Revised Effective 4/15/2021

A Message from Comptroller Peter Franchot

Dear Maryland Taxpayers:

Since I took office as your Comptroller in 2007, our agency has become a national model for efficiency, effectiveness and customer service. We continue to deliver first-class customer service while tackling emerging threats such as tax fraud and identity theft.

The year 2020 delivered challenges not seen in generations. It tested our resolve and its impact will reverberate for years. From a fiscal standpoint, the COVID-19 pandemic rattled our state's economy, but did not shatter it. Maryland has a strong economic base that should help accelerate our recovery.

Through it all, our 1,100-person agency remains committed to our core mission: being respectful, being responsive and getting results for Maryland taxpayers.

Last year, we disbursed $2.9 billion in refunds, with most electronic payments issued in less than three business days.

Our agency's state-of-the-art fraud detection system has been widely lauded, and combined with the investigative and prosecutorial powers granted to my office via the 2017 Taxpayer Protection Act, we are keeping Marylanders safe from criminals engaging in identity theft and tax fraud. Since 2007, our office has suspended the processing of returns from more than 230 preparers at 250 locations.

In total, during my tenure, nearly 120,000 fraudulent returns worth $225 million have been blocked.

As Comptroller, I also understand that while we stress the importance of consistency and predictability in the tax code, small changes occur each year.

Below are a few bills that became law following the 2020 General Assembly session:

- SB523 authorizes a pass-through entity to elect to be taxed at the entity level on resident members' shares of income.
- HB980 increases to $150,000 the maximum tax credit that may be claimed for installing an energy storage system on commercial property.
- SB751 extends the termination date of the apprenticeship income tax credit under the More Jobs for Marylanders Program to June 30, 2025, and increases the credit from $1,000 to $3,000 for each eligible apprentice.
- HB276 expands eligibility for a subtraction modification to law enforcement officers of the Maryland-National Capital Park Police and Washington Suburban Sanitary Commission Police Force.
- HB1326 exempts the following parts and equipment for an artificial hearing device from sales and use tax: custom-made earmolds, battery chargers and receivers.
- SB843 creates a sales and use tax exemption for the sale of materials, equipment or supplies used by a caterer to perform a contract for catering services and intended for resale by the caterer and used directly or predominantly in performing the catering contract.

Also, it has been determined that Maryland is automatically decoupled from provisions of the Coronavirus Aid, Relief, and Economic Security Act (also known as the CARES Act) related to tax year 2020; however, conforms to the provisions of the CARES Act for certain tax years prior to 2020.

Taxpayers whose federal taxes for tax years prior to 2020 are impacted by provisions of the CARES Act related to net operating losses, business interest expense deductions, or loss limitations may need to file amended Maryland returns for those prior years.

If you have questions about these changes or anything else regarding your returns, do not hesitate to call my office at 1-800-MD-TAXES or email us at taxhelp@marylandtaxes.gov.

As we begin the 2021 Tax Filing Season with these changes in effect, our agency will continue to provide the level of service that you expect and deserve. As always, I will continue to promote policies that benefit the long-term fiscal health of the State of Maryland.

Sincerely,

Peter Franchot

Peter Franchot
Comptroller

Local Tax Income Tax Rate: For a complete list of counties and city local tax rates, see Instruction 19 or visit **www.marylandtaxes.gov**.

New Subtraction Modifications: There are two subtraction modifications that have been updated and two new subtraction modifications. For more information, see Instruction 13 (Line 13., Code Letters oo., uu., va., and vv.).

Tax Credits (individual/business): There are no new tax credits available.

Refundable Tax Credits: There is one new tax credit available. See Instruction 21.

The CARES Act of 2020: In response to the COVID-19 pandemic, the United States Congress passed the Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act. The Act temporarily altered several tax provisions enacted under the Tax Cuts and Jobs Act (TCJA) intended to increase cash flow and reduce the income tax burden on corporations, partnerships, and individuals. Relief includes: the temporary and retroactive reinstatement of Net Operating Loss (NOL) carryback provisions for tax years 2018, 2019, and 2020 previously repealed under the TCJA in Internal Revenue Code (IRC) § 172; a decreased limitation on business interest expenses subject to deduction in tax years 2019 and 2020 under IRC § 163(j); and the elimination of loss limitations imposed on non-corporate taxpayers by the TCJA under IRC § 461(l) for tax years 2018, 2019, and 2020. The CARES Act also provided a technical correction giving qualified business improvements (QIP) a 15-year recovery period, thereby making those assets eligible for 100% bonus depreciation under IRC § 168. For more information on Maryland's conformity to the CARES Act, see the Tax Alert issued July 24, 2020 at **www.marylandtaxes.gov.**

Senate Bill 987, Acts of 2020: This bill passed by Maryland General Assembly provides for the redevelopment of Laurel Park in Anne Arundel County and Pimlico Race Course in Baltimore City, by allowing a subtraction modification of a resident for gain recognized as a result of the direct or indirect transfer or conveyance of any property located, or used, at or within Laurel Park and Pimlico sites; and any portion of the Bowie Race Course Training Center Property; and the amount of income recognized as a result of any expenditure of funds directly or indirectly by the State investment in the sites.

Senate Bill 523, Acts of 2020: This is a result of Senate Bill 523 (Acts of 2020), adding a definition of "pass-through entity's taxable income," which requires pass-through entities to pay the tax imposed on distributive or pro rata shares of nonresident and nonresident entity members, and gives pass-through entities the option to pay the tax imposed on distributive or pro rata shares of income of resident members.

House Bill 276, Acts of 2020: This bill modifies the definition of law enforcement officers to include members of the Maryland-National Capital Park Police (**MNCPP**) or The Washington Suburban Sanitary Commission Police Force (**WSSCPF**) who live in Maryland-Washington Regional district with crime rates higher than the State's crime rate. These officers are now eligible for the subtraction of $5,000 of income.

House Bill 1510, Acts of 2020: This bill adds as a subtraction of the value of a subsidy for rental expenses received by a resident of Howard County under the "Live Where You Work" program of the Downtown Columbia Plan.

