Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments.
- Claiming the wrong amount of standard deduction or itemized deductions.
- Claiming a dependent already claimed on another return.
- The amount of refund or payments made on an original return does not match our records when amending your tax return.
- Claiming the wrong amount of withholding by incorrectly totaling or transferring the amounts from your federal Form W-2, Wage and Tax Statement.
- Claiming the wrong amount of real estate withholding.
- Claiming the wrong amount of exemption credits.

Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to ftb.ca.gov and login or register for MyFTB to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2023 tax return you requested to be applied to your 2024 estimated tax.

Claiming standard deduction or itemized deductions:

- See Form 540, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

Claiming withholding amounts:

- Go to ftb.ca.gov and login or register for MyFTB to verify withheld amount or see instructions for Form 540, line 71. Confirm only California income tax withheld is claimed.
- Verify real estate or other withholding amount from Form 592-B, Resident and Nonresident Withholding Tax Statement, and Form 593, Real Estate Withholding Statement. See instructions for Form 540, line 73.

Claiming refund or payments made on an original return when amending your tax return:

- Go to ftb.ca.gov and login or register for MyFTB to check tax return records for refund or payments made.
- Verify the amount from your original return Form 540, line 115 and include any adjustment by the FTB.

Use e-file:

- By using e-file, you can eliminate many common errors. Go to ftb.ca.gov and search for **efile options**.

Do I Have to File?

Steps to Determine Filing Requirement

Step 1: Is your gross income (all income received from all sources in the form of money, goods, property, and services that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the California Adjusted

Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

Step 3: If your income is less than the amounts on the chart, you may still have a filing requirement. See “Requirements for Children with Investment Income” and “Other Situations When You Must File.” Do those instructions apply to you? If yes, you have a filing requirement. If no, go to Step 4.

Step 4: Are you married/RDP filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

Requirements for Children with Investment Income

California law conforms to federal law which allows parents’ election to report a child’s interest and dividend income from a child under age 19 or a full-time student under age 24 on the parent’s tax return. For each child under age 19 or full-time student under age 24 who received more than \$2,600 of investment income in 2024, complete Form 540 and form FTB 3800, Tax Computation for Certain Children with Unearned Income, to figure the tax on a separate Form 540 for your child.

If you qualify, you may elect to report your child’s income of more than \$1,300 but less than \$13,000 on your tax return by completing form FTB 3803, Parents’ Election to Report Child’s Interest and Dividends.

To make this election, your child’s income must be **only** from interest and/or dividends. To get forms FTB 3800 or FTB 3803, see “Order Forms and Publications” or go to ftb.ca.gov/forms.

Other Situations When You Must File

If you have a tax liability for 2024 or owe any of the following taxes for 2024, you must file Form 540.

- Tax on a lump-sum distribution.
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or an Archer Medical Savings Account (MSA).
- Tax for children under age 19 or full-time students under age 24 who have investment income greater than \$2,600 (see paragraph above).
- Alternative minimum tax.
- Recapture taxes.
- Deferred tax on certain installment obligations.
- Tax on an accumulation distribution from a trust.

Filing Status

Use the same filing status for California that you used for your federal income tax return, unless you are an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Exception: If you file a joint tax return for federal purposes, you may file separately for California if either spouse was either of the following:

- An active member of the United States armed forces or any auxiliary military branch during 2024.
- A nonresident for the entire year and had no income from California sources during 2024.

Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California that you would have used to file a federal income tax return.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2024, file Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

Single

You are single if **any** of the following was true on December 31, 2024:

- You were not married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2024, and did not remarry or enter into another registered domestic partnership in 2024.

Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married or an RDP as of December 31, 2024, even if you did not live with your spouse/RDP at the end of 2024.
- Your spouse/RDP died in 2024 and you did not remarry or enter into another registered domestic partnership in 2024.
- Your spouse/RDP died in 2025 before you filed a 2024 tax return.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the tax return.

Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately filing status. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, or FTB Pub. 1032, Tax Information for Military Personnel. See “Order Forms and Publications” or go to ftb.ca.gov/forms.
- You cannot claim a personal exemption credit for your spouse/RDP even if your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person’s tax return.
- You may be able to file as head of household if your child lived with you and you lived apart from your spouse/RDP during the entire last six months of 2024.

