IMPORTANT CHANGES for 2019

Use tax (sales tax). 36 M.R.S. § 1861-A. For tax years beginning on or after January 1, 2019, the calculation used to report unpaid use tax on the Maine individual income tax return is lowered from .08% to .04% of Maine adjusted gross income.

Municipal volunteer program for property tax assistance subtraction modification. 36 M.R.S. §§ 5122(2)(EE) and 6232(1-A). The \$750 limitation on benefit earnings under the municipal volunteer property tax assistance program is increased to \$1,000 or 100 times the state minimum hourly wage under Title 26, section 664, subsection 1, whichever is greater. To the extent included in federal adjusted gross income, the benefits earned may be excluded from Maine taxable income.

Installment sales of real or tangible property – nonresident individuals. 36 M.R.S. § 5147. For tax years beginning on or after January 1, 2019, nonresident individual taxpayers may elect to recognize the entire gain from an installment sale of real or tangible property located in Maine in the taxable year of the transfer or the remaining gain in a subsequent taxable year to the extent the gain has not been reported in a previous tax year. The election is irrevocable and may only be made on a timely filed original income tax return.

Apportionment of Income – sale of a partnership interest. 36 M.R.S. § 5211. For tax years beginning on or after January 1, 2019, the income tax apportionment calculation with respect to the sale of a partnership interest owned by another business entity (C corporation, S corporation, partnership, etc.) must be based on the gross receipts, rather than on the gains or losses, from such sales. This change is made to effect consistency with the general business apportionment calculation, which is based on gross receipts.

Maine Fishery Infrastructure Investment Tax Credit. 36 M.R.S. § 5216-D. For tax years beginning on or after January 1, 2019, the Maine fishery infrastructure investment tax credit is repealed.

Partnership audit adjustments. 36 M.R.S. c. 815. For tax years beginning on or after January 1, 2018, a partnership that has not elected out of the federal centralized audit regime under Internal Revenue Code, Section 6221(b) and is subject to an IRS audit must report information affecting the Maine tax liability of its partners to the assessor within 180 days from the final determination date of the audit. A pass-through entity that is a partner in an audited partnership is also subject to the reporting requirement with respect to the portion of adjustments applicable to that partner. In some cases, the partnership could be subject to tax on some or all of the audit adjustments at the partnership level.

The mission of Maine Revenue Services is to fairly and efficiently administer the tax laws of the State of Maine, while maintaining the highest degree of integrity and professionalism.

GENERAL INSTRUCTIONS

Who must file? A Maine income tax return must be filed by April 15, 2020 if you are a resident of Maine who is required to file a federal income tax return or if you are not required to file a federal return, but do have income subject to Maine income tax resulting in a Maine income tax liability. Even if you are required to file a federal income tax return, you do not have to file a Maine income tax return if you have no addition income modifications (Form 1040ME, Schedule 1, line 1i) and your income subject to Maine income tax is less than the sum of your Maine standard deduction amount plus your personal exemption amount. However, you must file a return to claim any refund due to you. Generally, if you are a nonresident or a "Safe Harbor" resident who has income from Maine sources resulting in a Maine income tax liability, you must file a Maine income tax return. See below for more information on residency, including "Safe Harbors." Nonresidents - see Schedule NR instructions for minimum taxability thresholds. Also see, 36 M.R.S. § 5142(8-B) and Rule 806.

What is my Residence Status?

To determine your residency status for 2019, read the following.

Domicile: Domicile is the place an individual establishes as his or her permanent home and includes the place to which he or she intends to return after any period of absence. A number of factors associated with residency are relevant in the evaluation of a claimed domicile. A domicile, once established, continues until a new, fixed and permanent home is acquired. To change domicile, a taxpayer must exhibit actions consistent with a change. No change of domicile results from moving to a new location if the intent is to remain only for a limited time, even if it is for a relatively long duration.