Senate Bill 496, The RELIEF Act of 2021: The purpose of the Recovery for the Economy, Livelihoods, Entrepreneurs, and Families Act, referred to as RELIEF Act, is to relieve some of the effects of the coronavirus pandemic. The RELIEF Act authorizes economic impact payments to certain Maryland residents, as well as separately providing for adjustments to both individual and business tax filings. The RELIEF Act includes direct economic impact payments for low to moderate income Maryland taxpayers who filed for and received the Earned Income Tax Credit (EITC) on their 2019 Maryland State Tax Return. These economic impact payments are issued by the Maryland Comptroller to all qualified taxpayers. The RELIEF Act provides assistance to Marylanders whose UI claims have been in adjudication for at least 30 days. For Marylanders who received or currently receive UI benefits, the RELIEF Act provides an income tax subtraction for Tax Years 2020 and 2021.

Senate Bill 218, Acts of 2021: The purpose of the Income Tax - Child Tax Credit and Expansion of the Income Credit is to expand the numbers of taxpayers to whom the Earned Income Credit (EIC) is available and to provide for a new Maryland Child Tax Credit. This bill created a refundable credit available to certain individual and joint married filers with one or more dependent, disabled children under the age of seventeen. Such filers with a federal adjusted gross income of $6,000 or less may claim a credit for each qualifying child in the amount of $500.

Extended due date to file and pay:
Legislative changes were enacted during the 2021 legislative session that required changes to 2020 tax year forms subsequent to their initial publication. As a result, on March 11, 2021 the Comptroller of Maryland announced an extension of certain filing and payment dates to allow time for the implementation of the forms changes. Individual income tax forms and payments for tax year 2020 calendar year filers are now due on **July 15, 2021**. References to the original April 15, 2021 due date throughout this booklet should be considered to be changed to July 15, 2021. There is no change to the extension due date for filing, which is October 15, 2021.

1 WHO MUST FILE?

This booklet and forms are for residents and part-year residents of Maryland. In general, you must file a Maryland return if you are or were a resident of Maryland AND you are required to file a federal return. Information in this section will allow you to determine if you must file a return and pay taxes as a resident of Maryland. If you are not a resident but had Maryland tax withheld or had income from sources in Maryland, you must use Form 505 or 515, Nonresident Tax return.

WHO IS A RESIDENT?

You are a resident of Maryland if:

a. Your permanent home is or was in Maryland (the law refers to this as your domicile).

OR

b. Your permanent home is outside of Maryland, but you maintained a place of abode (a place to live) in Maryland for more than six months of the tax year. If this applies to you and you were physically present in the state for 183 days or more, you must file a full-year resident return.

PART-YEAR RESIDENTS

If you began or ended residence in Maryland during the tax year, you must file a Maryland resident income tax return. See Instruction 26.

MILITARY AND OTHERS WORKING OUTSIDE OF MARYLAND

Military and other individuals whose domicile is in Maryland, but who are stationed or work outside of Maryland, including overseas, retain their Maryland legal residence. Maryland residency is not lost because of duty assignments outside of the State; see Administrative Release 37. Military personnel and their spouses should see Instruction 29.

TO DETERMINE IF YOU ARE REQUIRED TO FILE A MARYLAND RETURN

a. Add up all of your federal gross income to determine your total federal income. Gross income is defined in the Internal Revenue Code and, in general, consists of all income regardless of source. It includes wages and other compensation for services, gross income derived from business, gains (not losses) derived from dealings in property, interest, rents, royalties, dividends, alimony, annuities, pensions, income from partnerships or fiduciaries, etc. If modifications or deductions reduce your gross income below the minimum filing level, you are still required to file. IRS Publication 525 provides additional information on taxable and nontaxable income.

b. Do not include Social Security or railroad retirement benefits in your total federal income.

c. Add to your total federal income any Maryland additions to income. Do not include any additions related to periods of nonresidence. See Instruction 12. **This is your Maryland gross income.**

35-44

Sign the form and attach withholding statements (all W-2 and 1099 forms) showing Maryland and local tax withheld equal to the withholding you are claiming. Your form is then complete.

2 USE OF FEDERAL RETURN.

First complete your 2020 federal income tax return.

You will need information from your federal return to complete your Maryland return. Complete your federal return before you continue beyond this point. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use federal Form 1040NR, visit **www.marylandtaxes.gov** for further information. All items reported on your Maryland return are subject to verification, audit and revision by the Maryland State Comptroller's Office.

3 MARYLAND HEALTHCARE COVERAGE.

The Maryland General Assembly enacted Chapter 423 in the 2019 Session requiring the collection of certain information, including whether an individual is uninsured at the time the tax return is filed and whether the individual is interested in having the Maryland Health Benefit Exchange ("the Exchange") determine whether an individual may be eligible for insurance affordability programs, such as no-cost or low-cost minimum essential health care coverage. The Exchange is the agency that regulates Maryland Health Connection.

Check the appropriate box on Form 502 for you and/or your spouse if you are uninsured as of the date you file your return. If you would like the Exchange to determine pre-eligibility for health insurance affordability programs for any uninsured member of your household, you must also check the box on Form 502 indicating you authorize the Comptroller to share information from your tax return with the Exchange.

For each dependent identified on Form 502B, check the appropriate box to indicate if that dependent is an uninsured individual as of the date the return is filed.

You must provide the date of birth for any uninsured individual who is interested in obtaining minimum essential health coverage.

If you authorize information sharing, we will share the following information with the Exchange:

- Name, SSN, and date of birth of each uninsured individual;
- Your current mailing address, email address and phone number;
- Number of uninsured individuals in your household identified on your return; and
- Your federal adjusted gross income amount from Line 1.

Information shared with the Exchange will be used to determine eligibility for insurance affordability programs or to assist with enrollment in health coverage. If you would like more information about the health insurance affordability programs or health care coverage enrollment, visit the Exchange's website at **www.marylandhealthconnection.gov/easyenrollment/**

4 NAME AND ADDRESS.

Enter your name exactly as entered on your federal tax return. If you changed your name because of marriage, divorce, etc., be sure to report the change to the Social Security Administration before filing your return. This will prevent delays in the processing of your return.

