Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments.
- Claiming the wrong amount of standard deduction or itemized deductions.
- Claiming a dependent already claimed on another return.
- The amount of refund or payments made on an original return does not match our records when amending your tax return.
- Claiming the wrong amount of withholding by incorrectly totaling or transferring the amounts from your federal Form W-2, Wage and Tax Statement.
- Claiming the wrong amount of real estate withholding.
- Claiming the wrong amount of SDI.
- Claiming the wrong amount of exemption credits.

Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to ftb.ca.gov and login or register for MyFTB to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2022 tax return you requested to be applied to your 2023 estimated tax.

Claiming state disability insurance:

- Verify the amount of SDI used to figure the amount of excess SDI claimed on Form 540, line 74, matches amounts from your W-2's.

Claiming standard deduction or itemized deductions:

- See Form 540, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

Claiming withholding amounts:

- Go to ftb.ca.gov and login or register for MyFTB to verify withheld amount or see instructions for Form 540, line 71. Confirm only California income tax withheld is claimed.
- Verify real estate or other withholding amount from Form 592-B, Resident and Nonresident Withholding Tax Statement, and Form 593, Real Estate Withholding Statement. See instructions for Form 540, line 73.

Claiming refund or payments made on an original return when amending your tax return:

- Go to ftb.ca.gov and login or register for MyFTB to check tax return records for refund or payments made.
- Verify the amount from your original return Form 540, line 115 and include any adjustment by the FTB.

Use e-file:

- By using e-file, you can eliminate many common errors. Go to ftb.ca.gov and search for **efile options**.

Do I Have to File?

Steps to Determine Filing Requirement

Step 1: Is your gross income (all income received from all sources in the form of money, goods, property, and services that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the California Adjusted

Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

Step 3: If your income is less than the amounts on the chart, you may still have a filing requirement. See “Requirements for Children with Investment Income” and “Other Situations When You Must File.” Do those instructions apply to you? If yes, you have a filing requirement. If no, go to Step 4.

Step 4: Are you married/RDP filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

Requirements for Children with Investment Income

California law conforms to federal law which allows parents’ election to report a child’s interest and dividend income from children under age 19 or a student under age 24 on the parent’s tax return. For each child under age 19 or student under age 24 who received more than \$2,500 of investment income in 2023, complete Form 540 and form FTB 3800, Tax Computation for Certain Children with Unearned Income, to figure the tax on a separate Form 540 for your child.

If you qualify, you may elect to report your child’s income of more than \$1,250 but less than \$12,500 on your tax return by completing form FTB 3803, Parents’ Election to Report Child’s Interest and Dividends. To make this election, your child’s income must be **only** from interest and/or dividends. To get forms FTB 3800 or FTB 3803, see “Order Forms and Publications” or go to ftb.ca.gov/forms.

Other Situations When You Must File

If you have a tax liability for 2023 or owe any of the following taxes for 2023, you must file Form 540.

- Tax on a lump-sum distribution.
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or an Archer Medical Savings Account (MSA).
- Tax for children under age 19 or student under age 24 who have investment income greater than \$2,500 (see paragraph above).
- Alternative minimum tax.
- Recapture taxes.
- Deferred tax on certain installment obligations.
- Tax on an accumulation distribution from a trust.

Filing Status

Use the same filing status for California that you used for your federal income tax return, unless you are an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Exception: If you file a joint tax return for federal purposes, you may file separately for California if either spouse was either of the following:

- An active member of the United States armed forces or any auxiliary military branch during 2023.
- A nonresident for the entire year and had no income from California sources during 2023.

Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California that you would have used to file a federal income tax return.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2023, file Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

Single

You are single if **any** of the following was true on December 31, 2023:

- You were not married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2023, and did not remarry or enter into another registered domestic partnership in 2023.

Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married or an RDP as of December 31, 2023, even if you did not live with your spouse/RDP at the end of 2023.
- Your spouse/RDP died in 2023 and you did not remarry or enter into another registered domestic partnership in 2023.
- Your spouse/RDP died in 2024 before you filed a 2023 tax return.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the tax return.

Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately filing status. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, or FTB Pub. 1032, Tax Information for Military Personnel. See “Order Forms and Publications” or go to ftb.ca.gov/forms.
- You cannot claim a personal exemption credit for your spouse/RDP even if your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person’s tax return.
- You may be able to file as head of household if your child lived with you and you lived apart from your spouse/RDP during the entire last six months of 2023.

Head of Household

For the specific requirements that must be met to qualify for head of household (HOH) filing status, get FTB Pub. 1540, Tax Information for Head of Household Filing Status. In general, HOH filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use HOH filing status if **all** of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2023.
- You paid more than one-half the cost of keeping up your home for the year in 2023.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for HOH filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for HOH purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use HOH filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your HOH filing status.

For more information about the HOH filing requirements, go to ftb.ca.gov and search for **hoh**. To get form FTB 3532, see "Order Forms and Publications" or go to ftb.ca.gov/forms.

Qualifying Surviving Spouse/RDP

Check the box on Form 540, line 5 and use the joint return tax rates for 2023 if **all** five of the following apply:

- Your spouse/RDP died in 2021 or 2022 and you did not remarry or enter into another registered domestic partnership in 2023.
- You have a child, stepchild, or adopted child (not a foster child) whom you can claim as a dependent or could claim as a dependent except that, for 2023:
 - The child had gross income of \$4,700 or more;
 - The child filed a joint return; or
 - You could be claimed as a dependent on someone else's return.

If the child is not claimed as your dependent, enter the child's name in the entry space under the "Qualifying surviving spouse/RDP" filing status.

- This child lived in your home for all of 2023. Temporary absences, such as for vacation or school, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

What's New and Other Important Information for 2023

Differences between California and Federal Law

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments – Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

Conformity – For updates regarding federal acts, go to ftb.ca.gov and search for **conformity**.