Head of Household

For the specific requirements that must be met to qualify for head of household (HOH) filing status, get FTB Pub. 1540, Tax Information for Head of Household Filing Status. In general, HOH filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use HOH filing status if **all** of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2024.
- You paid more than one-half the cost of keeping up your home for the year in 2024.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for HOH filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for HOH purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use HOH filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your HOH filing status. For more information about the HOH filing requirements, go to ftb.ca.gov and search for **hoh**. To get form FTB 3532, see “Order Forms and Publications” or go to ftb.ca.gov/forms.

Qualifying Surviving Spouse/RDP

Check the box on Form 540, line 5 and use the joint return tax rates for 2024 if **all** five of the following apply:

- Your spouse/RDP died in 2022 or 2023 and you did not remarry or enter into another registered domestic partnership in 2024.
- You have a child, stepchild, or adopted child (not a foster child) whom you can claim as a dependent or could claim as a dependent except that, for 2024:
 - The child had gross income of \$5,050 or more;
 - The child filed a joint return; or
 - You could be claimed as a dependent on someone else’s return.

If the child is not claimed as your dependent, enter the child’s name in the entry space under the “Qualifying surviving spouse/RDP” filing status.

- This child lived in your home for all of 2024. Temporary absences, such as for vacation or school, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

What’s New and Other Important Information for 2024

Differences between California and Federal Law

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments – Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

Conformity – For updates regarding federal acts, go to ftb.ca.gov and search for **conformity**.

2024 Tax Law Changes/What’s New

Reporting Requirements – Taxpayers may need to file form FTB 4197, Information on Tax Expenditure Items, with the tax return to report tax expenditure items as part of the FTB’s annual reporting requirements under R&TC Section 41. To determine if you have an R&TC Section 41 reporting requirement, see the R&TC Section 41 Reporting Requirements section or get form FTB 4197.

Net Operating Loss Suspension – For taxable years beginning on or after January 1, 2024, and before January 1, 2027, California has suspended the net operating loss (NOL) carryover deduction. Taxpayers may continue to compute and carryover an NOL during the suspension period. **However**, taxpayers with net business income or modified

adjusted gross income of less than \$1,000,000 or with disaster loss carryovers are **not** affected by the NOL suspension rules.

The carryover period for suspended losses is extended by:

- Three years for losses incurred in taxable years beginning before January 1, 2024.
- Two years for losses incurred in taxable years beginning on or after January 1, 2024, and before January 1, 2025.
- One year for losses incurred in taxable years beginning on or after January 1, 2025, and before January 1, 2026.

For more information, see R&TC Section 17276.24, and get form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations – Individuals, Estates, and Trusts.

Business Credit Limitation – For taxable years beginning on or after January 1, 2024, and before January 1, 2027, there is a \$5,000,000 limitation on the application of business credits. The total of all business credits including the carryover of any credit for the taxable year may not reduce the “net tax” by more than \$5,000,000. This limitation does not apply to the Low-Income Housing Credit. The credit for prior year Alternative Minimum Tax is not subject to the credit limitation. Business credits should be applied against “net tax” before other credits.

For each taxable year of the limitation, taxpayers may make an irrevocable election to receive an annual refundable credit amount, in future tax years, for business credits disallowed due to the \$5,000,000 limitation. The election must be made annually by completing form FTB 3870, Election for Refundable Credit, and attaching it to an original, timely filed return.

If a taxpayer does **not** choose to make the election outlined above, business credits disallowed due to the limitation may be carried over. The carryover period for disallowed credits is extended by the number of taxable years the credit was not allowed.

For more information, refer to R&TC Sections 17039.4 and 17039.5 and get form FTB 3870.

Intangible Drilling and Development Costs – California law does not allow the IRC Section 263(c) deduction for intangible drilling and development costs in the case of oil and gas wells paid or incurred on or after January 1, 2024. For more information, see R&TC Section 17260 and get Schedule P (540), Alternative Minimum Tax and Credit Limitations – Residents, form FTB 3885A, Depreciation and Amortization Adjustments, and FTB Pub. 1001.

Percentage Depletion – For taxable years beginning on or after January 1, 2024, California law does not allow the calculation of depletion as a percentage of gross income from the property for specified natural resources, including coal, oil shale, oil and gas wells. R&TC Sections 17681.3 and 17681.6 allowing state nonconformity to federal rules for percentage depletion of certain refiner exclusions as well as the temporary suspension of taxable income limit for marginal production have also been repealed. For more information, see R&TC Section 17681 and get Schedule P (540), form FTB 3885A, and FTB Pub. 1001.