Enter your current address using the spaces provided. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. It is important that you enter each Social Security Number in the space provided. You must enter each SSN legibly because we validate each number. If the SSN is not correct and legible, it will affect the processing of your return. Your name must match the name on your current social security card to ensure you get credit for your personal exemption. If not, contact SSA at 800-772-1213 or visit www.ssa.gov.

The Social Security Number(s) (SSN) must be a valid number issued by the Social Security Administration of the United States Government. If you or your spouse or dependent(s) do not have a SSN and you are not eligible to get a SSN, **you must apply for an Individual Tax Identification Number (ITIN) with the IRS and you should wait until you have received it before you file; and enter it wherever your SSN is requested on the return.**

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know his or her SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, on one of the code number lines located to the right of the telephone number area on page 4 of the form; attach a copy of the child's death certificate to your return.

1. Find your 4 Digit Political Subdivision Code in the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND and enter this number on the 4 DIGIT POLITICAL SUBDIVISION CODE line.

   ⚠ When selecting the 4 Digit Political Subdivision Code, be sure that you have selected the proper political subdivision from the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND. Do not rely on your ZIP Code + 4 to identify the proper political subdivision. For example, most residents within the ZIP Code of Upper Marlboro do not reside in the political subdivision of the Town of Upper Marlboro. Therefore, entering the Town of Upper Marlboro on the 4 DIGIT POLITICAL SUBDIVISION CODE line for those with a ZIP Code in Upper Marlboro may not be correct. Also, some political subdivisions have similar names such as Bel Air in Allegany County and Town of Bel Air in Harford County or Town of Chevy Chase and Town of Chevy Chase View. You may contact your county seat for further information relating to the incorporated boundaries of incorporated cities, towns and taxing areas in your county.

2. If you lived within the incorporated tax boundaries of one of the areas listed under your county as found in the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND, write the name of the city, town or taxing area on the MARYLAND POLITICAL SUBDIVISION line. 8 SPECIAL INSTRUCTIONS FOR MARRIED PERSONS FILING SEPARATELY.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, follow the instructions below.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, you should report the income you would have reported had you filed a separate federal return. The income from jointly held securities, property, etc., must be divided evenly between spouses.

If you itemized your deductions on the joint federal return, one spouse may use the standard deduction and the other spouse may claim those deductions on the federal return that are "attributable exclusively" to that spouse, plus a prorated amount of the remaining deductions. If it is not possible to determine these deductions, the deduction must be allocated proportionately based on your share of the income.

"Attributable exclusively" means that the individual is solely responsible for the payment of an expense claimed as an itemized deduction, including compliance with a valid court order or separation agreement; or the individual jointly responsible for the payment of an expense claimed as an itemized deduction can demonstrate payment of the full amount of the deduction with funds that are not attributable in whole or in part, to the other jointly responsible individual.

Line 8. STATE TAX REFUNDS. Copy onto line 8 the amount of refunds of state or local income tax included in line 1 of Form 502.

Line 9. CHILD CARE EXPENSES. You may subtract the cost of caring for your dependents while you work. There is a limitation of $3,000 ($6,000 if two or more dependents receive care). Copy onto line 9 the amount from federal Form 2441. You may also be entitled to **credits** for these taxable expenses. See instructions for Part B and **Part CC** of Form 502CR.

Line 10a. PENSION EXCLUSION. You may be able to subtract some of your taxable pension and retirement annuity income. This subtraction applies only if:

a. You were 65 or over **or** totally disabled, or your spouse was totally disabled, on the last day of the tax year, AND

b. You included on your federal return taxable income received as a pension, annuity or endowment from an "employee retirement system" qualified under Sections 401(a), 403 or 457(b) of the Internal Revenue Code. [A traditional IRA, a Roth IRA, a simplified employee plan (SEP), a Keogh plan, an ineligible deferred compensation plan or foreign retirement income does not qualify.]

Note: For additional information regarding qualified plans pension exclusion, refer to FAQs #2 on page iii Resident Booklet; and Form 502R Instructions; and the chart of Form 502R.

Each spouse who receives taxable pension or annuity income and is 65 or over or totally disabled may be entitled to this exclusion. In addition, if you receive taxable pension or annuity income but you are not 65 or totally disabled, you may be entitled to this exclusion if your spouse is totally disabled. Complete a separate column in the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) for each spouse. Combine your allowable exclusion and enter the total amount on line 10a, Form 502. On line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

To be considered totally disabled, you must have a mental or physical impairment which prevents you from engaging in substantial gainful activity. You must expect the impairment to be of long, continued or indefinite duration or to result in your death. You must attach to your return a certification from a qualified physician stating the nature of your impairment and that you are totally disabled. If you have previously submitted a physician's certification, attach your own statement that you are still totally disabled and that a physician's certification was submitted before.

If you are a part-year resident, complete PENSION EXCLUSION COMPUTATION WORKSHEET (13A) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 5 by the number of months of Maryland residence divided by 12. However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. Note that, in either case, the proration factor may not exceed 1.

Complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A). Copy the amount from line 5 of the worksheet onto line 10a, Form 502. On line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

Note: You must complete and attach Form 502R to Form 502 if you or your spouse are claiming a pension exclusion on line 10a of Form 502. See Form 502R for additional information.

10b. PENSION EXCLUSION FOR RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL. An individual taxpayer may not claim BOTH the standard Pension Exclusion and the Pension Exclusion for Retired Correctional Officer, Law Enforcement Officer, or Fire, Rescue, or Emergency Services Personnel. If you are 65 or older on the last day of the calendar year, you are totally disabled, or your spouse is totally disabled, and you have received qualified pension income, you should complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) regardless of your prior work history. It is permissible for one spouse to claim the standard Pension Exclusion and the other spouse to claim the Pension Exclusion for Retired Correctional Officer, Law Enforcement Officer, or Fire, Rescue, or Emergency Services Personnel if each spouse meets the applicable required criteria.

