MARYLAND FORM **502**

RESIDENT INCOME TAX RETURN INSTRUCTIONS

2022 **3**

DUE DATE

Your return is due by April 15, 2023. If you are a fiscal year taxpayer, see Instruction 25. If any due date falls on a Saturday, Sunday, or legal holiday, the return must be filed by the next business day.

To speed up the processing of your tax refund, consider filing electronically. You must file within three years of the original due date to receive any refund. For more information, visit **www.marylandtaxes.gov**.

COMPLETING THE RETURN

You must write legibly using blue or black ink when completing your return.

DO NOT use pencil or red ink. Submit the original return, not a photocopy. If no entry is needed for a specific line, leave blank. Do not enter words such as "none" or "zero" and do not draw a line to indicate no entry. Failure to follow these instructions may delay the processing of your return.

You may round off all cents to the nearest whole dollar. Fifty cents and above should be rounded to the next dollar. State calculations are rounded to the nearest cent.

ELECTRONIC FILING INSTRUCTIONS

The instructions in this booklet are designed specifically for filers of paper returns.

If you are filing electronically and these instructions differ from the instructions for the electronic method being used, you should comply with the instructions appropriated for that method.

Free internet filing is available for Maryland income tax returns. Visit

www.marylandtaxes.gov/online-services/individuals.php Software vendors should refer to the e-file handbook for their instructions.

SUBSTITUTE FORMS

You may file your Maryland income tax return on a computer-prepared or computer-generated substitute form provided the form is approved in advance by the Revenue Administration Division. The fact that a software package is available for retail purchase does not guarantee that it has been approved for use. For additional information or to see a list of Approved Software Wondows for Maryland Substitute Tax Forms visit

ware Vendors for Maryland Substitute Tax Forms, visit www.marylandtaxes.gov.

PENALTIES

There are severe penalties for failing to file a tax return, failing to pay any tax when due, filing a false or fraudulent return, or making a false certification. The penalties include criminal fines, imprisonment, and a penalty on your taxes. In addition, interest is charged on amounts not paid.

To collect unpaid taxes, the Comptroller is directed to enter liens against the salary, wages, or property of delinquent taxpayers.

■ WHO MUST FILE?

This booklet and forms are for residents and part-year residents of Maryland. In general, you must file a Maryland return if you are or were a resident of Maryland AND you are required to file a federal return. Information in this section will allow you to determine if you must file a return and pay taxes as a resident of Maryland. If you are not a resident but had Maryland tax withheld or had income from sources in Maryland, you must use Form 505 or 515, Nonresident Tax return.

WHO IS A RESIDENT?

You are a resident of Maryland if:

a. Your permanent home is or was in Maryland (the law refers to this as your domicile).

OR

b. Your permanent home is outside of Maryland, but you maintained a place of abode (a place to live) in Maryland for more than six months of the tax year. If this applies to you and you were physically present in the state for 183 days or more, you must file a full-year resident return.

PART-YEAR RESIDENTS

If you began or ended residence in Maryland during the tax year, you must file a Maryland resident income tax return. See Instruction 26.

MILITARY AND OTHERS WORKING OUTSIDE OF MARY-

Military and other individuals whose domicile is in Maryland, but who are stationed or work outside of Maryland, including overseas, retain their Maryland legal residence. Maryland residency is not lost because of duty assignments outside of the State; see Administrative Release 37. Military personnel and their spouses should see Instruction 29.

TO DETERMINE IF YOU ARE REQUIRED TO FILE A MARYLAND RETURN

- a. Add up all of your federal gross income to determine your total federal income. Gross income is defined in the Internal Revenue Code and, in general, consists of all income regardless of source. It includes wages and other compensation for services, gross income derived from business, gains (not losses) derived from dealings in property, interest, rents, royalties, dividends, alimony, annuities, pensions, income from partnerships or fiduciaries, etc. If modifications or deductions reduce your gross income below the minimum filing level, you are still required to file. IRS Publication 525 provides additional information on taxable and nontaxable income.
- b. Do not include Social Security or railroad retirement benefits in your total federal income.
- c. Add to your total federal income any Maryland additions to income. Do not include any additions related to periods of nonresidence. See Instruction 12. This is your Maryland gross income.

MINIMUM FILING LEVELS TABLES

- d. If you are a dependent taxpayer, add to your total federal income any Maryland additions and subtract any Maryland subtractions. See Instructions 12 and 13. This is your Maryland gross income.
- e. You must file a Maryland return if your Maryland gross income equals or exceeds the income levels in the MINIMUM FILING LEVEL TABLE 1.
- f. If you or your spouse is 65 or over, use the MINIMUM FILING LEVEL TABLE 2.

IF YOU ARE NOT REQUIRED TO FILE A MARYLAND RETURN BUT HAD MARYLAND TAXES WITHHELD.

