Baton Rouge, LA 70821-0751

Louisiana automatically grants all individuals a 6-month extension of time to file their income tax return.

- For calendar year filers, the filing date is automatically extended to November 15th.
- You are NOT required to file a form in order to obtain this automatic extension.
- You must pay any tax due by May 15th for calendar year filers.
- An extension of time to file does NOT extend the amount of time you have to make your payment.
- Penalties and interest will accrue on all late payments.
- You can make payments electronically at www.revenue.louisiana.gov/latap.

If you cannot file your income tax return by the due date and you anticipate that you will owe additional tax on your return, then you should submit your payment with this payment voucher. Only use this voucher for a payment that was not submitted electronically.
