Maine EZ Pay

You may pay your income tax electronically at www.maine.gov/revenue. Electronic payments eliminate the necessity of filing forms 1120ME-PV (income tax payment vouchers).

Maine EZ Pay is an online application that allows Maine taxpayers to make payments online, quickly and easily. To avoid having to make payments earlier than necessary, payments may be scheduled in advance and will automatically be withdrawn on the payment date you select.

You must pre-register online with personal and bank account information, and payments will be withdrawn from the checking or savings account that is set up in the registration. For more information, see www.maine.gov/revenue (click on Electronic Services).

Use this voucher only for Maine corporate income tax that is due on your electronically filed tax return. **If you have already paid electronically, this voucher is not required.**

Make check payable to: Treasurer, State of Maine.
