## Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments.
- Claiming the wrong amount of standard deduction or itemized deductions.
- Claiming a dependent already claimed on another return.
- The amount of refund or payments made on an original return does not match our records when amending your tax return.

- Claiming the wrong amount of withholding by incorrectly totaling or transferring the amounts from your federal Form W-2, Wage and Tax Statement. Claiming the wrong amount of real estate withholding.
- Claiming the wrong amount of SDI.
- Claiming the wrong amount of exemption credits.

### Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to ftb.ca.gov and login or register for MyFTB to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2021 tax return you requested to be applied to your 2022 estimated tax.

### Claiming state disability insurance:

Verify the amount of SDI used to figure the amount of excess SDI claimed on Form 540NR, line 84, matches amounts from your W-2's.

## Claiming standard deduction or itemized deductions:

See Form 540NR, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

# Claiming withholding amounts:

- Go to ftb.ca.gov and login or register for MyFTB to verify withheld amount or see instructions for Form 540NR, line 81. Confirm only California income tax
- Verify real estate or other withholding amount from Form 592-B, Resident and Nonresident Withholding Tax Statement, and Form 593, Real Estate Withholding Statement. See instructions for Form 540NR, line 83.

### Claiming refund or payments made on an original return when amending your tax return:

- Go to ftb.ca.gov and login or register for MyFTB to check tax return records for refund or payments made.
- Verify the amount from your original return Form 540NR, line 125, and include any adjustment by the FTB.

### Use e-file:

By using e-file, you can eliminate many common errors. Go to ftb.ca.gov and search for efile options.

# Do I Have to File?

# Steps to Determine Filing Requirement

If you are a nonresident of California and received income in 2022 with sources in California, go to Step 1. For more details see page 8.

**Step 1:** Is your gross income (gross income is computed under California law and consists of all income received from all sources in the form of money, goods, property, and services, that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (adjusted gross income is computed under California law and consists of your federal adjusted gross income from all sources, reduced or increased by all California income adjustments) more than the amount shown in the California Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

Step 3: If your income is less than the amounts on the chart you may still have a filing requirement. See "Requirements for Children with Investment Income" and "Other Situations When You Must File." Do those instructions apply to you? If yes, you have a filing requirement. If no, go to Step 4.

Step 4: Are you married/RDP filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

# **Requirements for Children with Investment Income**

California law conforms to federal law which allows parents' election to report a child's interest and dividend income from children under age 19 or a student under age 24 on the parent's tax return. For each child under age 19 and student under age 24 who received more than \$2,300 of investment income in 2022, complete Form 540NR and form FTB 3800, Tax Computation for Certain Children with Unearned Income, to figure the tax on a separate Form 540NR for your child.

If you qualify, you may elect to report your child's income of more than \$1,150 but less than \$11,500 on your return by completing form FTB 3803, Parents' Election to Report Child's Interest and Dividends. To make this election, your child's income must be **only** from interest and/or dividends. See "Order Forms and Publications" or go to **ftb.ca.gov/forms**.

# Other Situations When You Must File

If you have a tax liability for 2022 or owe any of the following taxes for 2022, you must file Form 540NR.

- Tax on a lump-sum distribution.

# **Filing Status**

Use the same filing status for California that you used for your federal income tax return, unless you are an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership

**Exception:** If you file a joint tax return for federal, you may file separately for California if either spouse was either of the following:

- An active member of the United States armed forces or any auxiliary military branch during 2022
- A nonresident for the entire year and had no income from California sources during 2022.

Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

# Single

You are single if any of the following is true on December 31, 2022:

- You were never married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2022, and did not remarry or enter into another registered domestic partnership in 2022.

# Married/RDP Filing Jointly

You may file married/RDP filing jointly if any of the following is true:

- You were married or an RDP as of December 31, 2022, even if you did not live with your spouse/RDP at the end of 2022. Your spouse/RDP died in 2022 and you did not remarry or enter into another
- registered domestic partnership in 2022. Your spouse/RDP died in 2023 before you filed a 2022 tax return.

## Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately status. For more information, get TETB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, or FTB Pub. 1032. See "Order Forms and Publications" or go to **ftb.ca.gov/forms**.

  You cannot claim a personal exemption credit for your spouse/RDP even if
- your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person's tax return.
- You may be able to file as head of household if your child lived with you and you lived apart from your spouse/RDP during the entire last six months of 2022.

## **Head of Household**

For the specific requirements that must be met to qualify for head of household (HOH) filing status, get FTB Pub. 1540, Tax Information for Head of Household Filing Status. In general, HOH filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use HOH filing status if **all** of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2022
- You paid more than one-half the cost of keeping up your home for the year
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for HOH filing status. You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for HOH purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use HOH filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your HOH filing status. For more information about the HOH filing requirements, go to ftb.ca.gov and search for hoh. To get form FTB 3532, see "Order Forms and Publications" or go to ftb.ca.gov/forms.

# **Differences between California and Federal Law**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for conformity. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically may be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of
- \$20,000 during the current or previous taxable year.
  Your total tax liability reported for the previous taxable year did not exceed
- The amount you paid is not representative of your total tax liability.

Taxpayers with a tax liability less than \$500 (\$250 for married/RDP filing separately) do not need to make estimated tax payments.

Backup Withholding - With certain limited exceptions, payers that are required to withhold and remit backup withholding to the IRS are also required to withhold and remit to the FTB on income sourced to California. If the payee has backup withholding, the payee must contact the FTB to provide a valid taxpayer identification number, before filing the tax return. Failure to provide a valid taxpaver identification number may result in a denial of the backup withholding credit. For more information, go to ftb.ca.gov and search for backup withholding.

Registered Domestic Partners (RDP) - Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. # **How Nonresidents and Part-Year Residents Are Taxed**

# **General Information**

Nonresidents of California who received California sourced income in 2022, or moved into or out of California in 2022, file Form 540NR. California taxes all income received while you resided in California and the income you received from California sources while a nonresident.

If you file Form 540NR, use Schedule CA (540NR) column A through column D to compute your total adjusted gross income as if you were a resident of California for the entire year. Use column E to compute all items of total adjusted gross income you received while a resident of California and those you received from California sources while a nonresident. You determine your California tax by multiplying your California taxable income by an effective tax rate. The effective tax rate is the tax on total taxable income, taken from the tax table, divided by total taxable income. You may also qualify for California tax credits, which reduces the amount of California tax you owe.

If you were a resident of California for all of 2022, get a California Resident Personal Income Tax Booklet and file Form 540 or Form 540 2EZ.

For more information on the taxation of nonresidents and part-year residents, get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency. Go to **ftb.ca.gov/forms** or see "Where To Get Income Tax Forms and Publications."

# Pension Income of Retirees Who Move to Another State

Nonresidents of California Receiving a California Pension

California does not impose tax on retirement income attributable to services performed in California received by a nonresident after December 31, 1995.

# California Residents Receiving an Out-of-State Pension

In general, California residents are taxed on all income, including income from sources outside California. Therefore, a pension attributable to services performed outside California but received after you become a California resident is taxable.

For more information about pensions, go to **ftb.ca.gov/forms** and get FTB Pub. 1005, Pension and Annuity Guidelines.

# Temporary and Transitory Absences from California

If you are domiciled in California and you worked outside of California for an uninterrupted period of at least 546 consecutive days under an employment contract, you are considered a nonresident. This provision also applies to the spouse/RDP who accompanies the employed individual during those 546 consecutive days. However, you will not qualify under this provision if you are present in California for a total of more than 45 days during any taxable year covered by the contract, or if you have income from stocks, bonds, notes, or other intangible property in excess of \$200,000 for any taxable year covered by the contract. For more information, go to **ftb.ca.gov/forms** and get FTB Pub. 1031.

# **Group Nonresident Return**

Nonresident partners, nonresident members, and nonresident shareholders of a partnership, limited liability company, or S corporation that does business in California or has income from California sources may elect to file a group nonresident return on Form 540NR. For more information, go to **ftb.ca.gov/forms** and get FTB Pub. 1067, Guidelines for Filing a Group Form 540NR. This publication includes form FTB 1067A, Nonresident Group Return Schedule, which must be attached to the group Form 540NR.

Nonresident Alien – For taxable years beginning on or after January 1, 2021, and before January 1, 2026, a nonresident group return can be filed on behalf of electing nonresident aliens receiving California source income from a taxpayer. A nonresident alien, who is not eligible for or has not been issued a federal SSN or ITIN, could be included in the group return or file an individual return without obtaining an SSN or ITIN. For more information, go to ftb.ca.gov/forms and get FTB Pub. 1067.