If the CTCAC issues a certificate with a credit amount that is inconsistent with the taxpayer's certification, upon which a credit has been claimed, the taxpayer is required to amend

any previously filed tax returns to reflect the credit amount certified by the CTCAC. For more information, get form FTB 3521, Low-Income Housing Credit, and see R&TC Section 17058.

In general, the R&TC conforms to the changes to the retirement provisions under the SECURE 2.0 Act. California law does not conform to the federal changes that disallow a deduction for charitable conservation easement contributions when the amount of the contribution exceeds 2.5 times the sum of each partner's relevant basis in the partnership. Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimated tax or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.

Taxpayers with a tax liability less than \$500 (\$250 for married/RDP filing separately) do not need to make estimated tax payments.

Backup Withholding – With certain limited exceptions, payers that are required to withhold and remit backup withholding to the IRS are also required to withhold and remit to the FTB on income sourced to California. If the payee has backup withholding, the payee must contact the FTB to provide a valid taxpayer identification number, before filing the tax return. For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. For more information on RDPs, get FTB Pub. 737.

Enter on line 14 the amount from Schedule CA (540), Part I, line 27, column B. If a negative amount, see Schedule CA (540), Part I, line 27 instructions.

Line 15 – Subtotal

Subtract the amount on line 14 from the amount on line 13. Enter the result on line 15. If the amount on line 13 is less than zero, combine the amounts on line 13 and line 14 and enter the result in parentheses. For example: “(12,325).”

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your charitable contributions, medical expenses, mortgage interest paid, taxes, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of:

- Your California itemized deductions.
- Your California standard deduction.

California itemized deductions may be limited based on federal AGI. To compute limitations, use Schedule CA (540). RDPs, use your recalculated federal AGI to figure your itemized deductions.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married/or an RDP and filing separate tax returns, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.

If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the California Standard Deduction Worksheet for Dependents.

Itemized deductions – Figure your California itemized deductions by completing Schedule CA (540), Part II, line 1 through line 30. Enter the result on Form 540, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540, first complete federal Schedule A (Form 1040), Itemized Deductions. Then check the box on Side 5, Part II of the Schedule CA (540) and complete Part II. Attach both the federal Schedule A (Form 1040) and California Schedule CA (540) to the back of your tax return.

Standard deduction – Find your standard deduction on the California Standard Deduction Chart for Most People. If you checked the box on Form 540, line 6, use the California Standard Deduction Worksheet for Dependents.

If your recalculated federal AGI is more than the amount shown below for your filing status, your credits will be limited.

Some taxpayers are required to report business purchases subject to use tax directly to the California Department of Tax and Fee Administration. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report business purchases subject to use tax on your income tax return if you:

- Have or are required to hold a California seller's permit
- Make more than \$10,000 in purchases subject to use tax per calendar year and have not paid use tax on those purchases to a retailer engaged in business in California or to a retailer authorized by the California Department of Tax and Fee Administration to collect the tax.
- Are otherwise registered or required to be registered with the California Department of Tax and Fee Administration to report use tax.

Note: You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the California Department of Tax and Fee Administration. For information on how to report use tax directly to the California Department of Tax and Fee Administration, go to their website at cdtfa.ca.gov and type "**Find Information About Use Tax**" in the search bar.

Failure to report and pay timely may result in the assessment of interest, penalties, and fees.

See page 33 for a general explanation of California use tax.

Use Tax Worksheet

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business and you are not registered or required to be registered with the California Department of Tax and Fee Administration to report sales or use tax.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

Example 1: You purchased a television for \$2,000 from an out-of-state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

Example 2: You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual non-business items purchased for \$1,000 or more each, and/or items purchased for use in a trade or business in addition to individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus all items purchased for use in a trade or business.
- Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on Line 91.

Example 3: The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or
- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on Line 91.

Use Tax Worksheet (See Instructions Below)	
Use whole dollars only	
1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items purchased for use in a trade or business not registered with the California Department of Tax and Fee Administration . \$ _____	.00
2. Enter the applicable sales and use tax rate	_____
3. Multiply Line 1 by the tax rate on Line 2. Enter result here	_____ .00
4. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Estimated Use Tax Lookup Table. If all of your purchases are included in Line 1, enter -0-	_____ .00
5. Add Lines 3 and 4. This is your total use tax.	_____ .00
6. Enter any sales or use tax you paid to another state for purchases included on Line 1. See worksheet instructions on this page	_____ .00
7. Subtract Line 6 from Line 5. This is the total use tax due. Enter the amount due on Line 91. If the amount is less than zero, enter -0-	_____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable

and exempt purchases, you may visit the California Department of Tax and Fee Administration’s website at cdtfa.ca.gov.

- Include handling charges.
- Do not include any other state’s sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand-carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per-person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is “married/RDP filing separately,” you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the California Department of Tax and Fee Administration.

Note: You cannot report the following types of purchases on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Rental receipts from leasing machinery, equipment, vehicles, and other tangible personal property to your customers.
- Cigarettes and tobacco products when the purchaser is registered with the California Department of Tax and Fee Administration as a cigarette and/or tobacco products consumer.

Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate, please go to the California Department of Tax and Fee Administration’s website at cdtfa.ca.gov and type “**City and County Sales and Use Tax Rates**” in the search bar. You may also call their Customer Service Center at 800.400.7115 (CRS:711) (for hearing and speech disabilities).

Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You cannot claim a credit for more than the amount of use tax that is imposed on your use of property in this state. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Estimated Use Tax Lookup Table

You may use the Estimated Use Tax Lookup Table on the following page to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on Line 17) and enter it on Line 91. You will not be assessed additional use tax on the individual non-business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

Adjusted Gross Income (AGI) Range	Use Tax Liability
Less Than \$10,000	\$0
\$10,000 to \$19,999	\$1
\$20,000 to \$29,999	\$2
\$30,000 to \$39,999	\$3
\$40,000 to \$49,999	\$4
\$50,000 to \$59,999	\$5
\$60,000 to \$69,999	\$6
\$70,000 to \$79,999	\$7
\$80,000 to \$89,999	\$8
\$90,000 to \$99,999	\$9
\$100,000 to \$124,999	\$10
\$125,000 to \$149,999	\$12
\$150,000 to \$174,999	\$15
\$175,000 to \$199,999	\$17
More than \$199,999 – Multiply AGI by 0.009% (x 0.00009)	

Enter your use tax liability on Line 4 of the worksheet, or if you are not required to use the worksheet, enter the amount on Line 91 of your income tax return.

ISR Penalty

Line 92 – Individual Shared Responsibility (ISR) Penalty

Check the box on line 92 if you, your spouse/RDP (if filing a joint return), and anyone you can or do claim as a dependent had minimum essential coverage (also referred to as qualifying health care coverage) that covered all of 2023. Medicare Part A or C qualifies as minimum essential coverage. If you check the box on line 92, you do not owe the individual shared responsibility penalty and do not need to file form FTB 3853. For more information, get form FTB 3853.

If you and your household did not have full-year health care coverage, then go to form FTB 3853 to determine if you have an individual shared responsibility penalty. Enter your individual shared responsibility penalty from form FTB 3853, Part IV, line 1.

Overpaid Tax or Tax Due

To avoid delay in processing of your tax return, enter the correct amounts on line 97 through line 100.

If you received a refund for 2022, you may receive a federal Form 1099-G. The refund amount reported on your federal Form 1099-G will be different from the amount shown on your tax return if you claimed the refundable California Earned Income Tax Credit, the Young Child Tax Credit, and/or the Foster Youth Tax Credit. This is because the credit is not part of the refund from withholding or estimated tax payments.

Line 97 – Overpaid Tax

If the amount on line 95 is more than the amount on line 64, your payments and credits are more than your tax. Subtract the amount on line 64 from the amount on line 95. Enter the result on line 97.

Refund Intercept – The FTB administers the Interagency Intercept Collection (IIC) program on behalf of the State Controller's Office. The IIC program intercepts (offsets) refunds when individuals and business entities owe delinquent debts to government agencies including the IRS and California colleges. All refunds are subject to interception. The FTB only intercepts the amount owed.

Refunds from joint tax returns may be applied to the debts of the taxpayer or spouse/RDP. After all tax liabilities are paid, any remaining credit will be applied to requested voluntary contributions, if any, and the remainder will be refunded.

If the debt was previously paid to the requestor and the FTB also intercepted the refund, any overpayment will be refunded by the agency that received the funds.

For more information, go to ftb.ca.gov and search for **interagency intercept collection**.

Line 98 – Amount You Want Applied to Your 2024 Estimated Tax

Apply all or part of the amount on line 97 to your estimated tax for 2024. Enter on line 98 the amount of line 97 that you want applied to your 2024 estimated tax.

An election to apply an overpayment to estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

Line 99 – Overpaid Tax Available This Year

If you entered an amount on line 98, subtract it from the amount on line 97. Enter the result on line 99. Choose to have this entire amount refunded to you or make voluntary contributions from this amount. See "Voluntary Contribution Fund Descriptions" for more information.

Line 100 – Tax Due

If the amount on line 95 is less than the amount on line 64, subtract the amount on line 95 from the amount on line 64. Enter the result on line 100. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 100 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 71 is less than 90% of the amount of your total tax on line 64.

If this applies to you, see instructions on line 113.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. Get this form from your employer or by calling EDD at 888.745.3886. Download the DE 4 at edd.ca.gov or to use the online calculator, go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee's Withholding Certificate.

Contributions

You can make voluntary contributions to the funds listed on Side 4. See "Voluntary Contributions Fund Descriptions" for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, the FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

Line 110 – Total Contributions

Add amounts in code 400 through code 445. Enter the result on line 110.

Amount You Owe

Add or subtract correctly to figure the amount you owe.

Line 111 – Amount You Owe

If you do not have an amount on line 99, add the amount on line 94, line 96, line 100, and line 110, if any. Enter the result on line 111.

If you have an amount on line 99 and the amount on line 110 is more than line 99, subtract line 99 from line 110 and enter the difference on line 111.

To avoid a late filing penalty, file your Form 540 by the extended due date even if you cannot pay the amount you owe.

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

For more information or to obtain the waiver form, go to ftb.ca.gov/e-pay. Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card.

Payment Options

- **Electronic Funds Withdrawal** – Instead of paying by check or money order, use this convenient option if you e-file. Simply provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** – Pay the amount you owe using our secure online payment service. Go to ftb.ca.gov/pay for more information.
- **Credit Card** – Use your Discover, MasterCard, Visa, or American Express card to pay your tax. If you pay by credit card, do not mail form FTB 3519 to us. Call 800.272.9829 or go to the ACI Payments, Inc. (formerly Official Payments) website at officialpayments.com, and use the jurisdiction code 1555. ACI Payments, Inc. charges a convenience fee for using this service.
- **Check or Money Order** – Using black or blue ink, make your check or money order payable to the "Franchise Tax Board." **Do not send cash or other items of value** (such as stamps, lottery tickets, foreign currency, and gift cards). Write your SSN or ITIN and "2023 Form 540" as applicable on the check or money order. Enclose, but **do not** staple, your payment with your tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2023 tax payment and any 2024 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

Paying by Credit Card – Whether you e-file or file by mail, use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to ACI Payments, Inc. based on the amount of your tax payment.

Convenience Fee

- 2.30% of the tax amount charged (rounded to the nearest cent)
- Minimum fee: \$1

Example:

Tax Payment = \$753.56 Convenience Fee = \$17.33

When will my payments be effective?

