KANSAS 2025 Individual Estimated Tax

WHAT ARE ESTIMATED TAX PAYMENTS

Estimated tax payments are required on income not subject to withholding, such as earnings from self-employment, unemployment, interest and dividends (including income earned in another state while living in Kansas). You must make estimated tax payments if your estimated Kansas income tax after all credits is \$500 or more and your withholding and credits may be less than the smaller of:

- a) 90% of the tax on your tax return for tax year 2025; or
- b) 100% of the tax shown on your 2024 tax return.

Nonresidents should only consider income from Kansas sources for meeting these conditions.

WHEN TO FILE YOUR ESTIMATED TAX VOUCHERS

- Calendar Year Taxpayers (except farmers and fishers) -Payments are due on or before the due dates on each voucher (April 15, 2025, June 15, 2025, September 15, 2025, and January 15, 2026 unless your return for the 2025 tax year is filed and the tax fully paid by January 31, 2026.
- Farmers and Fishers Payment is due on or before January 15, 2026 unless your return for the 2025 tax year is filed and tax fully paid on or before March 1, 2026.
- Fiscal Year Taxpayers Payments are due on or before the 15th day of the 4th, 6th and 9th months of the current fiscal year and the 1st month of the following fiscal year.
- When the due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular workday.

To ensure the most efficient processing of your payments, it is important that you use only black ink to complete the vouchers.

- 1) Complete the enclosed worksheet to calculate your estimated tax for tax year 2025. NOTE: You may need to recompute your estimate if there are substantial changes to your income and/or deductions during the year.
- 2) Be sure to use the correct voucher for the quarter in which you are remitting payment. Enter all required information, including the amount of your payment. If you plan to file a joint return, include both

ESTIMATED TAX PENALTY

If you do not pay enough estimated tax, a penalty may be charged. However, the penalty will not apply if each payment is timely and your total payments and credits:

- are at least 90% (66 2/3% for farmers and fishers) of the tax shown on your return for tax year 2025, OR
- equal or exceed 100% of the tax shown on your 2025 return, (the return must cover a 12-month period with a tax liability), OR
- equal or exceed 90% of the tax shown on your annualized income for the periods January 2, 2025 to March 31, May 31, August 31 and December 31, 2025.

Use Schedule K-210 to figure any underpayment of estimated tax, to determine if you meet one of the exceptions to the penalty, and figure any penalty due. Schedule K-210 is available from our website at: ksrevenue.gov.
