependent on their tax return.

Line 8 – Blind Exemptions

The first year you claim this exemption credit, attach a doctor's statement to the back of Form 540NR indicating you or your spouse/RDP are visually impaired. If you e-file, attach any requested forms, schedules and documents according to your software's instructions. Visually impaired means not capable of seeing better than 20/200 while wearing glasses or contact lenses, or if your field of vision is not more than 20 degrees.

Do not claim this credit if someone else can claim you as a dependent on their tax return.

Line 9 – Senior Exemptions

If you were 65 years of age or older by December 31, 2021*, you should claim an additional exemption credit on line 9. If you are married/or an RDP, each spouse/RDP 65 years of age or older should claim an additional credit. You may contribute all or part of this credit to the California Seniors Special Fund. See "Voluntary Contribution Fund Descriptions" for more information.

*If your 65th birthday is on January 1, 2022, you are considered to be age 65 on December 31, 2021.

Do not claim this credit if someone else can claim you as a dependent on their tax return.

Line 10 – Dependent Exemptions

To claim an exemption credit for each of your dependents, you must write each dependent's first and last name, SSN or ITIN and relationship to you in the space provided. If you are claiming more than three dependents, attach a statement with the required dependent information to your tax return. The persons you list as dependents must be the same persons you listed as dependents on your federal income tax return. If you filed form FTB 3568, Alternative Identifying Information for the Dependent Exemption Credit, to qualify to claim your dependents for California purposes, the dependents you claim on your California income tax return may not match those claimed on your federal income tax return. Count the number of dependents listed and enter the total in the box on line 10. Multiply the number you entered by the pre-printed dollar amount and enter the result.

For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the FTB to identify the dependent.

To claim the dependent exemption credit, taxpayers complete form FTB 3568, attach the form and required documentation to their tax return, and write "no id" in the SSN field of line 10, Dependents, on Form 540NR. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation. If you e-file, attach any requested forms, schedules and documents according to your software's instructions.

Taxpayers may amend their tax returns beginning with taxable year 2018 to claim the dependent exemption credit. These taxpayers should complete an amended Form 540NR, write "no id" in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for "Other" on Part II, line 1, and write the explanation

"Claim dependent exemption credit with no id and form FTB 3568 is attached" on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended tax return and Schedule X. If taxpayers do not claim the dependent exemption credit on their original 2021 tax return, they may amend their 2021 tax return following the same procedures used to amend their previous year amended tax returns beginning with taxable year 2018. For more information, get FTB Notice 2021-01.

If your dependent child was born and died in 2021 and you do not have an SSN or an ITIN for the child, write "Died" in the space provided for the SSN and include a copy of the child's birth certificate, death certificate, or hospital records. The document must show the child was born alive. If you e-file, attach any requested forms, schedules and documents according to your software's instructions.

Line 13 – Federal Adjusted Gross Income (AGI) from federal Form 1040, 1040-SR, or 1040-NR, line 11

RDPs who file a California tax return as married/RDP filing jointly and have no RDP adjustments between federal and California, combine their individual AGIs from their federal tax returns filed with the IRS. Enter the combined AGI on Form 540NR, line 13.

- Expense depreciation property limits
- Individual Retirement Account
- Interest education loan
- Rental real estate passive loss
- Rollover of publicly traded securities gain into specialized small business investment companies

RDPs filing as married/RDP filing separately, former RDPs filing single, and RDPs with RDP adjustments will use the California RDP Adjustments Worksheet in FTB Pub. 737, Tax Information for Registered Domestic Partners, or complete a federal pro forma Form 1040 or 1040-SR. Transfer the amount from the California RDP Adjustments Worksheet, line 27, column D, or federal pro forma Form 1040 or 1040-SR, line 11, to Form 540NR, line 13.

Line 14 – California Adjustments — Subtractions (from Schedule CA (540NR), Part II, line 27, column B)

If there are differences between your federal and California income, i.e. social security, complete Schedule CA (540NR). Follow the instructions for Schedule CA (540NR). Enter the amount from Schedule CA (540NR), Part II, line 27, column B on Form 540NR, line 14.

If the amount on Schedule CA (540NR), Part II, line 27, column B is a negative number, do not transfer it to Form 540NR, line 14 as a negative number. Instead, transfer the number as a positive number to Form 540NR, line 16.

Line 15 – Subtotal

Subtract the amount on line 14 from the amount on line 13. Enter the result on line 15. If the amount on line 13 is less than zero, combine the amounts on line 13 and line 14 and enter the amount in parentheses. For example: “(12,325).”

Line 16 – California Adjustments — Additions (from Schedule CA (540NR), Part II, line 27, column C)

If there are differences between your federal and California deductions, complete Schedule CA (540NR). Follow the instructions for Schedule CA (540NR). Enter the amount from Schedule CA (540NR), Part II, line 27, column C on Form 540NR, line 16.

If the amount on Schedule CA (540NR), Part II, line 27, column C is a negative number, do not transfer it to Form 540NR, line 16 as a negative number. Instead, transfer the number as a positive number to Form 540NR, line 14.

Line 17 – Adjusted Gross Income From All Sources

Combine line 15 and line 16. This amount should match the amount on Schedule CA (540NR), Part II, line 27, column D.

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your deductions, such as charitable contributions, medical expenses, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of your California:

- Itemized deductions (total itemized deductions allowed under California law).
- Standard deduction.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married/or an RDP and filing separate Form 540NR, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.

Also, if someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, see the California Standard Deduction Worksheet for Dependents.

Itemized Deductions – Figure your California itemized deductions by completing Schedule CA (540NR), Part III, lines 1 through 30. Enter the result on Form 540NR, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540NR, first complete federal Schedule A (Form 1040), Itemized Deductions. Then check the box on Side 4, Part III of the Schedule CA (540NR), and complete Part III. Attach both the federal Schedule A (Form 1040) and California Schedule CA (540NR) to the back of your tax return.

Standard Deduction – Find your standard deduction on the California Standard Deduction Chart for Most People. If you checked the box on Form 540NR, line 6, use the California Standard Deduction Worksheet for Dependents, instead.

In general, California conforms to federal law for income received under IRC Section 409A on a nonqualified deferred compensation (NQDC) plan and discounted stock options and stock appreciation rights. Income received under IRC Section 409A is subject to an additional 5% tax plus interest. Include the additional tax, if any, on line 73. Write “NQDC” on the dotted line to the left of the amount.

If you owe interest on deferred tax from installment obligations, include the additional tax, if any, in the amount you enter on line 73. Write “IRC Section 453A interest” and the amount on the dotted line to the left of the amount on line 73.

If you used form(s):

You also may have to repay excess APAS if you enrolled an individual in coverage through the Marketplace, you don’t claim the individual as a dependent on your return, and no one else claims that individual as a dependent. For more information, get the instructions for form FTB 3849 and FTB Pub 3849A.

The LLC's return must be filed before an individual member's account can be credited. If you e-file, attach any requested forms, schedules and documents according to your software's instructions.

If you and your spouse/RDP paid joint estimated taxes but are now filing separate income tax returns, either of you may claim the entire amount paid, or each may claim part of the joint estimated tax payments. If you want the estimated tax payments to be divided, notify the FTB before you file the tax returns so the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court-ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers.

Send statements to:

JOINT ESTIMATE CREDIT ALLOCATION MS F283
 TAXPAYER SERVICES CENTER

Attach a statement to the front of your Form 540NR explaining that payments were made under both SSNs. If you e-file, attach any requested forms, schedules and documents according to your software's instructions.

- You received more than \$128,298 in gross wages from California sources.
- The amounts of SDI (or VPDI) withheld appear on your federal Form(s) W-2. Be sure to attach your Form(s) W-2 to your Form 540NR.

If SDI (or VPDI) was withheld from your wages by a single employer, at a rate of more than 1.20% of your gross wages, you may not claim excess SDI (or VPDI) on your Form 540NR. Contact the employer for a refund.

To determine the amount to enter on line 84, complete the Excess SDI (or VPDI) Worksheet below. If married/RDP filing jointly, figure the amount of excess SDI (or VPDI) separately for each spouse/RDP.

To determine if you are entitled to this credit, refer to your prior year California Form 540NR or Schedule CA (540NR), column E, to verify the amount was included in your CA taxable income. If the amount repaid under a “Claim of Right” was not originally taxed by California, you are not entitled to claim the credit.

ISR Penalty

Line 91 – Individual Shared Responsibility (ISR) Penalty

Check the box on Form 540NR, line 91, if you, your spouse/RDP (if filing a joint return), and anyone you can or do claim as a dependent had minimum essential coverage (also referred to as qualifying health care coverage) that covered all of 2021. Medicare Part A or C qualifies as minimum essential coverage. If you check the box on Form 540NR, line 91, you do not owe the individual shared responsibility penalty and do not need to file form FTB 3853. For more information, get form FTB 3853.

If you and your household did not have full-year health care coverage, then go to form FTB 3853 to determine if you have an individual shared responsibility penalty. Enter your individual shared responsibility penalty from form FTB 3853, Part IV, line 1.

Overpaid Tax or Tax Due

To avoid a delay in the processing of your tax return, enter the correct amounts on line 101 through line 104.

Line 101 – Overpaid Tax

If the amount on line 92 is more than the amount on line 75, subtract the amount on line 75 from the amount on line 92. Enter the result on line 101. Your payments and credits are more than your tax.

Refund Intercept – The FTB administers the Interagency Intercept Collection (IIC) program on behalf of the State Controller’s Office. The IIC program intercepts (offsets) refunds when individuals and business entities owe delinquent debts to government agencies including the IRS and California colleges. All refunds are subject to interception. The FTB only intercepts the amount owed.

Refunds from joint tax returns may be applied to the debts of the taxpayer or spouse/RDP. After all tax liabilities are paid, any remaining credit will be applied to requested voluntary contributions, if any, and the remainder will be refunded.

If the debt was previously paid to the requestor and the FTB also intercepted the refund, any overpayment will be refunded by the agency that received the funds.

For more information, go to ftb.ca.gov and search for **interagency intercept collection**.

Line 102 – Amount You Want Applied to Your 2022 Estimated Tax

Apply all or part of the amount on line 101 to your estimated tax for 2022. Enter on line 102 the amount of line 101 you want applied to 2022.

An election to apply an overpayment against estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

Line 103 – Overpaid Tax Available This Year

If you entered an amount on line 102, subtract it from the amount on line 101. Enter the result on line 103. You may have this entire amount refunded to you or make contributions to the California Seniors Special

Fund or make other voluntary contributions from this amount. If you make a contribution, skip line 104 and go to the instructions for contributions.

Line 104 – Tax Due

If the amount on line 92 is less than the amount on line 75, subtract the amount on line 92 from the amount on line 75. Enter the result on line 104. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 104 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 81 is less than 90% of the amount of your total tax on line 75.

