

2024 Instructions for Form 588

Nonresident Withholding Waiver Request

General Information

A Purpose

Use Form 588, Nonresident Withholding Waiver Request, to request a waiver from withholding on payments of California source income to nonresident payees.

Do not use Form 588 to request a waiver if you are a **foreign (non-U.S.) partner or member**. A foreign (non-U.S.) partner or member may file a Form 589, Nonresident Reduced Withholding Request, to reduce or eliminate a partner's or member's withholding of California tax on Effectively Connected Taxable Income (ECTI) from California sources; however, a foreign (non-U.S.) partner or member may not request a withholding waiver.

Do not use Form 588 to request a waiver if you are a **seller of California real estate**. Sellers of California real estate use Form 593, Real Estate Withholding Statement, to claim an exemption.

Form 588 does not apply to payments subject to backup withholding. For more information, go to ftb.ca.gov and search for **backup withholding**.

Form 588 does not apply to payments for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, go to edd.ca.gov or call 888.745.3886.

B Requirement

California Revenue and Taxation Code (R&TC) Section 18662 requires withholding 7% of income or franchise tax on certain payments made to nonresidents [including individuals, corporations, partnerships, limited liability companies (LLCs), estates, and trusts] for income received from California sources unless an approved waiver or reduction is granted by the Franchise Tax Board (FTB).

C Withholding Waivers

The FTB issues a Waiver Determination Notice for each waiver request. A withholding agent must have received the notice authorizing a waiver of withholding before eliminating withholding on payments made to nonresidents. The withholding agent retains the Waiver Determination Notice for a minimum of five years and must provide the notice to the FTB upon request.

Withholding waivers issued by the FTB apply only for the limited purpose of determining the withholding obligation under R&TC Section 18662. They **do not** apply to the taxability of income or requirement to file a tax return.

D Length of Waiver

Withholding waivers are effective for a maximum term of 24 months and will expire on December 31 of the succeeding calendar year granted.

If the waiver is granted for reason code D, the resulting waiver will expire at the end of the succeeding calendar year from the date the payee was newly admitted.

E Income Subject to Withholding

The items of income subject to withholding include, but are not limited to:

- Compensation for services performed in California by nonresidents.
- Rent paid to nonresidents on real or personal property located in California if the rent is paid in the course of the withholding agent's business.

- Distributions of California source taxable income to nonresident beneficiaries from an estate or trust.

- Prizes and winnings received by nonresidents for contests in California.
- Endorsement payments received for services performed in California.