Enhanced Oil Recovery Credit Repeal – For taxable years beginning on or after January 1, 2024, the Enhanced Oil Recovery Credit has been repealed. Taxpayers may now only claim available carryovers. For more information, get form FTB 3540, Credit Carryover and Recapture Summary.

Postponement of Certain Tax-Related Deadlines – Beginning on or after June 27, 2024, the Director of Finance shall determine when IRC Section 7508A, related to postponement of certain federal tax-related deadlines, applies for California purposes to a taxpayer affected by a state of emergency declared by the Governor or a federally declared disaster. Impacted taxpayers can request an additional relief period if the state postponement period expires before the federal postponement period by filing form FTB 3872, California Disaster Relief Request for Postponement of Tax Deadlines. For more information, get form FTB 3872 and see R&TC Section 18572.

Special Rules for Certain Distributions from Qualified IRC Section 529 Tuition Plans – The federal Consolidated Appropriations Act (CAA), 2023, allows qualified IRC Section 529 tuition plans that have been maintained for 15 years to rollover to a Roth IRA without a tax or penalty. Under the federal law, rollover distributions from an IRC Section 529 plan to a Roth IRA after December 31, 2023, will be treated in the same manner as the earnings and contributions of a Roth IRA. California law does not conform to this federal provision. Rollover distribution from an IRC Section 529 plan to a Roth IRA is includible in California taxable income and subject to an additional tax of 2½%. For more information, see Schedule CA (540) instructions and get form FTB 3805P, Additional Taxes on Qualified Plans (including IRAs) and Other Tax-Favored Accounts.

Catch-Up Contributions for Certain Individuals – For taxable years beginning on or after January 1, 2024, the federal CAA, 2023, provides for the indexing for the \$1,000 catch-up contribution to an IRA for individuals age 50 or older. The CAA, 2023, also increases certain contribution amounts, including catch-up contributions for individuals age 50 or over as defined in IRC Section 414(v). California law does not conform to these federal provisions. Any amount contributed that exceeds the contribution amount allowed for California may need to be included in income for California purposes. Any distribution from contributions in excess of the California limit may become taxable when distributed. For more information, see Schedule CA (540) instructions and get FTB Pub. 1005, Pension and Annuity Guidelines.

Wildfire Mitigation Payment – For taxable years beginning on or after January 1, 2024, and before January 1, 2029, California law allows a qualified taxpayer an exclusion from gross income for any amount received as a California qualified wildfire loss mitigation payment through the California Wildfire Mitigation Financial Assistance Program. For more information, see Schedule CA (540) instructions and R&TC Section 17138.8.

Voluntary Contribution – You may contribute to the following new funds:

- Prevention of Animal Homelessness and Cruelty Voluntary Tax Contribution Fund
- California ALS Research Network Voluntary Tax Contribution Fund

State Disability Insurance – For taxable years beginning on or after January 1, 2024, California removes the taxable wage limit and maximum withholdings for each employee subject to State Disability Insurance (SDI) contributions. All wages are taxable for the purpose of computing SDI worker contributions. As a result, the excess SDI (or VPMI) withheld line has been removed from the personal income tax return by updating the line as “reserved for future use.” For more information, go to the Employment Development Department (EDD) website at edd.ca.gov.

R&TC Section 41 Reporting Requirements

Taxpayers should file form FTB 4197 with the tax return to report tax expenditure items as part of the FTB's annual reporting requirements under R&TC Section 41. “Tax expenditure” means a credit, deduction, exclusion, exemption, or any other tax benefit provided for by the state. The FTB uses information from form FTB 4197 for reports required by the California Legislature. Taxpayers that have a reporting requirement for any of the following should file form FTB 4197:

- For taxable years beginning on or after January 1, 2024, and before January 1, 2029, qualified taxpayers who benefited from the exclusion from gross income for any amount received as a California qualified wildfire loss mitigation payment through the California Wildfire Mitigation Financial Assistance Program.
- For taxable years beginning on or after January 1, 2020, and before January 1, 2028, qualified taxpayers who benefited from the exclusion from gross income for any qualified amount received in a settlement from Pacific Gas and Electric (PG&E) Company or its subsidiary relating to the 2019 Kincadee Fire.
- For taxable years beginning on or after January 1, 2020, and before January 1, 2028, qualified taxpayers who benefited from the exclusion from gross income for any qualified amount received in a settlement from PG&E Company or its subsidiary relating to the 2020 Zogg Fire.