If you owe a penalty, the FTB will figure the penalty and send you a bill.

Contributions

You can make voluntary contributions to the funds listed on Side 4. See “Voluntary Contributions Fund Descriptions” for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, the FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

Line 121 – Amount You Owe

If you did not enter an amount on line 120, enter the amount from line 104 on line 121. This is the amount you owe with your Form 540NR.

If you entered an amount on line 120, add that amount to the amount on line 104. Enter the result on line 121. This is the amount you owe with your Form 540NR.

If you have an amount on line 103 and line 120, subtract line 120 from line 103. If line 120 is more than line 103 enter the difference on line 121.

To avoid a late filing penalty, file your Form 540NR by the extended due date even if unable to pay the amount you owe.

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

For more information or to obtain the waiver form, go to ftb.ca.gov/e-pay. Electronic payments can be made using Web Pay on the FTB's website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card.

Payment Options

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2021 tax payment and any 2022 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns.

Do not mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

If you enter an amount on line 122 or line 123, see the instructions for line 124 for information about how to prepare your check or money order.

Paying by Credit Card – Whether you e-file or file by mail, use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to ACI Payments, Inc. based on the amount of your tax payment.

If you cannot pay the full amount or can only make a partial payment for the amount shown on Form 540NR, line 121, see the information regarding installment payments in Question 4 of the "Frequently Asked Questions" included in this booklet.

Interest and Penalties

If you file your tax return or pay your tax after the original due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 101 or increase the amount on line 104 by any penalty or interest amounts. Enter on Form 540NR, line 122 the amount of interest and penalties.

Line 122 – Interest and Penalties

Interest – Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15** days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest rates**.

Late Filing of Tax Return – If you do not file your tax return by October 17, 2022, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 17, 2022. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance of tax due, whichever is less.

Late Payment of Tax – If you fail to pay your total tax liability by April 18, 2022, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return is paid by the original due date of the return. However, the imposition of interest is mandatory.

If, after April 18, 2022, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Other Penalties – We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 123 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).
- You did not make the required estimate payments, if you pay an installment after the date it is due, or if you underpay any installment, a penalty may be assessed on the portion of estimated tax that was underpaid from the due date of the installment to the date of payment or the due date of your return, whichever is earlier. Get the 2021 form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries, for more information.

The FTB can figure the penalty for you when you file your tax return and send you a bill.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020. Check the appropriate box for the type of account. Do not check more than one box for each line.

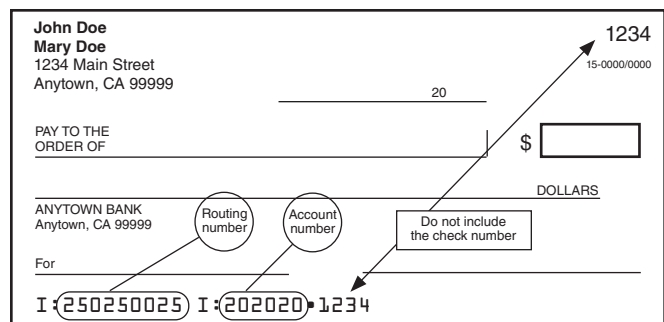

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. When filing an original return, the total of line 126 and line 127 must equal the total amount of your refund on line 125. If line 126 and line 127 do not equal line 125, the FTB will issue a paper check.

When filing an amended return, only complete the amended Form 540NR through line 125. Next complete the California Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540NR and will be entered on line 126 and line 127. The total of the amended Form 540NR, line 126 and line 127 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540NR, line 126 and line 127 do not equal Schedule X, line 11, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for **direct deposit**.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, the FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return. Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Direct Deposit for ScholarShare 529 College Savings Plans – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account. Please visit scholarshare529.com for instructions.

Sign Your Tax Return

Sign your tax return in the designated space on Form 540NR, Side 5. If you file a joint tax return, your spouse/RDP must also sign it.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information, the FTB will be able to provide you better customer service.

Joint Tax Return – If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other spouse/RDP may have to pay the tax due. See “Innocent Joint Filer Relief” under Additional Information section for more information.

Paid Preparer’s Information – If you pay a person to prepare your Form 540NR, that person must sign and complete the area at the bottom of Side 5 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee – If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2021 tax return with the FTB, check the “Yes” box in the signature area of your tax return. Also, print the designee’s name and telephone number.

If you check the “Yes” box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee’s authorization, go to ftb.ca.gov/poa.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2022 tax return. This is April 15, 2023, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee’s name.

Power of Attorney – If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a “Power of Attorney” (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, go to ftb.ca.gov/poa.

Check Your Social Security Number (or ITIN) – Verify that you have written your social security number (or ITIN) in the spaces provided at the top of Form 540NR. If you file a joint tax return, verify that you and your spouse’s/RDP’s numbers are entered in the same order as your names.

1. What if I can't file by April 18, 2022, and I think I owe tax?

You must pay 100% of the amount you owe by April 18, 2022, to avoid interest and penalties. If you cannot file because you have not received all your federal Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519, Payment for Automatic Extension for Individuals. Mail it to the FTB with your payment by April 18, 2022, or pay online at ftb.ca.gov/pay. Then, when you receive all your federal Forms W-2, complete and mail your tax return by October 17, 2022, (you must use Form 540NR).

2. I never received a federal Form W-2. What should I do?

204

If not all your federal Forms W-2 were received by January 31, 2022, contact your employer. Only an employer issues or corrects a federal Form W-2. For more information, call 800.338.0505, follow the recorded instructions and enter code **204** when instructed.

If you cannot get a copy of your federal Form W-2, complete form FTB 3525 or federal Form 1099-R. Go to ftb.ca.gov/forms or see "Where To Get Income Tax Forms and Publications." For online wage and withholding information, go to ftb.ca.gov and login or register for MyFTB.

3. How can I get help?

Throughout California more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

4. What do I do if I can't pay what I owe with my 2021 tax return?

Pay as much as possible when you file your tax return. If unable to pay your tax in full with your tax return, make a request for monthly payments. However, interest accrues and an underpayment penalty may be charged on the tax not paid by April 18, 2022, even if your request for monthly payments is approved. To make monthly payments, complete form FTB 3567, Installment Agreement Request, online or mail it to the address on the form. **Do not mail it with your tax return.**

949

The Installment Agreement Request might not be processed and approved until after your tax return is processed, and you may receive a bill before you receive approval of your request.

To order this form, go to ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions and enter code **949** when instructed.

610

For information on how to pay by credit card, go to ftb.ca.gov/pay, or call 800.338.0505, follow the recorded instructions and enter code **610** when instructed.

5. Is direct deposit safe?

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540NR, Side 5, line 126 and line 127. Fill in the routing and account numbers and indicate the account type.

6. How can I check on the status of my refund?

Go to ftb.ca.gov and search for **refund status**. You will need your social security number (SSN) or individual taxpayer identification number (ITIN) and the refund amount from your tax return.

You can also call our automated phone service.

7. I discovered an error on my tax return. What should I do?

908

If you discover an error on your California income tax return, after you filed it (paper or e-file), file an amended Form 540NR and attach Schedule X, California Explanation of Amended Return Changes, to correct your previously filed tax return. Get Schedule X at ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions and enter code **908** when instructed.

8. The IRS made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. File an amended Form 540NR and Schedule X to correct your previously filed income tax return and mail them to the following address, as applicable:

SACRAMENTO CA 94240-0001

With payment

or send a copy of the federal changes to:

If you have any questions **relating to the IRS audit adjustments**, call 916.845.4028.

For general tax information or questions, call 800.852.5711.

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. Go to ftb.ca.gov/forms or see "Order Forms and Publications."

File an amended Form 540NR and Schedule X only if the change affected your California tax liability.

9. How long should I keep my tax information?

Requests for information from you regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period may apply for California or federal tax returns that are related to or subject to a federal audit.)

Keep a copy of your tax return and the records that verify the income, deductions, adjustments, or credits reported on your return. Some records should be kept longer. For example, keep property records as long as needed to figure the basis of the property or records needed to verify carryover items (i.e., net operating losses, capital losses, passive losses, casualty losses, etc.) or records needed to track deferred gains on a 1031 exchange.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Go to ftb.ca.gov and login or register for MyFTB or call 800.852.5711 and follow the recorded instructions to report a change of address. You may also use form FTB 3533, Change of Address for Individuals. This form is available at ftb.ca.gov/forms. If you change your address online or by phone, you do not need to file form FTB 3533.

After filing your tax return, report a change of address to us for up to four years, especially if you leave the state and no longer have a requirement to file a California tax return.

11. Are all domestic partners required to file joint or separate tax returns?

No, only domestic partners who are registered with the California Secretary of State are required to file using the married/RDP filing jointly or married/RDP filing separately filing status.

Additional Information

California Sales and Use Tax

In general, the purchase of goods outside California that are brought into the state for storage, use, or other consumption may be subject to use tax. The use tax rate is the same as the sales tax rate in effect where the goods will be stored, used, or consumed; usually your residence address. The tax is based on the purchase price of the goods.

- **If you purchased goods from an out-of-state retailer** (such as a mail order firm) and sales tax would have been charged if you purchased the goods in California, you may owe the use tax on your purchase if the out-of-state retailer did not collect the California tax.
- **If you traveled to a foreign country and brought goods home with you, the use tax** will be based on the purchase price of the goods you listed on your U.S. Customs Declaration after deduction of the \$800 per individual exemption allowable by law within any 30-day period. This deduction does not apply to goods sent or shipped to California by common carrier.

You should report and pay your use tax directly to the California Department of Tax and Fee Administration by going to their website at cdtfa.ca.gov.

If you file a federal Schedule C (Form 1040), Profit or Loss From Business, with your federal income tax return and are in the business of selling tangible personal property, you may be required to obtain a seller's permit with the California Department of Tax and Fee Administration. If you do not sell tangible personal property, but you have at least \$100,000 in business gross receipts, you may be required to register with the California Department of Tax and Fee Administration to report use tax.

If you have any questions concerning the taxability of a purchase, or want information about obtaining a seller's permit, or registering to report use tax, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov or call their Customer Service Center at 1.800.400.7115 (CRS:711) (for hearing and speech disabilities). Income tax information is not available at these numbers.

Collection Fees

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

Deceased Taxpayers

A final tax return must be filed for a person who died in 2021 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Please print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or entered into another registered domestic partnership during 2021. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, and a copy of the death certificate when you file a tax return and claim a refund due.

Innocent Joint Filer Relief

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get form FTB 705, Innocent Joint Filer Relief Request, at ftb.ca.gov/forms or call 916.845.7072, Monday – Friday between 8 a.m. to 5 p.m., except holidays.