Your payment is effective on the date you charge it.

What if I change my mind?

If you pay your tax liability by credit card and later reverse the credit card transaction, you may be subject to penalties, interest, and other fees imposed by the FTB for nonpayment or late payment of your tax liability.

How do I use my credit card to pay my income tax bill?

Once you have determined the type of payment and how much you owe, have the following ready:

- Your Discover, MasterCard, Visa, or American Express card
- Credit card number
- Expiration date
- Amount you are paying
- Your and your spouse's/RDP's SSN or ITIN
- First 4 letters of your and your spouse's/RDP's last name

- Home phone number (including area code)
- ZIP code for address where your monthly credit card bill is sent
- FTB Jurisdiction Code: 1555

Decide whether to complete the transaction at that time.

Payment Date: _____

Confirmation Number: _____

If you cannot pay the full amount or can only make a partial payment for the amount shown on Form 540, line 114, see the information regarding installment payments in Question 4 of the "Frequently Asked Questions" included in this booklet.

Interest and Penalties

If you file your tax return or pay your tax after the due date, you may owe interest and penalties on the tax due.

Effective for tax years beginning on or after January 1, 2022, you may request a one-time abatement of a timeliness penalty if: (1) you were not previously required to file a California personal income tax return or have not previously been granted first-time abatement, (2) you have filed all required returns as of the date of the request for first-time abatement, and (3) you have paid, or are in a current arrangement to pay, all tax currently due.

Do not reduce the amount on line 97 or increase the amount on line 100 by any penalty or interest amounts. Enter on line 112 the amount of interest and penalties.

Line 112 – Interest and Penalties

Interest – Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15** days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest rates**.

Late Filing of Tax Return – If you do not file your tax return by October 15, 2024, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 15, 2024. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance due, whichever is less.

Late Payment of Tax – If you fail to pay your total tax liability by April 15, 2024, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return is paid by the original due date of the return. However, the imposition of interest is mandatory. If, after April 15, 2024, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Late Payment of Use Tax – To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return or California Individual Use Tax return.

Other Penalties – We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 113 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).
- You did not make the required estimated tax payments, if you pay an installment after the date it is due, or if you underpay any installment, a penalty may be assessed on the portion of estimated tax that was underpaid from the due date of the installment to the date of payment or the due date of your return, whichever is earlier. Get the 2023 form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries, for more information.

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 100 less than \$500 (\$250 if married/RDP filing separately)?

Yes Stop. You may not be subject to an estimated tax payment penalty.

No Continue. You may be subject to an estimated tax payment penalty.

Is line 100 less than 10% of the amount on line 48 (excluding the tax on lump-sum distributions on line 34)?

Yes Stop. You may not be subject to an estimated tax payment penalty.

No You may be subject to an estimated tax payment penalty; get form FTB 5805 (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of the underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F. See “Where To Get Income Tax Forms and Publications.”

If you complete one of these forms, attach it to the back of your Form 540. Enter the amount of the penalty on line 113 and check the correct box on line 113. Complete and attach the form if you claim a waiver, use the annualized income installment method, or pay tax according to the schedule for farmers and fishermen, even if you do not owe a penalty.

See “Important Dates” for more information on estimated tax payments and how to avoid the underpayment penalty.

See the instructions for Form 540, line 114 for information about figuring your payment, if any.

Line 114 – Total Amount Due

Is there an amount on line 111?

Yes Add line 111, line 112, and line 113. Enter the result on line 114. For payment options, see line 111 instructions.

No Go to line 115.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Refund and Direct Deposit

Line 115 – Refund or No Amount Due

Did you report amounts on line 110, line 112, or line 113?

No Enter the amount from line 99 on line 115. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 requesting the refund.

Yes Combine the amounts from line 110, line 112, and line 113. If the result is:

- Less than line 99, subtract the sum of line 110, line 112, and line 113 from line 99 and enter the result on line 115. This is your refund amount.
- More than line 99, subtract line 99 from the sum of line 110, line 112, and line 113 and enter the result on line 114. This is your total amount due. For payment options, see line 111 instructions.

Line 116 and Line 117 – Direct Deposit of Refund

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on line 116 and line 117. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration near the end of the Direct Deposit of Refund instructions.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. When filing an original return, the total of line 116 and line 117 must equal the total amount of your refund on line 115. If line 116 and line 117 do not equal line 115, the FTB will issue a paper check.

When filing an amended return, only complete the amended Form 540 through line 115. Next, complete Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 and will be entered on line 116 and line 117. The total of the amended Form 540, line 116 and line 117 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540, line 116 and line 117 does not equal Schedule X, line 11, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for **direct deposit**.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, the FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return. Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

The diagram shows a check from John Doe and Mary Doe, 1234 Main Street, Anytown, CA 99999. The check is payable to the order of ANYTOWN BANK, Anytown, CA 99999. The amount is \$1234.00. The routing number is 250250025 and the account number is 2020201234. Annotations include: '20' pointing to the routing number, '1234' pointing to the amount, '15-0000/0000' pointing to the MICR line, 'Do not include the check number' pointing to the check number field, and 'DOLLARS' pointing to the amount field.

Direct Deposit for ScholarShare 529 College Savings Plans – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account. Please visit scholarshare529.com for instructions.

Voter Information

Voter registration information – You may register to vote if you meet these requirements:

- You are a United States citizen.
- You are a resident of California.
- You will be 18 years old by the date of the next election.
- You are not in prison or on parole for the conviction of a felony.

For information on voter registration, check the box on Form 540, Side 5, and go to the California Secretary of State website at sos.ca.gov/elections or see "Voting Is Everybody's Business" section on the Additional Information page included in this booklet.