If you meet the following criteria, use the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E) to calculate your eligible pension exclusion:

a. You were 55 or over on the last day of the tax year, AND

b. You were not 65 or older, or totally disabled, or have a spouse who is totally disabled, AND

c. You included on your federal return taxable income received as a pension, annuity or endowment from an "employee retirement system" qualified under Section 401(a), 403 or 457(b) of the Internal Revenue Code, AND

d. The retirement income is attributable to your service as a correctional officer, law enforcement officer, or fire, rescue, or emergency services personnel of the United States, the State of Maryland or a political subdivision of Maryland.

Each spouse who meets the above requirements may be entitled to the exclusion. If each spouse is eligible, complete a separate column on the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E). Combine your allowable exclusions from line 8 of the worksheet and enter the total amount on line 10b, Form 502. On line 10b, Form 502 check the applicable box(es) for yourself and/or spouse.

If you are a part-year resident, complete the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 8 by the number of months of Maryland residence divided by 12. However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received. Copy the prorated amount from line 8 of the worksheet onto line 10b, Form 502.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. In either case, the prorated factor may not exceed 1.

Note: You must complete and attach Form 502R to the Form 502 if you or your spouse are claiming a pension exclusion on line 10b of Form 502. See the Form 502R for additional information.

Note: You must complete and attach Form 502R to the Form 502 if you or your spouse received any income during the tax year (taxable or nontaxable) from Social Security or Railroad Retirement (Tier I or Tier II). See Form 502R for additional information.

Line 12. NONRESIDENT INCOME. If you began or ended your residence in Maryland during the year, you may subtract the portion of your income received when you were not a resident of Maryland. See Instruction 26 for part-year residents and Administrative Release 1 for military personnel.

Line 13. SUBTRACTIONS FROM INCOME. Other certain subtractions for which you may qualify will be reported on Form 502SU. Determine which subtractions apply to you and enter the amount for each on Form 502SU. Enter the sum of all applicable subtractions from Form 502SU on line 13 of Form 502, and enter the code letters that represent the four highest dollar amounts in the code letter lines. If multiple subtractions apply, be sure to identify all of them on Form 502SU and attach it to your Form 502.

Therefore, Pat and Chris Jones are entitled to claim a subtraction of $7,200 ($9,600 - $2,400) on line hh of Form 502SU.

If you are not certain about which method to use, figure your tax both ways to determine which method is best for you. Check one of the deduction method boxes to indicate which method you will use.

STANDARD DEDUCTION METHOD

The STANDARD DEDUCTION METHOD gives you a standard deduction of 15% of Maryland adjusted gross income (line 16) with minimums of $1,550 and $3,100 and maximums of $2,300 and $4,650, depending on your filing status. Use STANDARD DEDUCTION WORKSHEET (16A) for your filing status to figure your standard deduction. Write the result on line 17 of Form 502. Then follow the instructions for EXEMPTIONS.

ITEMIZED DEDUCTION METHOD

You may itemize your deductions only if you itemized deductions on your federal return. See Instruction 14 for completing lines 17a and b of Form 502. Enter the result on line 17. You are not required to itemize deductions on your Maryland return simply because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

EXEMPTIONS

After completing the EXEMPTIONS area on your return (page 1), enter the total exemption amount on line 19 of Form 502.

PART-YEAR RESIDENTS AND NONRESIDENT MILITARY TAXPAYERS

You must adjust your standard or itemized deductions and exemptions. If you are a part-year resident, see Instruction 26. If you are a nonresident military member filing a joint return with your civilian spouse, see Administrative Release 1.

17 FIGURE YOUR MARYLAND TAX.

You must use the tax tables if your taxable income is less than $100,000.

The 2020 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead, use the tax tables if your income is under $100,000; otherwise, use the appropriate row in the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax tables to figure your tax. The tax tables and the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES I AND II have been based on these tax rate schedules.

Find the income range in the tax table that applies to the amount on line 20 of Form 502. Find the Maryland tax corresponding to your income range. Enter the tax amount on line 21 of Form 502. If your taxable income is $100,000 or more, use the MARYLAND TAX COMPUTATION WORKSHEET (17A) at the end of the tax table.

22 OVERPAYMENT OR BALANCE DUE.

Calculate the Balance Due (line 45 of Form 502) or Overpayment (line 46 of Form 502). Read instructions under UNDERPAYMENT OF ESTIMATED TAX and then go to BALANCE DUE or OVERPAYMENT.

UNDERPAYMENT OF ESTIMATED TAX

If you had income from which tax was not withheld or did not have enough tax withheld during the year, you may have owed an estimated tax. All taxpayers should refer to Form 502UP to determine if they owe interest because they underpaid estimated tax during the year.

If you owe interest, complete Form 502UP, write the amount of interest (line 18 of Form 502UP) and check the box on line 49 of Form 502. Attach Form 502UP.

Generally, you do not owe interest if:

a. you owe less than $500 tax on income that is not subject to Maryland withholding;

b. each current year payment, made quarterly as required, is equal to or more than one-fourth of 110% of last year's tax, that was developed; OR

c. you made quarterly payments during the year that equal 90% of this year's tax.

d. If 90% of your taxable income was taxable to another state or your income was received unevenly, see Instruction 23 for more information.

Special rules apply if your gross income from farming or fishing is at least two-thirds of your total estimated gross income. See Form 502UP for additional information and instructions for claiming this exemption from interest.

INTEREST FOR LATE FILING

Interest is due at the rate of 10% annually or 0.8333% per month for any month or part of a month that a tax is paid after the original due date of the 2020 return but before January 1, 2022. For assistance in calculating interest for tax paid on or after January 1, 2022, visit **www.marylandtaxes.gov**. Enter any interest due on the appropriate line of your tax return.

Penalty up to 10% may be assessed by the Revenue Administration Division for failing to pay any tax, or failing to file a tax return, when due.