Requesting a Copy of Your Tax Return

The FTB keeps personal income tax returns for three and one-half years from the original due date. To obtain a copy of your tax return, write a letter or complete form FTB 3516, Request for Copy of Personal Income or Fiduciary Tax Return. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster, or you request copies from a field office that assisted you in completing your tax return. See "Order Forms and Publications."

Local Benefits

You cannot deduct the amounts you pay for local benefits that apply to property in a limited area (construction of streets, sidewalks, or water and sewer systems). You must look at your real estate tax bill to determine if any nondeductible itemized charges are included in your bill. For more information, go to ftb.ca.gov and search for **real estate tax** or get federal Publication 17, Your Federal Income Taxes-For Individuals, Chapter 11.

Vehicle License Fees for Federal Schedule A

On your federal Schedule A (Form 1040), Itemized Deductions, you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

If You File Electronically

If you e-file your tax return, make sure all the amounts entered on the paper copy of your California tax return are correct before you sign form FTB 8453, California e-file Return Authorization for Individuals, or form FTB 8879, California e-file Signature Authorization for Individuals. If you are requesting direct deposit of a refund, make sure that your account and routing information is correct. Your tax return can be transmitted to the FTB by your preparer or e-file service only after you sign forms FTB 8453 or FTB 8879. The preparer or e-file service must provide you with:

- A copy of forms FTB 8453 or FTB 8879.
- Any original CA Forms 592-B, 593, and federal Forms W-2, 1099-G, and other Form(s) 1099.
- A paper copy of your California tax return showing the data transmitted to the FTB.

You cannot retransmit an e-filed tax return once we have accepted the original. You can correct an error by filing an amended Form 540NR and Schedule X to correct your previously filed tax return.

Instructions for Filing a 2021 Amended Return

Important Information

Protective Claim – If you are filing a claim for refund for a taxable year where an audit is being conducted by another state’s taxing agency, litigation is pending or where a final determination by the IRS is pending, check box a for “Protective claim for refund” on Schedule X, Part II, line 1. Specify the pending litigation or reference to the federal determination on Part II, line 2 so we can properly process your claim.

Military Compensation – If you are filing an amended return to exclude military compensation as a result of the Servicemembers Civil Relief Act (P.L. 108-189), check box k for “Military HR 100” on Schedule X, Part II, line 1. In addition, attach a copy of your military Form W-2, Wage and Tax Statement, revised Schedule CA (540NR), and any other affected forms or schedules to your amended Form 540NR. If you are amending a taxable year for which the normal statute of limitations (SOL) has expired, attach a statement explaining why the SOL is still open. If the SOL is open because of military service in a combat zone or outside the United States, attach copies of any documents that show when you served in a combat zone or overseas. Beginning in 2009, the Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel. For additional information, get FTB Pub. 1032, Tax Information for Military Personnel.

Do not attach your previously filed return to your amended return.

Do not file an amended return to correct your SSN, name, or address, instead, call or write us. See “Contacting the Franchise Tax Board” for more information.

Use Tax – Do not amend your return to correct a use tax error reported on your original tax return. Enter the amount from your original return. The California Department of Tax and Fee Administration (CDTFA) administers this tax. Refer all questions or requests relating to use tax to the CDTFA at cdtfa.ca.gov or call **800.400.7115**.

Amount You Want Applied To Your 2022 Estimated Tax – Enter zero on amended Form 540NR, line 102 and get the instructions for Schedule X for the actual amount you want applied to your 2022 estimated tax.

Voluntary Contributions – You cannot amend voluntary contributions. Enter the amount from your original return.

Direct Deposit – You can now use direct deposit on your amended return.

When filing an amended return, only complete the amended Form 540NR through line 125. Next complete the Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540NR and will be entered on line 126 and line 127. The total of the amended Form 540NR, line 126 and line 127 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540NR, line 126 and line 127 do not equal Schedule X, line 11, the FTB will issue a paper check.

Dependent Exemption Credit with No ID – For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the FTB to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, attach the form and required documentation to their tax return, and write “no id” in the SSN field of line 10, Dependents, on Form 540NR. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation.

If you are amending a return beginning with taxable year 2018 to claim the dependent exemption credit, complete an amended Form 540NR, and write “no id” in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for “Other” on Part II, line 1, and write the explanation “Claim dependent exemption credit with no id and form FTB 3568 is attached” on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended return and Schedule X. If you do not claim the dependent exemption credit on the original 2021 tax return, you

may amend the 2021 tax return following the same procedures used to amend your previous year amended tax returns beginning with taxable year 2018. For more information, get FTB Notice 2021-01.

Purpose

Use Form 540NR to amend your original or previously filed California nonresident or part-year resident income tax return. If the FTB adjusted your return, you should use the amounts as adjusted by the FTB. Check the box at the top of Form 540NR indicating AMENDED return and follow the instructions. Submit the completed amended Form 540NR and Schedule X along with all required schedules and supporting forms.

When to File

Generally, if you filed federal Form 1040-X, Amended U.S. Individual Income Tax Return, file an amended California tax return within six months unless the changes do not affect your California tax liability. File an amended return only after you have filed your original or previously filed California tax return.

California Statute of Limitations

Original tax return was filed on or before April 15th: If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed within the extension period (April 15th – October 15th): If you are making a claim for refund, file an amended tax return within four years from the date the original tax return was filed or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed after October 15th: If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return (April 15th) or within one year from the date of overpayment, whichever period expires later.

If you are filing your amended tax return after the normal statute of limitation period (four years after the due date of the original tax return), attach a statement explaining why the normal statute of limitations does not apply.

If you are filing your amended return in response to a billing notice you received, you will continue to receive billing notices until your amended tax return is accepted. You may file an informal claim for refund even though the full amount due including tax, penalty, and interest has not yet been paid. After the full amount due has been paid, you have the right to appeal to the Office of Tax Appeals at ota.ca.gov or to file suit in court if your claim for refund is disallowed.

To file an informal claim for refund, check box I for “Informal claim” on Schedule X, Part II, line 1 and mail the claim to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

Financially Disabled Taxpayers

The statute of limitations for filing claims for refunds is suspended during periods when a taxpayer is “financially disabled.” You are considered “financially disabled” when you are unable to manage your financial affairs due to a medically determinable physical or mental impairment that is deemed to be either a terminal impairment or is expected to last for a continuous period of not less than 12 months. You **are not** considered “financially disabled” during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled – Suspension of the Statute of Limitations.

Federal Notices

If you were notified of an error on your federal income tax return that changed your AGI, you may need to amend your California income tax return for that year.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540NR and Schedule X to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment.

Note: Most penalties assessed by the IRS also apply under California law. If you are including penalties in a payment with your amended tax return, see Schedule X, line 8a instructions.

Children With Investment Income

If your child was required to file form FTB 3800, Tax Computation for Certain Children with Unearned Income, and your taxable income has changed, review your child's tax return to see if you need to file an amended tax return. Get form FTB 3800 for more information.

Contacting the Franchise Tax Board

If you have not received a refund within six months of filing your amended return, do not file a duplicate amended return for the same year. For information on the status of your refund, you may write to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

For telephone assistance, see General Phone Service on page 95.

Filing Status

Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are in a RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you entered into a same-sex marriage, your filing status for California would generally be the same as the filing status that was used for federal. If you are a same-sex married individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Exception for Filing a Separate Tax Return – A married couple who filed a joint federal tax return may file separate state tax returns if either spouse was either of the following:

- An active member of the United States armed forces (or any auxiliary military branch) during the year being amended.
- A nonresident for the entire year and had no income from California sources during the year being amended.

Changing Your Filing Status – If you changed your filing status on your federal amended tax return, also change your filing status for California unless you meet one of the exceptions listed above.

Married/RDP Filing Jointly to Married/RDP Filing Separately – You cannot change from married/RDP filing jointly to married/RDP filing separately after the due date of the tax return.

Exception: A married couple who meets the “Exception for Filing a Separate Tax Return” shown above may change from joint to separate tax returns after the due date of the tax return.

Filing Separate Tax Returns to Married/RDP Filing Jointly – If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow Form 540NR instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

For more information, see Schedule CA (540NR) specific line instructions in Part II, Section B, line 8z.

Moving Expense Deduction – For taxable years beginning on or after January 1, 2021, taxpayers should file California form FTB 3913, Moving Expense Deduction, to claim moving expense deductions. Attach the completed form FTB 3913 to Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. For more information, see Schedule CA (540NR) specific line instructions in Part II, Section C, line 14, and get form FTB 3913.

Paycheck Protection Program (PPP) Loans Forgiveness – For taxable years beginning on or after January 1, 2019, California law allows an exclusion from gross income for covered loan amounts forgiven under the federal CARES Act, Paycheck Protection Program and Health Care Enhancement Act, Paycheck Protection Program Flexibility Act of 2020, or the CAA, 2021. However, the Paycheck Protection Program Extension Act extends the covered period of the PPP to June 30, 2021. California law does not conform to this extension and does not allow an exclusion from gross income for PPP loans forgiven due to the extended covered period after March 31, 2021 to June 30, 2021. For more information, see specific line instructions for Schedule CA (540NR) in Part II, Section B, line 3.

Also, the ARPA expands PPP eligibility to include "additional covered nonprofit entities" which includes certain Code 501(c) nonprofit organizations and Internet-only news publishers and Internet-only periodical publishers. California law does not conform to this expansion of PPP eligibility. For more information, see specific line instructions for Schedule CA (540NR) in Part II, Section B, line 3.

The CAA, 2021, allows deductions for eligible expenses paid for with covered loan amounts. California law conforms to this federal provision, with modifications. For California purposes, these deductions do not apply to an ineligible entity. "Ineligible entity" means a taxpayer that is either a publicly-traded company or does not meet the 25% reduction from gross receipts requirements under Section 311 of Division N of the CAA, 2021. For more information, see specific line instructions for Schedule CA (540NR) in Part II, Section B, line 3 or R&TC Section 17131.8 or go to ftb.ca.gov and search for **AB 80**.

Revenue Procedure 2021-20 allows taxpayers to make an election to report the eligible expense deductions related to a PPP loan on a timely filed original 2021 tax return including extensions. If a taxpayer makes an election for federal purposes, California will follow the federal treatment for California tax purposes.

Advance Grant Amount – For taxable years beginning on or after January 1, 2019, California law conforms to the federal law regarding the treatment for an emergency Economic Injury Disaster Loan (EIDL) grant under the federal CARES Act or a targeted EIDL advance under the CAA, 2021.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the IRC as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California R&TC in the instructions. Taxpayers should not consider the instructions as authoritative law.