- For taxable years beginning before January 1, 2027, qualified taxpayers who benefited from the exclusion from gross income for any amount received in a settlement from Southern California Edison for claims relating to the 2017 Thomas Fire or the 2018 Woolsey Fire.
- For taxable years beginning on January 1, 2022, and before January 1, 2027, taxpayers who benefited from the exclusion of gross income for any amount received as a rebate, voucher, or other financial incentive issued by a public water system, as defined, local government, or state agency for participation in a turf replacement water conservation program.
- For taxable years beginning on or after January 1, 2021, taxpayers who benefited from the exclusion from gross income for the Paycheck Protection Program (PPP) loans forgiveness, other loan forgiveness, the Economic Injury Disaster Loan (EIDL) advance grant, restaurant revitalization grant, or shuttered venue operator grant, and related eligible expense deductions.

For more information, get form FTB 4197.

Other Important Information

Use Tax – For taxable years beginning on or after January 1, 2023, and before January 1, 2029, you may not report business purchases subject to use tax on your income tax return if you make more than \$10,000 in purchases subject to use tax (excluding vehicles, vessels, and aircraft) per calendar year and have not paid use tax on those purchases to a retailer engaged in business in California or to a retailer authorized by the California Department of Tax and Fee Administration to collect the tax. For other use tax requirements, see specific line instructions for Form 540, line 91 and R&TC Section 6225.

Federal Veterans Auto and Education Improvement Act (VAEIA) of 2022 – The VAEIA was enacted on January 5, 2023, and made amendments to the federal Servicemembers Civil Relief Act (SCRA). California conforms to the following VAEIA provisions:

- A spouse of a servicemember shall neither lose nor acquire a residence or domicile for purposes of taxation with respect to the person, personal property, or income of the spouse by reason of being absent or present in any tax jurisdiction of the United States solely to be with the servicemember in compliance with the servicemember's military orders.
- For any taxable year of the marriage, a servicemember and the spouse of such servicemember may elect to use for purposes of taxation, regardless of the date on which the marriage of the servicemember and the spouse occurred, any of the following:
 - The residence or domicile of the servicemember.
 - The residence or domicile of the spouse.
 - The permanent duty station of the servicemember.

For more information, get FTB Pub. 1032.

Federal CAA, 2023 – The CAA, 2023, was enacted on December 29, 2022, and it includes the federal Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act of 2022. For additional information, see “Instructions for Filing a 2024 Amended Return.”

Improper Withholding on Severance Paid to Veterans – The federal Combat-Injured Veterans Tax Fairness Act of 2016 gives veterans who retired from the Armed Forces for medical reasons additional time to claim a refund if they had taxes improperly withheld from their severance pay. Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimated tax or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Taxpayers with a tax liability less than \$500 (\$250 for married/RDP filing separately) do not need to make estimated tax payments.

Backup Withholding – With certain limited exceptions, payers that are required to withhold and remit backup withholding to the IRS are also required to withhold and remit to the FTB on income sourced to California. If the payee has backup withholding, the payee must contact the FTB to provide a valid taxpayer identification number before filing the tax return. Failure to provide a valid taxpayer identification number may result in a denial of the backup withholding credit. For more information, go to ftb.ca.gov and search for **backup withholding**.

Frequently Asked Questions

(Go to ftb.ca.gov for more frequently asked questions.)

1. What if I can't file by April 15, 2025, and I think I owe tax?

You must pay 100% of the amount you owe by April 15, 2025, to avoid interest and penalties. If you cannot file because you have not received all your federal Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519. Mail it to the FTB with your payment by April 15, 2025, or pay online at ftb.ca.gov/pay. Then, when you receive all your federal Form(s) W-2, complete and mail your tax return by October 15, 2025 (you must use Form 540). Also, see "Interest and Penalties" section for information regarding a one-time timeliness penalty abatement.

2. I never received a federal Form W-2. What should I do?

 If all of your federal Forms W-2 were not received by January 31, 2025, contact your employer. Only an employer issues or corrects a federal Form W-2. For more information, call 800.338.0505, follow the recorded instructions and enter code **204** when instructed.