TOTAL INTEREST

Enter the total of interest for underpayment of estimated tax and interest for late filing on line 49 of Form 502.

BALANCE DUE

If you have a balance due, add this amount to any amount on line 49. Enter the total on line 50.

Pay your balance due (unless it is less than $1.00). See Instructions 23 and 24 regarding signatures, attachments and mailing.

OVERPAYMENT

If you file Form 502 and have an overpayment on line 46, the Revenue Administration Division will refund any amount of $1.00 or more. If you want part or all of your overpayment applied to your 2021 estimated tax, then write the amount you want applied on line 47. Overpayments may first be applied to previous years' tax liabilities or other debts as required by federal or state law. If you must pay interest for underpayment of estimated tax, enter the amount of interest from line 18 of Form 502UP on line 49. Subtract lines 47 and 49 from your overpayment (line 46). This is the amount of your refund. Write this amount on line 48. No refunds of less than $1.00 will be sent. If the amount of interest charges from Form 502UP or line 49 is more than the overpayment or line 46 of Form 502, enter zero (0) on line 47 and 48. Then subtract line 49 from line 46 and enter the result on line 50. If you prefer, you may leave line 49 blank and the Revenue Administration Division will figure the interest charges and send you a bill. See Instructions 23 and 24 regarding signatures, attachments and mailing.

The length of time you have for claiming a refund is limited. See Instruction 28 for more information.

DIRECT DEPOSIT OF REFUND

To comply with banking and **National Automated Clearing House Association (NACHA)** rules, we ask you to indicate by checking the appropriate box on your return if the state refund is going to an account outside the United States. If you indicate that this is the case, **STOP!** do not enter your routing and account numbers, as the direct deposit option is not available to you. We will send you a paper check.

By choosing direct deposit of your refund and checking the appropriate box, you authorize the State of Maryland to disclose to your bank and NACHA any tax return information necessary to make the deposit, such as your name and the name(s) as it appears on the bank account. Complete lines 51a, b, c, and d of Form 502 if you want us to deposit your refund directly into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. **If you enter incorrect account or omit any required information, the State of Maryland will not be responsible for recovering that refund and/or for making direct deposit payment electronically.**

Line 51a.
Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only or a refund check will be mailed.

Line 51b.
The routing number must be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be mailed.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 51c.
The account number can be up to 17 characters (both numbers

and letters). Omit spaces, hyphens and special symbols. Enter the number from left to right. If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you. Have a bank statement for the deposit account available if you contact us concerning the direct deposit of your refund.

Line 51d.

Indicate the name(s) as it appears on the bank account.

DISCLOSURE By requesting a direct deposit of your Maryland tax refund and entering your bank account number, routing number, account type, and name(s) as it appears on your bank account and on your income tax return, you authorize the Comptroller's Office to disclose this information regarding your refund amount to the Maryland State Treasurer's Office (who performs banking services for the Comptroller's Office).

SPLITTING YOUR DIRECT DEPOSIT

If you would like to deposit portions of your refund (Form 502, line 48) to multiple accounts, do not complete any direct deposit information on your income tax return. Instead, you must enter code number **588** on one of the code number lines located to the right of the telephone number area on your return; complete, and attach Form 588. Visit **www.marylandtaxes.gov** to obtain a Form 588.

NOTE: You may not use Form 588 if you are filing Form 502INJ, Maryland Injured Spouse Claim Form, or if you plan to deposit your refund in a bank outside of the United States.

Individual taxpayers now have the option to use all or part of their Maryland income tax refund to purchase U.S. Series I Savings Bonds. See Form 588 for additional details.

23 TELEPHONE NUMBERS, CODE NUMBERS, SIGNATURES AND ATTACHMENTS.

Enter your telephone numbers and sign and date your return. Be sure to attach all required forms, schedules and statements.

CODE NUMBER

If special circumstances apply, you may not owe interest for underpayment of estimated tax. Enter the applicable code number on one of the code number lines located to the right of the telephone number area. Enter **code 300** if you are a farmer or fisherman, **301** if your income was received unevenly throughout the year, or **302** if 90% of your taxable income is taxable by another state and the underpayment is not greater than the local tax. Attach your completed Form 502UP if you have entered **code 301**.

TAX PREPARERS

If another person prepared your return, that person must print name, sign the return and enter their Preparer's Tax Identification Number (PTIN). The preparer declares, under the penalties of perjury, that the return is based on all information required to be reported of which the preparer has knowledge. Income tax preparers who, for compensation, completed 100 or more original Maryland individual income tax returns (paper and electronic forms) for Tax Year 2019 are required to file all original individual income tax returns electronically for Tax Year 2020, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer not to file your return electronically.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their PTIN, or who failed to file electronically when required.

SIGNATURES

You must sign your return. Your signature(s) signifies that your return, including all attachments, is, to the best of your knowledge and belief, true, correct and complete, under penalties of perjury. Both spouses must sign a joint return. If your spouse cannot sign because of injury or disease and tells you to sign, you can sign your spouse's name in the proper space on the return followed by the words "By (your name), spouse." Be sure to also sign in the space provided for your signature. If a power of attorney is necessary, complete Form 548 and attach to your return.

ATTACHMENTS

For returns with payment by check or money order, attach the payment to the Form PV. The Form PV and payment are placed before the Form 502 for mailing purposes. **The Form PV and payment are not attached to the Form 502.**

Be sure to attach wage and tax statements (Form W-2, W-2G and 1099) to the front of your Form 502, **if Maryland tax was withheld**. Also attach all other forms (except Form PV), K-1s, schedules and statements required by these instructions. These documents should be attached and placed after page 4 of the Form 502.