Health Care Coverage Information

If you are interested in no-cost or low-cost health care coverage information, check the "Yes" box on Form 540, Side 5. If you check the "Yes" box, you, and your spouse/RDP if filing a joint return, authorize the FTB to share limited information from your tax return with Covered California (the state agency that provides Californians with access to affordable health insurance) for their outreach and enrollment efforts. Limited information that will be shared include the following:

- Taxpayer name, or in the case of taxpayers filing a joint tax return, the names of both spouses or RDPs.
- Full mailing address listed on the tax return.
- Number and age of household dependents.
- Gross income.

Sign Your Tax Return

You must sign your tax return in the space provided on Form 540, Side 6. If you file a joint tax return, your spouse/RDP must also sign it. Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information, the FTB will be able to provide you better customer service.

Joint Tax Return – If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other may be liable. See "Innocent Joint Filer Relief" under Additional Information section for more information.

Paid Preparer's Information – If you pay a person to prepare your Form 540, that person must sign and complete the applicable paid preparer information on Side 6 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee – If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2023 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also, print the designee's name and telephone number.

If you check the "Yes" box, you, and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, go to ftb.ca.gov/poa.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2024 tax return. This is April 15, 2025, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040. Include your name, SSN (or ITIN), and the designee's name.

Power of Attorney – If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, go to ftb.ca.gov/poa.

Filing Your Tax Return

Attachments to your tax return.

Do I need to attach a copy of federal Form 1040 or 1040-SR?

Other than Schedule A (Form 1040) or Schedule B (Form 1040), did you attach any federal forms or schedules to your federal Form 1040 or 1040-SR? If **No**, do not attach a copy of your federal Form 1040 or 1040-SR return to Form 540.

If **Yes**, attach a copy of your federal Form 1040 or 1040-SR return and all supporting federal forms and schedules to Form 540.

Exception: If you did not itemize deductions on your federal tax return but will itemize deductions on your California tax return, complete and attach a copy of the federal Schedule A (Form 1040) to Form 540.

Do not attach any documents to your tax return unless specifically instructed. This will help us reduce government processing and storage costs.

Frequently Asked Questions

(Go to ftb.ca.gov for more frequently asked questions.)

1. What if I can't file by April 15, 2024, and I think I owe tax?

You must pay 100% of the amount you owe by April 15, 2024, to avoid interest and penalties. If you cannot file because you have not received all your federal Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519, Payment for Automatic Extension for Individuals. Mail it to the FTB with your payment by April 15, 2024, or pay online at ftb.ca.gov/pay. Then, when you receive all your federal Form(s) W-2, complete and mail your tax return by October 15, 2024 (you must use Form 540). Also, see "Interest and Penalties" section for information regarding a one-time timeliness penalty abatement.

2. I never received a federal Form W-2. What should I do?

 If all of your federal Forms W-2 were not received by January 31, 2024, contact your employer. Only an employer issues or corrects a federal Form W-2. For more information, call 800.338.0505, follow the recorded instructions and enter code **204** when instructed.

If you cannot get a copy of your federal Form W-2, complete form FTB 3525. See "Where To Get Income Tax Forms and Publications." For online wage and withhold information, go to ftb.ca.gov and login or register for MyFTB.

3. How can I get help?

Throughout California more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

4. What do I do if I can't pay what I owe with my 2023 tax return?

Pay as much as possible when you file your tax return. If unable to pay your tax in full with your tax return, make a request for monthly payments. However, interest accrued and an underpayment penalty may be charged on the tax not paid by April 15, 2024, even if your request for monthly payments is approved. To make monthly payments, complete form FTB 3567, Installment Agreement Request, online or mail it to the address on the form. **Do not mail it with your tax return.**

 The Installment Agreement Request might not be processed and approved until after your tax return is processed, and you may receive a bill before you receive approval of your request.

To order this form, go to ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions and enter code **949** when instructed.

 For information on how to pay by credit card, go to ftb.ca.gov/pay, or call 800.338.0505, follow the recorded instructions and enter code **610** when instructed.

5. Is direct deposit safe?

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540, Side 5, line 116 and line 117. Fill in the routing and account numbers and indicate the account type.

6. How can I check on the status of my refund?

Go to ftb.ca.gov and search for **refund status**. You will need your social security number (SSN) or individual taxpayer identification number (ITIN) and the refund amount from your tax return.

You can also call our automated phone service. See "Automated Phone Service" at the end of this booklet for more information.

7. I discovered an error on my tax return. What should I do?

 If you discover that you made an error on your California income tax return after you filed it (paper or e-filed), file an amended Form 540 and attach Schedule X to correct your previously filed tax return. Get Schedule X at ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions and enter code **908** when instructed.

8. The IRS made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. File an amended Form 540 and Schedule X to correct your previously filed income tax return and mail them to the following address, as applicable:

9. How long should I keep my tax information?

Requests for information regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period applies for California or federal tax returns related or subject to a federal audit.)

Keep a copy of your tax return and the records that verify the income, deductions, adjustments, or credits reported on your return. Some records should be kept longer. For example, keep property records as long as needed to figure the basis of the property or records needed to verify carryover items (i.e., net operating losses, capital losses, passive losses, casualty losses, etc.) or records needed to track deferred gains on a 1031 exchange.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Go to ftb.ca.gov and login or register for MyFTB or call 800.852.5711, and follow the recorded instructions to report a change of address. You may also use form FTB 3533, Change of Address for Individuals. This form is available at ftb.ca.gov/forms. If you change your address online or by phone, you do not need to file form FTB 3533.

After filing your tax return, report a change of address to us for up to four years, especially if you leave the state and no longer have a requirement to file a California tax return.

11. Are all domestic partners required to file joint or separate tax returns?

No, only domestic partners who are registered with the California Secretary of State are required to file using the married/RDP filing jointly or married/RDP filing separately filing status.