To get a refund of Maryland income taxes withheld, you must file a Maryland return.

Taxpayers who are filing for refund only, should complete all of the information at the top of Form 502 and the following lines:

> 1-16 22*, 29* 35-44 46, 48

*Enter a zero unless: (i) you claim an earned income credit on your federal return, or (ii) you do not meet the minimum age requirement under the federal credit, but are otherwise eligible for the federal credit, for those without a qualifying child.

Sign the form and attach withholding statements (all W-2 and 1099 forms) showing Maryland and local tax withheld equal to the withholding you are claiming. Your form is then complete.

USE OF FEDERAL RETURN.

First complete your 2022 federal income tax return.

You will need information from your federal return to complete your Maryland return. Complete your federal return before you continue. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use federal Form 1040NR, visit **www.marylandtaxes.gov** for further information. All items reported on your Maryland return are subject to verification, audit, and revision by the Maryland State Comptroller's Office.

MARYLAND HEALTHCARE COVERAGE.

The Maryland General Assembly enacted Chapter 423 in the 2019 Session requiring the collection of certain information, including whether an individual is uninsured at the time the tax return is filed and whether the individual is interested in having the Maryland Health Benefit Exchange ("the Exchange") determine whether an individual may be eligible for insurance affordability programs, such as no-cost or low-cost minimum essential health care coverage. The Exchange is the agency that regulates Maryland Health Connection.

Check the appropriate box on Form 502 for you and/or your spouse if you are uninsured as of the date you file your return. If you would like the Exchange to determine pre-eligibility for health insurance affordability programs for any uninsured member of your household, you must also check the box on Form 502 indicating you authorize the Comptroller to share information from your tax return with the Exchange.

For each dependent identified on Form 502B, check the appropriate box to indicate if that dependent is an uninsured individual as of the date the return is filed.

You must provide the date of birth for any uninsured individual who is interested in obtaining minimum essential health coverage.

If you authorize information sharing, we will share the following information with the Exchange:

- · Name, SSN, and date of birth of each uninsured individual;
- · Your current mailing address, email address, and phone

number;

- Number of uninsured individuals in your household identified on your return;
- · Blindness status; and
- Your federal adjusted gross income amount from Line 1.

Information shared with the Exchange will be used to determine eligibility for insurance affordability programs or to assist with enrollment in health coverage. If you would like more information about the health insurance affordability programs or health care coverage enrollment, visit the Exchange's website at www.marylandhealthconnection.gov/easyenrollment/

4 NAME AND ADDRESS.

Print using blue or black ink.

Enter your name exactly as entered on your federal tax return. If you changed your name because of marriage, divorce, etc., be sure to report the change to the Social Security Administration before filing your return. This will prevent delays in the processing of your return.

Enter your current address using the spaces provided. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable, enter the floor, suite or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank. Enter City or Town, State and ZIP Code + 4.

If using a foreign address, complete the lines indicated for Country Name, Province/State/County, and Postal Code.

SOCIAL SECURITY NUMBER(S) (SSN).

It is important that you enter each Social Security Number in the space provided. You must enter each SSN legibly because we validate each number. If the SSN is not correct and legible, it will affect the processing of your return. Your name must match the name on your current social security card to ensure you get credit for your personal exemption. If not, contact SSA at 800-772-1213 or visit www.ssa.gov.

The Social Security Number(s) must be a valid number issued by the Social Security Administration of the United States Government. If you, your spouse, or dependent(s) do not have a SSN and you are not eligible to get a SSN, you must apply for an Individual Tax Identification Number (ITIN) with the IRS and you should wait until you have received it before you file; and enter it wherever your SSN is requested on the return.

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know his or her SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, on one of the code number lines located to the right of the telephone number area on page 4 of the form; attach a copy of the child's death certificate to your return.

6 MARYLAND POLITICAL SUBDIVISION IN-FORMATION (REQUIRED).

Fill in the lines for your Maryland physical address of the taxing area as of December 31, 2022, including political

subdivision lines, based on your residence on the last day of the taxable period. Part-year residents fill in the lines for your Maryland physical address, including political subdivision lines, based on your last day of residence in Maryland in the taxable period. Military personnel who are legal residents of Maryland should fill in the lines for your Maryland physical address, including political subdivision lines, based on the Maryland physical address that is used for claiming Maryland as your Home of Record on file with the Defense Finance and Accounting Service for tax vear 2022.

1. Find your 4 Digit Political Subdivision Code in the LIST OF IN-CORPORATED CITIES, TOWNS AND TAXING AREAS IN MARY-LAND and enter this number on the 4 DIGIT POLITICAL SUB-DIVISION CODE line.