# **Military Servicemembers**

Active duty military servicemembers go to **ftb.ca.gov/forms** and get FTB Pub. 1032.

Servicemembers domiciled outside of California, and their spouses/RDPs, exclude the member's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay in California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel.

A child under age 19 or a student under age 24 may owe AMT if the sum of the amount on line 19 (taxable income) and any preference items listed on Schedule P (540NR) and included on the return is more than the sum of \$8,300 and the child's earned income.

AMT income does not include income, adjustments, and items of tax preference related to any trade or business of a qualified taxpayer who has gross receipts, less returns and allowances, during the taxable year of less than \$1,000,000 from **all** trades or businesses.

Get Schedule P (540NR) for more information. See "Where To Get Income Tax Forms and Publications."

### Line 72 – Mental Health Services Tax

If your taxable income or nonresident California source taxable income is more than \$1,000,000, compute the Mental Health Services tax **using whole dollars only**:

# Line 73 – Other Taxes and Credit Recapture

If you received an early distribution of a qualified retirement plan and were required to report additional tax on your federal tax return, you may also be required to report additional tax on your California tax return. Get form FTB 3805P, Additional Taxes on Qualified Plans (Including IRAs) and Other Tax-Favored Accounts. If required to report additional tax, report it on line 73 and write "FTB 3805P" to the left of the amount.

In general, California conforms to federal law for income received under IRC Section 409A on a nonqualified deferred compensation (NQDC) plan and discounted stock options and stock appreciation rights. Income received under IRC Section 409A is subject to an additional 5% tax plus interest. Include the additional tax, if any, on line 73. Write "NQDC" on the dotted line to the left of the amount.

If you owe interest on deferred tax from installment obligations, include the additional tax, if any, in the amount you enter on line 73. Write "IRC Section 453A interest" and the amount on the dotted line to the left of the amount on line 73.

If you used form(s):

Enter the total of any:

- California estimated tax payments you made using 2022
   Form 540-ES, electronic funds withdrawal, Web Pay, or credit card.

The LLC's return must be filed before an individual member's account can be credited. If you e-file, attach any requested forms, schedules and documents according to your software's instructions.

If you and your spouse/RDP paid joint estimated taxes but are now filing separate income tax returns, either of you may claim the entire amount paid, or each may claim part of the joint estimated tax payments. If you want the estimated tax payments to be divided, notify the FTB before you file the tax returns so the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court-ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers.

Send statements to:

JOINT ESTIMATE CREDIT ALLOCATION MS F283 TAXPAYER SERVICES CENTER FRANCHISE TAX BOARD PO BOX 942840 SACRAMENTO CA 94240-0040

To view payments made or get your current account balance, go to **ftb.ca.gov** and login or register for MyFTB.

If you or your spouse/RDP made separate estimated tax payments, but are now filing a joint income tax return, add the amounts you each paid. Attach a statement to the front of your Form 540NR explaining that payments were made under both SSNs. If you e-file, attach any requested forms, schedules and documents according to your software's instructions.

You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2023 and did not have a California tax liability in 2022.

# Line 84 – Excess California SDI (or VPDI) Withheld

You may be entitled to claim a credit for excess State Disability Insurance (SDI) or Voluntary Plan Disability Insurance (VPDI) if you meet **all** of the following conditions:

- You had **two or more** California employers during 2022.
- You received more than \$145,600 in gross wages from California sources.
- The amounts of SDI (or VPDI) withheld appear on your federal Form(s) W-2. Be sure to attach your federal Form(s) W-2 to your Form 540NR.

If SDI (or VPDI) was withheld from your wages by a single employer, at a rate of more than 1.10% of your gross wages, you may not claim excess SDI (or VPDI) on your Form 540NR. Contact the employer for a refund.

To determine the amount to enter on line 84, complete the Excess SDI (or VPDI) Worksheet. If married/RDP filing jointly, figure the amount of excess SDI (or VPDI) separately for each spouse/RDP.

# Excess SDI (or VPDI) Worksheet Use whole dollars only.

Follow the instructions below to figure the amount of excess SDI to enter on Form 540NR, line 84. If you are married/RDP and file a joint tax return, you must figure the amount of excess SDI (or VPDI) separately for each spouse/RDP.

Claim of Right: If you are claiming the tax credit on your California tax return, include the amount of the credit in the total for this line. Write in "IRC 1341" and the amount of the credit to the left of the amount column.

To determine if you are entitled to this credit, refer to your prior year California Form 540NR or Schedule CA (540NR), column E, to verify the amount was included in your California taxable income. If the amount repaid under a "Claim of Right" was not originally taxed by California, you are not entitled to claim the credit.

Instructions: Form 540NR e-file at ftb.ca.gov

# **ISR Penalty**

# Line 91 - Individual Shared Responsibility (ISR) Penalty

Check the box on Form 540NR, line 91, if you, your spouse/RDP (if filing a joint return), and anyone you can or do claim as a dependent had minimum essential coverage (also referred to as qualifying health care coverage) that covered all of 2022. Medicare Part A or C qualifies as minimum essential coverage. If you check the box on Form 540NR, line 91, you do not owe the individual shared responsibility penalty and do not need to file form FTB 3853. For more information, get form FTB 3853.

If you and your household did not have full-year health care coverage, then go to form FTB 3853 to determine if you have an individual shared responsibility penalty. Enter your individual shared responsibility penalty from form FTB 3853, Part IV, line 1.

# **Overpaid Tax or Tax Due**

To avoid a delay in the processing of your tax return, enter the correct amounts on line 101 through line 104.

# Line 101 – Overpaid Tax

If the amount on line 92 is more than the amount on line 74, subtract the amount on line 74 from the amount on line 92. Enter the result on line 101. Your payments and credits are more than your tax.

**Refund Intercept** – The FTB administers the Interagency Intercept Collection (IIC) program on behalf of the State Controller's Office. The IIC program intercepts (offsets) refunds when individuals and business entities owe delinquent debts to government agencies including the IRS and California colleges. All refunds are subject to interception. The FTB only intercepts the amount owed.

Refunds from joint tax returns may be applied to the debts of the taxpayer or spouse/RDP. After all tax liabilities are paid, any remaining credit will be applied to requested voluntary contributions, if any, and the remainder will be refunded.

If the debt was previously paid to the requestor and the FTB also intercepted the refund, any overpayment will be refunded by the agency that received the funds.

For more information, go to **ftb.ca.gov** and search for **interagency intercept collection**.

# Line 102 – Amount You Want Applied to Your 2023 Estimated Tax

Apply all or part of the amount on line 101 to your estimated tax for 2023. Enter on line 102 the amount of line 101 you want applied to 2023.

An election to apply an overpayment against estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

## Line 103 - Overpaid Tax Available This Year

If you entered an amount on line 102, subtract it from the amount on line 101. Enter the result on line 103. You may have this entire amount refunded to you or make contributions to the California Seniors Special Fund or make other voluntary contributions from this amount. If you make a contribution, go to the instructions for contributions.

# Line 104 – Tax Due

If the amount on line 92 is less than the amount on line 74, subtract the amount on line 92 from the amount on line 74. Enter the result on line 104. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 104 is \$500 or more (\$250 or more if married/ RDP filing separately).
- The amount of state income tax withheld on line 81 is less than 90% of the amount of your total tax on line 74.

If you owe a penalty, the FTB will figure the penalty and send you a bill.

# **Contributions**

You can make voluntary contributions to the funds listed on Side 4. See "Voluntary Contributions Fund Descriptions" for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, the FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to **parks.ca.gov/annualpass/** or email **info@parks.ca.gov**.

# Code 400 - Contribution to California Seniors Special Fund

If you and/or your spouse/RDP are 65 years of age or older and claim the Senior Exemption Credit on line 9, you may make a combined total contribution of up to \$280 or \$140 per spouse/RDP. Contributions entered on code 400 will be distributed to The Area Agency on Aging Council of California (TACC) to provide advice on and sponsorship of Senior Citizen issues. Any excess contributions not required by TACC will be distributed to senior citizen service organizations throughout California for meals, adult day care, and transportation.

Use the worksheet below to figure your contribution:

| 1. | If you contribute, enter \$140; if you and  |
|----|---------------------------------------------|
|    | your spouse/RDP contribute, enter \$280 1   |
| 2. | Enter the ratio from Form 540NR, line 38 2  |
| 3. | Contribution amount. Multiply line 1        |
|    | by line 2. Enter the result (rounded to the |
|    | nearest whole dollar) here 3                |

You may contribute any amount up to the amount on line 3. Enter your contribution on the line for code 400.