Additional Information

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the California Department of Tax and Fee Administration, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 91 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine.

For more information on nontaxable and exempt purchases, you may refer to Publication 61, Sales and Use Taxes: Tax Expenditures, on the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

For information about California use tax, please refer to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "**Find Information About Use Tax**" in the search bar.

Complete the Use Tax Worksheet on page 18 **or use the Use Tax Lookup Table** on page 19, to calculate the amount due.

Extensions to File. If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Interest, Penalties and Fees. Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

Changes in Use Tax Reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the California Department of Tax and Fee Administration.

For assistance with your use tax questions, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov or call their Customer Service Center at 800.400.7115 (CRS:711) (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

Collection Fees

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

Deceased Taxpayers

A final return must be filed for a person who died in 2023 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or enter into another registered domestic partnership during 2023. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, and a copy of the death certificate when you file a tax return and claim a refund due.

Innocent Joint Filer Relief

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get form FTB 705, Innocent Joint Filer Relief Request, at ftb.ca.gov/forms or call 916.845.7072, Monday – Friday between 8 a.m. to 5 p.m. except holidays.

Military Personnel

If you are a member of the military and need additional information on how to file your tax return, get FTB Pub. 1032. See "Order Forms and Publications."

Requesting a Copy of Your Tax Return

The FTB keeps personal income tax returns for three and one-half years from the original due date. To get a copy of your tax return, write a letter or complete form FTB 3516, Request for Copy of Personal Income or Fiduciary Tax Return. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster; or if you request copies from a field office that assisted you in completing your tax return. See "Where To Get Tax Forms and Publications" to download or order form FTB 3516.

Local Benefits

You cannot deduct the amounts you pay for local benefits that apply to property in a limited area (construction of streets, sidewalks, or water and sewer systems). You must look at your real estate tax bill to determine if any nondeductible itemized charges are included in your bill. For more information, get federal Pub. 17, Your Federal Income Tax – For Individuals, Chapter 11.

Vehicle License Fees for Federal Schedule A

On your federal Schedule A (Form 1040), Itemized Deductions, you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

If You File Electronically

If you e-file your tax return, make sure all the amounts entered on the paper copy of your California return are correct before you sign form FTB 8453, California e-file Return Authorization for Individuals, or form FTB 8879, California e-file Signature Authorization for Individuals. If you are requesting direct deposit of a refund, make sure your account and routing information is correct. Your tax return can be transmitted to the FTB by your preparer or electronic e-file service only after you sign form FTB 8453 or form FTB 8879. The preparer or electronic e-file service must provide you with:

- A copy of form FTB 8453 or FTB 8879.
- Any original California Forms 592-B, 593, and federal Forms W-2, 1099-G, and other Form(s) 1099 that you provided.
- A paper copy of your California tax return showing the data transmitted to the FTB.

You cannot retransmit an e-filed tax return once we have accepted the original. You can correct an error by filing an amended Form 540 and Schedule X to correct your previously filed tax return.

Instructions for Filing a 2023 Amended Return

Important Information

Protective Claim – If you are filing a claim for refund for a taxable year where an audit is being conducted by another state’s taxing agency, litigation is pending or where a final determination by the IRS is pending, check box a for “Protective claim for refund” on Schedule X, Part II, line 1. Specify the pending litigation or reference to the federal determination on Part II, line 2 so we can properly process your claim.

Do not attach your previously filed return to your amended return.

Do not file an amended return to correct your SSN, name, or address, instead, call or write to us. See “Contacting the Franchise Tax Board” for more information.

Use Tax – **Do not** amend your return to correct a use tax error reported on your original tax return. Enter the amount from your original return. The California Department of Tax and Fee Administration (CDTFA) administers this tax. Refer all questions or requests relating to use tax to the CDTFA at cdtfa.ca.gov or call **800.400.7115**.

Amount You Want Applied To Your 2024 Estimated Tax – Enter zero on amended Form 540, line 98 and get the instructions for Schedule X for the actual amount you want applied to your 2024 estimated tax.

Voluntary Contributions – You cannot amend voluntary contributions. Enter the amount from your original return.

Direct Deposit – You can now use direct deposit on your amended return.

When filing an amended return, only complete the amended Form 540 through line 115. Next, complete Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 and will be entered on line 116 and line 117. The total of the amended Form 540, line 116 and line 117 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540, line 116 and line 117 do not equal Schedule X, line 11, the FTB will issue a paper check.

Dependent Exemption Credit with No ID – For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the FTB to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, attach the form and required documentation to their tax return, and write “no id” in the SSN field of line 10, Dependents, on Form 540. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation.

If you are amending a return beginning with taxable year 2018 to claim the dependent exemption credit, complete an amended Form 540, and write “no id” in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for “Other” on Part II, line 1, and write the explanation “Claim dependent exemption credit with no id and form FTB 3568 is attached” on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended return and Schedule X. If you do not claim the dependent exemption credit on the original 2023 tax return, you may amend the 2023 tax return following the same procedures used to amend your previous year amended tax returns beginning with taxable year 2018. If claiming a refund, taxpayers must amend their returns within the statute of limitations. For more information, get FTB Notice 2021-01.

Purpose

Use Form 540 to amend your original or previously filed California resident income tax return. If the FTB adjusted your return, you should use the amounts as adjusted by the FTB. Check the box at the top of Form 540 indicating AMENDED return and follow the instructions. Submit the completed amended Form 540 and Schedule X along with all required schedules and supporting forms.

When to File

Generally, if you filed federal Form 1040-X, Amended U.S. Individual Income Tax Return, file an amended California tax return within six months unless the changes do not affect your California tax liability. File an amended return only after you have filed your original or previously filed California tax return.