When selecting the 4 Digit Political Subdivision Code, be sure that you have selected the proper political subdivision from the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND, Do not rely on your ZIP Code + 4 to identify the proper political subdivision. For example, most residents within the ZIP Code of Upper Marlboro do not reside in the political subdivision of the Town of Upper Marlboro. Therefore, entering the Town of Upper Marlboro on the 4 DIGIT POLITICAL SUBDIVISION CODE line for those with a ZIP Code in Upper Marlboro may not be correct. Also, some political subdivisions have similar names

- such as Bel Air in Allegany County and Town of Bel Air in Harford County or Town of Chevy Chase and Town of Chevy Chase View. You may contact your county seat for further information relating to the incorporated boundaries of incorporated cities, towns and taxing areas in your county.
- 2. If you lived within the incorporated tax boundaries of one of the areas listed under your county as found in the LIST OF IN-CORPORATED CITIES, TOWNS AND TAXING AREAS IN MARY-LAND, write the name of the city, town or taxing area on the MARYLAND POLITICAL SUBDIVISION line. If you did not live within the incorporated tax boundaries of one of the areas listed under your county as found in the LIST OF INCORPO-RATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND, write the name of your county on the MARYLAND POLITICAL SUBDIVISION line. If you lived in Baltimore City, enter "Baltimore City" on the MARYLAND POLITICAL SUBDIVISION line. For additional information on your Maryland political subdivision, contact your locality or the Maryland Department of Planning.

7 FILING STATUS.

Use the FILING STATUS chart below to determine your filing status. Check the correct FILING STATUS box on the return.

SPECIAL INSTRUCTIONS FOR MARRIED PERSONS FILING SEPARATELY.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, follow the instructions below.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, you should report the income you would have reported had you filed a separate federal return. The income from jointly held securities, property, etc., must be divided evenly between spouses.

If you itemized your deductions on the joint federal return, one spouse may use the standard deduction and the other spouse may claim those deductions on the federal return that are "attributable exclusively" to that spouse, plus a prorated amount of the remaining deductions. If it is not possible to determine these deductions, the deduction must be allocated proportionately based on your share of the income.

"Attributable exclusively" means that the individual is solely responsible for the payment of an expense claimed as an itemized deduction, including compliance with a valid court order or separation agreement; or the individual jointly responsible for the payment of an expense claimed as an itemized deduction can demonstrate payment of the full amount of the deduction with funds that are not attributable in whole or in part, to the other jointly responsible individual.

If both spouses choose to itemize on their separate Maryland returns, then each spouse must determine which deductions are attributable exclusively to him or her and prorate the remaining deductions using the Maryland Income Factor. See Instruction 26k. If it is not possible to determine deductions in this manner, they must be allocated proportionately based on their respective shares of the income. The total amount of itemized deduc-

Use the chart to determine the allowable exemption amount based upon the filing status. **NOTE**: For certain taxpayers with interest from U.S. obligations see Instruction 13, line 13, code hh for applicable exemption adjustment.

13 SUBTRACTIONS FROM INCOME.

Determine which subtractions from income apply to you. Write the correct amounts on lines 8–14 of Form 502. Instructions for each line:

Line 8. STATE TAX REFUNDS. Copy onto line 8 the amount of refunds of state or local income tax included in line 1 of Form 502.

Line 9. CHILD CARE EXPENSES. You may subtract the cost of caring for your dependents while you work. There is a limitation of \$3,000 (\$6,000 if two or more dependents receive care). Enter on line 9 the **smaller** of (a) the amount on line 6 of federal Form 2441 or (b) \$3,000 (\$6,000 if two or more dependents receive care). You may also be entitled to credits for these taxable expenses. See instructions for Part B and Part CC of Form 502CR.

Line 10a. PENSION EXCLUSION. You may be able to subtract some of your taxable pension and retirement annuity income. This subtraction applies only if:

- a. You were 65 or over **or** totally disabled, or your spouse was totally disabled, on the last day of the tax year, AND
- b. You included on your federal return taxable income received as a pension, annuity or endowment from an "employee retirement system" qualified under Sections 401(a), 403 or 457(b) of the Internal Revenue Code. [A traditional IRA, a Roth IRA, a simplified employee plan (SEP), a Keogh plan, an ineligible deferred compensation plan or foreign retirement income does not qualify.]

Note: For additional information regarding qualified plans pension exclusion, refer to FAQs #2 on page iii Resident Booklet; and Form 502R Instructions; and the chart of Form 502R.

Each spouse who receives taxable pension or annuity income and is 65 or over or totally disabled may be entitled to this exclusion. In addition, if you receive taxable pension or annuity income but you are not 65 or totally disabled, you may be entitled to this exclusion if your spouse is totally disabled. Complete a separate column in the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) for each spouse. Combine your allowable exclusion and enter the total amount on line 10a, Form 502. On line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

To be considered totally disabled, you must have a mental or physical impairment which prevents you from engaging in substantial gainful activity. You must expect the impairment to be of long, continued or indefinite duration or to result in your

death. You must attach to your return a certification from a qualified physician stating the nature of your impairment and that you are totally disabled. If you have previously submitted a physician's certification, attach your own statement that you are still totally disabled and that a physician's certification was submitted before.