# Line 120 - Total Contributions

Add amounts in code 400 through code 446. Enter the result on line 120.

# **Amount You Owe**

Add or subtract correctly to figure the amount you owe.

# Line 121 - Amount You Owe

If you did not enter an amount on line 120, enter the amount from line 104 on line 121. This is the amount you owe with your Form 540NR.

If you entered an amount on line 120, add that amount to the amount on line 104. Enter the result on line 121. This is the amount you owe with your Form 540NR.

If you have an amount on line 103 and line 120, subtract line 120 from line 103. If line 120 is more than line 103 enter the difference on line 121.

To avoid a late filing penalty, file your Form 540NR by the extended due date even if unable to pay the amount you owe.

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

For more information or to obtain the waiver form, go to ftb.ca.gov/e-pay. Electronic payments can be made using Web Pay on the FTB's website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card.

### **Payment Options**

- Electronic Funds Withdrawal Instead of paying by check or money order, you may use this convenient option if you e-file. Provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** Pay the amount you owe using our secure online payment service. Go to **ftb.ca.gov/pay** for more information.
- Credit Card Whether you e-file or file by mail, you can use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes. If you pay by credit card, do not mail form FTB 3519 to us. Call 800.272.9829 or go to the ACI Payments, Inc. (formerly Official Payments) website at officialpayments.com, and use the jurisdiction code 1555. ACI Payments, Inc. charges a convenience fee for using this service.
- Check or Money Order Using black or blue ink, make your check or money order payable to the "Franchise Tax Board." Do not send cash or other items of value (such as stamps, lottery tickets, foreign currency, and gift cards). Write your SSN or ITIN and "2022 Form 540NR" on the check or money order. Enclose, but do not staple, your payment with your return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. Do not combine your 2022 tax payment and any 2023 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. Do not mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

Paying by Credit Card — Whether you e-file or file by mail, use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). There is a convenience fee for this service. This fee is paid directly to ACI Payments, Inc. based on the amount of your tax payment.

### **Convenience Fee**

- 2.30% of the tax amount charged (rounded to the nearest cent)
- · Minimum fee: \$1

### Example:

# **Interest and Penalties**

If you file your tax return or pay your tax after the original due date, you may owe interest and penalties on the tax due.

Effective for tax years beginning on or after January 1, 2022, you may request a one-time abatement of a timeliness penalty if: (1) you were not previously required to file a California personal income tax return or have not previously been granted first-time abatement, (2) you have filed all required returns as of the date of the request for first-time abatement, and (3) you have paid, or are in a current arrangement to pay, all tax currently due.

Do not reduce the amount on line 101 or increase the amount on line 104 by any penalty or interest amounts. Enter on line 122 the amount of interest and penalties.

# Line 122 - Interest and Penalties

Interest - Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within 15 days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for interest rates.

Late Filing of Tax Return – If you do not file your tax return by October 16, 2023, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 16, 2023. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance of tax due, whichever is less.

Late Payment of Tax – If you fail to pay your total tax liability by April 18, 2023, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return is paid by the original due date of the return. However, the imposition of interest is mandatory. If, after April 18, 2023, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Other Penalties – We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Instructions: Form 540NR e-file at ftb.ca.gov

# Line 123 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).
- You did not make the required estimated tax payments, if you pay an
  installment after the date it is due, or if you underpay any installment,
  a penalty may be assessed on the portion of estimated tax that was
  underpaid from the due date of the installment to the date of payment
  or the due date of your return, whichever is earlier. Get the 2022
  form FTB 5805, Underpayment of Estimated Tax by Individuals and
  Fiduciaries, for more information.

### Line 126 and Line 127 – Direct Deposit of Refund

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540NR, Side 5, line 126 and line 127. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration on this page.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. When filing an original return, the total of line 126 and line 127 must equal the total amount of your refund on line 125. If line 126 and line 127 do not equal line 125, the FTB will issue a paper check.

When filing an amended return, only complete the amended Form 540NR through line 125. Next complete the California Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540NR and will be entered on line 126 and line 127. The total of the amended Form 540NR, line 126 and line 127 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540NR, line 126 and line 127 do not equal Schedule X, line 11, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to **ftb.ca.gov** and search for **direct deposit**.

**Caution:** Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, the FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return. Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

**Direct Deposit for ScholarShare 529 College Savings Plans** – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account. Please visit **scholarshare529.com** for instructions.

- You are a United States citizen.
- You are a resident of California.

# **Sign Your Tax Return**

Sign your tax return in the designated space on Form 540NR, Side 5. If you file a joint tax return, your spouse/RDP must also sign it.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information, the FTB will be able to provide you better customer service.

Joint Tax Return - If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other spouse/RDP may have to pay the tax due. See "Innocent Joint Filer Relief" under Additional Information section for more information.

Paid Preparer's Information – If you pay a person to prepare your Form 540NR, that person must sign and complete the area at the bottom of Side 5 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee – If you want to allow your preparer, a friend. family member, or any other person you choose to discuss your 2022 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also, print the designee's name and telephone number.

If you check the "Yes" box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return,
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, go to ftb.ca.gov/poa.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2023 tax return. This is April 15, 2024, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040. Include your name, SSN (or ITIN), and the designee's name.

Power of Attorney – If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, go to ftb.ca.gov/poa.

Check Your Social Security Number (or ITIN) - Verify that you have written your social security number (or ITIN) in the spaces provided at the top of Form 540NR. If you file a joint tax return, verify that you and your spouse's/RDP's numbers are entered in the same order as your

# **Voluntary Contribution Fund Descriptions**

Make voluntary contributions of \$1 or more in whole dollar amounts to the funds listed below. To contribute to the California Seniors Special Fund, use the instructions for code 400 below. The amount you contribute either reduces your overpaid tax or increases your tax due. You may contribute only to the funds listed and cannot change the amount you contribute after you file your tax return. For more information, go to **ftb.ca.gov** and search for **voluntary contributions**.

Code 400, California Seniors Special Fund – If you and/or your spouse/RDP are 65 years of age or older as of January 1, 2023, and claim the Senior Exemption Credit, you may make a combined total contribution of up to \$280 or \$140 per spouse/RDP. Contributions made to this fund will be distributed to the Area Agency on Aging Councils (TACC) to provide advice on and sponsorship of Senior Citizens issues. Any excess contributions not required by TACC will be distributed to senior citizen service organizations throughout California for meals, adult day care, and transportation.

Code 401, Alzheimer's Disease and Related Dementia Voluntary Tax Contribution Fund — Contributions will be used to provide grants to California scientists to study Alzheimer's disease and related disorders. This research includes basic science, diagnosis, treatment, prevention, behavioral problems, and caregiving. With almost 600,000 Californians living with the disease and another 2 million providing care to a loved one with Alzheimer's, our state is in the early stages of a major public health crisis. Your contribution will ensure that Alzheimer's disease receives the attention, research, and resources it deserves. For more information, go to cdph.ca.gov and search for Alzheimer.

Code 403, Rare and Endangered Species Preservation Voluntary Tax Contribution Program – Contributions will be used to help protect and conserve California's many threatened and endangered species and the wild lands that they need to survive, for the enjoyment and benefit of you and future generations of Californians.

Code 405, California Breast Cancer Research Voluntary Tax Contribution Fund — Contributions will fund research toward preventing and curing breast cancer. Breast cancer is the most common cancer to strike women in California. It kills 4,000 California women each year. Contributions also fund research on prevention and better treatment, and keep doctors up-to-date on research progress. For more information about the research your contributions support, go to cbcrp.org. Your contribution can help make breast cancer a disease of the past.

Code 406, California Firefighters' Memorial Voluntary Tax Contribution Fund – Contributions will be used for the repair and maintenance of the California Firefighters' Memorial on the grounds of the State Capitol, ceremonies to honor the memory of fallen firefighters and to assist surviving loved ones, and for an informational guide detailing survivor benefits to assist the spouses/RDPs and children of fallen firefighters.

Code 407, Emergency Food for Families Voluntary Tax Contribution Fund – Contributions will be used to help local food banks feed California's hungry. Your contribution will fund the purchase of much-needed food for delivery to food banks, pantries, and soup kitchens throughout the state. The State Department of Social Services will monitor its distribution to ensure the food is given to those most in need.