California Statute of Limitations

Original tax return was filed on or before April 15th: If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed within the extension period (April 15th – October 15th): If you are making a claim for refund, file an amended tax return within four years from the date the original tax return was filed or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed after October 15th: If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return (April 15th) or within one year from the date of overpayment, whichever period expires later.

If you are filing your amended tax return after the normal statute of limitation period (four years after the due date of the original tax return), attach a statement explaining why the normal statute of limitations does not apply.

If you are filing your amended return in response to a billing notice you received, you will continue to receive billing notices until your amended tax return is accepted. You may file an informal claim for refund even though the full amount due including tax, penalty, and interest has not yet been paid. After the full amount due has been paid, you have the right to appeal to the Office of Tax Appeals at ota.ca.gov or to file suit in court if your claim for refund is disallowed.

To file an informal claim for refund, check box l for “Informal claim” on Schedule X, Part II, line 1 and mail the claim to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

Financially Disabled Taxpayers

The statute of limitations for filing claims for refunds is suspended during periods when a taxpayer is “financially disabled.” You are considered “financially disabled” when you are unable to manage your financial affairs due to a medically determinable physical or mental impairment that is deemed to be either a terminal impairment or is expected to last for a continuous period of not less than 12 months. You **are not** considered “financially disabled” during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled – Suspension of the Statute of Limitations.

Federal Notices

If you were notified of an error on your federal income tax return that changed your AGI, you may need to amend your California income tax return for that year.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your

California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540 and Schedule X to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment.

Note: Most penalties assessed by the IRS also apply under California law. If you are including penalties in a payment with your amended tax return, see Schedule X, line 8a instructions.

Children With Investment Income

If your child was required to file form FTB 3800, Tax Computation for Certain Children with Unearned Income, and your taxable income has changed, review your child's tax return to see if you need to file an amended tax return. Get form FTB 3800 for more information.

Contacting the Franchise Tax Board

If you have not received a refund within six months of filing your amended return, **do not** file a duplicate amended return for the same year. For information on the status of your refund, you may write to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

For telephone assistance, see General Phone Service at the end of this booklet.

Filing Status

Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are in an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you entered into a same-sex marriage, your filing status for California would generally be the same as the filing status that was used for federal. If you are a same-sex married individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Exception for Filing a Separate Tax Return – A married couple who filed a joint federal tax return may file separate state tax returns if either spouse was either of the following:

- An active member of the United States armed forces (or any auxiliary military branch) during the year being amended.
- A nonresident for the entire year and had no income from California sources during the year being amended.

Changing Your Filing Status – If you changed your filing status on your federal amended tax return, also change your filing status for California unless you meet one of the exceptions listed above.

Married/RDP Filing Jointly to Married/RDP Filing Separately – You cannot change from married/RDP filing jointly to married/RDP filing separately after the due date of the tax return.

Exception: A married couple who meets the "Exception for Filing a Separate Tax Return" shown above may change from joint to separate tax returns after the due date of the tax return.

Filing Separate Tax Returns to Married/RDP Filing Jointly – If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or in an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow Form 540 instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the R&TC in the instructions. Taxpayers should not consider the instructions as authoritative law.

Conformity

For updates regarding federal acts, go to ftb.ca.gov and search for **conformity**.

Federal Acts – In general, the R&TC does not conform to the changes under the following federal acts. California taxpayers continue to follow the IRC as of the specified date of January 1, 2015, with modifications. For specific adjustments due to the following acts, see Schedule CA (540) specific line instructions:

- American Rescue Plan Act (ARPA) of 2021 (enacted on March 11, 2021)

For column A, Part I and Part II, combine each line item of your federal amounts from each partner's individual federal tax return. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners. However, military pay is not California source income when a servicemember is permanently stationed outside of California. - Any other bonds or obligations of the United States and its territories.
- Interest from Ottoman Turkish Empire settlement payments.
- Interest income from children under age 19 or students under age 24 included on the child's federal tax return and reported on the California tax return by the parent. For more information, get form FTB 3803, Parents' Election to Report Child's Interest and Dividends.

Certain mutual funds pay "exempt-interest dividends." If the mutual fund has at least 50% of its assets invested in tax-exempt U.S. obligations and/or in California or its municipal obligations, that amount of dividend is exempt from California tax. The proportion of dividends that are tax-exempt will be shown on your annual statement or statement issued with federal Form 1099-DIV, Dividends and Distributions. For more information, get FTB Pub. 1001.

Enter in column C the interest you identified as tax-exempt interest on your federal Form 1040 or 1040-SR, line 2a, **and** which you received from:

Line 3 – Ordinary Dividends

Generally, no difference exists between the amount of dividends reported in column A and the amount reported using California law. However, California taxes dividends derived from other states and their municipal obligations.

Add dividends received from the following and enter in column B:

- Dividend income from children under age 19 or students under age 24 **included** on the parent's or child's federal tax return and reported on the California tax return by the opposite taxpayer. For more information, get form FTB 3803.

Line 4a and Line 4b – IRA Distributions

Generally, no adjustments are made on this line. However, there may be significant differences in the taxable amount of a distribution (including a distribution from conversion of a traditional IRA to a Roth IRA), depending on when you made your contributions to the IRA. Differences also occur if your California IRA deductions were different from your federal deductions because of differences between California and federal self-employment income.

If the taxable amount using California law is:

- Less than the amount taxable under federal law, enter the difference in column B.
- More than the amount taxable under federal law, enter the difference in column C.

Get FTB Pub. 1005 for more information and worksheets for figuring the adjustment to enter on this line, if any.

Line 5a and Line 5b – Pensions and Annuities

Generally, no adjustments are made on this line. However, if you received Tier 2 railroad retirement benefits or partially taxable distributions from a pension plan, you may need to make the following adjustments.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and elected to use the three-year rule for California purposes and the annuity rules for federal purposes, enter in column C the amount of the annuity payments you excluded for federal purposes.