Worker Status: Employees and Independent Contractors – Some individuals may be classified as independent contractors for federal purposes and employees for California purposes, which may also cause changes in how their income and deductions are classified. Proposition 22 was operative as of December 16, 2020, and may affect a taxpayer's worker classification. For more information, see Schedule CA (540NR) specific line instructions in Part II, Section A, line 1; Part II, Section B, line 3; Part II, Section C, line 15 and line 17; and Part III, line 4.

For more information, see Schedule CA (540NR) specific line instructions in Part II, Section B, line 3, and get form FTB 4197 for more information.

Net Operating Loss (NOL) Suspension – For taxable years beginning on or after January 1, 2020, and before January 1, 2023, California has suspended the NOL carryover deduction. Taxpayers may continue to compute and carryover an NOL during the suspension period. **However**, taxpayers with net business income or modified adjusted gross income (AGI) of less than \$1,000,000 or with disaster loss carryovers are **not** affected by the NOL suspension rules.

The carryover period for suspended losses is extended by:

- Three years for losses incurred in taxable years beginning before January 1, 2020.
- Two years for losses incurred in taxable years beginning on or after January 1, 2020, and before January 1, 2021.
- One year for losses incurred in taxable years beginning on or after January 1, 2021, and before January 1, 2022.

California does **not** conform to those amendments. Also, California law does not conform to the federal changes in the ARPA that extends the limitation on excess business losses of noncorporate taxpayers for taxable years beginning after December 31, 2020, and ending before January 1, 2027. – The Tax Cuts and Jobs Act (TCJA) signed into law on December 22, 2017, made changes to the IRC. California R&TC does not conform to all of the changes. In general, for taxable years beginning on or after January 1, 2019, California conforms to the following TCJA provisions:

Registered Domestic Partners (RDP) – RDPs will compute their limitations based on the combined federal AGI of each partner's individual tax return filed with the Internal Revenue Service (IRS).

For column A, Part II and Part III, combine each line item of your federal amounts from each partner's individual federal tax return. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners. The combined federal AGI used to compute limitations is different from the recalculated federal AGI used on Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, line 13. In situations where RDPs have no RDP adjustments, these amounts may be the same.

Military Personnel – Servicemembers domiciled outside of California and their spouses may exclude the servicemember's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay as California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Amended Tax Returns – If you are an active duty military servicemember domiciled outside California and you included your military compensation in income from all sources, you may file an amended tax return for tax years with an open statute of limitations. For more information, get FTB Pub. 1032 and see instructions for amended returns in the 540NR booklet.

Single Member Limited Liability Company (SMLLC) – If you are a single member limited liability company, that is organized or doing business in California, or registered with the California Secretary of State (SOS), you are required to file Form 568, Limited Liability Company Return of Income, pay the annual tax and LLC Fee (if applicable), in addition to filing your tax return. Get Form 568, Limited Liability Company Tax Booklet for more information.

Part-Year Residents – Complete the Part-Year Resident Worksheet on page 54 to determine the amounts to enter on Part II, Section A, line 1 through line 7 and Section B, line 1 through line 10, column E.

Tips to avoiding common mistakes on this schedule:

- **Column A** – Copy the amounts from your federal tax return. Use the (b) amounts on line 2, line 3, line 4, line 5, and line 6, from your federal tax return. Form 1040, U.S. Individual Income Tax Return, line 11, or Form 1040-SR, U.S. Tax Return for Seniors, line 11, should equal Schedule CA (540NR), Part II, line 27, column A.
- **Column B (Part II, Section A, Line 1 through Line 7, and Section B, Line 1 through Line 7 and line 9a)** – Subtract income that is not taxable to a California resident such as California lottery winnings and social security benefits. **Do not use column B to deduct** income that was earned while a nonresident of California or from sources outside of California. There must be a difference in state and federal tax law. Generally, if a full-year California resident cannot subtract income in column B, a nonresident or part-year resident may not subtract income in column B.
- **Column C (Part II, Section A, Line 1 through Line 7, and Section B, Line 1 through Line 7 and line 9a)** – Add income that was not taxed on your federal tax return but is taxable to a California resident, such as foreign income or interest/dividends from non-California municipal bonds.
- **Column D** – Combine the columns (column A - column B + column C). Part II, line 27, column D, should equal Form 540NR, line 17. The amounts in this column represent income earned from all sources as if you were a full-year California resident, after applying California and federal law differences.
- **Column E** – Enter all income from all sources while a resident of California and income from California sources while a nonresident.

Purpose

Use Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, to determine California taxable income by doing the following:

- Identify the domiciles and current and past residency information.
- Enter the amounts of income and deductions reported on your federal tax return.
- Adjust the income and deductions reported on your federal tax return for differences in California and federal law.
- Determine the portion of income reported on your federal tax return that was earned or received while you were a California resident.
- Determine the portion of income reported on your federal tax return that was earned or received from California sources while you were a nonresident.
- Determine your allowable standard deduction or itemized deductions.

Use the two letter state abbreviations to complete this section. If you do not know your state abbreviation, visit the United States Postal Service website at usps.com for assistance. The total number of days in California should include all days in California for any purpose including residency, business, and vacation.

Line 7 – I owned a home/property in California

Enter your most recent period of California residency. If you became a nonresident during taxable year 2021, use December 31, 2020 as your end date.

Part II Income Adjustment Schedule

Column A — Federal Amounts

Enter all the amounts shown on your federal tax return on the corresponding lines in column A.

If married/RDP filing separately under either exception described in the instructions for Form 540NR, enter in column A the amounts you would have reported on a separate federal tax return. Attach a statement to the tax return showing how the income and expenses were split between you and your spouse/RDP.

Section A, Line 1 through Line 7, and Section B, Line 1 through Line 9a

Enter in Section A, line 1 through line 7, and Section B, line 1 through line 9a the same amounts you entered on federal Form 1040, 1040-SR, or 1040-NR, U.S. Nonresident Alien Income Tax Return, line 1 through line 7; and federal Schedule 1 (Form 1040), Additional Income and Adjustments to Income, line 1 through line 9.

Line 10 – Total

Combine the amounts in Section A, line 1 through line 7, and Section B, line 1 through line 7, line 9a, and line 9b4, as applicable. Enter the total on line 10. This number should be the same as the amount on federal Form 1040, 1040-SR, or 1040-NR, line 9.

Section C, Line 11 through Line 18 and Line 20 through Line 25

Enter the same amounts you entered on federal Schedule 1 (Form 1040), line 11 through line 18 and line 20 through line 25.

Line 19a and Line 19b

Enter on line 19a the same amount entered on federal Schedule 1 (Form 1040), line 19a. Enter on line 19b the social security number (SSN) or individual taxpayer identification number (ITIN) and last name of the person to whom you paid alimony.

Line 26 – Add line 11 through line 23 and line 25. This amount should be the same as the amount on federal Schedule 1 (Form 1040), line 26.

If you used federal Form 1040-NR and reported an amount on federal Form 1040-NR, line 10c for excluded scholarship and fellowship grants, enter the amount from federal Form 1040-NR, line 10d on this line.

Line 27 – Total

Subtract line 26 from line 10. This amount should be the same as the amount on federal Form 1040, 1040-SR, or 1040-NR, line 11.

Column B and Column C — Subtractions and Additions

Use these columns to enter subtractions and additions to federal amounts in column A that are necessary because of the differences between California and federal law. Enter all amounts in Section A, line 1 through line 7 and Section B and Section C, line 1 through line 26 as positive numbers.

Do not deduct income that was earned while a nonresident of California or from sources outside of California. There **must** be a difference in tax law. Generally, if a California resident cannot subtract the income in column B, a nonresident or part-year resident may not subtract income from column B.

If you are a nonresident alien, use column B and column C to adjust federal AGI to include income from all sources, even if you were not required to report it on your federal tax return. California does not have special rules limiting total AGI from all sources to U.S. source or effectively connected income of nonresident aliens.

You may need one of the following FTB publications to complete column B and column C:

- 1001, Supplemental Guidelines to California Adjustments
- 1005, Pension and Annuity Guidelines

Section A – Income

Line 1 – Wages, Salaries, Tips, etc.

Generally, no adjustments are made on this line. If you did not receive any of the following types of income, make no entry on this line in either column B or column C.

Employer-provided dependent care assistance exclusion – The ARPA temporarily increases the amount of the exclusion from gross income from \$5,000 to \$10,500 (and half of that amount for married filing separate) for employer-provided dependent care assistance. California law does not conform to this federal provision. Figure the difference between the amounts allowed using federal law and California law. For California purposes, enter the difference on line 1, column C.

Employees and independent contractors – Some taxpayers may be classified as independent contractors for federal purposes and as employees for California purposes. If the taxpayer is classified as an employee for California purposes, enter the amount reported as gross income of the business from federal Schedule C (Form 1040), Profit or Loss from Business, line 7, as wages on line 1, column C.

Military pay adjustment – Compensation for military service of a servicemember domiciled outside of California is exempt from California tax. It is excluded from AGI from all sources. For more information, get FTB Pub. 1032.

Active duty military servicemembers domiciled outside of California, may claim an adjustment for active duty military pay.

To claim the adjustment, write “MPA” to the left of column A or include it according to your software’s instructions and enter only the amount of your active duty military pay in column B. Exclude this amount from column E.

Combat zone foreign earned income exclusion – For taxable years beginning on and after January 1, 2018, California does not conform to the federal foreign earned income exclusion for amounts received by certain U.S. citizens or resident aliens with an abode in the U.S., specifically contractors or employees of contractors supporting the U.S. Armed Forces in designated combat zones. Enter the amount excluded from federal income on line 8d, column C.

Combat zone extended to Egypt’s Sinai Peninsula – Federal law extended combat zone tax benefits to the Sinai Peninsula of Egypt. California does not conform. Enter the amount of combat pay excluded from federal income on line 1, column C. Get FTB Pub. 1032 for more information.

Sick pay received under the Federal Insurance Contributions Act and Railroad Retirement Act – California excludes these items from income. Enter in column B the amount of these benefits included in the amount in column A.

Ride-sharing fringe benefit differences – Under federal law, certain qualified transportation benefits are excluded from gross income. Under the California R&TC, there are no monthly limits for the exclusion of these benefits and California’s definitions are more expansive. Enter the amount of ridesharing benefits received and included in federal income on line 1, column B.

Foreign income – If you excluded income exempted by U.S. tax treaties on your federal Form 1040 or 1040-SR (unless specifically exempt for state purposes), enter the excluded amount in column C. If you claimed foreign earned income or housing cost exclusion on your federal Form 1040 or 1040-SR (under IRC Section 911), see the instructions for line 8d.

Exclusion for compensation from exercising a California Qualified Stock Option (CQSO) – To claim this exclusion:

- Your earned income is \$40,000 or less from the corporation granting the CQSO.
- The market value of the options granted to you must be less than \$100,000.
- The total number of shares must be 1,000 or less.
- The corporation issuing the stock must designate that the stock issued is a CQSO at the time the option is granted.