If you cannot get a copy of your federal Form W-2, complete form FTB 3525. See "Where To Get Income Tax Forms and Publications." For online wage and withholding information, go to ftb.ca.gov and login or register for MyFTB.

3. How can I get help?

Throughout California more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

4. What do I do if I can't pay what I owe with my 2024 tax return?

Pay as much as possible when you file your tax return. If unable to pay your tax in full with your tax return, make a request for monthly payments. However, interest accrued and an underpayment penalty may be charged on the tax not paid by April 15, 2025, even if your request for monthly payments is approved. To make monthly payments, complete form FTB 3567, Installment Agreement Request, online or mail it to the address on the form. **Do not mail it with your tax return.**

 The Installment Agreement Request might not be processed and approved until after your tax return is processed, and you may receive a bill before you receive approval of your request.

To order this form, go to ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions and enter code **949** when instructed.

 For information on how to pay by credit card, go to ftb.ca.gov/pay, or call 800.338.0505, follow the recorded instructions and enter code **610** when instructed.

5. Is direct deposit safe?

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540, Side 5, line 116 and line 117. Fill in the routing and account numbers and indicate the account type.

6. How can I check on the status of my refund?

Go to ftb.ca.gov and search for **refund status**. You will need your social security number (SSN) or individual taxpayer identification number (ITIN) and the refund amount from your tax return.

You can also call our automated phone service. See "Automated Phone Service" at the end of this booklet for more information.

7. I discovered an error on my tax return. What should I do?

 If you discover that you made an error on your California income tax return after you filed it (paper or e-filed), file an amended Form 540 and attach Schedule X to correct your previously filed tax return. Get Schedule X at ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions and enter code **908** when instructed.

8. The IRS made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. File an amended Form 540 and Schedule X to correct your previously filed income tax return and mail them to the following address, as applicable:

Owe Money? Web Pay lets you pay **online**, so you can schedule it and forget it! Go to ftb.ca.gov/pay for more information.

9. How long should I keep my tax information?

Requests for information regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period applies for California or federal tax returns related or subject to a federal audit.)

Keep a copy of your tax return and the records that verify the income, deductions, adjustments, or credits reported on your return. Some records should be kept longer. For example, keep property records as long as needed to figure the basis of the property or records needed to verify carryover items (i.e., net operating losses, capital losses, passive losses, casualty losses, etc.) or records needed to track deferred gains on a 1031 exchange.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Go to ftb.ca.gov and login or register for MyFTB or call 800.852.5711, and follow the recorded instructions to report a change of address. You may also use form FTB 3533, Change of Address for Individuals. This form is available at ftb.ca.gov/forms. If you change your address online or by phone, you do not need to file form FTB 3533.

After filing your tax return, report a change of address to us for up to four years, especially if you leave the state and no longer have a requirement to file a California tax return.

11. Are all domestic partners required to file joint or separate tax returns?

No, only domestic partners who are registered with the California Secretary of State are required to file using the married/RDP filing jointly or married/RDP filing separately filing status.

Additional Information

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the California Department of Tax and Fee Administration, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 91 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine.

For more information on nontaxable and exempt purchases, you may refer to Publication 61, Sales and Use Taxes: Tax Expenditures, on the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

For information about California use tax, please refer to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search bar.

Complete the Use Tax Worksheet on page 18 or use the Use Tax Lookup Table on page 19, to calculate the amount due.

Extensions to File. If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Interest, Penalties and Fees. Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

Changes in Use Tax Reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the California Department of Tax and Fee Administration.

For assistance with your use tax questions, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov or call their Customer Service Center at 800.400.7115 (TTY:711) (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

Collection Fees

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

Deceased Taxpayers

A final return must be filed for a person who died in 2024 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or enter into another registered domestic partnership during 2024. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, and a copy of the death certificate when you file a tax return and claim a refund due.

Innocent Joint Filer Relief

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get form FTB 705, Innocent Joint Filer Relief Request, at ftb.ca.gov/forms or call 916.845.7072, Monday through Friday from 8 a.m. until 5 p.m., except holidays.

Military Personnel

If you are a member of the military and need additional information on how to file your tax return, get FTB Pub. 1032. See "Order Forms and Publications."