24 ELECTRONIC FILING, MAILING AND PAYMENT INSTRUCTIONS, DEADLINES AND EXTENSION.

ELECTRONICALLY FILING YOUR RETURN

If you request direct deposit on your electronic return, your refund should be in your bank account within 72 hours of acknowledgment from the Revenue Administration Division. **You may request electronic funds withdrawal (direct debit) payments on your electronic return.** If you both file and pay electronically, your return is due April 15th. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. **However, you will have until April 30th to make your electronic payment. Note: An online payment where the bank mails the Comptroller of Maryland a paper check is not considered an electronic payment.** You may file your return electronically through your personal computer. **Do not send a paper copy of the return if you electronically filed.** For more information, visit **www.marylandtaxes.gov.**

ELECTRONIC PAYMENT OF BALANCE DUE

If your paper or electronic tax return has a balance due, you may pay electronically at **www.marylandtaxes.gov** by selecting Bill Pay. The amount that you designate will be debited from your bank or financial institution on the date that you choose.

PAYMENT BY CHECK OR MONEY ORDER

Make your check or money order payable to "Comptroller of Maryland." Use blue or black ink. **Do not use red ink or pencil.** Write the type of tax and year of tax being paid on your check. It is recommended that you include your Social Security number of the primary taxpayer (if filing jointly) on the check. **DO NOT SEND CASH.**

Your check or money order should be attached to the completed Form PV. Do not attach the check or money order to your return.

ALTERNATIVE PAYMENT METHODS

For alternative methods of payment, such as a credit card, visit **www.marylandtaxes.gov.**

NOTE: Credit card payments are considered electronic payments for the purpose of the April 30th extended due date if you filed your return electronically by April 15th. If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

ELECTRONIC 1099G

At the bottom of the return in the signature area, we have provided a check-box just above the signature for you to indicate that you agree to receive your statement of refund (Form

1099G) electronically. Visit **www.marylandtaxes.gov** to print an electronic Form 1099G or request Form 1099G in paper form.

If you have requested an electronic 1099G, we will notify you by email in January that your 1099G is available to be viewed and printed at **www.marylandtaxes.gov**, if you are a registered user.

Note: We can only honor your request on an electronically-filed return or through your registered request on our website. If you are filing a tax form by paper, we do not capture this request and therefore cannot honor your request to send you an electronic Form 1099G under current IRS regulations.

MAILING YOUR RETURN

DUE DATE

Returns must be mailed by April 15th, 2021, for calendar year taxpayers. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. If filing on a fiscal year basis, see Instruction 25.

EXTENSION OF TIME TO FILE

Follow the instructions on Form PV found on the PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW) to request an automatic extension of the time to file your 2020 return. Filing Form PV extends the time to file your return, but does not extend the time to pay your taxes. Payment of the expected tax due is required with Form PV on or before April 15th, 2021. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our website. I**f no tax is due and you requested a federal extension, you do not need to file Form PV or take any other action to obtain an automatic six-month extension.** If no tax is due and you did not request a federal extension, file your extension online at **www.marylandtaxes.gov** or by phone at 410-260-7829. Only submit Form PV if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information, visit **www.irs.gov**. If you are affected by the extension enter **912** on one of the code number lines to the right of the telephone number area.

25 FISCAL YEAR.

You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 502, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2020 forms for fiscal years which begin during calendar year 2020.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

26 SPECIAL INSTRUCTIONS FOR PART-YEAR RESIDENTS.

Your return must show all income reported on your federal return, regardless of when or where earned. However, you are permitted to subtract income received when not a resident of Maryland. The following instructions describe the adjustments which must be made for a part-year resident return and returns filed by certain military taxpayers (see Instruction 29) and married couples who file a joint return when one spouse is not a resident of Maryland.

a. You must file Form 502.

b. Whenever the term "tax year" is used in these instructions, it means that portion of the year in which you were a resident of Maryland. If you began residence in Maryland in 2020, the last day of the "tax year" was December 31, 2020. If you ended residence in Maryland in 2020, the last day of the "tax year" was the day before you established residence in another state.

c. Complete the name and address information at the top of Form 502. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. Use the county, city, town or taxing area of which you were a resident on the last day of your Maryland residence.

f. Complete the EXEMPTIONS area. Additional exemptions are allowed for age and blindness for Maryland purposes which will be computed in this area.

g. Complete the Part-year/MILITARY area on the front of Form 502. Place a "P" in the box and show the dates of residence in Maryland. Certain military taxpayers following these instructions should place an "M" in the box and enter the non-Maryland military income. If you are both part-year and military, place a "P" and "M" in the box. Married taxpayers with different tax periods filing a joint Maryland return should enter a "D" in the box, follow the remainder of this instruction and write "different tax periods" in the dates of residence area. Married taxpayers who file a joint return when one spouse is not a resident of Maryland should place a "P" in the part year resident box and enter the name and the other state of residence of the nonresident spouse.

The Maryland return must be completed in accordance with the alternative method requested. This request should be sent to the Revenue Administration Division, Taxpayer Accounting Section (Special Allocations), P.O. Box 1829, Annapolis, MD 21404-1829.

Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "Estate of" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration.

If there is no personal representative, write the word "deceased" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of federal Form 1310 if applicable.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland will also abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action. In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at **www.irs.gov**. Place code number **915** on one of the lines marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

28 AMENDED RETURNS.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes to your original return. These include changes in income, filing status, amount of deductions, the number of exemptions, and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 502X to file an amended return and include a copy of your federal return. Form 502X and instructions may be obtained by visiting **www.marylandtaxes.gov** or by calling 410-260-7951.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Revenue Administration Division within 90 days of the final determination of the changes by the IRS. If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Then cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. A return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the return was filed, the credit or refund may not be more than that part of the tax paid within three years, plus extension of time for filing the return, prior to the filing of the claim. If a claim is filed after the three year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the tax year of the net operating loss (farming loss only).

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than three years from the date of filing the return or more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund resulted from a notification received from another state for income taxes due which is more than three years from the date of filing the Maryland return or more than two years from the time the tax was paid, a claim for refund resulting from a credit for taxes paid to that state must be filed within one year of the date of the notification that the other state's tax was due.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than $1.00 will be issued. No payment of less than $1.00 is required.