If you included in federal income an amount qualifying for this exclusion, enter that amount on line 1, column B.

Nonresident compensation of merchant seamen and employees of rail carriers, motor carriers, and air carriers – Exclude the following from gross income: compensation for the performance of duties of certain merchant seamen, rail carriers, motor carriers, and air carriers. Enter the amount included in federal income on line 1, column B. For more information, get FTB Pub. 1031.

Income exclusion for In-Home Supportive Services (IHSS) supplementary payments – If you are an IHSS provider who received IHSS supplementary payments that were included in federal wages, enter the IHSS supplementary payments on line 1, column B. IHSS providers only receive a supplementary payment if they paid a sales tax on the IHSS services they provide. The supplementary payment is equal to the sales tax paid plus any increase in the federal payroll withholding paid due to the supplementary payment.

Native American earned income exemption – California does not tax federally recognized tribal members living in California Indian country who earn income from any federally recognized California Indian country. Military compensation is considered income from reservation sources. Enrolled members who receive reservation source per capita income must reside in their affiliated tribe’s Indian country to qualify for tax exempt status. Enter on line 1, column B the earnings included in federal income that are exempt for California. Attach form FTB 3504, Enrolled Tribal Member Certification, to Form 540NR. For more information, get form FTB 3504.

Line 2 – Taxable Interest

If you did not receive any of the kinds of income listed below, make no entry on this line in either column B or column C.

Enter in column B, the interest that you received from:

- U.S. saving bonds (except for interest from series EE U.S. savings bonds issued after 1989 that qualified for the Education Savings Bond Program exclusion).
- U.S. Treasury Bills, notes, and bonds.
- Any other bonds or obligations of the United States and its territories.
- Interest from Ottoman Turkish Empire settlement payments.
- Interest income from children under age 19 or students under age 24 included on the child’s federal tax return and reported on the California tax return by the parent. For more information, get form FTB 3803, Parents’ Election to Report Child’s Interest and Dividends.

Certain mutual funds pay “exempt-interest dividends.” If the mutual fund has at least 50% of its assets invested in tax-exempt U.S. obligations and/or in California or its municipal obligations, that amount of dividend is exempt from California tax. The proportion of dividends tax-exempt will be shown on your annual statement or statement issued with federal Form 1099-DIV, Dividends and Distributions. For more information, get FTB Pub. 1001.

Enter in column C, the interest you identified as tax-exempt interest on your federal Form 1040, 1040-SR, or 1040-NR, line 2a; **and** which you received from:

- The federally exempt interest dividends from other states, or their municipal obligations and/or from mutual funds that do not meet the 50% rule as previously stated.
- Non-California state bonds.
- Non-California municipal bonds issued by a county, city, town, or other local government unit.
- Obligations of the District of Columbia issued after December 27, 1973.
- Non-California bonds if the interest was passed through to you from S corporations, trusts, partnerships, or Limited Liability Companies (LLCs).
- Interest or other earnings from an HSA are not treated as tax deferred. Interest or earnings in an HSA are taxable in the year earned.
- Interest on any bond or other obligation issued by the Government of American Samoa.
- Interest income from children under age 19 or students under age 24 included on the parent’s federal tax return and reported on the California tax return by the child.

Make no entries in either column B or column C for interest earned on Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporations (FHLMC) securities, or grants paid to low-income individuals.

Get FTB Pub. 1001, if you received interest income from the items listed above passed through to you from S corporations, trusts, partnerships, or LLCs.

Line 3 – Ordinary Dividends

Generally, no difference exists between the amount of dividends reported in column A and the amount reported using California law. However, California taxes dividends derived from other states and their municipal obligations.

Enter in column B dividend income from children under age 19 and students under age 24, **included** on the parent’s or child’s federal tax return and reported on the California tax return by the opposite taxpayer.

Enter in column C dividend income from children under age 19 and students under age 24, **excluded** on the parent’s or child’s federal tax return and reported on the California tax return by the opposite taxpayer.

Get FTB Pub. 1001, if you received dividend income from:

- Noncash patronage dividends from farmers’ cooperatives or mutual associations.

- A controlled foreign corporation (CFC).
- Distribution of pre-1987 earnings from S corporations.
- Undistributed capital gains for regulated investment company (RIC) shareholders.

Line 4a and b – IRA Distributions

Beginning with tax year 2002, calculate your IRA basis as if you were a California resident for all prior years. Generally, no adjustments are made on this line. However, there may be significant differences in the taxable amount of a distribution (including a distribution from conversion of a traditional IRA to a Roth IRA) depending on when you made your IRA contributions. California did not conform to the \$2,000 or 100% of compensation annual contribution limit permitted under federal law from 1982 through 1986. During these years, California limited the deduction to the lesser of 15% of compensation or \$1,500 and disallowed a deduction altogether to individuals who were active participants in qualified government plans. Any amount an individual contributed in excess of California deduction limits during these years creates a basis in the IRA.

Differences also occur if your California IRA deductions were different from your federal deductions because of differences between California and federal self-employment income.

If the taxable amount using California law is:

- Less than the amount taxable under federal law, enter the difference in column B.
- More than the amount taxable under federal law, enter the difference in column C.

Get FTB Pub. 1005, for more information and worksheets for figuring the adjustment to enter on this line, if any.

Coverdell Education Savings Account (ESA) formerly known as Education (ED) IRA – If column A includes a taxable distribution from an ED IRA, you may owe additional tax on that amount. Get form FTB 3805P, Additional Taxes on Qualified Plans (Including IRAs) and Other Tax-Favored Accounts.

Line 5a and b – Pensions and Annuities

Generally, no adjustments are made on this line. However, if you received Tier 2 railroad retirement benefits or partially taxable distributions from a pension plan, you may need to make the adjustments.

If you received a federal Form RRB-1099-R, Annuities or Pensions by the Railroad Retirement Board, for railroad retirement benefits and included all or part of these benefits in taxable income in column A, enter the taxable benefit amount in column B.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and elected to use the three-year rule for California purposes and the annuity rules for federal purposes, enter in column C the amount of the annuity payments you excluded for federal purposes.

You may have to pay an additional tax if you received a taxable distribution from a qualified retirement plan before reaching age 59½ and the distribution was not rolled over into another qualified plan. Get form FTB 3805P for more information.

Line 6 – Social Security Benefits

California excludes U.S. social security benefits or equivalent Tier 1 railroad retirement benefits from taxable income. Enter in column B the amount of taxable U.S. social security benefits or equivalent Tier 1 railroad retirement benefits shown in column A, line 6(b).

Line 7 – Capital Gain or (Loss)

Generally, no adjustments are made on this line. California taxes long and short term capital gains as regular income. No special rate for long term capital gains exists. However, the California basis of the assets listed below may be different from the federal basis due to differences between California and federal laws. If there are differences, use Schedule D (540NR), California Capital Gain or Loss Adjustment, to calculate the amount to enter on line 7:

- Gain on the sale of qualified small business stock under IRC Section 1045 and IRC Section 1202.
- Basis amounts resulting from differences between California and federal law in prior years.
- Gain or loss on stock and bond transactions.
- Installment sale gain reported on form FTB 3805E, Installment Sale Income.
- Gain on the sale of personal residence where depreciation was allowable.
- Pass-through gain or loss from partnerships, fiduciaries, S corporations, or LLCs.
- Capital loss carryover from your 2020 California Schedule D (540NR).

California nonresident amounts – Enter the total amount of profits or losses (including losses allowed from passive activities) from all businesses sourced to California while a nonresident of California. California uses a mandatory market assignment method and single-sales factor apportionment to apportion business income to California. A nonresident may have California sourced income or apportionable business income if receiving income from intangibles or services from California sources.

If, as a nonresident, you derived income from a business, trade, or profession conducted partly within California and partly outside California, only income from the part conducted within California is considered California source income that you must report in column E. If there is any business relationship between the parts within and outside California (flow of goods, etc.), apportion the gross income or loss from the entire business. To determine the portion of income or loss from businesses engaged in multistate activities that you must report, use the apportionment formula described in Schedule R, Apportionment and Allocation of Income.

Part-year resident amounts – Allocate income between the period of residency and the period of non residency in a manner that reflects the actual date of realization of partnership, S corporation, and certain trust income. In the absence of information that reflects the actual date of realization, the taxpayer allocates an annual amount on a proportional basis between the two periods, using a daily pro-rata methodology. For more information, get FTB Pub. 1100.

Line 6 – Farm Income or (Loss)

- Into California in connection with your new job, enter the amount from line 14, column D, in line 14, column E.
- Out of California in connection with your new job, enter -0- on line 14, column E.

If you moved out of California in connection with your new job and received compensation from that job attributable to a California source, your moving expense adjustment will be limited by the ratio of California source compensation from the new job to total compensation from the new job.

Line 15 – Deductible Part Of Self-Employment Tax

If you claimed a deduction in column A for self-employment tax paid, your California deduction is limited to a percentage of the total California deduction, line 15, column D. That percentage is the ratio of:

$$\frac{\begin{array}{l} \text{Self-employment income} \\ \text{reported} \\ \text{in column A} \\ \text{from all sources} \\ \text{while a CA resident} \end{array} + \begin{array}{l} \text{Self-employment} \\ \text{income reported} \\ \text{in column A} \\ \text{from CA sources} \\ \text{while a nonresident} \end{array}}{\begin{array}{l} \text{Total self-employment income} \\ \text{reported in column A} \end{array}} = \text{California ratio}$$

Multiply your total California deduction, line 15, column D by the California ratio described above and enter the result on line 15, column E. If the California ratio is greater than 1.00, enter the amount from line 15, column D on line 15, column E. If the California ratio is less than zero, enter -0- on line 15, column E.

Line 16 and Line 20 – IRA, Keogh, SEP, and SIMPLE Deduction

The amount of the California deduction for IRA, Keogh, SEP, and SIMPLE contributions is generally the same as the federal deduction. However, the California deduction may be limited by California compensation or by California self-employment income. The amount of the California deduction for IRA contributions may not be the same as the federal deduction due to the SECURE Act repeal of maximum age 70 ½ for traditional IRA contributions to which California does **not** conform. See Section C, line 20, instructions for more information.

Example: Susan moved into California on December 1. She made contributions to her IRA and claimed a deduction of \$2,000 on her federal tax return. Her California wages were \$500. Her allowable deduction is the lesser of:

- The federal deduction of \$2,000.
- The California compensation of \$500.

Therefore, she enters \$500 on line 16, column E. She will make no entry in column B or column C.