If you are a part-year resident, complete PENSION EXCLUSION COMPUTATION WORKSHEET (13A) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 5 by the number of months of Maryland residence divided by 12.

However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. Note that, in either case, the proration factor may not exceed 1.

Complete the PENSION EXCLUSION COMPUTATION WORK-SHEET (13A). Copy the amount from line 5 of the worksheet onto line 10a, Form 502. On line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

Note: You must complete and attach Form 502R to Form 502 if you or your spouse are claiming a pension exclusion on line 10a of Form 502. See Form 502R for additional information.

Line 10b. PENSION EXCLUSION FOR RETIRED COR-RECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, FIRE, RESCUE, EMERGENCY SERVICES PERSONNEL, OR STATE FOREST/PARK/WILDLIFE RANGER. An individual taxpayer may not claim BOTH the standard Pension Exclusion and the Pension Exclusion for Retired Correctional Officer, Law Enforcement Officer, Fire, Rescue, Emergency Services Personnel, or State Forest/ Park/ Wildlife Ranger. If you are 65 or older on the last day of the calendar year, you are totally disabled, or your spouse is totally disabled, and you have received qualified pension income, you should complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) regardless of your prior work history. It is permissible for one spouse to claim the standard Pension Exclusion and the other spouse to claim the Pension Exclusion for Retired Correctional Officer, Law Enforcement Officer, Fire, Rescue, Emergency Services Personnel, or State Forest/Park/Wildlife Ranger, if each spouse meets the applicable required criteria.

If you meet the following criteria, use the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, FIRE, RESCUE, EMERGENCY SERVICES PERSONNEL, OR STATE FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E) to calculate your eligible pension exclusion:

- a. You were 55 or over on the last day of the tax year, AND
- You were not 65 or older, or totally disabled, or have a spouse who is totally disabled, AND
- c. You included on your federal return taxable income received as a pension, annuity or endowment from an "employee retirement system" qualified under Section 401(a), 403 or 457(b) of the Internal Revenue Code, AND
- d. The retirement income is attributable to your service as a Correctional Officer, Law Enforcement Officer, Fire, Rescue, or Emergency Services Personnel of the United States, the State of Maryland or a political subdivision of Maryland; or Forest/Park/Wildlife Ranger of the State of Maryland or a political subdivision of Maryland.

Each spouse who meets the above requirements may be entitled to the exclusion. If each spouse is eligible, complete a separate column on the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, FIRE, RESCUE, EMERGENCY SERVICES PERSONNEL, OR STATE FOREST/

PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E). Combine your allowable exclusions from line 8 of the worksheet and enter the total amount on line 10b, Form 502. On line 10b, Form 502 check the applicable box(es) for yourself and/or spouse.

If you are a part-year resident, complete the RETIRED COR-RECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, FIRE, RESCUE, EMERGENCY SERVICES PERSONNEL, OR STATE FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 8 by the number of months of Maryland residence divided by 12. However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received. Copy the prorated amount from line 8 of the worksheet onto line 10b, Form 502.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. In either case, the prorated factor may not exceed 1.

Note: You must complete and attach Form 502R to the Form 502 if you and/or your spouse are claiming a pension exclusion on line 10b of Form 502. See the Form 502R for additional information.

Line 11. FEDERALLY TAXED SOCIAL SECURITY AND RAIL-ROAD RETIREMENT BENEFITS. If you included in your federal adjusted gross income Social Security, Tier I, Tier II and/or supplemental railroad retirement benefits, then you must include the total amount of such benefits on line 11. Social Security and railroad retirement benefits are exempt from state tax.

Note: You must complete and attach Form 502R to the Form 502 if you or your spouse received any income during the tax year (taxable or nontaxable) from Social Security or Railroad Retirement (Tier I or Tier II). See Form 502R for additional information.

Line 12. NONRESIDENT INCOME. If you began or ended your residence in Maryland during the year, you may subtract the portion of your income received when you were not a resident of Maryland. See Instruction 26 for part-year residents and Administrative Release 1 for military personnel.

If your state of residence or your period of Maryland residence was not the same as that of your spouse and you filed a joint return, follow Instruction 26 (c) through (p).

Line 13. SUBTRACTIONS FROM INCOME. Other certain subtractions for which you may qualify will be reported on Form 502SU. Determine which subtractions apply to you and enter the amount for each on Form 502SU. Enter the sum of all applicable subtractions from Form 502SU on line 13 of Form 502, and enter the code letter(s) that represent the four highest dollar amounts in the code letter lines. If multiple subtractions apply, be sure to identify all of them on Form 502SU and attach it to your Form 502.

