Caution: A taxpayer is not entitled to the alternate reduced tax rate if it locates its operations in a qualified area for the first time after December 31, 2018. In addition, a taxpayer is not entitled to the alternate reduced tax rate if the taxpayer substantially reduces or ceases its operations at another location in Indiana in order to relocate its operations within the qualified area, unless the taxpayer had existing operations in the qualified area and the operations relocated to the qualified area are an expansion of the taxpayer's operations in the qualified area. A determination made by the Department of Revenue that a taxpayer is not entitled to the alternate reduced tax rate as a result of a reduction or cessation of operations applies to the taxable year in which the substantial reduction or cessation occurs and in all subsequent years.