Keogh, SEP, and SIMPLE deductions are limited to a percentage of the federal deduction.

$$\frac{\begin{array}{l} \text{Self-employment income} \\ \text{reported in column E} \end{array}}{\begin{array}{l} \text{Total self-employment} \\ \text{income reported} \\ \text{in column D} \end{array}} = \text{California ratio}$$

Multiply federal deductions by the California ratio described above and enter the result on line 16, column E. If the California ratio is greater than 1.00, enter the amount from line 16, column D on line 16, column E. If the California ratio is less than zero, enter -0- on line 16, column E. Get FTB Pub. 1005 for more information.

Line 17 – Self-Employed Health Insurance Deduction

If you claimed a deduction in column A for payments you made to a health insurance plan while you were self-employed, your California deduction is limited to a percentage of the federal deduction. That percentage is the ratio of:

$$\frac{\begin{array}{l} \text{Total self-employment income} \\ \text{reported in column E} \end{array}}{\begin{array}{l} \text{Total self-employment income} \\ \text{reported in column D} \end{array}} = \text{California ratio}$$

Multiply your federal deduction on line 17, by the California ratio described above and enter the result on line 17, column E. If the California ratio is greater than 1.00, enter the amount from line 16, column D on line 17, column E. If the California ratio is less than zero, enter -0- on line 17, column E.

Line 18 – Penalty on Early Withdrawal of Savings

Enter the interest penalties charged while a California resident.

Line 19a – Alimony Paid

If you claimed a deduction in column D for alimony payments, first compute your California ratio:

$$\frac{\begin{array}{l} \text{California AGI (line 27, column E)} \\ \text{(without the alimony deduction)} \end{array}}{\begin{array}{l} \text{Total AGI (line 27, column D)} \\ \text{(without the alimony deduction)} \end{array}} = \text{California ratio}$$

California nonresident amounts – Multiply the deduction (line 19a, column D) by the California ratio (see above) and enter the amount in line 19a, column E. If the California ratio is greater than 1.00, enter the amount from line 19a, column D on line 19a, column E. If the California ratio is less than zero, enter -0- on line 19a, column E.

Part-year resident amounts – Multiply the alimony paid while a nonresident by the California ratio (see above) to determine the nonresident portion. If the California ratio is greater than 1.00, use 1.00 for the California ratio. If the California ratio is less than zero, your nonresident portion of alimony paid is zero. Add the nonresident portion of alimony paid to the alimony paid while a resident. Enter the total in line 19a, column E.

Line 26

Add line 11 through line 23 and line 25 in column E. Enter the result on this line.

Line 27 – Total

Subtract line 26 from Section B, line 10 in column E. This is your California AGI. Enter the result on this line. Also, enter this amount on Part IV, line 1.

Also, transfer the amount from:

- Line 27, column B to Form 540NR, line 14.
If column B is a negative number, transfer the amount as a positive number to Form 540NR, line 16.
- Line 27, column C to Form 540NR, line 16.
If column C is a negative number, transfer the amount as a positive number to Form 540NR, line 14.
- Line 27, column E to Form 540NR, line 32.
If you plan to itemize deductions, go to Part III.

Combine the amount paid for self-employed health insurance with other medical and dental expenses (as applicable). Enter the difference between the medical and dental expense deduction allowed for California and federal on line 4, column C.

Line 11 – Gifts By Cash Or Check

Include your entertainment expenses, if any, on line 5 of federal Form 2106 for California purposes.

Generally, California law conforms with federal law and no adjustment is needed. However, differences occur when:

- Assets (requiring depreciation) were placed in service before January 1, 1987. Figure the depreciation based on California law.
- Federal employees who were on temporary duty status. California does not conform to the federal provision that expanded temporary duties to include prosecution duties, in addition to investigative duties. Therefore, travel expenses paid or incurred in connection with temporary duty status (exceeding one year), involving the prosecution (or support of the prosecution) of a federal crime, should not be included in the California amount.

Or, if the amount you repaid is more than \$3,000, you may take a credit against your tax for the year in which you repaid it, whichever results in the least tax.

If the amount repaid was not taxed by California, no deduction or credit is allowed.

Social security benefits are not taxable by California and the repayment would not qualify for claim of right deduction or credit. If you deducted the repayment of Social Security benefits on your federal tax return, enter the amount of the federal deduction on line 16, column B.

If you claimed a credit for the repayment on your federal tax return and are deducting the repayment for California, enter the allowable deduction on line 16, column C.

- Certain legal and accounting fees.

- Excess deduction on termination of an estate or trust.

Claim of right – If you had to repay an amount that you included in your income in an earlier year, because at the time you thought you had an unrestricted right to it, you may be able to deduct the amount repaid from your income for the year in which you repaid it. If the amount you repaid is less than \$3,000, the deduction is subject to the 2% AGI limit for California purposes. If you are deducting the repayment for California, enter the allowable deduction on line 21.

If the amount repaid was not taxed by California, no deduction is allowed.

Line 27 – Other Adjustments

Adoption-related expenses – If you deducted adoption-related expenses on your federal Schedule A (Form 1040) and are claiming the adoption cost credit on your Form 540NR, enter the amount of the adoption cost credit claimed as a negative number on line 27.

Nontaxable income expenses – If, on federal Schedule A (Form 1040), you claim expenses related to producing income taxed under federal law but not taxed by California, enter the amount as a negative number on line 27.

You may claim expenses related to producing income taxed by California law but not taxed under federal law by entering the amount as a positive number on line 27.

State legislator's travel expenses – Under California law, deductible travel expenses for state legislators include only those incurred while away from their places of residence overnight. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 27.

Interest on loans from utility companies – Taxpayers are allowed a tax deduction for interest paid or incurred on a public utility company financed loan that is used to purchase and install energy efficient equipment or products, including zone-heating products for a qualified residence **located in California**. Federal law has no equivalent deduction. Enter the difference as a positive number on line 27.

Line 29 – California Itemized Deductions

Is the amount on Form 540NR, line 13 more than the amount shown below for your filing status?

Single or married/RDP filing separately	\$212,288
Head of household	\$318,437
Married/RDP filing jointly or qualifying widow(er)	\$424,581

NO Transfer the amount from line 28 to line 29. Do not complete the Itemized Deductions Worksheet.

YES Complete the Itemized Deductions Worksheet in the next column.

Note:

- If you are married/RDP and file a separate tax return, you and your spouse/RDP must either both itemize your deductions or both take the standard deduction.
- Also, if someone else can claim you as a dependent, claim the greater of the standard deduction or your itemized deductions. See the "California Standard Deduction Worksheet for Dependents" in your California 540NR Booklet to figure your standard deduction.
- Military pay of a servicemember domiciled outside of California cannot be used to reduce the amount of this deduction. Modify your federal AGI used to compute this limitation by subtracting your military pay from federal AGI. Get FTB Pub. 1032 for more information.

2021 Instructions for California Schedule D (540NR)

California Capital Gain or Loss Adjustment

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

What's New

Gross Income Exclusion for Bruce's Beach – Effective September 30, 2021, California law allows an exclusion from gross income for the first time sale in the taxable year in which the land within Manhattan State Beach, known as “Peck's Manhattan Beach Tract Block 5” and commonly referred to as “Bruce's Beach” is sold, transferred, or encumbered. A recipient's gross income does not include the following:

- Any sale, transfer, or encumbrance of Bruce's Beach;
- Any gain, income, or proceeds received that is directly derived from the sale, transfer, or encumbrance of Bruce's Beach.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Purpose

Full-year nonresidents or part-year residents report gains and losses as if they were full-year residents for the entire year using California amounts. Therefore, all gains and losses must be reported. Full-year nonresidents or part-year residents complete Schedule D (540NR), California Capital Gain or Loss Adjustment, and the Schedule D (540NR) Worksheet for Nonresident and Part-Year Residents, in order to complete column E on Schedule CA (540NR).

For nonresidents, the computation of California taxable income, capital loss carryovers, and capital loss limitations are determined based upon California source income and loss items only. For purposes of calculating California taxable income, the character of gains and losses on the sale or exchange of property used in the trade or business or certain involuntary conversions (IRC Section 1231) are determined by netting California source IRC Section 1231 gains and losses only.

If you moved in or out of California during the year, get FTB Pub.1100, Taxation of Nonresidents and Individuals Who Change Residency.

Get FTB Pub. 1001, for more information about the following:

- Disposition of property inherited before 1987.
- Gain on the sale or disposition of a qualified assisted housing development to low-income residents or to specific entities maintaining housing for low-income residents.
- Capital loss carryback.

Important Information

Installment Sales.

If you sold property at a gain (other than publicly traded stocks or securities) and you will receive a payment in a tax year after the year of sale, report the sale on the installment method unless you elect not to do so. Get form FTB 3805E, Installment Sale Income. Also, use that form if you received a payment in 2021, for an installment sale made in an earlier year.

You may elect to not use the installment sale method for California by reporting the entire gain on Schedule D (540NR) (or Schedule D-1, Sales of Business Property, for business assets) in the year of the sale and filing your return on or before the due date.

At-Risk Rules and Passive Activity Limitations.

If you dispose of (1) an asset used in an activity to which the at-risk rules apply, or (2) any part of your interest in an activity to which the at-risk rules apply, and you have amounts in the activity for which you are not at risk, get and complete federal Form 6198, At-Risk Limitations, using California amounts to figure your California deductible loss under the at-risk rules. Once a loss becomes allowable under the at-risk rules, it becomes subject to the passive activity rules. Get form FTB 3801, Passive Activity Loss Limitations.

Capital Assets.

The Tax Cuts and Jobs Act (TCJA) amended IRC Section 1221 excluding a patent, invention, model or design (whether or not patented), and a secret formula or process held by the taxpayer who created the property (and certain other taxpayers) from the definition of a capital asset. California does not conform. Report your capital assets on Schedule D (540NR).

Specific Line Instructions

Line 1 – List each capital asset transaction.

Column (a) – Description of property. Describe the asset you sold or exchanged.

Column (b) – Sales price. Enter in this column either the gross sales price or the net sales price. If you received federal Form 1099-B, Proceeds From Broker and Barter Exchange Transactions; federal Form 1099-S, Proceeds From Real Estate Transactions; or similar statement showing the gross sales price, enter that amount in column (b). However, if box 6 of federal Form 1099-B indicates that net proceeds were reported to the Internal Revenue Service, enter that net amount in column (b). If you entered the net amount in column (b), **do not** include the commissions and option premiums in column (c).

Column (c) – Cost or other basis. In general, the cost or other basis is the cost of the property plus purchase commissions and improvements, minus depreciation, amortization, and depletion. Enter the cost or adjusted basis of the asset for California purposes. Use your records and California tax returns for years before 1987 to determine the California amount to enter in column (c). If you used an amount other than cost as the original basis, your federal basis may be different from your California basis. Other reasons for differences include:

- **Depreciation Methods and Property Expensing** – Before 1987, California law disallowed the use of accelerated cost recovery system (ACRS) and disallowed the use of an asset depreciation range 20% above or below the standard rate. Before 1999, California had different limits on the expensing of property under IRC Section 179. California law permits rapid write-off of certain property such as solar energy systems, pollution control devices, and property used in an Enterprise Zone, Local Agency Military Base Recovery Area, Targeted Tax Area, or Los Angeles Revitalization Zone.