Code 408, California Peace Officer Memorial Foundation Voluntary
Tax Contribution Fund – Contributions will be used to preserve the
memory of California's fallen peace officers and assist the families they
left behind. Since statehood, over 1,300 courageous California peace
officers have made the ultimate sacrifice while protecting law-abiding
citizens. The non-profit charitable organization, California Peace Officers'
Memorial Foundation, has accepted the privilege and responsibility of
maintaining a memorial for fallen officers on the State Capitol grounds.
Each May, the Memorial Foundation conducts a dignified ceremony
honoring fallen officers and their surviving families by offering moral
support, crisis counseling, and financial support that includes academic
scholarships for the children of those officers who have made the
supreme sacrifice. On behalf of all of us and the law-abiding citizens of
California, thank you for your participation.

# **Frequently Asked Questions**

(Go to ftb.ca.gov for more frequently asked questions.)

# What if I can't file by April 18, 2023, and I think I owe tax?

You must pay 100% of the amount you owe by April 18, 2023, to avoid interest and penalties. If you cannot file because you have not received all your federal Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519, Payment for Automatic Extension for Individuals. Mail it to the FTB with your payment by April 18, 2023, or pay online at ftb.ca.gov/pay. Then, when you receive all your federal Forms W-2, complete and mail your tax return by October 16, 2023, (you must use Form 540NR). Also, see "Interest and Penalties" section for information regarding a one-time timeliness penalty abatement.

### I never received a federal Form W-2. What should I do?

If not all your federal Forms W-2 were received by January 31, 2023, contact your employer. Only an employer issues or corrects a federal Form W-2. For more information, 204 call 800.338.0505, follow the recorded instructions and enter code 204 when instructed.

If you cannot get a copy of your federal Form W-2, complete form FTB 3525. Go to **ftb.ca.gov/forms** or see "Where To Get Income Tax Forms and Publications." For online wage and withholding information, go to ftb.ca.gov and login or register for MyFTB.

# 3. How can I get help?

Throughout California more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for vita to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

# What do I do if I can't pay what I owe with my 2022 tax return?

Pay as much as possible when you file your tax return. If unable to pay your tax in full with your tax return, make a request for monthly payments. However, interest accrued and an underpayment penalty may be charged on the tax not paid by April 18, 2023, even if your request for monthly payments is approved. To make monthly payments, complete form FTB 3567, Installment Agreement Request, online or mail it to the address on the form. Do not mail it with your tax return.

The Installment Agreement Request might not be processed and approved until after your tax return is processed, and you may receive a bill before you receive approval of your request.

To order this form, go to **ftb.ca.gov/forms** or call 800.338.0505, follow the recorded instructions and enter code 949 when instructed.

For information on how to pay by credit card, go to ftb.ca.gov/pay, or call 800.338.0505, follow the recorded 610 instructions and enter code 610 when instructed.

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540NR, Side 5, line 126 and line 127. Fill in the routing and account numbers and indicate the account type.

You can also call our automated phone service.

### 7. I discovered an error on my tax return. What should I do?

Requests for information from you regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period may apply for California or federal tax returns that are related to or subject to a federal audit.)

# Additional Information

# **California Sales and Use Tax**

In general, the purchase of goods outside California that are brought into the state for storage, use, or other consumption may be subject to use tax. The use tax rate is the same as the sales tax rate in effect where the goods will be stored, used, or consumed; usually your residence address. The tax is based on the purchase price of the goods.

- If you purchased goods from an out-of-state retailer (such as a mail order firm) and sales tax would have been charged if you purchased the goods in California, you may owe the use tax on your purchase if the out-of-state retailer did not collect the California tax.
- If you traveled to a foreign country and brought goods home with you, the use tax will be based on the purchase price of the goods you listed on your U.S. Customs Declaration after deduction of the \$800 per individual exemption allowable by law within any 30-day period. This deduction does not apply to goods sent or shipped to California by common carrier.

You should report and pay your use tax directly to the California Department of Tax and Fee Administration by going to their website at **cdtfa.ca.gov**.

If you file a federal Schedule C (Form 1040), Profit or Loss From Business, with your federal income tax return and are in the business of selling tangible personal property, you may be required to obtain a seller's permit with the California Department of Tax and Fee Administration. If you do not sell tangible personal property, but you have at least \$100,000 in business gross receipts, you may be required to register with the California Department of Tax and Fee Administration to report use tax.

If you have any questions concerning the taxability of a purchase, or want information about obtaining a seller's permit, or registering to report use tax, go to the California Department of Tax and Fee Administration's website at **cdtfa.ca.gov** or call their Customer Service Center at 1.800.400.7115 (CRS:711) (for hearing and speech disabilities). Income tax information is not available at these numbers.

# **Collection Fees**

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

# **Deceased Taxpayers**

A final tax return must be filed for a person who died in 2022 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or entered into another registered domestic partnership during 2022. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, and a copy of the death certificate when you file a tax return and claim a refund due.

# **Innocent Joint Filer Relief**

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get form FTB 705, Innocent Joint Filer Relief Request, at **ftb.ca.gov/forms** or call 916.845.7072, Monday – Friday between 8 a.m. to 5 p.m., except holidays.

# **Requesting a Copy of Your Tax Return**

The FTB keeps personal income tax returns for three and one-half years from the original due date. To obtain a copy of your tax return, write a letter or complete form FTB 3516, Request for Copy of Personal Income or Fiduciary Tax Return. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster, or if you request copies from a field office that assisted you in completing your tax return. See "Order Forms and Publications."

# **Local Benefits**

You cannot deduct the amounts you pay for local benefits that apply to property in a limited area (construction of streets, sidewalks, or water and sewer systems). You must look at your real estate tax bill to determine if any nondeductible itemized charges are included in your bill. For more information, get federal Pub. 17, Your Federal Income Tax – For Individuals, Chapter 11.

# **Vehicle License Fees for Federal Schedule A**

On your federal Schedule A (Form 1040), Itemized Deductions, you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

# **Voting Is Everybody's Business**

- A United States citizen and a resident of California,
- 18 years old or older on Election Day,
- Not currently in state or federal prison or on parole for the conviction of a felony, and

You are not considered "financially disabled" during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled – Suspension of the Statute of Limitations.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540NR and Schedule X to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment.

**Exception:** A married couple who meets the "Exception for Filing a Separate Tax Return" shown above may change from joint to separate tax returns after the due date of the tax return.

Filing Separate Tax Returns to Married/RDP Filing Jointly — If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or in an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow Form 540NR instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

Registered Domestic Partners (RDPs) – RDPs will compute their limitations based on the combined federal adjusted gross income (AGI) of each partner's individual tax return filed with the Internal Revenue Service (IRS).

For column A, Part II and Part III, combine each line item of your federal amounts from each partner's individual federal tax return. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners. The combined federal AGI used to compute limitations is different from the recalculated federal AGI used on Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, line 13. In situations where RDPs have no RDP adjustments, these amounts may be the same.

Military Personnel – Servicemembers domiciled outside of California and their spouses/RDPs may exclude the servicemember's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. Part-Year Residents – Complete the Part-Year Resident Worksheet at the end of Schedule CA (540NR) instructions to determine the amounts to enter on Part II, Section A, line 1a through line 7 and Section B, line 1 through line 10,

### Tips to avoiding common mistakes on this schedule:

- **Column A** Copy the amounts from your federal tax return. Use the (b) amounts on line 2, line 3, line 4, line 5, and line 6, from your federal tax return. Form 1040, U.S. Individual Income Tax Return, line 11, or Form 1040-SR, U.S. Tax Return for Seniors, line 11, should equal Schedule CA (540NR), Part II, line 27, column A.
- Column B (Part II, Section A, Line 1a through Line 7, and Section B, Line 1 through Line 7 and line 9a) – Subtract income that is not taxable to a California resident such as California lottery winnings and social security benefits. Do not use column B to deduct income that was earned while a nonresident of California or from sources outside of California. There must be a difference in state and federal tax law. Generally, if a full-year California resident cannot subtract income in column B, a nonresident or part-year resident may not subtract income in column B.
- Column C (Part II, Section A, Line 1a through Line 7, and Section B, Line 1 through Line 7 and line 9a) – Add income that was not taxed on your federal tax return but is taxable to a California resident, such as foreign income or interest/dividends from non-California municipal bonds.
- **Column D** Combine the columns (column A column B + column C). Part II, line 27, column D, should equal Form 540NR, line 17. The amounts in this column represent income earned from all sources as if you were a full-year California resident, after applying California and federal law differences.
- **Column E** Enter all income from all sources while a resident of California and income from California sources while a nonresident.

# **Purpose**

- Interest from Ottoman Turkish Empire settlement payments.

  included on the child's federal tax return and reported on the California tax
  return by the parent. For more information, get form FTB 3803, Parents'
  Election to Report Child's Interest and Dividends.