Note: If only one of these subtractions applies to you, enter the amount and the code letter on line 13 of Form 502; then the use of Form 502SU may be optional.

If you have received income from U.S. obligations and your federal adjusted gross income exceeds \$100,000 (\$150,000 if filing Joint, Head of Household, or Qualifying Widow(er)), enter the difference, if any, between the exemption amount based on your federal adjusted gross income and the exemption amount based upon your federal adjusted gross income after subtracting your U.S. obligations using the EXEMPTION ADJUSTMENT WORK-SHEET (13C).

If the amount is greater than zero (0), enter this amount as a subtraction on line hh of Form 502SU.

Example:

Pat and Chris Jones had a federal adjusted gross income of \$180,000. They also had \$40,000 on interest from U.S. Savings Bonds and had a dependent son whom they claimed on the Maryland tax return. Using Instruction 10, they found the exemption amount on their Maryland return (based upon \$180,000 of income) was \$2,400 (\$800 for three exemptions). If it were not for the \$40,000 of U.S. Savings Bonds, their federal adjusted gross income would have been \$140,000 and their exemption amount would have been \$9,600 (\$3,200 for three exemptions). Therefore, Pat and Chris Jones are entitled to claim a subtraction of \$7,200 (\$9,600 - \$2,400) on line hh of Form 502SU.

1 1 ITEMIZED DEDUCTIONS.

If you figure your tax by the ITEMIZED DEDUCTION METH-OD, complete lines 17a and b on Form 502. (See Instruction 16 to see if you will use the ITEMIZED DEDUCTION METHOD.)

Copy the amount from federal Form 1040, Schedule A, line 17, Total Itemized Deductions, on line 17a of Form 502. Certain items of federal itemized deductions are not eligible for State purposes and must be subtracted from line 17a. State and local income taxes used as a deduction for federal purposes must be entered on line 17b (there are certain limitations on the deduction amount of state and local tax. For more information, visit www.marylandtaxes.gov). Also, any amounts deducted as contributions of Preservation or Conservation Easements for

which a credit is claimed must be added to line 17b.

You are not required to itemize deductions on your Maryland return because you have itemized deductions on your federal return. Figure your tax each way to determine which method is best for you.

If your unreimbursed business expenses include depreciation to which an adjustment is required for Maryland purposes, complete Form 500DM to calculate the addition modification "I" or subtraction modification "bb."

15 FIGURE YOUR MARYLAND ADJUSTED GROSS INCOME.

Complete lines 1–16 on Form 502. Line 16 is your Maryland adjusted gross income.

16 FIGURE YOUR MARYLAND TAXABLE NET INCOME.

To find your taxable income you must subtract either the standard deduction from the worksheet or the itemized deductions you have entered on line 17 of Form 502. The ITEMIZED DEDUCTION METHOD will lower your taxes if you have enough deductions. If you are not certain about which method to use, figure your tax both ways to determine which method is best for you. Check one of the deduction method boxes to indicate which method you will use.

STANDARD DEDUCTION METHOD

The STANDARD DEDUCTION METHOD gives you a standard deduction of 15% of Maryland adjusted gross income (line 16) with minimums of \$1,600 and \$3,200 and maximums of \$2,400 and \$4,850, depending on your filing status. Use STANDARD DEDUCTION WORKSHEET (16A) for your filing status to figure your standard deduction. Write the result on line 17 of Form 502. Then follow the instructions for EXEMPTIONS.

ITEMIZED DEDUCTION METHOD

You may itemize your deductions only if you itemized deductions on your federal return. See Instruction 14 for completing lines 17a and b of Form 502. Enter the result on line 17. You are not required to itemize deductions on your Maryland return simply because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

17 FIGURE YOUR MARYLAND TAX.

You must use the tax tables if your taxable income is less than \$100,000.

The 2022 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead, use the tax tables if your income is under \$100,000; otherwise, use the appropriate row in the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax tables to figure your tax. The tax tables and the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES I AND II have been based on these tax rate schedules.

Find the income range in the tax table that applies to the amount on line 20 of Form 502. Find the Maryland tax corresponding to your income range. Enter the tax amount on line 21 of Form 502. If your taxable income is \$100,000 or more, use the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax table.

If you are a married couple filing either a joint or separate Maryland return, or you have at least one qualifying child, then you may claim one-half (50%) of the federal credit on your Maryland return. Individuals filing as single, head of household, or qualifying widow(er) without a qualifying child may claim 100% of the federal earned income credit, or \$530, whichever is less; see Worksheet (18A.1) to calculate any refundable earned income tax credit. If you or your spouse do not possess a valid SSN but are otherwise eligible for the federal credit and are filing your Maryland return using an ITIN, you may claim the state earned income credit by calculating the federal earned income credit disregarding the SSN requirement. If you filed a joint federal return but a separate Maryland return, you may claim a combined total of up to one-half the federal credit. For information on how to calculate the amount of the federal earned income credit, go to www.irs.gov/pub/irs-pdf/p596.pdf.

