For information about the penalty, go to ftb.ca.gov/healthmandate.

Young Child Tax Credit - For taxable years beginning on or after January 1, 2019, the refundable Young Child Tax Credit (YCTC) is available to taxpayers who also qualify for the California Earned Income Tax Credit (EITC) and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. The maximum amount of credit allowable for a qualified taxpayer is \$1,000. The credit amount phases out as earned income exceeds the "threshold amount" of \$25,000, and completely phases out at \$30,000. California Earned Income Tax Credit (EITC) - For taxable years beginning on or after January 1, 2018, the age limit for an eligible individual without a qualifying child is revised to 18 years or older. For more information, go to ftb.ca.gov and search for EITC or get form FTB 3514.

For taxable years beginning on or after January 1, 2017, California conforms to federal law to include in the definition of earned income net earnings from self employment. If you have self-employment income, you cannot use Form 540 2EZ. Get Form 540, California Resident Income Tax Return at ftb.ca.gov/forms or e-file.

Earned income thresholds have also increased. You may now qualify for the refundable EITC if you have earned income of less than \$30,001.

Improper Withholding on Severance Paid to Veterans - The Combat-Injured Veterans Tax Fairness Act of 2016 gives veterans who retired from the Armed Forces for medical reasons additional time to claim a refund if they had taxes improperly withheld from their severance pay. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed

Registered Domestic Partners (RDP) - Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same-sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to an RDP, unless otherwise specified. Step 1: Is your gross income (all income you received in the form of money, goods, property, and services from all sources that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

#### Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Registered domestic partners (RDP) who file single for federal must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

- Your spouse/RDP died in 2020 before the 2019 tax return was filed.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the tax return.

#### **Head of Household**

For the specific requirements that must be met to qualify for head of household filing status, get FTB Pub. 1540, California Head of Household Filing Status. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. - You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use head of household filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the head of household (HOH) filing status was determined. To get form FTB 3532, see "Automated Phone Service" or go to ftb.ca.gov/forms.

If your dependent child was born and died in 2019 and you do not have an SSN for the child, enter "Died" in the SSN field and include a copy of the child's birth certificate, death certificate, or hospital records. The document must show the child was born alive. If you claim more than three dependents get Form 540 online at **ftb.ca.gov/forms** or file online through **CalFile** or **e-file**.

**Do you have Child and Dependent Care Expenses?** If so, you may qualify for a credit. For more information, get form FTB 3506, Child and Dependent Care Expenses Credit. The easiest way to claim the credit is to **CalFile** or **e-file**. **This credit may not be claimed on Form 540 2EZ.**

- Non-cash patronage dividends from farmers' cooperatives or mutual associations.
- Federal exempt interest dividends from other states or their municipal obligations and/or from mutual funds.

- The federal Form 1099-DIV does not have amounts in box 2b, 2c, or 2d

If you have other capital gains, you cannot use Form 540 2EZ. Get Form 540 at ftb.ca.gov/forms or e-file.

#### **Line 24 - Young Child Tax Credit (YCTC)**

Enter your YCTC from form FTB 3514, line 28.

#### **Use Tax**

#### Line 26 – Use Tax

You are required to enter a number on this line. If the amount due is zero, you must check the applicable box to indicate that you either owe no use tax, or you paid your use tax obligation directly to the California Department of Tax and Fee Administration.

You may owe use tax if you make purchases from out-of-state retailers (for example, purchases made by telephone, online, by mail, or in person) where California sales or use tax was not paid and you use those items in California.

If you have questions about whether a purchase is taxable, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov, or call its Customer Service Center at 1.800.400.7115 or (TTY) 711 (for hearing and speech disabilities).

Some taxpayers are required to report business purchases subject to use tax directly to the California Department of Tax and Fee

Administration. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report business purchases subject to use tax on your income tax return if you:

- Have or are required to hold a California seller's permit.
- Receive \$100,000 or more per year in gross receipts from business
- Are otherwise registered or required to be registered with the California Department of Tax and Fee Administration to report use

**Note:** You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the California Department of Tax and Fee Administration. For information on how to report use tax directly to the California Department of Tax and Fee Administration, go to their website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search

Failure to report and pay timely may result in the assessment of interest. penalties, and fees.

See page 12 for a general explanation of California use tax.

#### Use Tax Worksheet

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business and you are not registered or required to be registered with the California Department of Tax and Fee Administration to report sales
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

**Example 1:** You purchased a television for \$2,000 from an out-of-state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

**Example 2:** You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual non-business items purchased for \$1,000 or more each, and/or items purchased for use in a trade or business in addition to individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus all items purchased for use in a trade or business.
- Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on Line 26.

**Example 3:** The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or

 You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on Line 26.

