Make checks payable to and mail to:

**Comptroller of Maryland  
Revenue Administration Division  
110 Carroll Street  
Annapolis, MD 21411-0001**

**It is recommended that you include your Social Security  
Number on check in blue or black ink.**

You must file your Amended Form 505X electronically to claim, or change information related to, business income tax credits from Form 500CR.

Changes made as part of an amended return are subject to audit for up to three years from the date that the amended return is filed.

### **WHEN AND WHERE TO FILE**

Generally, Form 505X must be filed within three years from the date the original return was due (including extensions) or filed. The following exceptions apply.

- A claim filed after three years, but within two years from the time the tax was paid is limited to the amount paid within the two years immediately before filing the claim.
- A claim for refund based on a federal net operating loss carryback must be filed within 3 years after the due date (including extensions) of the return for the tax year of the net operating loss.
- If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.
- If the Internal Revenue Service issues a final determination of adjustments that would result in a decrease to Maryland taxable income, file an amended return within one year after the final adjustment report or the final court decision if appealed.
- If the Internal Revenue Service issued a final determination of adjustments that would result in an increase to Maryland taxable income, file the amended return within ninety days after the final determination.

**Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.** Note that no refund for less than \$1.00 will be issued.

The amended return must be filed with the

**Comptroller of Maryland  
Revenue Administration Division  
110 Carroll Street  
Annapolis, MD 21411-0001**

For more information regarding refund limitations, see Administrative Release 20.

### **PROTECTIVE CLAIMS**

A protective claim is a claim for a specific amount of refund filed on an amended return with a request that the Comptroller delay acting on the refund request. The claim for refund may not be based on a federal audit. The delay requested must be due to a pending decision by a state or federal court which will affect the outcome of the refund, or for reasonable cause. The protective claim must be filed in accordance with the limitations outlined in the section **WHEN AND WHERE TO FILE**. The Comptroller may accept or reject a protective claim. If rejected, the taxpayer will be informed of a right to a hearing. We cannot accept a protective claim unless an original return has been filed.

### **PENALTIES**

There are severe penalties for failing to file a tax return, failing to pay any tax when due, filing false or fraudulent returns or making a false certification. The penalties include criminal fines, imprisonment and a penalty on your taxes. In addition, interest is charged on amounts not paid when due.

To collect unpaid taxes, the Comptroller is directed to enter liens against the salary, wages or property of delinquent taxpayers.

### **PRIVACY ACT INFORMATION**

The Revenue Administration Division requests information on tax returns to administer the income tax laws of Maryland, including determination and collection of correct taxes. If you fail to provide all or part of the requested information, the exemptions, exclusions, credits, deductions or adjustments may be disallowed and you may owe more tax. In addition, the law provides penalties for failing to supply information required by law or regulations.

You may look at any records held by the Revenue Administration Division which contain personal information about you. You may inspect such records, and you have certain rights to amend or correct them.

As authorized by law, information furnished to the Revenue Administration Division may be given to the Internal Revenue Service, a proper official of any state that exchanges tax information with Maryland and to an officer of this state having a right to the information in that officer's official capacity. The information also may be obtained with a proper legislative or judicial order.

### **USE OF FEDERAL RETURN**

Most changes to your federal return will result in changes on your Maryland return and you will need the information from your federal amendment to complete your Maryland amended return. Therefore, complete your federal return first. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return and schedules. However, all items reported on your Maryland return are subject to verification, audit and revision by the Comptroller's Office.

**If you are amending your federal return, attach a photocopy of the federal Form 1040X and any revised schedules to your Maryland Form 505X.** If your tax has been increased by the Internal Revenue Service, you must report this increase to the Revenue Administration Division within 90 days from the final IRS determination.

Generally, you may not change from married filing joint to married filing separately after the original due date of the return. Any change in filing status to or from married filing joint requires the signature of both spouses. Enter a complete explanation in Part III of Form 505X.

Interest charges are assessed even if the balance due is removed from the 2020 account.

## 11 INTEREST ON TAX DUE AND INTEREST FOR UNDERPAYMENT OF ESTIMATED TAX.

### INTEREST ON TAX DUE

Interest must be computed and paid on any balance of tax due. Interest is due from the date the return originally was due to be filed until the date the tax is paid. The annual interest rate is 10.5% through 12/31/20. The annual interest rate will change after 12/31/20. For additional information, visit [www.marylandtaxes.gov](http://www.marylandtaxes.gov).

### INTEREST ON UNDERPAYMENT OF ESTIMATED TAX

If you do not meet the requirement for avoidance of interest for underpayment of estimated tax, obtain Form 502UP online at [www.marylandtaxes.gov](http://www.marylandtaxes.gov) or from any office of the Revenue Administration Division. Complete and attach it to your amended return. Enter any interest due on line 26 of Form 505X.

If you calculated and paid interest on underpayment of estimated tax with your original return, recalculate the interest based on your amended tax return, and attach a copy of a revised Form 502UP showing your recalculation.

## 13 NET OPERATING LOSS (NOL).

**To claim a deduction for a federal NOL on the Maryland return, you must first calculate the NOL for federal purposes. A deduction will be allowed on the Maryland return for the amount of the loss actually utilized on the federal return. The amount of loss utilized for federal purposes is generally equal to the federal taxable income (before loss is used) or the federal modified taxable income as calculated for the year of carryback or carryforward.**

An addition or subtraction modification may be required in a carryback or carryforward year when the federal NOL, or the year to which the NOL is carried, includes items included in certain provisions of the Internal Revenue Code from which the State of Maryland has decoupled, including certain special depreciation allowances and 2-year carryback provisions.

An NOL generated when an individual or a business entity is not subject to Maryland income tax law, in a tax year beginning on or after October 22, 2007, cannot be used as a deduction to offset Maryland income. For acquisitions or liquidations occurring on or after October 22, 2007, the acquiring business entity which is subject to Maryland income tax law cannot use the acquired or liquidated business entity's NOL as a deduction to offset Maryland income, if the acquired or liquidated business entity was not subject to Maryland income tax law when its NOL was generated. An NOL being carried forward from tax years beginning before October 22, 2007 can be used until exhausted.

An addition to income may be required in a carryback or carryforward year if the total Maryland additions to income exceeds the total Maryland subtractions from income **in the loss year**. The required addition to income represents a recapture of the excess additions over subtractions. The addition to income required is generally equal to the lesser of the NOL deduction in the carryback year or the net addition modification (NAM) in the loss year unless the loss year includes a decoupling modification. For more information regarding NAM, refer to Administrative Release 18.

If an election to forgo a carryback is made, a copy of the federal election for the loss year must be attached with the Maryland amended return.

**You must attach copies of federal Form 1045 or 1040X, whichever was used for federal purposes, and a copy of the federal income tax return for the year of the loss. Also include Schedules A and B of Form 1045 or the equivalent worksheets used to develop the federal NOL and show the amounts utilized on the federal return in the carryback or carryforward years. Check the appropriate box on the front of Form 505X located directly below the name and address.**
