KANSAS 2026 **Privilege Estimated Tax**

WHAT ARE ESTIMATED TAX PAYMENTS

National banking associations, banks, trust companies, and savings and loan associations are required to pay an estimated tax if their tax liability for the Privilege tax year can reasonably be expected to exceed \$500. A Privilege taxpayer is not required to file estimated tax payments in its first year of existence in Kansas.

Privilege estimated tax vouchers are due on or before the 15th day of the fourth, sixth, ninth, and twelfth months of the federal taxable year without any regard to an extension of time to file for the prior year's Privilege Tax return.

SHORT TAXABLE YEARS: Any estimated tax, payable in installments, not paid before the 15th day of the last month of a short taxable year (less than 12 months) must be paid on the 15th day of the last month of the short taxable year. If the short taxable year is less than three and one-half months, an estimated voucher and tax payment are not required.

When the due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular workday.

ESTIMATED TAX PENALTY

If you do not pay enough estimated tax, a penalty may be charged unless you meet one of the exceptions. Use Schedule K-230 to figure any underpayment of estimated tax, to determine if you meet an exception to the penalty, and to figure any penalty due. The penalty is based on the unpaid balance of estimated tax from the due date of the installment to: 1) the date the installment was paid, or 2) the original due date of the return, whichever is earlier.

"Underpayment of tax" means the difference between the

amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty.

Schedule K-230 is available from the department's website at: ksrevenue.gov

To ensure the most efficient processing of your payments, it is important that you use only black ink to complete the vouchers.
