DRAFT

IMPORTANT: A pass-through entity that has one or more projects under the Kentucky Rural Economic Development Act (KREDA), Kentucky Industrial Development Act (KIDA), Kentucky Jobs Retention Agreement (KJRA), Kentucky Industrial Revitalization Act (KIRA), Kentucky Jobs Development Act (KJDA), Kentucky Business Investment Program (KBI), Kentucky Reinvestment Act (KRA), Incentives for Energy Independence Act (IEIA), Incentives for Energy-related Business Act (IEBA), or Farming Operation Networking Project (FON) must use this Schedule K instead of Form PTE Schedule K.

Purpose of Schedule—This schedule is used to determine the owners' shares of each item of income, credit, deduction, etc., excluding the amount of each item of income, credit, deduction, etc., attributable to the project(s). See Instructions for Schedules KREDA-SP, KIDA-SP, KJRA-SP, KIRA-SP, KJDA-SP, KBI-SP, KRA-SP, IEIA-SP, IEBA-SP, or FON-SP for additional information on this exclusion.

SECTION A INSTRUCTIONS

Column (a)—Complete this column following the instructions for Form PTE Schedule K.

Column (b)— The PTE(K) reduces distributive share income to partners, members, or shareholders of the pass-through entity by the amount of income generated by the entity's economic development projects. For each item of income or deduction, enter the amount attributable to the project or projects. If the pass-through entity has more than one project, attach a schedule reflecting the computation of the total amount of each item.

If the pass-through entity's only operation is the project or projects, the amount entered for each item should be the same as the amount entered in column (a). Attach applicable tax computation schedule(s) (Schedules KREDA-SP, KIDA-SP, KJRA-SP, KIRA-SP, KJDA-SP, KBI-SP, KRA-SP, IEIA-SP, IEBA-SP, or FON-SP) and supporting schedules for each project.

Column (c)—For each item of income or deduction, subtract the amount in column (b) from the amount in column (a) and enter the result. The amounts from this column are used to determine the amount of income, credits, deductions, etc. reflected on each owner's Kentucky Schedule K-1. The total pro rata share items of all Schedules K-1 should equal the amount reported on the same lines of this column, Lines 1 through 23.

General Partnerships Only—Enter the refundable amount for the applicable tax credit.

SECTIONS B, C, AND D INSTRUCTIONS

Section B—A corporation or pass-through entity must include the proportionate share of the receipts of the limited liability pass-through entity or general partnership in computing its own apportionment factor. General Partnerships should use the equivalent amounts to complete Section B.

See Form PTE Schedule K for additional instructions for Sections B, C, and D.