You may have to pay an additional tax if you received a taxable distribution from a qualified retirement plan before reaching age 59½ and the distribution was not rolled over into another qualified plan. Get form FTB 3805P for more information.

Line 7 – Capital Gain or (Loss)

Generally, no adjustments are made on this line. California taxes long and short term capital gains as regular income. No special rate for long term capital gains exists. However, the California basis of the assets listed (within this line instructions) may be different from the federal basis due to differences between California and federal laws. If there are differences, use Schedule D (540), California Capital Gain or Loss Adjustment, to calculate the amount to enter on line 7.

- Gain or loss from the sale of investments inside an HSA.
- Gain on sale of qualified small business stock under IRC Section 1045 and IRC Section 1202.

California law does not conform. If you received alimony not included in your federal income, enter the alimony received in column C.

If you are a nonresident alien and received alimony not included in your federal income, enter the alimony on this line in column C.

Line 3 – Business Income or (Loss)

Adjustments to federal business income or loss you reported in column A generally are necessary because of the difference between California and federal law relating to depreciation methods, special credits, and accelerated write-offs. As a result, the recovery period or basis used to figure California depreciation may be different from the amount used for federal purposes.

Adjustments are figured on form FTB 3885A, Depreciation and Amortization Adjustments, and are most commonly necessary because of the following:

- **Before January 1, 1987**, California did not allow depreciation under the federal accelerated cost recovery system. Continue to figure California depreciation for those assets in the same manner as prior years.
- **On or after January 1, 1987**, California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. Refer to the bulleted list below.

Use form FTB 3801, Passive Activity Loss Limitations, to figure the total adjustment for line 3 if you have:

- One or more passive activities that produce a loss.
- One or more passive activities that produce a loss **and** any nonpassive activity reported on federal Schedule C (Form 1040).

Use form FTB 3885A to figure the total adjustment for line 3 if you have:

- Only nonpassive activities which produce either gains or losses (or combination of gains and losses).
- Passive activities that produce gains.

Line 16 – Other Itemized Deductions

Unreimbursed impairment-related work expenses – If you completed federal Form 2106, prepare a second set of forms reflecting your employee business expense using California amounts (i.e., following California law). Include your entertainment expenses, if any, on line 5 of federal Form 2106 for California purposes.

Generally, California law conforms with federal law and no adjustment is needed. However, differences occur when:

- Assets (requiring depreciation) were placed in service before January 1, 1987. Figure the depreciation based on California law.
- Federal employees were placed on temporary duty status. California does not conform to the federal provision that expanded temporary duties to include prosecution duties, in addition to investigative duties. Therefore, travel expenses paid or incurred in connection with temporary duty status (exceeding one year), involving the prosecution (or support of the prosecution) of a federal crime, should not be included in the California amount.

Compare federal Form 2106, line 10 and the form completed using California amounts. Enter the difference between the federal and California amount in column B or column C.

Gambling losses – California lottery losses are not deductible for California. Enter the amount of California lottery losses included in line 16, column A on line 16, column B.

Or, if the amount you repaid is more than \$3,000, you may take a credit against your tax for the year in which you repaid it, whichever results in the least tax.

If the amount repaid was not taxed by California, no deduction or credit is allowed.

Social security benefits are not taxable by California and the repayment would not qualify for claim of right deduction or credit. If you deducted the repayment of Social Security benefits on your federal tax return, enter the amount of the federal deduction on line 16, column B.

If you claimed a credit for the repayment on your federal tax return and are deducting the repayment for California, enter the allowable deduction on line 16, column C.

If you deducted the repayment on your federal tax return and are taking a credit for California, enter the amount of the federal deduction on line 16, column B. To help you determine whether to take a credit or deduction, see the Repayment section of federal Pub. 525, Taxable and Nontaxable Income. To the left of the total, write "IRC 1341" and the amount of the credit.

Examples of expenses to include on line 21 are:

- Certain legal and accounting fees.
• Custodial fees (for example, trust account).
• Casualty and theft losses of property used in performing services as an employee from federal Form 4684, line 32 and line 38b, or federal Form 4797, line 18a.
• Deduction for repayment of amounts under a claim of right if \$3,000 or less.

Claim of right – If you had to repay an amount that you included in your income in an earlier year, because at the time you thought you had an unrestricted right to it, you may be able to deduct the amount repaid from your income for the year in which you repaid it. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 27.

Interest on loans from utility companies – Taxpayers are allowed a tax deduction for interest paid or incurred on a public utility company financed loan that is used to purchase and install energy efficient equipment or products, including zone-heating products for a qualified residence located in California. Federal law has no equivalent deduction. Enter the amount as a positive number on line 27.

How to Figure Tax Using the 2023 California Tax Rate Schedules

Example: Chris and Pat Smith are filing a joint tax return using Form 540. Their taxable income on Form 540, line 19 is \$125,000.

Step 1: Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000.

	Example	Your Income
Step 2: They subtract the amount at the beginning of their range from their taxable income.	$\begin{array}{r} \$ 125,000 \\ - 108,162 \\ \hline \$ 16,838 \end{array}$	$\begin{array}{r} \$ \\ - \\ \hline \end{array}$
Step 3: They multiply the result from Step 2 by the percentage for their range.	$\begin{array}{r} \$ 16,838 \\ \times .08 \\ \hline \$ 1,347.04 \end{array}$	$\begin{array}{r} \$ \\ \times \\ \hline \end{array}$
Step 4: They round the amount from Step 3 to two decimals (if necessary) and add it to the tax amount for their income range. After rounding the result, they will enter \$5,083 on Form 540, line 31.	$\begin{array}{r} \$3,735.76 \\ + 1,347.04 \\ \hline \$5,082.80 \end{array}$	$\begin{array}{r} \$ \\ + \\ \hline \end{array}$