- **Inherited Property** – The California basis of property inherited from a decedent is generally the fair market value at the time of death.
- **S Corporation Stock** – Prior to 1987, California law did not recognize S corporations and your California basis in S corporation stock may differ from your federal basis. In general, your California basis will be cost-adjusted for income, loss, and distributions received after 1986, while your stock was California S corporation stock. Your federal basis will be cost-adjusted for income, loss, and distributions received during the time your stock qualified for federal S corporation treatment. Effective for taxable years beginning on or after January 1, 2002, any corporation with a valid federal S corporation election is considered an S corporation for California purposes. Existing law already requires federal C corporations to be treated as C corporations for California purposes.
- **Special Credits** – California law authorizes special tax credits not allowed under federal law or computed differently under federal law. If you claimed special credits related to capital assets, reduce your basis in the assets by the amount of credit.

Other adjustments may apply differently to the federal and California basis of your capital assets. Figure the original basis of your asset using the California law in effect when the asset was acquired, and adjust it according to provisions of California law in effect during the period of your ownership.

Column (e) – Gain.

- **Qualified Small Business Stock** – California does not conform to the qualified small business stock deferral and gain exclusion under IRC Sections 1045 and 1202. Enter the entire gain realized in column (e).
- **Qualified Opportunity Zone Funds** – California does not conform to the deferral and exclusion of capital gains reinvested or invested in qualified opportunity zone funds under IRC Sections 1400Z-1 and 1400Z-2. Enter the entire gain amount in column (e). If, for California purposes, gains from investment in qualified opportunity zone property had been included in income during previous taxable years, do not include the gain in the current year income.

Line 2 – Net gain or (loss) shown on California Schedule(s) K-1 (100S, 541, 565, and 568).

Combine gain(s) and loss(es) from all California Schedule(s) K-1 (100S, 541, 565, and 568), Share of Income, Deductions, Credits, etc. See California Schedule K-1 (100S, 541, 565, and 568) instructions for more information on capital gains and losses. Enter the net loss on line 2, column (d) or the net gain on line 2, column (e).

Line 3 – Capital gain distributions.

If you receive federal Form 2439, Notice to Shareholder of Undistributed Long-Term Capital Gains, from a mutual fund, do not include the **undistributed** capital gain dividends on Schedule D (540NR). If you receive federal Form 1099-DIV, Dividends and Distributions, enter the amount of **distributed** capital gain dividends.

Line 6 – 2020 California capital loss carryover.

If you had California capital loss carryover from 2020, recalculate those losses as if you had been a resident for all prior years. Enter this amount on line 6. Get FTB Pub. 1100 for more information.

Line 8 – Net gain or loss.

If the amount on line 4 is more than the amount on line 7, subtract line 7 from line 4. Enter the difference as a gain on line 8.

If the amount on line 7 is more than the amount on line 4, subtract line 4 from line 7 and enter the difference as a negative amount on line 8.

Use the worksheet on the next page to figure your capital loss carryover to 2022.

Line 9

If line 8 is a net capital loss, enter the smaller of the loss on line 8 or \$3,000 (\$1,500 if married or an RDP filing a separate return).

Line 12a

Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540NR), Part II, Section A, line 7, column B.

For example:

Loss on line 10 is less than loss on line 11.

Federal loss on line 10 is	(\$1,000)
California loss on line 11 is	(\$2,000)
Difference between line 10 and line 11	\$1,000

Gain on line 10 and loss on line 11.

Federal gain on line 10 is	\$3,000
California loss on line 11 is	(\$3,000)
Difference between line 10 and line 11	\$6,000

Line 12b

Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540NR), Part II, Section A, line 7, column C.

For example:

Loss on line 10 is more than loss on line 11.

Federal loss on line 10 is	(\$2,000)
California loss on line 11 is	(\$1,000)
Difference between line 11 and line 10	\$1,000

Loss on line 10 and gain on line 11.

Federal loss on line 10 is	(\$2,000)
California gain on line 11 is	\$5,000
Difference between line 10 and line 11	\$7,000

2021 Instructions for Form FTB 3514

California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

Registered Domestic Partners (RDPs)

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

California Earned Income Tax Credit (EITC)

The refundable California EITC is available to taxpayers who earned wage income subject to California withholding and/or have net earnings from self-employment. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. The CA EITC reduces your California tax obligation, or allows a refund if no California tax is due. You do not need a child to qualify, but must file a California income tax return to claim the credit and attach a completed form FTB 3514, California Earned Income Tax Credit.

Young Child Tax Credit (YCTC)

For taxable years beginning on or after January 1, 2019, the refundable YCTC is available to taxpayers who also qualify for the CA EITC and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. The maximum amount of credit allowable for a qualified taxpayer is \$1,000. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely phases out at \$30,000. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC) in the instructions.

Expansion for Credits Eligibility

For taxable years beginning on or after January 1, 2020, California expanded EITC and YCTC eligibility to allow either the federal Individual Tax Identification Number (ITIN) or the Social Security Number (SSN) to be used by all eligible individuals, their spouses, and qualifying children. If an ITIN is used, eligible individuals should provide identifying documents upon request of the Franchise Tax Board (FTB). Any valid SSN can be used, not only those that are valid for work. Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. The YCTC is available if the eligible individual or spouse has a qualifying child younger than six years old. For more information, see General Information B, Differences in California and Federal Law, Specific Instructions for line 7, and go to ftb.ca.gov and search for **eitc**.

Worker Status: Employees and Independent Contractors

Some individuals may be classified as independent contractors for federal purposes and employees for California purposes, which may also cause changes in how their income and deductions are classified. For more information, see Specific Instructions, Step 5, line 13 and line 18.

A Purpose

Use form FTB 3514 to determine whether you qualify to claim the EITC and YCTC credits, provide information about your qualifying children, if applicable, and to figure the amount of your credits.

B Differences in California and Federal Law

The differences between California and federal law for the Earned Income Tax Credit are as follows:

- California allows this credit for wage income (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- If you were a nonresident, you must have earned wage income that is subject to California withholding.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$30,001 to qualify for the California credit.
- An eligible individual without a qualifying child is 18 years or older for the California credit.
- You may elect to include all of your (and/or all of your spouse's/RDP's if filing jointly) nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes. Get FTB Pub. 1032, Tax Information for Military Personnel, for special rules that apply to military personnel claiming the EITC.
- You may elect to include or exclude Medicaid waiver payments or In Home Supportive Services (IHSS) payment from earned income for the California credit, whether or not you elect to include or exclude them for the federal credit.
- California allows this credit to eligible individuals and their spouses who have a valid federal ITIN or who have qualifying children who have a valid federal ITIN.
- California law **does not** conform to the following federal law changes under the American Rescue Plan Act of 2021:
 - Application of earned income tax credit in possessions of the U.S.
 - Election to use earned income from taxable year 2019 for the federal credit
 - Strengthening the EITC for individuals with no qualifying children

Specific Instructions

If certain requirements are met, you or your eligible spouse may claim the EITC even if you do not have a valid SSN and instead have a valid federal ITIN. This also applies for the YCTC. If you have a valid federal ITIN, enter it in the Your SSN or ITIN field at the top of the form. For more information, see the General Information Section and Specific Instructions for line 7.

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 7 to determine if you qualify for the credit and to figure the amount of the credit.

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC, then answer "Yes" on line 1b within the form and follow Step 1 through Step 7 to determine if you qualify for the credit.

Attach the completed form FTB 3514 to your Form 540 or 540 2EZ, California Resident Income Tax Return, or Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

Step 1 Qualifications for All Filers

Step 3 Qualifying Child

Qualifying Child Definition

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2021 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2021, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.

- Is not filing a joint return for 2021 or is filing a joint return for 2021 only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2021. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

Note: If the child was married or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Publication 596 for more information.

Qualifying Child Questionnaire

- a.** Do you have at least one child who meets the conditions to be your qualifying child?
- Yes** Continue.
No Go to Step 4.
- b.** Are you filing a joint return for 2021?
- Yes** Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.
No Continue.
- c.** Could you be a qualifying child of another person for 2021? (Answer "No" if the other person is not required to file, and is not filing, a 2021 tax return or is filing a 2021 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596 for examples.)
- Yes** Stop here, you cannot take the credit.
No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

Note: If your qualifying child is younger than six years old as of the last day of the taxable year, you must list that child information under Child 1, Child 2 or Child 3 column. **Do not** include any child younger than six years old as an attachment to the form FTB 3514. See Step 8 and Step 9 in the instructions to see if you qualify for the Young Child Tax Credit.

Line 7 – SSN or ITIN

The child must have a valid SSN or ITIN, as defined below, unless the child was born and died in 2021. If your child was born alive and died in 2021 and did not have an SSN or an ITIN, write "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

Valid SSN – A valid SSN is a number issued by the Social Security Administration without regard to whether it was issued for employment or issued solely for the purpose of receiving federally funded benefits.

Valid ITIN – A valid ITIN is a federal tax processing number issued by the Internal Revenue Service that is not expired or revoked. For taxable years beginning on or after January 1, 2020, a valid federal ITIN can be used to claim the EITC and YCTC. If an ITIN is used, eligible individuals should provide the documents listed below upon request by FTB:

- Identifying documents acceptable for purposes of obtaining a California driver's license as authorized by the Vehicle code and related regulations for purposes of establishing documents acceptable to prove identity.
- Identifying documents used to report earned income for the taxable year.

Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. For more information, go to ftb.ca.gov and search for **eitc**.

An Adoption Taxpayer Identification Number (ATIN) cannot be used to claim EITC. If you or your child has an ATIN and later gets a valid SSN or a valid federal ITIN, you may be able to file an amended return. Use Form 540, 540 2EZ, or 540NR to amend your original or previously filed tax return with Schedule X, California Explanation of Amended Return Changes, attached to the amended return.

If you did not have an SSN or federal ITIN by the due date of your 2021 return (including extensions), you cannot claim the EITC (or YCTC) on

either your original or an amended 2021 return, even if you later get an SSN or federal ITIN. Also, if a child did not have an SSN or federal ITIN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC (or YCTC) on either your original or an amended 2021 return, even if that child later gets an SSN or federal ITIN.

Line 9a – Student

A student is a child who during any part of 5 calendar months of 2021 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

Line 9b – Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2021, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

Line 10 – Child's relationship to you

For additional information see qualifying child definition.