- Full-Year Resident: 1) Maine was my domicile for the entire year of 2019; or 2) I maintained a permanent place of abode in Maine for the entire year and spent a total of more than 183 days in Maine.
- "Safe Harbor" Resident (treated as a nonresident): General Safe Harbor - Maine was my domicile in 2019, I did not maintain a permanent place of abode in Maine, I maintained a permanent place of abode outside Maine and I spent no more than 30 days of 2019 in Maine. Individuals qualifying under the safe harbor rule will be treated as a nonresident for Maine individual income tax purposes. File Form 1040ME and Schedule NR or NRH.
 - **Foreign Safe Harbor** I spent at least 450 days in a foreign country during any 548-day period occurring partially or fully in the tax year. The taxpayer must also meet other eligibility criteria. If you qualify for the Foreign Safe Harbor, you will be considered a "Safe Harbor" Resident and treated as a nonresident for the 548-day period even though you were domiciled in Maine.
- Part-year Resident: I was domiciled in Maine for part of the year and was not a full-year resident as defined in 2) above. File Form 1040ME and Schedule NR or NRH.
- Nonresident: I was not a resident or part-year resident in 2019, but I do have Maine-source income. Follow the federal filing requirements for filing status, federal adjusted gross income, and standard or itemized deductions. File Form 1040ME and Schedule NR or NRH.

For additional information on determining Maine residency or if you are in the military, see the Maine Revenue Services *Guidance to Residency Status* and *Guidance to Residency "Safe Harbors"* available at www.maine.gov/revenue/forms (click on Income Tax Guidance Documents) or call the forms line at (207) 624-7894.

For example, if you purchased \$400,000 of eligible property and \$100,000 of that property is located in Maine and included in the credit base, the portion of the add-back to include on this line is \$100,000/\$400,000 or 25% of the total bonus depreciation add-back calculated above.

If your house is on land that is more than 10 acres, call your town or city assessor to get the tax on your house and the land up to 10 acres. Part-year residents - enter only the property tax amounts you paid for your home in Maine during the part of the tax year you were a Maine resident. - Do not include amounts paid for interest or special assessments.
- Do <u>not</u> include property taxes on property other than your primary residence.
- Do not claim any property tax paid by others. If the home is jointly owned, enter only the property tax you paid. You can claim the tax you paid on your home even if you have transferred ownership to someone else under a legal agreement that allows you to continue to live in the home, but you can claim the tax on the home only for as long as you live in the home.
- Do <u>not</u> include taxes on any part of your home or property used exclusively for business. <u>For example</u>, you owned a two-story building. You lived upstairs and ran a store downstairs. You can claim one-half of the property tax you paid. Do not include property taxes claimed as a business expense on your federal tax return.
- Do <u>not</u> include taxes on any part of your home that serves as a separate dwelling. Include only the taxes paid for the part of the home you occupied as your primary residence. <u>For example</u>, your primary residence is one unit located in a three-unit dwelling. You can claim only one-third of the property tax paid.

Note: If you owned a home that was on rented land or vice-versa, you can include the property tax you paid during 2019 on line 4 and the rent you paid during 2019 on line 5a. <u>For example</u>, you owned a mobile home located in a park. Line 5a. Enter the total rent you paid for your home (principal residence) in Maine during 2019. If you moved during the tax year, include the rent you paid during the tax year to live in each home or apartment. Include Workfare payments received from your town used to pay your rent. Part-year residents - enter only rent amounts you paid on your home in Maine during the part of the tax year you were a Maine resident. Note: You may be asked to provide copies of rent receipts or canceled checks before a refund is issued.

 Mortgage payments and room and board payments are not rent.
- Do not include the rent amount paid by a government program.
- Do <u>not</u> include rent for any part of your home that was rented out to others. <u>For example</u>, you share an apartment with your sister. Each of you are equally responsible for one-half of the rent. Include only the amount of rent you paid to live in the apartment.
- Do <u>not</u> include rent for any part of your home used exclusively for business. <u>For example</u>, you rent a two-story building. You live in a 2nd floor apartment and run a business on the 1st floor. Claim only the portion of rent you paid for the right to live in the 2nd floor apartment.
- Do <u>not</u> include rent claimed as a business expense on your federal return.

Line 5c. If the rent you entered on line 5a includes an amount for heat, utilities, furniture or other similar items and you know the amount paid toward the heat, utilities, furniture or other similar items, enter the amount on line 5c. If your landlord cannot provide the amount you paid for heat, utilities, furniture or other similar items, multiply the amount on line 5a by 15% (.15) and enter the result on line 5c. If the rent entered on line 5a does not include an amount paid for heat, utilities, furniture or other similar items, enter 0 on line 5c.

Line 5d. Subtract line 5c from line 5a. The rent you paid can include only the amount paid for the right to live in your home, excluding amounts paid for heat, utilities, furniture or other similar items.

2019 - Worksheet for Pension Income Deduction - Schedule 1, Line 2d Enclose this worksheet and copies of your 1099 form(s) with Form 1040ME.