Certain mutual funds pay "exempt-interest dividends." If the mutual fund has at least 50% of its assets invested in tax-exempt U.S. obligations and/or in California or its municipal obligations, that amount of dividend is exempt from California tax. The proportion of dividends that are tax-exempt will be shown on your annual statement or statement issued with federal Form 1099-DIV, Dividends and Distributions. ### Line 4a and Line 4b - IRA Distributions

Beginning with tax year 2002, calculate your IRA basis as if you were a California resident for all prior years. Generally, no adjustments are made on this line. However, there may be significant differences in the taxable amount of a distribution (including a distribution from conversion of a traditional IRA to a Roth IRA) depending on when you made your IRA contributions. California did not conform to the \$2,000 or 100% of compensation annual contribution limit permitted under federal law from 1982 through 1986. During these years, California limited the deduction to the lesser of 15% of compensation or \$1,500 and disallowed a deduction altogether to individuals who were active participants in qualified government plans. Any amount an individual contributed in excess of California deduction limits during these years creates a basis in the IRA.

Differences also occur if your California IRA deductions were different from your federal deductions because of differences between California and federal self-employment income.

If the taxable amount using California law is:

- Less than the amount taxable under federal law, enter the difference in column B.
- More than the amount taxable under federal law, enter the difference in column C.

Get FTB Pub. 1005, for more information and worksheets for figuring the adjustment to enter on this line, if any.

### Line 5a and Line 5b – Pensions and Annuities

Generally, no adjustments are made on this line. However, if you received Tier 2 railroad retirement benefits or partially taxable distributions from a pension plan, you may need to make the following adjustments.

If you received a federal Form RRB-1099-R, Annuities or Pensions by the Railroad Retirement Board, for railroad retirement benefits and included all or part of these benefits in taxable income in column A, enter the taxable benefit amount in column B.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and elected to use the three-year rule for California purposes and the annuity rules for federal purposes, enter in column C the amount of the annuity payments you excluded for federal purposes.

You may have to pay an additional tax if you received a taxable distribution from a qualified retirement plan before reaching age 59½ and the distribution was not rolled over into another qualified plan. Get form FTB 3805P for more information.

# Line 6 - Social Security Benefits

# Line 7 - Capital Gain or (Loss)

Generally, no adjustments are made on this line. California taxes long and short term capital gains as regular income. No special rate for long term capital gains exists. However, the California basis of the assets listed (within this line instructions) may be different from the federal basis due to differences between California and federal laws. If there are differences, use Schedule D (540NR), California Capital Gain or Loss Adjustment, to calculate the amount to enter on line 7.

If you are a nonresident alien and received alimony not included in your federal income, enter the alimony on this line in column C.

### Line 3 – Business Income or (Loss)

As a result, the recovery period or basis used to figure California depreciation may be different from the amount used for federal purposes.

Adjustments are figured on form FTB 3885A, Depreciation and Amortization Adjustments, and are most commonly necessary because of the following:

- Before January 1, 1987, California did not allow depreciation under the federal accelerated cost recovery system. Continue to figure California depreciation for those assets in the same manner as prior years.
- On or after January 1, 1987, California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. Refer to the bulleted list below.

Use form FTB 3801, Passive Activity Loss Limitations, to figure the total adjustment for line 3 if you have:

- One or more passive activities that produce a loss.

## 2022 Instructions for California Schedule D (540NR)

### California Capital Gain or Loss Adjustment

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

#### **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for conformity. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

#### Registered Domestic Partners (RDPs)

For purposes of California income tax, references to a spouse, husband. or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

### **Purpose**

Full-year nonresidents or part-year residents report gains and losses as if they were full-year residents for the entire year using California amounts. Therefore, all gains and losses must be reported. Full-year nonresidents or part-year residents complete Schedule D (540NR), California Capital Gain or Loss Adjustment, and the Schedule D (540NR) Worksheet for Nonresident and Part-Year Residents, in order to complete column E on Schedule CA (540NR).

For nonresidents, the computation of California taxable income, capital loss carryovers, and capital loss limitations are determined based upon California source income and loss items only. For purposes of calculating California taxable income, the character of gains and losses on the sale or exchange of property used in the trade or business or certain involuntary conversions (IRC Section 1231) are determined by netting California source IRC Section 1231 gains and losses only.

If you moved in or out of California during the year, get FTB Pub.1100, Taxation of Nonresidents and Individuals Who Change Residency.

Get FTB Pub. 1001 for more information about the following:

- Disposition of property inherited before 1987.
- Gain on the sale or disposition of a qualified assisted housing development to low-income residents or to specific entities maintaining housing for low-income residents.
- Capital loss carryback.

## **Important Information**

#### **Installment Sales**

If you sold property at a gain (other than publicly traded stocks or securities) and you will receive a payment in a tax year after the year of sale, report the sale on the installment method unless you elect not to do so. Get form FTB 3805E. Installment Sale Income. Also, use that form if you received a payment in 2022, for an installment sale made in an earlier year.

You may elect to not use the installment sale method for California by reporting the entire gain on Schedule D (540NR) (or Schedule D-1, Sales of Business Property, for business assets) in the year of the sale and filing your return on or before the due date.

#### **At-Risk Rules and Passive Activity Limitations**

If you dispose of (1) an asset used in an activity to which the at-risk rules apply, or (2) any part of your interest in an activity to which the at-risk rules apply, and you have amounts in the activity for which you are not at risk, get and complete federal Form 6198, At-Risk Limitations, using California amounts to figure your California deductible loss under the at-risk rules. Once a loss becomes allowable under the at-risk rules, it becomes subject to the passive activity rules. Get form FTB 3801, Passive Activity Loss Limitations.

#### **Capital Assets**

The federal Tax Cuts and Jobs Act (TCJA) amended IRC Section 1221 excluding a patent, invention, model or design (whether or not patented), and a secret formula or process held by the taxpayer who created the property (and certain other taxpayers) from the definition of a capital asset. California does not conform. Report your capital assets on Schedule D (540NR).

#### **Gross Income Exclusion for Bruce's Beach**

Effective September 30, 2021, California law allows an exclusion from gross income for the first time sale in the taxable year in which the land within Manhattan State Beach, known as "Peck's Manhattan Beach Tract Block 5" and commonly referred to as "Bruce's Beach" is sold. transferred, or encumbered. A recipient's gross income does not include the following:

- Any sale, transfer, or encumbrance of Bruce's Beach;
- Any gain, income, or proceeds received that is directly derived from the sale, transfer, or encumbrance of Bruce's Beach.

## **Specific Line Instructions**

#### Line 1 – List each capital asset transaction

Column (a) - Description of property. Describe the asset you sold or exchanged.

**Column (b) – Sales price.** Enter in this column either the gross sales price or the net sales price. If you received federal Form 1099-B. Proceeds From Broker and Barter Exchange Transactions; federal Form 1099-S, Proceeds From Real Estate Transactions; or similar statement showing the gross sales price, enter that amount in column (b). However, if box 6 of federal Form 1099-B indicates that net proceeds were reported to the Internal Revenue Service, enter that net amount in column (b). If you entered the net amount in column (b), do not include the commissions and option premiums in column (c).

Column (c) - Cost or other basis. In general, the cost or other basis is the cost of the property plus purchase commissions and improvements, minus depreciation, amortization, and depletion. Enter the cost or adjusted basis of the asset for California purposes. Use your records and California tax returns for years before 1987 to determine the California amount to enter in column (c). If you used an amount other than cost as the original basis, your federal basis may be different from your California basis. Other reasons for differences include:

**Depreciation Methods and Property Expensing** – Before 1987. California law disallowed the use of accelerated cost recovery system (ACRS) and disallowed the use of an asset depreciation range 20% above or below the standard rate. California has different limits on the expensing of property under IRC Section 179. California law permitted rapid write-off of certain property such as solar energy systems, pollution control devices, and property used in an Enterprise Zone, Local Agency Military Base Recovery Area, Targeted Tax Area, or Los Angeles Revitalization Zone.

- Inherited Property The California basis of property inherited from a
  decedent is generally the fair market value at the time of death.
- S Corporation Stock Prior to 1987, California law did not recognize
  S corporations; therefore, your California basis in S corporation stock
  may differ from your federal basis. In general, your California basis
  will be cost-adjusted for income, loss, and distributions received
  after 1986, while your stock was California S corporation stock. Your
  federal basis will be cost-adjusted for income, loss, and distributions
  received during the time your stock qualified for federal S corporation
  treatment. Effective for taxable years beginning on or after
  January 1, 2002, any corporation with a valid federal S corporation
  election is considered an S corporation for California purposes.
  Existing law already requires federal C corporations to be treated as
  C corporations for California purposes.
- Special Credits California law authorizes special tax credits not allowed under federal law or computed differently under federal law. If you claimed special credits related to capital assets, reduce your basis in the assets by the amount of credit.

