* The Tax Account Number is the Central Registration (CR) number. It is numeric, 8 digits and starts with 0 or 1. **Returns with missing or invalid CR numbers will be rejected.**

1D Barcode:

The Division uses a 3 of 9 barcode on scannable tax return forms. The format is as follows:

- 1 Digit start code (*)
- 2 Digit year (e.g. 19)
- 3 Digit form number (e.g. 506)
- 1 Digit form version (0)
- 1 Digit page – starting at 0 (e.g. page 1 should read 0)
- 2 Digit vendor code (assigned)
- 1 Digit stop code (*)

The barcode must be placed in the upper right-hand corner of the form in the same location as it appears on the official form. The barcode shall be 3” x ½” with at least ¼ inch of white space around the barcode.

Secondary Software Vendors:

Software companies using another vendor’s forms should place their company name at the bottom of the form.