29 SPECIAL INSTRUCTIONS FOR MILITARY TAXPAYERS.

See Administrative Release 1.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF MARYLAND

1. Without overseas pay:

   Must file a resident return (Form 502) and report all income from all sources, wherever earned. You must calculate the local portion of the tax regardless of whether you were stationed in Maryland or not. The location of your legal residence determines which county should be entered on your return. See Instructions 6 and 19. If you filed a joint federal return, see Instruction 7.

2. With overseas pay:

   Same as above, may subtract up to $15,000 in military pay earned outside U.S. boundaries or possessions, depending upon total military income. If you filed a joint federal return, see Instruction 7.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF ANOTHER STATE

Military personnel and their spouses who are legal residents of another state should see the MARYLAND NONRESIDENT INSTRUCTIONS and Administrative Release 1.

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

Estimated Tax Worksheet Instructions

Purpose of declaration The filing of a declaration of estimated Maryland income tax is a part of the pay-as-you-go plan of income tax collection adopted by the State. If you have any income such as pensions, business income, lottery, capital gains, interest, dividends, etc., from which no tax is withheld, or wages from which not enough Maryland tax is withheld, you may have to pay estimated taxes. The law is similar to the federal law.

Who must file a declaration You must file a declaration of estimated tax if you are required to file a Maryland income tax return and your gross income would be expected to develop a tax of more than $500 in excess of your Maryland withholding.

You must file a declaration with payment in full within 60 days of receiving $500 or more of income from awards, prizes, lotteries or raffles, whether paid in cash or property if Maryland tax has not been withheld. A married couple may file a joint declaration. If you are filing a joint declaration, both Social Security numbers must be entered. If filing on behalf of a minor, the name and Social Security number of the minor must be entered.

When to file a declaration You must pay at least one-fourth of the total estimated tax on line 15 of this form on or before **April 15, 2021**. The remaining quarterly payments are due **June 15, 2021**, **September 15, 2021** and **January 15, 2022**. You may pay the total estimated tax with your first payment, if you wish. If you are filing on a fiscal year basis, each payment is due by the 15th day of the 4th, 6th, 9th and 13th months following the beginning of the fiscal year.

Overpayment of tax If you overpaid your 2020 income tax (Form 502 or 505), you may apply all or part of the overpayment to your 2021 estimated tax. If the overpayment applied equals or exceeds the estimated tax liability for the first quarterly payment, you are not required to file the declaration. If the overpayment applied is less than the estimated tax liability, you should file the declaration and pay the balance of the first installment.

How to estimate your 2021 tax The worksheet is designed to develop an estimate of your 2021 Maryland and local income tax. Be as accurate as you can in forecasting your 2021 income. You may use your 2020 income tax as a guide, but if you will receive more income than you did in 2020, you must pay at least 110% of your prior year tax to avoid interest for underpayment of estimated tax. For the purpose of estimating, rounding all amounts to the nearest dollar is recommended.

Nonresidents who want to estimate 2021 Maryland taxes may use the Nonresident Estimate Tax Calculator at **www.marylandtaxes.gov**.

Specific Instructions:

Line 1. Total income expected in 2021 is your estimated federal adjusted gross income.

Line 2. Net modifications. You must add certain items to your federal adjusted gross income. See Instruction 12 of the tax instructions. You may subtract certain items from federal adjusted gross income. See Instruction 13 of the tax instructions. Enter on this line the net result of additions and subtractions.

Line 4. Deductions. You may compute your tax using the standard deduction method or the itemized deduction method.

Standard deduction. Compute 15% of line 3.

If Filing Status 1, 3, 6: If the amount computed is less than $1,550, enter $1,550; if the amount is between $1,550 and $2,300, enter that amount; if the amount is more than $2,300, enter $2,300.

If Filing Status 2, 4, 5: If the amount computed is less than $3,100, enter $3,100; if the amount is between $3,100 and $4,650, enter that amount; if the amount is more than $4,650, enter $4,650.

Itemized deductions. Enter the total of federal itemized deductions less state and local income taxes.

Line 6. Personal exemptions. If your FAGI will be $100,000 or less, you are allowed:

a. $3,200 each for taxpayer and spouse.
b. $1,000 each for taxpayer and spouse if age 65 or over and/or blind.
c. $3,200 for each allowable dependent, other than taxpayer and spouse. The amount is doubled for allowable dependents age 65 or over.

If your FAGI will be more than $100,000, see chart below to determine the amount of exemption you can claim for items a and c above.

Filing a return instead of fourth payment Instead of making the fourth declaration payment on or before **January 15, 2022,** you may file your 2021 personal income tax return, provided you file it on or before **January 31, 2022** and pay in full with the return any balance of tax due.

Farmers and fishermen If your estimated gross income from farming or fishing is at least two-thirds of your total estimated gross income for the year, special provisions may apply. Your 2021 declaration and full payment of the estimated tax are due on or before **January 15, 2022**. You do not have to file the declaration if you file your complete tax return (Form 502 or 505) and pay the full amount of tax due on or before **March 1, 2022**.

Changes in income or exemptions Your situation may not require you to file a declaration on **April 15, 2021**. However, a large increase in income after that date may require you to file a declaration. If at any time during the year you need to amend your original declaration, simply increase or decrease the remaining payments.

Forms and information Can be found by visiting **www.marylandtaxes.gov**, at any of the Comptroller of Maryland branch offices, or calling 410-260-7980 from Central Maryland or 1-800-MD-TAXES from elsewhere.

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

Extension Worksheet Instructions

Who must file for an extension?

If you cannot complete and file your Form 502, 505, 510C or 515 by the due date, you should complete the Tax Payment Worksheet to determine if you must file for an extension. If line 6 of the worksheet shows you owe tax, you must file Form PV and pay the full amount due by April 15, 2021, (or the 15th day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file for an extension if, after completing the PVW, you find that you do not owe additional tax. However, be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See **"Will I owe penalties and interest?"**.

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 505, 510C or 515. **You are not required to file for an extension in order to obtain this automatic extension.** However, you should use Form PV to pay any tax due of forms 502, 505, and 515, but you should use Form EL102B to pay any tax due or payment with extension of form 510C in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2021.