Other adjustments may apply differently to the federal and California basis of your capital assets. Figure the original basis of your asset using the California law in effect when the asset was acquired, and adjust it according to provisions of California law in effect during the period of your ownership.

#### Column (e) - Gain

- Qualified Small Business Stock California does not conform
  to the qualified small business stock deferral and gain exclusion
  under IRC Sections 1045 and 1202. Enter the entire gain realized in
  column (e).
- Qualified Opportunity Zone Funds California does not conform to
  the deferral and exclusion of capital gains reinvested or invested in
  qualified opportunity zone funds under IRC Sections 1400Z-1 and
  1400Z-2. Enter the entire gain amount in column (e). If, for California
  purposes, gains from investment in qualified opportunity zone
  property had been included in income during previous taxable years,
  do not include the gain in the current year income.

## Line 2 – Net gain or (loss) shown on California Schedule(s) K-1 (100S, 541, 565, and 568)

Combine gain(s) and loss(es) from all California Schedule(s) K-1 (100S, 541, 565, and 568), Share of Income, Deductions, Credits, etc. Get California Schedule K-1 (100S, 541, 565, and 568) instructions for more information on capital gains and losses. Enter the net loss on line 2, column (d) or the net gain on line 2, column (e).

#### Line 3 - Capital gain distributions

If you receive federal Form 2439, Notice to Shareholder of Undistributed Long-Term Capital Gains, from a mutual fund, do not include the **undistributed** capital gain dividends on Schedule D (540NR). If you receive federal Form 1099-DIV, Dividends and Distributions, enter the amount of **distributed** capital gain dividends.

#### Line 6 - California capital loss carryover from 2021

If you had California capital loss carryover from 2021, recalculate those losses as if you had been a resident for all prior years. Enter this amount on line 6. Get FTB Pub. 1100 for more information.

#### Line 8 – Net gain or (loss)

If the amount on line 4 is more than the amount on line 7, subtract line 7 from line 4. Enter the difference as a gain on line 8.

If the amount on line 7 is more than the amount on line 4, subtract line 4 from line 7 and enter the difference as a negative amount on line 8.

Use the worksheet on the next page to figure your capital loss carryover to 2023.

#### Line 9

If line 8 is a net capital loss, enter the smaller of the loss on line 8 or \$3,000 (\$1,500 if married or an RDP filing a separate return).

#### Line 12a

Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540NR), Part II, Section A, line 7, column B.

#### For example:

#### Loss on line 10 is less than loss on line 11.

| Federal loss on line 10 is             | 1,000) |
|----------------------------------------|--------|
| California loss on line 11 is(\$       |        |

|----------------------------------------|-----------|
| California loss on line 11 is          | (\$3,000) |
| Difference between line 10 and line 11 | . \$6,000 |

#### Line 12b

Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540NR), Part II, Section A, line 7, column C.

#### For example:

#### Loss on line 10 is more than loss on line 11.

| Federal loss on line 10 is             | \$2,000) |
|----------------------------------------|----------|
| California loss on line 11 is          | \$1,000) |
| Difference between line 11 and line 10 | \$1,000  |
|                                        |          |

#### Loss on line 10 and gain on line 11.

| Federal loss on line 10 is             | (\$2,000 | )) |

| California gain on line 11 is          | \$5,000  | )  |

## 2022 Instructions for Form FTB 3532

### Head of Household Filing Status Schedule

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

### **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Attach the completed form FTB 3532 to your Form 540, California Resident Income Tax Return, Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, or Form 540 2EZ, California Resident Income Tax Return, if you claim HOH filing status.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your HOH filing status. For more information about the HOH filing requirements, go to **ftb.ca.gov** and search for **hoh.** 

Registered Domestic Partners (RDPs) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

### **A** Purpose

Use form FTB 3532 to report how the HOH filing status was determined.

#### **B** Oualifications

You may qualify for HOH filing status if all of the following apply.

- You were unmarried and not an RDP, or met the requirements to be considered unmarried or considered not in a registered domestic partnership on the last day of the year.
- You paid more than one-half the costs of keeping up your home for the year.
- Your home was the main home for you and a qualifying person who lived with you for more than half the year.
- The qualifying person was related to you and met the requirements to be a qualifying child or qualifying relative. (For a qualifying relative, see the instructions for Part III, line 4, Gross Income.)
- You were entitled to a Dependent Exemption Credit for your qualifying person. However, you do not have to be entitled to a Dependent Exemption Credit for your qualifying child if you were unmarried and not an RDP, and your qualifying child was also unmarried and not an RDP.

- You were not a nonresident alien at any time during the year.
- You paid more than half the cost of a qualifying person's total support.
- Your qualifying person is a citizen or national of the United States, or a resident of the U.S., Canada, or Mexico.

If you, your spouse/RDP, or your qualifying person who lived with you was absent from your home during the year, see the definition for temporary absence in FTB Pub. 1540, Tax Information for Head of Household Filing Status. If your qualifying person is your father or mother, see the definition for Parent/Stepparent (Father or Mother) in FTB Pub. 1540.

## **Specific Line Instructions**

The law allowing HOH filing status has very specific requirements that the taxpayer must meet. Get FTB Pub. 1540 for more information.

#### Part I – Marital Status

#### Line 1

To qualify for HOH filing status, you must be either unmarried or considered unmarried on the last day of the year. You are considered unmarried on the last day of the year if you meet all of the following tests.

#### Considered Unmarried or Considered Not in a Registered Domestic Partnership

If you were married or an RDP as of the last day of the tax year or if your spouse/RDP died during the tax year, you may be considered unmarried or considered not in a registered domestic partnership for HOH purposes if you meet all of the following requirements:

- Your spouse/RDP did not live in your home at any time during the last six months of the year (see Temporary Absence in FTB Pub. 1540).
- Your qualifying person is your birth child, stepchild, adopted child, or eligible foster child.
- You paid more than one-half the cost of keeping up your home for the year.
- Your home was the main home for you and your birth child, stepchild, adopted child, or eligible foster child for more than half the year.
- You must be entitled to claim a Dependent Exemption Credit for your child; that is, your child must meet the requirements to be either a qualifying child or qualifying relative and meet the joint return and citizenship tests. You cannot claim a Dependent Exemption Credit for your child if you could be claimed as a dependent by another taxpayer. You can still meet this requirement if the only reason you cannot claim a Dependent Exemption Credit for your child is because either of the following applies, as provided in a decree of divorce, legal separation, or termination of registered domestic partnership, or a written separation agreement that applies to the tax year at issue:
  - The noncustodial parent is entitled to the Dependent Exemption Credit for the child.
  - The custodial parent signed a written statement that he or she will not claim the Dependent Exemption Credit for the child. (The custodial parent may sign federal Form 8332, Release/Revocation of Release of Claim to Exemption for Child by Custodial Parent, or a similar statement. The custodial parent can revoke their federal Form 8332 or similar statement by providing written notice to the other parent.) The noncustodial parent must attach a copy of the statement to his or her income tax return.

If either of the above provisions was contained in a pre-1985 decree or agreement, the noncustodial parent must have provided more than \$600 in support for the child during the year.

### Part II - Qualifying Person

#### Line 2

For the purposes of HOH filing status, you must have a qualifying person who is related to you to qualify for HOH filing status. Your qualifying person must meet the requirements to be either a qualifying child or qualifying relative. You must also pay more than half the cost of keeping up your home in which you and the qualifying child or qualifying relative lived for more than half the year. You may not claim yourself or your spouse/RDP as your qualifying person.

### **Part III – Qualifying Person Information**

#### Line 3

Enter the qualifying person's name.

Enter the qualifying person's Social Security Number (SSN). Verify that the name and SSN match the qualifying person's social security card to avoid disallowance of your HOH filing status. If the person was born in, and later died in, 2022, and does not have an SSN, enter "Died" and attach a copy of the person's birth and death certificates.

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided. Incomplete information could result in a disallowance of your HOH filing status.

Your qualifying child must be under 19 years of age or a full-time student under 24 years of age. The person also meets the age test if he or she is permanently and totally disabled at any time during the calendar year. (If the person does not meet the age test to be a qualifying child, he or she may meet the requirements to be a qualifying relative).

#### Line 4

#### **Gross Income**

Your qualifying relative's gross income must be less than \$4,400. Generally, gross income for HOH purposes only includes income that is taxable for federal income tax purposes. It does not include nontaxable income such as welfare benefits or the nontaxable portion of social security benefits.