Requesting a Copy of Your Tax Return

The FTB keeps personal income tax returns for three and one-half years from the original due date. To get a copy of your tax return, write a letter or complete form FTB 3516, Request for Copy of Personal Income or Fiduciary Tax Return. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster; or if you request copies from a field office that assisted you in completing your tax return. See "Where To Get Tax Forms and Publications" to download or order form FTB 3516.

Local Benefits

You cannot deduct the amounts you pay for local benefits that apply to property in a limited area (construction of streets, sidewalks, or water and sewer systems). You must look at your real estate tax bill to determine if any nondeductible itemized charges are included in your bill. For more information, get federal Pub. 17, Your Federal Income Tax – For Individuals, Chapter 11.

Vehicle License Fees for Federal Schedule A

On your federal Schedule A (Form 1040), Itemized Deductions, you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

If You File Electronically

If you e-file your tax return, make sure all the amounts entered on the paper copy of your California return are correct before you sign form FTB 8453, California e-file Return Authorization for Individuals, or form FTB 8879, California e-file Signature Authorization for Individuals. If you are requesting direct deposit of a refund, make sure your account and routing information is correct. Your tax return can be transmitted to the FTB by your preparer or electronic e-file service only after you sign form FTB 8453 or form FTB 8879. The preparer or electronic e-file service must provide you with:

- A copy of form FTB 8453 or FTB 8879.
- Any original California Forms 592-B, 593, and federal Forms W-2, 1099-G, and other Form(s) 1099 that you provided.
- A paper copy of your California tax return showing the data transmitted to the FTB.

You cannot retransmit an e-filed tax return once we have accepted the original. You can correct an error by filing an amended Form 540 and Schedule X to correct your previously filed tax return.

Instructions for Filing a 2024 Amended Return

Important Information

Protective Claim – If you are filing a claim for refund for a taxable year where an audit is being conducted by another state’s taxing agency, litigation is pending or where a final determination by the IRS is pending, check box a for “Protective claim for refund” on Schedule X, Part II, line 1. Specify the pending litigation or reference to the federal determination on Part II, line 2 so we can properly process your claim.

Do not attach your previously filed return to your amended return.

Do not file an amended return to correct your SSN, name, or address, instead, call or write to us. See “Contacting the Franchise Tax Board” for more information.

Use Tax – **Do not** amend your return to correct a use tax error reported on your original tax return. Enter the amount from your original return. The California Department of Tax and Fee Administration (CDTFA) administers this tax. Refer all questions or requests relating to use tax to the CDTFA at cdtfa.ca.gov or call **800.400.7115**.

Amount You Want Applied To Your 2025 Estimated Tax – Enter zero on amended Form 540, line 98 and get the instructions for Schedule X for the actual amount you want applied to your 2025 estimated tax.

Voluntary Contributions – You cannot amend voluntary contributions. Enter the amount from your original return.

Direct Deposit – You can now use direct deposit on your amended return.

When filing an amended return, only complete the amended Form 540 through line 115. Next, complete Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 and will be entered on line 116 and line 117. The total of the amended Form 540, line 116 and line 117 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540, line 116 and line 117 does not equal Schedule X, line 11, the FTB will issue a paper check.

Dependent Exemption Credit with No ID – For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the FTB to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, attach the form and required documentation to their tax return, and write “no id” in the SSN field of line 10, Dependents, on Form 540. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation.

If you are amending a return beginning with taxable year 2018 to claim the dependent exemption credit, complete an amended Form 540, and write “no id” in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for “Other” on Part II, line 1, and write the explanation “Claim dependent exemption credit with no id and form FTB 3568 is attached” on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended return and Schedule X. If you do not claim the dependent exemption credit on the original 2024 tax return, you may amend the 2024 tax return following the same procedures used to amend your previous year amended tax returns beginning with taxable year 2018. If claiming a refund, taxpayers must amend their returns within the statute of limitations. For more information, get FTB Notice 2021-01.

Purpose

Use Form 540 to amend your original or previously filed California resident income tax return. If the FTB adjusted your return, you should use the amounts as adjusted by the FTB. Check the box at the top of Form 540 indicating AMENDED return and follow the instructions. Submit the completed amended Form 540 and Schedule X along with all required schedules and supporting forms.

When to File

Generally, if you filed federal Form 1040-X, Amended U.S. Individual Income Tax Return, file an amended California tax return within six months unless the changes do not affect your California tax liability. File an amended return only after you have filed your original or previously filed California tax return.

