## GENERAL INFORMATION

**NOTE:** Civil unions are recognized in Hawaii. Hawaii's laws that apply to a husband and wife, spouses, or person in a legal marital relationship shall be deemed to apply to partners in a civil union with the same force and effect as if they were "husband and wife," "spouses," or other terms that describe persons in a legal marital relationship. Same sex marriages are recognized in Hawaii. Hawaii law recognizes marriages between individuals of the same sex and extends to such same-sex couples the same rights, benefits, protections, and responsibilities of marriage that opposite-sex couples receive.