If your qualifying relative was married or an RDP, you must consider the qualifying relative's community interest in the spouse's/RDP's income in applying the gross income test. For the federal allowable exemption amount, see the federal instruction booklet for that particular tax year. For more information, go to **irs.gov** and search for **17** to find federal Pub. 17, Your Federal Income Tax For Individuals.

#### Line 5

#### More Than Half the Year

Just because someone lived with you for six months does not mean that the person lived with you for more than half the year. A year has 365 days, and more than half the year is 183 days. (A leap year has 366 days, and more than half a leap year is 184 days.)

To determine how many days your home was your qualifying person's main home, follow these guidelines:

- If you were not married and not an RDP at any time during the year, count all of the days that your qualifying person lived with you in your home
- If you were married or an RDP at any time during the year and received a final decree of divorce, legal separation or your registered domestic partnership was legally terminated by the last day of the year, add together:
  - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
  - All of the days that you and your qualifying person lived together in your home without your spouse/RDP (ex-spouse/ex-RDP).
- If you were married or an RDP as of the last day of the year, and you
  did not live with your spouse/RDP at any time during the last six
  months of the year, add together:
  - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
  - All of the days that you and your qualifying person lived together in your home without your spouse/RDP.
- If you were married or an RDP as of the last day of the year, and you lived with your spouse/RDP at any time during the last six months of the year, you cannot qualify for the HOH filling status.

When calculating the above, you may include days when your qualifying person was temporarily absent from your home. Temporary absences include illness, education, business, vacations, military service, and incarceration. In the event of a birth or death of your qualifying person during the year, enter 365 days. Note: A year is 365 days, a leap year is 366 days.

## 2022 Instructions for Form FTB 3514

### California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

#### **What's New**

Foster Youth Tax Credit – For taxable years beginning on or after January 1, 2022, the refundable Foster Youth Tax Credit (FYTC) is available to an individual and/or spouse/RDP age 18 to 25, who is allowed the California Earned Income Tax Credit (EITC) for the taxable year, was in foster care while 13 years of age or older and placed through the California foster care system. The maximum amount of credit allowable for each eligible taxpayer is \$1,083. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely phases out at \$30,000. For more information, see Step 10, Qualifications for Foster Youth Tax Credit (FYTC), in the instructions, or California Revenue and Taxation Code (R&TC) Section 17052.2, or go to ftb.ca.gov and search for fytc.

Young Child Tax Credit Expansion – For taxable years beginning on or after January 1, 2022, California expanded the Young Child Tax Credit (YCTC) eligibility to include an eligible individual with a qualifying child who would otherwise have been allowed the California EITC but that the individual has earned income of zero dollars or less, does not have net losses in excess of \$32,490 in the taxable year, and does not have wages, salaries, tips, and other employee compensation in excess of \$32,490 in the taxable year. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC), in the instructions, or R&TC Section 17052.1, or go to ftb.ca.gov and search for yctc.

Special Rule for Separated Spouses/Registered Domestic Partners (RDPs) – The federal American Rescue Plan Act of 2021 allows married taxpayers who file married filing separately for federal purposes and who meet certain requirements to qualify for the federal Earned Income Tax Credit. California law conforms to these changes for purposes of eligibility for California Earned Income Tax Credit. For more information, see Specific Instructions, Special rule for separated spouses/RDPs.

Taxpayers with Individual Taxpayer Identification Number — For taxable years beginning on or after January 1, 2022, taxpayers who claim the EITC, YCTC, and FYTC using an Individual Taxpayer Identification Number (ITIN) may, upon request of the Franchise Tax Board (FTB), use identifying documents acceptable for purposes of obtaining a California identification card as authorized by the California Vehicle Code and related regulations for purposes of establishing documents acceptable to prove identity, in addition to other documents already listed under Specific Instructions for line 7, "Valid ITIN" section.

#### **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the R&TC in the instructions. Taxpayers should not consider the instructions as authoritative law.

#### **Registered Domestic Partners**

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

#### **California Earned Income Tax Credit**

The refundable California EITC is available to taxpayers who earned wage income subject to California withholding and/or have net earnings from self-employment. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. The California EITC reduces your California tax obligation, or allows a refund if no California tax is due. You do not need a child to qualify, but must file a California income tax return to claim the credit and attach a completed form FTB 3514, California Earned Income Tax Credit.

#### Young Child Tax Credit

For taxable years beginning on or after January 1, 2019, the refundable YCTC is available to taxpayers who also qualify for the California EITC and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. For taxable year 2022, the maximum amount of credit allowable for a qualified taxpayer is \$1,083. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely phases out at \$30,000. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC), in the instructions, or go to **ftb.ca.gov** and search for **yctc**.

#### **Expansion for Credits Eligibility**

For taxable years beginning on or after January 1, 2020, California expanded EITC and YCTC eligibility to allow either the federal Individual Tax Identification Number (ITIN) or the Social Security Number (SSN) to be used by all eligible individuals, their spouses, and qualifying children. If an ITIN is used, eligible individuals should provide identifying documents upon request of the Franchise Tax Board (FTB). Any valid SSN can be used, not only those that are valid for work. Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. The YCTC is available if the eligible individual or spouse has a qualifying child younger than six years old. For more information, see General Information B, Differences in California and Federal Law, Specific Instructions for line 7, and go to **ftb.ca.gov** and search for **eitc**.

#### **Worker Status: Employees and Independent Contractors**

Some individuals may be classified as independent contractors for federal purposes and employees for California purposes, which may also cause changes in how their income and deductions are classified. For more information, see Specific Instructions, Step 5, line 13 and line 18.

#### A Purpose

Use form FTB 3514 to determine whether you qualify to claim the EITC, YCTC, and FYTC, provide information about your qualifying children, if applicable, and to figure the amount of your credits.

#### B Differences in California and Federal Law

The differences between California and federal law for the Earned Income Tax Credit are as follows:

- California allows this credit for wage income (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- If you were a nonresident, you must have earned wage income that is subject to California withholding.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$30,001 to qualify for the California credit.
- An eligible individual without a qualifying child is 18 years or older for the California credit.
- You may elect to include all of your (and/or all of your spouse's/RDP's
  if filing jointly) nontaxable military combat pay in earned income for
  California purposes, whether or not you elect to include it for federal
  purposes. Get FTB Pub. 1032, Tax Information for Military Personnel,
  for special rules that apply to military personnel claiming the EITC.
- You may elect to include or exclude Medicaid waiver payments or In Home Supportive Services (IHSS) payment from earned income for the California credit, whether or not you elect to include or exclude them for the federal credit.

 California allows this credit to eligible individuals and their spouses who have a valid federal ITIN or who have qualifying children who have a valid federal ITIN.

## **Specific Instructions**

If certain requirements are met, you or your eligible spouse may claim the EITC, YCTC, or FYTC even if you do not have a valid SSN and instead have a valid federal ITIN. If you have a valid federal ITIN, enter it in the Your SSN or ITIN field at the top of the form. For more information, see the General Information section and Specific Instructions for line 7.

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 7 to determine if you qualify for the credit and to figure the amount of the credit.

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC, then answer "Yes" on line 1b within the form and follow Step 1 through Step 7 to determine if you qualify for the credit.

**Special Rule for Separated Spouses/RDPs.** You can claim the EITC if you are married/RDP, not filing a joint return, had a qualifying child who lived with you for more than half of 2022, **and either** of the following applies:

- You lived apart from your spouse/RDP for the last 6 months of 2022, or
- You are legally separated according to California law under a written separation agreement or a decree of separate maintenance and you did not live in the same household as your spouse/RDP at the end of 2022.

If you meet these requirements, check the box at the top of form FTB 3514. Attach the completed form FTB 3514 to your Form 540 or 540 2EZ, California Resident Income Tax Return, or Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

## Step 3 Qualifying Child

#### **Qualifying Child Definition**

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2022 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2022, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.
- Is not filling a joint return for 2022 or is filling a joint return for 2022 only to claim a refund of withheld income tax or estimated tax paid. Get federal Pub. 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2022. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

**Note:** If the child was married/in an RDP or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Pub. 596 for more information.

#### **Qualifying Child Questionnaire**

No Continue.

c. Are you a married/in an RDP taxpayer whose filing status is married/RDP filing separately or head of household?

Yes Continue.

d. Did you and your spouse/RDP have the same principal residence for the last 6 months of 2022?

Yes Continue.

No Skip question e; go to question f.

e. Are you legally separated according to California law under a written separation agreement or a decree of separate maintenance and you lived apart from your spouse/RDP at the end of 2022?

Yes Continue.