California Statute of Limitations

Original tax return was filed on or before April 15th: If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed within the extension period (April 15th – October 15th): If you are making a claim for refund, file an amended tax return within four years from the date the original tax return was filed or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed after October 15th: If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return (April 15th) or within one year from the date of overpayment, whichever period expires later.

If you are filing your amended tax return after the normal statute of limitation period (four years after the due date of the original tax return), attach a statement explaining why the normal statute of limitations does not apply.

If you are filing your amended return in response to a billing notice you received, you will continue to receive billing notices until your amended tax return is accepted. You may file an informal claim for refund even though the full amount due including tax, penalty, and interest has not yet been paid. After the full amount due has been paid, you have the right to appeal to the Office of Tax Appeals at ota.ca.gov or to file suit in court if your claim for refund is disallowed.

To file an informal claim for refund, check box l for “Informal claim” on Schedule X, Part II, line 1 and mail the claim to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

Financially Disabled Taxpayers

The statute of limitations for filing claims for refunds is suspended during periods when a taxpayer is “financially disabled.” You are considered “financially disabled” when you are unable to manage your financial affairs due to a medically determinable physical or mental impairment that is deemed to be either a terminal impairment or is expected to last for a continuous period of not less than 12 months. You **are not** considered “financially disabled” during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled – Suspension of the Statute of Limitations.

Federal Notices

If you were notified of an error on your federal income tax return that changed your AGI, you may need to amend your California income tax return for that year.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your

California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540 and Schedule X to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment.

Note: Most penalties assessed by the IRS also apply under California law. If you are including penalties in a payment with your amended tax return, see Schedule X, line 8a instructions.

Children With Investment Income

If your child was required to file form FTB 3800, Tax Computation for Certain Children with Unearned Income, and your taxable income has changed, review your child's tax return to see if you need to file an amended tax return. Get form FTB 3800 for more information.

Contacting the Franchise Tax Board

If you have not received a refund within six months of filing your amended return, **do not** file a duplicate amended return for the same year. For information on the status of your refund, you may write to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

For telephone assistance, see General Phone Service at the end of this booklet.

Filing Status

Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are in an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you entered into a same-sex marriage, your filing status for California would generally be the same as the filing status that was used for federal. If you are a same-sex married individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Exception for Filing a Separate Tax Return – A married couple who filed a joint federal tax return may file separate state tax returns if either spouse was either of the following:

- An active member of the United States armed forces (or any auxiliary military branch) during the year being amended.
- A nonresident for the entire year and had no income from California sources during the year being amended.

Changing Your Filing Status – If you changed your filing status on your federal amended tax return, also change your filing status for California unless you meet one of the exceptions listed above.

Married/RDP Filing Jointly to Married/RDP Filing Separately – You cannot change from married/RDP filing jointly to married/RDP filing separately after the due date of the tax return.

Exception: A married couple who meets the "Exception for Filing a Separate Tax Return" shown above may change from joint to separate tax returns after the due date of the tax return.

Filing Separate Tax Returns to Married/RDP Filing Jointly – If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or in an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow Form 540 instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

How to Figure Tax Using the 2024 California Tax Rate Schedules

Example: Chris and Pat Smith are filing a joint tax return using Form 540. Their taxable income on Form 540, line 19 is \$125,000.

Step 1: Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000.

	Example	Your Income
Step 2: They subtract the amount at the beginning of their range from their taxable income	$\begin{array}{r} \$ 125,000 \\ - 111,732 \\ \hline \$ 13,268 \end{array}$	$\begin{array}{r} \$ \\ - \\ \hline \$ \end{array}$
Step 3: They multiply the result from Step 2 by the percentage for their range.	$\begin{array}{r} \$ 13,268 \\ \times .08 \\ \hline \$ 1,061.44 \end{array}$	$\begin{array}{r} \$ \\ \times \\ \hline \$ \end{array}$
Step 4: They round the amount from Step 3 to two decimals (if necessary) and add it to the tax amount for their income range. After rounding the result, they will enter \$4,920 on Form 540, line 31.	$\begin{array}{r} \$3,859.04 \\ + 1,061.44 \\ \hline \$4,920.48 \end{array}$	$\begin{array}{r} \$ \\ + \\ \hline \$ \end{array}$
