

2022 Instructions for Form 589

Nonresident Reduced Withholding Request

General Information

A nonresident payee files Form 589, Nonresident Reduced Withholding Request, to request a reduced withholding amount. Filing Form 589 does not guarantee the nonresident payee a reduction in withholding unless the request is approved by the Franchise Tax Board (FTB) prior to the payment of California source income for services being performed.

The payee has the option to file Form 589 to apply for a reduction in the amount to be withheld (see California Revenue and Taxation Code (R&TC) Section 18662).

The total amount of expenses cannot exceed 50% of the gross California source payment. This rule does not apply to Foreign (non-U.S.) partners. In conformity with Treas. Reg. Section 1.1446-6, a foreign (non-U.S.) partner or member may file a Form 589 to reduce or eliminate a partner's withholding of California tax on Effectively Connected Taxable Income (ECTI) from California sources.

Withholding is optional, at the discretion of the withholding agent, on the first \$1,500 in payments made during the calendar year. Withholding must begin as soon as the total payments of California source income for the calendar year exceed \$1,500.

Withholding agents remit to the FTB tax withheld on California source payments to nonresidents in four payment periods (similar to estimated tax payments). For more information, including specific period due dates, get Form 592, Resident and Nonresident Withholding Statement, or Form 592-PTE, Pass-Through Entity Annual Withholding Return.

For California nonwage withholding purposes:

- Nonresident includes all of the following:
 - Individuals who are not residents of California.
 - Corporations not qualified through the California Secretary of State (CA SOS) to do business in California or having no permanent place of business in California.
 - Partnerships or limited liability companies (LLCs) with no permanent place of business in California.
 - Any trust without a resident grantor, beneficiary, or trustee, or estates where the decedent was not a California resident.
- Foreign refers to non-U.S.

A Purpose

Use Form 589 to request a reduction in the standard 7% withholding amount that is applicable to California source payments made to nonresidents.

Do not use Form 589 to request a reduced withholding amount if you are a seller of California real estate. Sellers use

Form 593, Real Estate Withholding Statement. For more information, get Form 593.

A foreign partner may request to reduce or eliminate withholding of California tax on ECTI from California sources allocable to a foreign partner (Treas. Reg. Section 1.1446-6). The foreign partner must first file with the partnership federal Form 8804-C, Certificate of Partner-Level Items to Reduce Section 1446 Withholding. Then the foreign partner must sign and send Form 589 to the FTB along with a signed copy of federal Form 8804-C. The FTB will review the request within 21 business days. If the request is approved, the partnership remits the reduced withholding amount to the FTB along with Form 592-A, Payment Voucher for Foreign Partner or Member Withholding.

R&TC Section 18666 and Internal Revenue Code section 1446 incorporated by reference apply to withholding on foreign (non-U.S.) partners and members who have allocable amounts of effectively connected income to a California trade or business. In conformity with Treas. Reg. Section 1.1446-6, a foreign (non-U.S.) partner or member may file a Form 589 to reduce or eliminate a partner's withholding of California tax on ECTI from California sources; however, a foreign (non-U.S.) partner or member cannot file a Form 588, Nonresident Withholding Waiver Request, to request a withholding waiver.

Form 589 does not apply to payments of backup withholding. For more information, go to ftb.ca.gov and search for **backup withholding**.

Form 589 does not apply to payments for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, go to edd.ca.gov or call **888.745.3886**.

B When and Where to File

The payee must complete and file Form 589 to the FTB before receiving payment for services. Failure to file a timely request may result in a 7% withholding requirement.

Incomplete or invalid entries may result in automatic request denial.

You must provide a valid Taxpayer Identification Number (TIN) as requested on this form. The following are acceptable TINs: social security number (SSN); individual taxpayer identification number (ITIN); federal employer identification number (FEIN); California corporation number (CA Corp no.); or California Secretary of State (CA SOS) file number.

The FTB may request to review all relevant documentation including, but not limited to, receipts and contracts, to verify the payment and expense amounts. Upon review of the request and supporting documentation, the FTB will make a determination of how much withholding is appropriate for the services performed. The FTB will provide a Withholding Determination Notice to the payee and the withholding agent. This notice will indicate FTB's approved amount to withhold on the payee's California sourced income.

The withholding agent retains the Withholding Determination Notice for a minimum of five years and must provide it to the FTB upon request.

Requirement to File a California Tax Return

A Withholding Determination Notice from the FTB that authorizes reduced withholding does not eliminate the requirement to timely file a California tax return and timely pay the tax due.

You may be assessed a penalty if:

- You do not file a California tax return.
- You file your tax return late.
- The amount of withholding does not satisfy your tax liability.
