Louisiana Department of Revenue
P.O. Box 751
Baton Rouge, LA 70821-0751

Louisiana automatically grants all partnerships a 6-month extension of time to file their income tax return.

- For calendar year filers, the filing date is automatically extended to November 15th.
- You are NOT required to file a form in order to obtain this automatic extension.
- You must pay any tax due by May 15th for calendar year filers or on or before the 15th day of the fifth month following the close of the accounting period for fiscal year filers.
- An extension of time to file does NOT extend the amount of time you have to make your payment.
- Penalties and interest will accrue on all late payments.

This voucher should be used by partnerships that are required to pay the composite partnership tax that cannot file the return by the due date and anticipate that they will owe additional tax on the return. Only use this voucher for a payment that was not submitted through electronic funds transfer. An Electronic Funds Transfer payment is required if the payment exceeds \$5,000.