Line 11 – Number of days child lived with you

Enter the number of days the child lived with you in California during 2021. To qualify, the child must have the same principal place of residence in California as you for more than half of 2021, defined as 183 days or more (if a leap year, it is 184 days). If the child was born or died in 2021 and your home was the child's home for more than half the time he or she was alive during 2021, enter "365". Do not enter more than 365 days, unless it's a leap year, then enter 366 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information, get federal Publication 596.

Line 12 – Child's physical address

Enter the physical address where the child resided during 2021. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2021. If the child lived with you in California for more than half of 2021, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.

Step 5 California Earned Income

Complete lines 13 through 19 to figure your California earned income.

Line 13 – Wages, salaries, tips, and other employee compensation, subject to California withholding

Enter the total amount of your California wages from your federal Form(s) W-2, Wage and Tax Statement. This amount appears on Form W-2, box 16. Include all of your Medicaid waiver payments or IHSS payments even if the payments are nontaxable for federal purposes.

Note: If you have clergy wages, subtract the self employment tax, if any, that was reported on federal Schedule SE (Form 1040), Self-Employment Tax, and enter the result on form FTB 3514, line 13.

Employees and independent contractors – If the taxpayer’s classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

Line 14 – IHSS payments

You may elect to include or exclude your Medicaid waiver payments or IHSS payments if the payments are nontaxable for federal purposes. If you elect to exclude such payments from your earned income for California EITC purposes, enter the amount you received as Medicaid waiver payments or IHSS payments that are nontaxable for federal purposes on line 14. If you elect to include such payments, leave line 14 blank. If you are filing a joint return, both you and/or your spouse/RDP can elect to include or exclude your own nontaxable Medicaid waiver payments or IHSS payments for California EITC purposes. Each must elect to include or exclude all such payments, not just a portion of it. You may elect to include or exclude such payments from earned income for California EITC purposes, whether or not you elect to include or exclude them for federal purposes.

Line 15 – Prison inmate wages and/or pension or annuity from a nonqualified deferred compensation plan or a nongovernmental IRC Section 457 plan

Enter the amount included on line 13, that you received for work performed while an inmate in a penal institution.

Line 17 – Nontaxable combat pay

Enter the amount from federal Form W-2, box 12, code Q, if you elect to include your nontaxable military combat pay in earned income for EITC purposes. If you are filing a joint return, both you and/or your spouse/RDP can elect to include your own nontaxable military combat pay for EITC purposes. Each must include all of their nontaxable military combat pay, not just a portion of it. You may elect to include nontaxable

military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes.

Line 18 – Business income or (loss)

If you are self-employed and have net earnings from self-employment, go to Worksheet 3 to figure your business income or loss. Attach a copy of your complete federal return, including any federal Schedule C (Form 1040), Profit or Loss From Business, Schedule F (Form 1040), Profit or Loss From Farming, Schedule SE (Form 1040), and any Schedule K-1 (Form 1065), Partner’s Share of Income, Deductions, Credits, etc.

Employees and independent contractors – If the taxpayer’s classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

2021 Instructions for Form FTB 3532

Head of Household Filing Status Schedule

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Attach the completed form FTB 3532, to your Form 540, California Resident Income Tax Return, Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, or Form 540 2EZ, California Resident Income Tax Return, if you claim head of household filing status.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your Head of Household filing status. For more information about the Head of Household filing requirements, go to ftb.ca.gov and search for **hoh**.

Registered Domestic Partners (RDPs) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

Use form FTB 3532 to report how the HOH filing status was determined.

B Qualifications

You may qualify for HOH filing status if all of the following apply.

- You were unmarried and not an RDP, or met the requirements to be considered unmarried or considered not in a registered domestic partnership on the last day of the year.
- You paid more than one-half the costs of keeping up your home for the year.
- Your home was the main home for you and a qualifying person who lived with you for more than half the year.
- The qualifying person was related to you and met the requirements to be a qualifying child or qualifying relative. (For a qualifying relative see the instructions for Part III, line 4, Gross Income.)
- You were entitled to a Dependent Exemption Credit for your qualifying person. However, you do not have to be entitled to a Dependent Exemption Credit for your qualifying child if you were unmarried and not an RDP, and your qualifying child was also unmarried and not an RDP.

- You were not a nonresident alien at any time during the year.
- You paid more than half the cost of a qualifying person's total support.
- Your qualifying person is a citizen or national of the United States, or a resident of the U.S., Canada, or Mexico.

If you, your spouse/RDP, or your qualifying person who lived with you was absent from your home during the year, see the definition for temporary absence in FTB Pub. 1540, Tax Information for Head of Household Filing Status. If your qualifying person is your father or mother, see the definition for Parent/Stepparent (Father or Mother) in FTB Pub. 1540.

Specific Line Instructions

The law allowing HOH filing status has very specific requirements that the taxpayer must meet. Get FTB Pub. 1540 for more information.

Part I – Marital Status

Line 1

To qualify for HOH filing status, you must be either unmarried or considered unmarried on the last day of the year. You are considered unmarried on the last day of the year if you meet all of the following tests.

Considered Unmarried or Considered Not in a Registered Domestic Partnership

If you were married or an RDP as of the last day of the tax year or if your spouse/RDP died during the tax year, you may be considered unmarried or considered not in a registered domestic partnership for head of household purposes if you meet all of the following requirements:

- Your spouse/RDP did not live in your home at any time during the last six months of the year (see Temporary Absence in FTB Pub. 1540).
- Your qualifying person is your birth child, stepchild, adopted child, or eligible foster child.
- You paid more than one-half the cost of keeping up your home for the year.
- Your home was the main home for you and your birth child, stepchild, adopted child, or eligible foster child for more than half the year.
- You must be entitled to claim a Dependent Exemption Credit for your child; that is, your child must meet the requirements to be either a qualifying child or qualifying relative and meet the joint return and citizenship tests. You cannot claim a Dependent Exemption Credit for your child if you could be claimed as a dependent by another taxpayer. You can still meet this requirement if the only reason you cannot claim a Dependent Exemption Credit for your child is because either of the following applies, as provided in a decree of divorce, legal separation, or termination of registered domestic partnership, or a written separation agreement that applies to the tax year at issue:
 - The noncustodial parent is entitled to the Dependent Exemption Credit for the child.
 - The custodial parent signed a written statement that he or she will not claim the Dependent Exemption Credit for the child. (The custodial parent may sign federal Form 8332, Release/Revocation of Release of Claim to Exemption for Child by Custodial Parent, or a similar statement. The custodial parent can revoke their federal Form 8332 or similar statement by providing written notice to the other parent.) The noncustodial parent must attach a copy of the statement to his or her income tax return.

If either of the above provisions was contained in a pre-1985 decree or agreement, the noncustodial parent must have provided more than \$600 in support for the child during the year.

Part II – Qualifying Person

Line 2

For the purposes of HOH filing status, you must have a qualifying person who is related to you to qualify for head of household filing status. Your qualifying person must meet the requirements to be either a qualifying child or qualifying relative. You must also pay more than half the cost of keeping up your home in which you and the qualifying child or qualifying relative lived for more than half the year. You may not claim yourself, or your spouse/RDP as your qualifying person.

Part III – Qualifying Person Information

Line 3

Enter the qualifying person's name.

Enter the qualifying person's Social Security Number (SSN). Verify that the name and SSN match the qualifying person's social security card to avoid disallowance of your HOH filing status. If the person was born in, and later died in, 2021, and does not have a SSN, enter "Died" and attach a copy of the person's birth and death certificates.

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided. Incomplete information could result in a disallowance of your HOH filing status.

Your qualifying child must be under 19 years of age or a full-time student under 24 years of age. The person also meets the age test if he or she is permanently and totally disabled at any time during the calendar year. (If the person does not meet the age test to be a qualifying child, he or she may meet the requirements to be a qualifying relative).

Line 4

Gross Income

Your qualifying relative's gross income must be less than \$4,300. Generally, gross income for head of household purposes only includes income that is taxable for federal income tax purposes. It does not include nontaxable income such as welfare benefits or the nontaxable portion of social security benefits.

If your qualifying relative was married or an RDP, you must consider the qualifying relative's community interest in the spouse's/RDP's income in applying the gross income test. For the federal allowable exemption amount, see the federal instruction booklet for that particular tax year. For more information, go to [irs.gov](https://www.irs.gov) and search for **17** to find federal Publication 17, Your Federal Income Tax For Individuals.

Line 5

More Than Half the Year

Just because someone lived with you for six months does not mean that the person lived with you for more than half the year. A year has 365 days, and more than half the year is 183 days. (A leap year has 366 days, and more than half a leap year is 184 days.)

To determine how many days your home was your qualifying person's main home follow these guidelines:

- If you were not married and not an RDP at any time during the year, count all of the days that your qualifying person lived with you in your home.
- If you were married or an RDP at any time during the year and received a final decree of divorce, legal separation or your registered domestic partnership was legally terminated by the last day of the year, add together:
 - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
 - All of the days that you and your qualifying person lived together in your home without your spouse/RDP (ex-spouse/ex-RDP).
- If you were married or an RDP as of the last day of the year, and you did not live with your spouse/RDP at any time during the last six months of the year, add together:
 - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
 - All of the days that you and your qualifying person lived together in your home without your spouse/RDP.
- If you were married or an RDP as of the last day of the year, and you lived with your spouse/RDP at any time during the last six months of the year, you cannot qualify for the head of household filing status.

When calculating the above, you may include days when your qualifying person was temporarily absent from your home. Temporary absences include vacations, illness, business, school, military service, and incarceration. In the event of a birth or death of your qualifying person during the year, enter 365 days. Note: A year is 365 days, a leap year is 366 days.

How to Figure Tax Using the 2021 California Tax Rate Schedules

Example: Chris and Pat Smith are filing a joint tax return using Form 540NR. Their taxable income on Form 540NR, line 19 is \$125,000.

Step 1: Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000.

	Example	Your Income
Step 2: They subtract the amount at the beginning of their range from their taxable income.	$\begin{array}{r} \$ 125,000 \\ - 122,428 \\ \hline \$ 2,572 \end{array}$	$\begin{array}{r} \$ \\ - \\ \hline \$ \end{array}$
Step 3: They multiply the result from Step 2 by the percentage for their range.	$\begin{array}{r} \$ 2,572 \\ \times .0930 \\ \hline \$ 239.20 \end{array}$	$\begin{array}{r} \$ \\ \times \\ \hline \$ \end{array}$
Step 4: They round the amount from Step 3 to two decimals (if necessary) and add it to the tax amount for their income range. After rounding the result, they will enter \$5,630 on Form 540NR, line 31.	$\begin{array}{r} \$5,390.38 \\ + 239.20 \\ \hline \$5,629.58 \end{array}$	$\begin{array}{r} \$ \\ + \\ \hline \$ \end{array}$