# Use Tax Worksheet (See Instructions Below.) Use whole dollars only.

1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items purchased for use in a trade or business not registered with the California Department of Tax and Fee Administration. . . . . . \$ 2. Enter the applicable sales and use tax rate. . . . . . \_\_\_\_ 3. Multiply Line 1 by the tax rate on Line 2. 4. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Estimated Use Tax Lookup Table. If all of your purchases are included in Line 1, enter -0-. . . \$ \_ 5. Add Lines 3 and 4. This is your total use tax . . . . . \$ \_\_\_\_ 6. Enter any sales or use tax you paid to another state for purchases included on Line 1. See worksheet instructions below .....\$\_ 7. Subtract Line 6 from Line 5. This is the total use tax due. Enter the amount due on Line 26. If the amount is less than zero, enter -0-....\$\_

#### Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand-carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is "married/RDP filing separately," you may elect
  to report one-half of the use tax due or the entire amount on your
  income tax return. If you elect to report one-half, your spouse/RDP
  may report the remaining half on his or her income tax return or on
  the individual use tax return available from the California Department
  of Tax and Fee Administration.

**Note:** You cannot report the following types of purchases on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.

- · Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Rental receipts from leasing machinery, equipment, vehicles, and other tangible personal property to your customers.
- Cigarettes and tobacco products when the purchaser is registered with the California Department of Tax and Fee Administration as a cigarette and/or tobacco products consumer.

#### Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate, please go to the California Department of Tax and Fee Administration's website at **cdtfa.ca.gov** and type "**City and County Sales and Use Tax Rates**" in the search bar. You may also call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities).

#### Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You cannot claim a credit for more than the amount of use tax that is imposed on your use of property in this state. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

#### **Estimated Use Tax Lookup Table**

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on Line 16) and enter it on Line 26. You will not be assessed additional use tax on the individual non business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

#### Line 30 – Tax Due

If the amount on line 27 is less than the amount on line 21, subtract the amount on line 27 from the amount on line 21. Enter the result on line 30. Your tax is more than your credits and withholdings.

FREE e-file at ftb.ca.gov Instructions: Form 540 2EZ

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at 888.745.3886. You can download the DE 4 at edd.ca.gov or go to ftb.ca.gov and search for de 4. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

#### **Contributions**

You can make voluntary contributions to the funds listed on Form 540 2EZ, Side 3. See "Voluntary Contribution Fund Descriptions" for more information.

You may also contribute any amount to the State Parks Protection Fund/Parks Pass Purchase. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will not be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

#### Line 32 – Amount You Owe

If you do not have an amount on line 29, add the amount on line 28, line 30, and line 31. Enter the result on line 32.

If you have an amount on line 29 and the amount on line 31 is more than line 29, subtract line 29 from line 31. Enter the difference on line 32.

#### **Paying Your Taxes**

You must pay 100% of the amount you owe by April 15, 2020, to avoid interest and underpayment penalties. However, the underpayment penalty will be waived if 90% of the tax shown on the tax return is paid by the original due date of the tax return. There are several ways to pay your tax:

- Electronic funds withdrawal (e-file only)
- Pay online/Web Pay
- Credit card
- Check or money order

#### Line 33 – Refund or No Amount Due

Did you report an amount on line 31?

Enter the amount from line 29 on line 33. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 2EZ requesting the refund.

If the amount on line 31 is:

- Less than the amount on line 29, subtract line 31 from line 29 and enter the difference on line 33. This is your refund amount.
- More than the amount on line 29, enter zero on line 33.

#### **Direct Deposit**

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 34 and line 35. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. Do not attach a voided check or deposit slip. See the illustration on the following page.

An individual taxpayer may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. **Do not** check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. When filing an original return, the total of line 34 and line 35 must equal the total amount of your refund on line 33. If line 34 and line 35 do not equal line 33, the FTB will issue a paper check.

When filing an amended return, only complete the amended Form 540 2EZ through line 33. Next complete the California Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 2EZ and will be entered on line 34 and line 35. The total of the amended Form 540 2EZ, line 34 and line 35 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540 2EZ, line 34 and line 35 do not equal Schedule X, line 11, the FTB will issue a paper

Adjusted Refunds - If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for direct deposit.

**Caution:** Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

A paid preparer must give you a copy of your tax return to keep for your records.

#### California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the California Department of Tax and Fee Administration, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 26 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you

would include purchases of clothing, but not exempt purchases of food products or prescription medicine.

For more information on nontaxable and exempt purchases, you may refer to Publication 61, Sales and Use Taxes: Exemptions and Exclusions, on the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

For information about California use tax, please refer to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search bar.

Complete the Use Tax Worksheet or use the Use Tax Lookup Table on page 8, to calculate the amount due.

**Extensions to File.** If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

**Interest, Penalties and Fees.** Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

**Changes in Use Tax Reported.** Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the California Department of Tax and Fee Administration.

