

The following notes may be helpful for your 2023 development efforts.

- **Updated 1D barcodes**
- **Form 740 & 740NP: updated standard deduction**
- **Schedule ITC: updated the Family Size table**
- **We intend to have all draft forms posted no later than July 31, 2023. Instruction packages will follow later this summer. Instructions that are included with the forms are last year's version.**
- **Updated Federal forms have not been posted at this time so there may be line reference changes, limitation amount updates, and some lines on the 740-NP may be changed.**