DIRECT DEPOSIT OF REFUND

To comply with banking and **National Automated Clearing House Association (NACHA)** rules, we ask you to indicate by checking the appropriate box on your return if the state refund is going to an account outside the United States. If you indicate that this is the case, **STOP!** do not enter your routing and account numbers, as the direct deposit option is not available to you. We will send you a paper check.

By choosing direct deposit of your refund and checking the appropriate box, you authorize the State of Maryland to disclose to your bank, to the State's depository bank and their financial partners, and NACHA any tax return information necessary to make the deposit, such as your refund amount, your name, and the name(s) as it appears on the bank account. Complete lines 51a, b, c, and d of Form 502 if you want us to deposit your refund directly into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. If you enter incorrect account or omit any required information, the State of Maryland will not be responsible for

recovering that refund and/or for making direct deposit payment electronically.

Line 51a.

Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only or a refund check will be mailed.

Line 51b.

The routing number must be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be mailed.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 51c.

The account number can be up to 17 characters (both numbers and letters). Omit spaces, hyphens and special symbols. Enter the number from left to right. If we are notified by the financial institution that the direct deposit is not successful, a refund

check will be mailed to you. Have a bank statement for the deposit account available if you contact us concerning the direct deposit of your refund.

Line 51d.

Indicate the name(s) as it appears on the bank account.

DISCLOSURE By requesting a direct deposit of your Maryland tax refund and entering your bank account number, routing number, account type, and name(s) as it appears on your bank account and on your income tax return, you authorize the Comptroller's Office to disclose this information regarding your refund amount to the Maryland State Treasurer's Office (who performs banking services for the Comptroller's Office).

SPLITTING YOUR DIRECT DEPOSIT

Attach your completed Form 502UP if you have entered **code 301**.

Income tax preparers who, for compensation, completed 100 or more original Maryland individual income tax returns (paper and electronic forms) for Tax Year 2021 are required to file all original individual income tax returns electronically for Tax Year 2022, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer not to file your return electronically.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their PTIN, or who failed to file electronically when required.

SIGNATURES

You must sign your return. Your signature(s) signifies that your

return, including all attachments, is, to the best of your knowledge and belief, true, correct and complete, under penalties of perjury. Both spouses must sign a joint return. If your spouse cannot sign because of injury or disease and tells you to sign, you can sign your spouse's name in the proper space on the return followed by the words "By (your name), spouse." DUE DATE

Returns must be mailed by April 15th, 2023, for calendar year taxpayers. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. If filing on a fiscal year basis, see Instruction 25.

EXTENSION OF TIME TO FILE

Follow the instructions on Form PV found on the PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW) to request an automatic extension of the time to file your 2022 return. Filing Form PV extends the time to file your return, but does not extend the time to pay your taxes. Payment of the expected tax due is required with Form PV on or before April 15th, 2023. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our website. If no tax is due and you requested a federal extension, you do not need to file Form PV or take any other action to obtain an automatic six-month extension. If no tax is due and you did not request a federal extension, file your extension online at www. marylandtaxes.gov or by phone at 410-260-7829. Only submit Form PV if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information, visit **www.irs.gov**. If you are affected by the extension enter **912** on one of the code number lines to the right of the telephone number area.

25 FISCAL YEAR.

You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 502, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2022 forms for fiscal years which begin during calendar year 2022.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

26 SPECIAL INSTRUCTIONS FOR PART-YEAR RESIDENTS.

Your return must show all income reported on your federal return, regardless of when or where earned. However, you are permitted to subtract income received when not a resident of Maryland. The following instructions describe the adjustments which must be made for a partyear resident return and returns filed by certain military taxpayers (see Instruction 29) and married couples who file a joint return when one spouse is not a resident of Maryland.