For assistance with your use tax questions, go to the California Department of Tax and Fee Administration's website at **cdtfa.ca.gov** or call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities). ## 2019 Instructions for Form FTB 3514

#### California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

#### What's New

Young Child Tax Credit – For taxable years beginning on or after January 1, 2019, the refundable Young Child Tax Credit (YCTC) is available to taxpayers who also qualify for the California Earned Income Tax Credit (EITC) and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. The maximum amount of credit allowable for a qualified taxpayer is \$1,000. The credit amount phases out as earned income exceeds the "threshold amount" of \$25,000, and completely phases out at \$30,000. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC) in the instructions.

#### **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

#### Registered Domestic Partners (RDPs)

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

The refundable California EITC is available to taxpayers who earned wage income subject to California withholding and/or have net earnings from self-employment. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. The CA EITC reduces your California tax obligation, or allows a refund if no California tax is due. You do not need a child to qualify, but must file a California income tax return to claim the credit and attach a completed form FTB 3514, California Earned Income Tax Credit.

#### **A** Purpose

Use form FTB 3514 to determine whether you qualify to claim the credit, provide information about your qualifying children, if applicable, and to figure the amount of your credit.

#### **B** Differences in California and Federal Law

The differences between California and federal law for the Earned Income Tax Credit are as follows:

- California allows this credit for wage income (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- If you were a nonresident, you must have earned wage income that is subject to California withholding.

- Both your earned income and federal adjusted gross income (AGI) must be less than \$55,952 to qualify for the federal credit, and less than \$30,001 to qualify for the California credit.
- An eligible individual without a qualifying child is 18 years or older for the California credit.
- You may elect to include all of your (and/or all of your spouse's/RDP's
  if filing jointly) nontaxable military combat pay in earned income for
  California purposes, whether or not you elect to include it for federal
  purposes. Get FTB Pub. 1032, Tax Information for Military Personnel,
  for special rules that apply to military personnel claiming the EITC.

#### **Specific Instructions**

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 7 below to determine if you qualify for the credit and to figure the amount of the credit

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC then answer "Yes" on line 1b within the form and follow Step 1 through Step 7 below to determine if you qualify for the credit.

Attach the completed form FTB 3514 to your Form 540 or 540 2EZ, California Resident Income Tax Return, or Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

#### **Step 3 Qualifying Child**

#### **Qualifying Child Definition**

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2019 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2019, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.
- Is not filing a joint return for 2019 or is filing a joint return for 2019 only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2019. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

**Note:** If the child was married or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Publication 596 for more information.

#### **Qualifying Child Questionnaire**

a. Do you have at least one child who meets the conditions to be your qualifying child?

Yes Continue. No Go to Step 4.

**b.** Are you filing a joint return for 2019?

Yes Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

No Continue.

c. Could you be a qualifying child of another person for 2019? (Answer "No" if the other person is not required to file, and is not filing, a 2019 tax return or is filing a 2019 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596 for examples.)

**Yes** Stop here, you cannot take the credit.

No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

**Note:** If your qualifying child is younger than six years old as of the last day of the taxable year, you must list that child information under Child 1, Child 2 or Child 3 column. **Do not** include any child younger than six years old as an attachment to the form FTB 3514. See Step 8 and Step 9 in the instructions to see if you qualify for the Young Child Tax Credit.

#### Line 7 - SSN

The child must have a valid SSN, as defined below, unless the child was born and died in 2019. If your child was born alive and died in 2019 and did not have an SSN, enter "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

Valid SSN. For the EITC, a valid SSN is a number issued by the Social Security Administration unless "Not Valid for Employment" is printed on the social security card and the number was issued solely to allow the recipient of the SSN to apply for or receive a federally funded benefit. However, if "Valid for Work Only With DHS Authorization" is printed on the social security card, the SSN is valid for EITC purposes only as long as the DHS authorization is still valid.

An Individual Taxpayer Identification Number (ITIN) or Adoption Taxpayer Identification Number (ATIN) cannot be used to claim EITC. If you or your child has an ITIN or ATIN and later gets a SSN that is valid for employment, you may be able to file an amended return. Use Form 540, 540 2EZ, or 540NR to amend your original or previously filed tax return with Schedule X, California Explanation of Amended Return Changes attached to the amended return.

If you did not have an SSN by the due date of your 2019 return (including extensions), you cannot claim the EITC on either your original or an amended 2019 return, even if you later get an SSN. Also, if a child did not have an SSN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC on either your original or an amended 2019 return, even if that child later gets an SSN.

#### Line 9a – Student

A student is a child who during any part of 5 calendar months of 2019 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

#### Line 9b - Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2019, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

#### Line 10 - Child's relationship to you

For additional information see qualifying child definition.

#### Line 11 - Number of days child lived with you

Enter the number of days the child lived with you in California during 2019. To qualify, the child must have the same principal place of residence in California as you for more than half of 2019, defined as 183 days or more. If the child was born or died in 2019 and your home was the child's home for more than half the time he or she was alive during 2019, enter "365". Do not enter more than 365 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information get federal Publication 596.

#### Line 12 - Child's physical address

Enter the physical address where the child resided during 2019. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2019. If the child lived with you in California for more than half of 2019, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.