Note: In the case of Form 510C, the PVW must be completed to estimate the payment.

Requesting a Maryland extension when not requesting a federal extension:

(1) Request your extension by telefile at 410-260-7829 from Central Maryland or 1-800-260-3664 from elsewhere; or,

(2) Request your extension at **www.marylandtaxes.gov.**

When should I mail Form PV without a payment?

Never.

When requesting an extension beyond six months, how should I file?

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our website. For more information visit **www.marylandtaxes.gov**.

When should I file?

If you owe any tax, file Form PV along with your payment on or before April 15, 2021. If you are filing on a fiscal year basis, file by the regular due date of your return.

Where should I file?

You may request your extension at **www.marylandtaxes.gov** and use electronic funds withdrawal (direct debit) from your savings or checking account. If you want to pay by credit card, visit **www.marylandtaxes.gov** otherwise, make your check or money order payable to: **COMPTROLLER OF MARYLAND.**

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

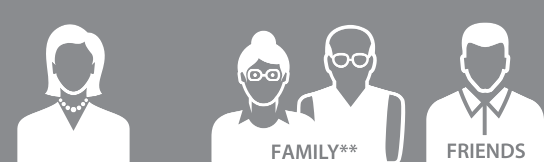
Maryland ABLE Tax Benefits

Did you know that Maryland taxpayers may be eligible for a State income deduction if they open a new OR contribute to an existing Maryland ABLE account?

Who may be eligible for income deductions?

The person who opens a new account and family/friends who contribute to an existing account.



ACCOUNT HOLDER	ACCOUNT CONTRIBUTORS	
$2,500	$2,500	$2,500
	$2,500	
$2,500	$5,000	$2,500

$5,000 combined annual income deduction.

Deductions up to $2,500 for each contributor to a Maryland ABLE plan. * Deductions apply to Maryland taxable income for your contributions in that tax year.

Each ABLE account is limited to a total annual contribution of $15,000 from all contributors.

A Beneficiary may qualify to contribute the lessor of their earnings up to an additional $12,490 for 2020 so long as they or their employer did not contribute to any retirement plan for the Beneficiary within the taxable year.

*Based on the example of a beneficiary, single parent, family, or friend contributing to the ABLE plan.
**Parents filing separately can each claim up to $2,500 per ABLE account, and claim up to $5,000 per ABLE account if filing jointly.

Visit **marylandable.org** for complete details.

Please carefully read the Plan Disclosure Statement, available online, which describes the investment objectives, risks, expenses, and other important information that you should consider before you invest in a Maryland ABLE account. Also if you or the ABLE account beneficiary live outside of Maryland, you should consider before investing whether your state or your beneficiary's state offers state tax or other benefits for investing in its ABLE plan. Tax benefits may be conditioned on meeting certain requirements, such as residency, purpose for or timing of distributions, or other factors, as applicable. As with all State and Federal tax matters, please consult with your tax advisor.

STATE DEPARTMENT OF ASSESSMENTS AND TAXATION
INFORMATION REGARDING PROPERTY TAX CREDITS AND EXEMPTIONS

Under Maryland law, you may be eligible for a substantial credit on the property tax bill issued on your home, based upon your gross household income. This program is available to homeowners of all ages and the credit is calculated solely on the basis of gross income. The application form is not provided in this income tax booklet because the credits are issued as a deduction from the homeowner's July property tax bill. The property tax credit application forms are processed separately by the State Department of Assessments and Taxation.

Use the chart printed below to see if it would be worthwhile for you to submit a Homeowners' Tax Credit application. If the actual property taxes on your home (based on no more than $300,000 of assessed value) exceed the "Tax Limit" amount shown on the table below for your household income level, you may be eligible for a credit and are urged to file an application. The table is printed for illustrative purposes, and therefore, the income amounts are listed in increments of $1,000. For purposes of this program, the applicant must report total income, which means the combined gross household income before any deductions are taken. Nontaxable income, such as Social Security, Railroad Retirement or Veterans' benefits, also must be reported as income for the tax credit program.

13,000	225	22,000	960	and up to a maximum	*
14,000	290	23,000	1,050	of $60,000	
15,000	355	24,000	1,140		
16,000	420	25,000	1,230		

* For each additional $1,000 of Income add $90 to $1,680 to find the amount that your tax must exceed.

If you think you might qualify on the basis of your household income, there are certain other legal requirements which must be met. Due to space restrictions, all of the other special limitations cannot be listed in this notice. The purpose of this notice is simply to advise you of the availability of the program and to suggest that you inquire further if you think you qualify on the basis of the income chart provided above. **To obtain a Homeowners' Tax Credit application form or to receive further information about your eligibility for the program, you should telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** Applications can also be found on the SDAT website at **www.dat.maryland.gov**. The deadline for filing a Homeowners' Tax Credit application is generally October 1, 2021.

RENTERS' TAX CREDIT PROGRAM

The State of Maryland also makes available a Renters' Tax Credit of up to $1000 a year for renters age 60 and over or those 100% disabled if they qualify on the basis of income. Renters under age 60 who have a dependent child may be eligible for a credit if certain separate income requirements are met. **To obtain a Renters' Tax Credit application form or to receive further information about the program, you may telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** Applications can also be found on the SDAT website at **www.dat.maryland.gov.** The filing deadline for the Renter's Program is October 1, 2021.

REAL PROPERTY TAX EXEMPTIONS FOR 100% DISABLED VETERANS AND BLIND PERSONS

There is a complete exemption from real property taxes on the dwelling house owned by disabled veterans with a 100% service connected permanent disability or by their surviving spouses. The State also allows an exemption on the first $15,000 of valuation on the dwelling house owned by legally blind persons. **For further information about either exemption, please telephone 410-767-4433 in the Baltimore area or 1-800-944-7403 (toll free) in other areas of Maryland.**

For additional information regarding property tax credits and exemptions please visit the State Department of Assessments and Taxation website at www.dat.maryland.gov.