- a. You must file Form 502.
- b. Whenever the term "tax year" is used in these instructions, it means that portion of the year in which you were a resident of Maryland. If you began residence in Maryland in 2022, the last day of the "tax year" was December 31, 2022. If you ended residence in Maryland in 2022, the last day of the "tax year" was the day before you established residence in another state.
- c. Complete the name and address information at the top of Form 502. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable enter the floor, suite, or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank.
- d. Complete the Maryland political subdivision information using Instruction 6. The Maryland political subdivision information includes the 4 DIGIT POLITICAL SUBDIVISION CODE, MARYLAND POLITICAL SUBDIVISION, MARYLAND PHYSICAL ADDRESS LINE 1, MARYLAND PHYSICAL ADDRESS LINE 2, CITY, ZIP CODE + 4, and MARYLAND COUNTY fields. Use the county, city, town or taxing area of which you were a resident on the last day of your Maryland residence.
- e. Complete the filing status area using the same filing status that you used on your federal return. Married couples who file joint federal returns may file separate Maryland returns under certain circumstances. See Instruction 7. If you are a dependent taxpayer, use filing status 6.
- f. Complete the EXEMPTIONS area. Additional exemptions are allowed for age and blindness for Maryland purposes which will be computed in this area.
- g. Complete the Part-year/MILITARY area on the front of Form 502. Place a "P" in the box and show the dates of residence in Maryland. Certain military taxpayers following these instructions should place an "M" in the box and enter the non-Maryland military income. If you are both part-year and military, place a "P" and "M" in the box. Married taxpayers with different tax periods filing a joint Maryland return should enter a "D" in the box, follow the remainder of this instruction and write "different tax periods" in the dates of residence area. Married taxpayers who file a joint return when one spouse is not a resident of Maryland should place a "P" in the part year resident box and enter the name and the other state of residence of the nonresident spouse.

- Enter on line 1 the adjusted gross income from your federal return for the entire year regardless of your length of residence.
- Complete the ADDITIONS TO INCOME area using Instruction 12. If you had losses or adjustments to income on your federal return, write on line 5 those loss or adjustment items that were realized or paid when you were not a resident of Maryland.
- j. Complete the SUBTRACTIONS FROM INCOME area using Instruction 13. You may include only subtractions from income that apply to income subject to Maryland tax. Include on line 12 any income received during the part of the year when you were not a resident of Maryland.
- k. You must adjust your standard or itemized deductions and exemptions based on the percentage of your income subject to Maryland tax. Complete the MARYLAND INCOME FACTOR WORKSHEET (26A) to figure the percentage of Maryland income to total income.
- If you itemize deductions, complete lines 17a and b. Prorate the itemized deductions using the following formula:

NET		MARYLAND		MARYLAND
ITEMIZED	X	INCOME	=	ITEMIZED
DEDUCTIONS		FACTOR		DEDUCTIONS

Enter the prorated amount on line 17 of Form 502 and check the ITEMIZED DEDUCTION METHOD box. Another method of allocating itemized deductions may be allowed. Send your written request along with your completed Maryland return, a copy of your federal return including federal Schedule A and a copy of the other state's return. If the other state does not have an income tax, then submit a schedule showing the allocation of income and itemized deductions among the states. The Maryland return must be completed in accordance with the alternative method requested. This request should be sent to the Revenue Administration Division, Taxpayer Accounting Section (Special Allocations), P.O. Box 1829, Annapolis, MD 21404-1829.

m. If you are not itemizing deductions, you must use the standard deduction. The standard deduction must be prorated using the Maryland income factor. Calculate the standard deduction using a worksheet in Instruction 16. Prorate the standard deduction using the following formula:

		MARYLAND		PRORATED
STANDARD	X	INCOME	=	STANDARD
DEDUCTION		FACTOR		DEDUCTION

Enter the prorated amount on line 17 of Form 502 and check the STANDARD DEDUCTION METHOD box.

27 FILING RETURN OF DECEASED TAXPAYER.

Enter code 321 on one of the code number lines located to the right of the telephone number area on page 4 of Form 502. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- a. By the personal representative (an executor or administrator) of the individual's estate;
- If there is no personal representative, by the decedent's surviving spouse; or,
- Jointly by the personal representatives of each if both spouses are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed. (See Instruction 7.)

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "Estate of" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration and federal Form 1310.

Note: A copy of the decedent's will cannot be accepted as evidence that you are the personal representative.

The address of the person claiming the deceased taxpayer's refund should be written on the Current Mailing Address lines, and the address of the deceased taxpayer should be written in the Maryland Physical address section on page 1 of Form 502.

If there is no personal representative, write the word "deceased" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form. A copy of federal Form 1310 **must** be attached if requesting a refund. The form can be found at **www.irs.gov**.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland will also abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action. In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at **www.irs.gov**. Place code number **915** on one of the lines marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

ESTATE TAX RETURN REQUIRED

In addition to an income tax return, a Maryland estate tax return is required for every estate whose federal gross estate, plus certain additions, equals or exceeds the Maryland estate tax exemption amount for the year of the decedent's death. For decedents dying in tax year 2019 and later, the Maryland estate tax exemption amount is \$5,000,000. An estate tax return must be filed within nine months of the date of death. For more information, see the Maryland Estate Tax Return, Form MET-1.

28 AMENDED RETURNS.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes to your original return. These include changes in income, filing status, amount of deductions, the number of exemptions, and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 502X to file an amended return and include a copy of your federal return. Form 502X and instructions may be obtained by visiting **www.marylandtaxes.gov** or by calling 410-260-7951.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Revenue Administration Division within 90 days of the final determination of the changes by the IRS. If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Then cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. A return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the return was filed, the credit or refund may not be more than that part of the tax paid within three years, plus extension of time for filing the return, prior to the filing of the claim. If a claim is filed after the three year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carry-back must be filed within three years from the due date of the return for the tax year of the net operating loss (farming loss only).