**No** Stop here, you cannot take the credit.

f. Could you be a qualifying child of another person for 2022? (Answer "No" if the other person is not required to file, and is not filing, a 2022 tax return or is filing a 2022 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Pub. 596 for examples.)

Yes Stop here, you cannot take the credit.

No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

**Note:** If your qualifying child is younger than six years old as of the last day of the taxable year, you must list that child's information under Child 1, Child 2, or Child 3 column. **Do not** include the information of any child younger than six years old in an attachment to the form FTB 3514. See Step 8 and Step 9 in the instructions to see if you qualify for the YCTC.

#### Line 7 - SSN or ITIN

The child must have a valid SSN or ITIN, as defined below, unless the child was born and died in 2022. If your child was born alive and died in 2022 and did not have an SSN or an ITIN, write "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

**Valid SSN** — A valid SSN is a number issued by the Social Security Administration without regard to whether it was issued for employment or issued solely for the purpose of receiving federally funded benefits.

Valid ITIN — A valid ITIN is a federal tax processing number issued by the Internal Revenue Service that is not expired or revoked. For taxable years beginning on or after January 1, 2020, a valid federal ITIN can be used to claim the EITC, YCTC, and FYTC. If an ITIN is used, eligible individuals should provide the documents listed below upon request by the FTB:

- Identifying documents acceptable for purposes of obtaining a California driver's license or identification card as authorized by the California Vehicle Code and related regulations for purposes of establishing documents acceptable to prove identity.
- Identifying documents used to report earned income for the taxable year.

Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. For more information, go to **ftb.ca.gov** and search for **eitc.** 

An Adoption Taxpayer Identification Number (ATIN) cannot be used to claim EITC. If you or your child has an ATIN and later gets a valid SSN or a valid federal ITIN, you may be able to file an amended return. Use Form 540, 540 2EZ, or 540NR to amend your original or previously filed tax return with Schedule X, California Explanation of Amended Return Changes, attached to the amended return.

If you did not have an SSN or federal ITIN by the due date of your 2022 return (including extensions), you cannot claim the EITC, YCTC, or FYTC on either your original or an amended 2022 return, even if you later get an SSN or federal ITIN. Also, if a child did not have an SSN or federal ITIN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC (or YCTC) on either your original or an amended 2022 return, even if that child later gets an SSN or federal ITIN.

#### Line 9a - Student

A student is a child who during any part of 5 calendar months of 2022 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

### Line 9b – Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2022, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

#### Line 10 - Child's relationship to you

For additional information, see qualifying child definition.

#### Line 11 - Number of days child lived with you

Enter the number of days the child lived with you in California during 2022. To qualify, the child must have the same principal place of residence in California as you for more than half of 2022, defined as 183 days or more (if a leap year, it is 184 days). If the child was born or died in 2022 and your home was the child's home for more than half the time he or she was alive during 2022, enter "365". Do not enter more than 365 days, unless it's a leap year, then enter 366 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information, get federal Pub. 596.

#### Line 12 - Child's physical address

Enter the physical address where the child resided during 2022. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2022. If the child lived with you in California for more than half of 2022, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.

### Step 4 Filer Without a Qualifying Child

No Go to Step 5.

### Step 5 California Earned Income

Complete line 13 through line 19 to figure your California earned income.

## Line 13 – Wages, salaries, tips, and other employee compensation, subject to California withholding

Enter the total amount of your California wages from your federal Form(s) W-2, Wage and Tax Statement. This amount appears on Form W-2, box 16. Include all of your Medicaid waiver payments or IHSS payments even if the payments are nontaxable for federal purposes.

If you have not reached the minimum retirement age and you received disability payment reported on federal Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., and a distribution code 3 is shown in box 7 of federal

Form 1099-R, include the amount of the disability payment on form FTB 3514, line 13.

**Note:** If you have clergy wages, subtract the self employment tax, if any, that was reported on federal Schedule SE (Form 1040), Self-Employment Tax, and enter the result on form FTB 3514, line 13.

Employees and independent contractors – If the taxpayer's classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

#### Line 14 – IHSS payments

You may elect to include or exclude your Medicaid waiver payments or IHSS payments if the payments are nontaxable for federal purposes. If you elect to exclude such payments from your earned income for California EITC purposes, enter the amount you received as Medicaid waiver payments or IHSS payments that are nontaxable for federal purposes on line 14. If you elect to include such payments, leave line 14 blank. If you are filing a joint return, both you and/or your spouse/RDP can elect to include or exclude your own nontaxable Medicaid waiver payments or IHSS payments for California EITC purposes. Each must elect to include or exclude all such payments, not just a portion of them. You may elect to include or exclude such payments from earned income for California EITC purposes, whether or not you elect to include or exclude them for federal purposes.

# Line 15 – Prison inmate wages and/or pension or annuity from a nonqualified deferred compensation plan or a nongovernmental IRC Section 457 plan

Enter the amount included on line 13, that you received for work performed while an inmate in a penal institution.

Enter the amount included on line 13, that you received as a pension or annuity from a nonqualified deferred compensation plan or a nongovernmental IRC Section 457 plan. This amount may be shown on federal Form W-2, box 11. If you received such an amount and box 11 is blank, contact your employer for the amount received as a pension or annuity.

#### Line 17 – Nontaxable combat pay

Enter the amount from federal Form W-2, box 12, code Q, if you elect to include your nontaxable military combat pay in earned income for EITC purposes. If you are filing a joint return, both you and/or your spouse/RDP can elect to include your own nontaxable military combat pay for EITC purposes. Each must include all of their nontaxable military combat pay, not just a portion of it. You may elect to include nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes.

#### Line 18 – Business income or (loss)

If you are self-employed and have net earnings from self-employment, go to Worksheet 3 to figure your business income or loss. Attach a copy of your complete federal return, including any federal Schedule C (Form 1040), Profit or Loss From Business, Schedule F (Form 1040), Profit or Loss From Farming, Schedule SE (Form 1040), and any Schedule K-1 (Form 1065), Partner's Share of Income, Deductions, Credits, etc.

Employees and independent contractors – If the taxpayer's classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

- 1. To find your credit, read down the "At least But not over" columns and find the line that includes the amount you were told to look up from your California Earned Income Tax Credit Worksheet.
- 2. Then, go to the column that includes the number of qualifying children you have. Enter the credit from that column on your California Earned Income Tax Credit Worksheet.

- 1. To find your credit, read down the "At least But not over" columns and find the line that includes the amount you were told to look up from your California Earned Income Tax Credit Worksheet.
- 2. Then, go to the column that includes the number of qualifying children you have. Enter the credit from that column on your California Earned Income Tax Credit Worksheet.

- 1. To find your credit, read down the "At least But not over" columns and find the line that includes the amount you were told to look up from your California Earned Income Tax Credit Worksheet.
- 2. Then, go to the column that includes the number of qualifying children you have. Enter the credit from that column on your California Earned Income Tax Credit Worksheet.

Caution: This is not a tax table.

- 1. To find your credit, read down the "At least But not over" columns and find the line that includes the amount you were told to look up from your California Earned Income Tax Credit Worksheet.
- 2. Then, go to the column that includes the number of qualifying children you have. Enter the credit from that column on your California Earned Income Tax Credit Worksheet.

- 1. To find your credit, read down the "At least But not over" columns and find the line that includes the amount you were told to look up from your California Earned Income Tax Credit Worksheet.
- 2. Then, go to the column that includes the number of qualifying children you have. Enter the credit from that column on your California Earned Income Tax Credit Worksheet.

## How to Figure Tax Using the 2022 California Tax Rate Schedules

Example: Chris and Pat Smith are filing a joint tax return using Form 540NR. Their taxable income on Form 540NR, line 19 is \$125,000.

**Step 1:** Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000.

|         |                                                               | Example     | Your Income |
|---------|---------------------------------------------------------------|-------------|-------------|
| Step 2: | They subtract the amount at the beginning of their range from | \$ 125,000  | \$          |
|         | their taxable income.                                         | - 104,910   | <u> </u>    |
|         |                                                               | \$ 20,090   | \$          |
| Step 3: | They multiply the result from Step 2 by the percentage for    | \$ 20,090   | \$          |
|         | their range.                                                  | x .08       | X           |
|         |                                                               | \$ 1,607.20 | \$          |
| Step 4: | They round the amount from Step 3 to two decimals (if         | \$3,623.42  | \$          |
|         | necessary) and add it to the tax amount for their income      | + 1,607.20  | +           |
|         | range. After rounding the result, they will enter \$5,231 on  | \$5,230.62  | \$          |
|         | Form 540NR, line 31.                                          |             |             |