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than three years from the date of filing the return or more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund resulted from a notification received from another state for income taxes due which is more than three years from the date of filing the Maryland return or more than two years from the time the tax was paid, a claim for refund resulting from a credit for taxes paid to that state must be filed within one year of the date of the notification that the other state's tax was due.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.

Estimated Tax Worksheet Instructions

Purpose of declaration. The filing of a declaration of estimated Maryland income tax is a part of the pay-as-you-go plan of income tax collection adopted by the State. If you have any income such as pensions, business income, lottery, capital gains, interest, dividends, etc., from which no tax is withheld, or wages from which not enough Maryland tax is withheld, you may have to pay estimated taxes. The law is similar to the federal law.

Who must file a declaration. You must file a declaration of estimated tax if you are required to file a Maryland income tax return and your gross income would be expected to develop a tax of more than \$500 in excess of your Maryland withholding.

You must file a declaration with payment in full within 60 days of receiving \$500 or more of income from awards, prizes, lotteries or raffles, whether paid in cash or property if Maryland tax has not been withheld. A married couple may file a joint declaration. If you are filing a joint declaration, both Social Security numbers must be entered. If filing on behalf of a minor, the name and Social Security number of the minor must be entered.

When to file a declaration. You must pay at least one-fourth of the total estimated tax on line 15 of this form on or before April 15, 2023. The remaining quarterly payments are due June 15, 2023, September 15, 2023 and January 15, 2024. You may pay the total estimated tax with your first payment. If you are filing on a fiscal year basis, each payment is due by the 15th day of the 4th, 6th, 9th and 13th months following the beginning of the fiscal year.

Overpayment of tax. If you overpaid your 2022 income tax (Form 502 or 505), you may apply all or part of the overpayment to your 2023 estimated tax. If the overpayment applied equals or exceeds the estimated tax liability for the first quarterly payment, you are not required to file the declaration. If the overpayment applied is less than the estimated tax liability, you should file the declaration and pay the balance of the first installment.

How to estimate your 2023 tax. The worksheet is designed to develop an estimate of your 2023 Maryland and local income tax. Be as accurate as you can in forecasting your 2023 income. You may use your 2022 income tax as a guide, but if you will receive more income than you did in 2022, you must pay at least 110% of your prior year tax to avoid interest for underpayment of estimated tax. For the purpose of estimating, rounding all amounts to the nearest dollar is recommended.

Nonresidents who want to estimate 2023 Maryland taxes may use the Nonresident Estimate Tax Calculator at www.marylandtaxes.gov.

Extension Worksheet Instructions

Who must file for an extension?

If you cannot complete and file your Form 502, 505, 510C or 515 by the due date, you should complete the Tax Payment Worksheet to determine if you must file for an extension. If line 6 of the worksheet shows you owe tax, you must file Form PV and pay the full amount due by April 15, 2023, (or the 15th day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file for an extension if, after completing the PVW, you find that you do not owe additional tax. However, be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See "Will I owe penalties and interest?".

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 505, 510C or 515. **You are not required to file for an extension in order to obtain this automatic extension.** However, you should use Form PV to pay any tax due of forms 502, 505, and 515, but you should use Form EL102B to pay any tax due or payment with extension of Form 510C in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2023.

Note: In the case of Form 510C, the PVW must be completed to estimate the payment.

Requesting a Maryland extension when not requesting a federal extension:

- Request your extension by telefile at 410-260-7829 from Central Maryland or 1-800-260-3664 from elsewhere; or,
- (2) Request your extension at www.marylandtaxes.gov.

When should I mail Form PV without a payment?

Never.

When requesting an extension beyond six months, how should I file?

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our website. For more information, visit **www.marylandtaxes.gov**.

When should I file?

If you owe any tax, file Form PV along with your payment on or before April 15, 2023. If you are filing on a fiscal year basis, file by the regular due date of your return. If any due date falls on a Saturday, Sunday or legal holiday, the return and payment must be filed by the next business day.

How should I file?

For an extension request with payment, use electronic funds withdrawal (direct debit) from savings or checking account, or to make payment(s) by credit card, visit **www.marylandtaxes.gov**; otherwise, make check or money order payable to: **COMPTROLLER OF MARYLAND**.

It is recommended that you include your Social Security number on check using blue or black ink and attach to Form PV.

Mail to: Payment Processing
PO Box 8888
Annapolis, MD 21401-8888

Will I owe penalties and interest?

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason for not paying on time, you will still owe interest.

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

Should I attach a copy of the extension form to my Form 502, 505, or 515?

No, Form PV has replaced the extension Form 502E.