The benefits received under a United States military retirement plan, including survivor benefits, are fully exempt from Maine income tax. See line 6 of the worksheet below. Only military retirement pay received as a result of service in the United States Army, Navy, Air Force, Marines, or Coast Guard qualify for the military retirement deduction on line 6.

In addition, you and your spouse (if married) may each deduct up to \$10,000 of other eligible pension income* that is included in your federal adjusted gross income. The \$10,000 cap must be reduced by any.com social security and railroad retirement benefits received, whether taxable or not.

Deductible pension income, other than military retirement pay, includes state and federal pension benefits and retirement benefits received from plans established and maintained by an employer for the benefit of its employees under Internal Revenue Code (IRC) sections 401(a) (qualified pension plans, including qualified 401 SIMPLE plans), 401(k) (qualified cash or deferred arrangements) and 403 (employee annuities). Deductible pension income also includes benefits received from an individual retirement account under IRC section 408, Roth IRA accounts under IRC section 408A, SIMPLE individual retirement accounts under IRC section 408(k), simplified employee pension plans under IRC section 408(p), benefits received under IRC section 457(b) (state and local government/tax exempt organizations/eligible deferred compensation plans), **except** that pick-up contributions received from the Maine Public Employees

Retirement System ("MainePERS") allowed to be deducted on Form 1040ME, Schedule 1, line 2f and pension income from 457(b) plans received prior to age 55 that is not part of a series of equal periodic payments made over the life of the recipient and the recipient's designated beneficiary, if applicable, may <u>not</u> be included in the deductible pension amount.

Note that a conversion of benefits from one account to another does not qualify for the pension income deduction. For example, a deduction may not be taken when a taxpayer converts a traditional IRA to a Roth IRA. The taxpayer, in this case, does not receive a retirement or IRA benefit at the time of conversion.

Pension benefits that <u>do not qualify</u> are those received from an ineligible deferred compensation plan under IRC section 457(f), refunds of excess contributions, lump-sum distributions included on federal Form 4972 and distributions subject to the additional 10% federal tax on early distributions. See federal Form 5329, Part 1, or federal Form 1040 or 1040-SR, Schedule 2, line 6. Also, disability benefits reported as wages on your federal income tax return do not qualify.

*Eligible pension income does not include benefits earned by another person, except in the case of a surviving spouse. Only the individual who earned the benefit from prior employment may claim the pension income for the deduction. However, a widowed spouse receiving survivor's benefits under an eligible pension plan may claim that amount for purposes of this deduction, but the total pension deduction for the surviving spouse may not exceed \$10,000.

PART-YEAR RESIDENT, NONRESIDENT AND "SAFE HARBOR" RESIDENT INSTRUCTIONS

Enclose Schedule NR and Worksheets A and B (and Worksheet C, if used) with your Maine return, Form 1040ME. Include a COMPLETE copy of your federal tax return, including all schedules and worksheets. Enclose W-2 forms from other states and temporary duty (TDY) papers to support your entry in Box C.

Nonresident individuals, including individuals who were nonresidents for only part of the year and "Safe Harbor" resident individuals, who have Maine-source income may owe a Maine income tax. See page 3 of the individual income tax booklet for residency information.

MILITARY SERVICE MEMBER SPOUSE: The income of a military spouse for the performance of services in Maine will not be treated as Maine-source income subject to Maine income taxation if the military spouse is not a resident or domiciliary of Maine (or elects to retain residency in another state under the federal Military Spouse Residency Relief Act), the military spouse is located in Maine solely to be with the service member, the service member is located in Maine in compliance with military orders, and the service member and the spouse have the same state of residency or domicile.

The Maine tax is determined by first calculating a tax amount as if the part-year resident, nonresident or "Safe Harbor" resident were a Maine resident for the entire year and then reducing that amount by a "nonresident credit." The Maine tax is calculated on the basis of the nonresident's or "Safe Harbor" resident's entire federal adjusted gross income and the Maine income modifications, itemized or standard deduction, personal exemption amount and credits. The nonresident credit is based on the amount of non-Maine source income. The nonresident credit is calculated on Schedule NR or Schedule NRH and entered on Form 1040ME, line 21. **NOTE:** Nonresident minimum taxability thresholds: A nonresident individual working in Maine as an employee is not required to pay a Maine tax or file a Maine return on income from personal services unless that individual works in Maine for more than 12 days and earns or derives income from all Maine sources totaling more than \$3,000. Up to 24 days performing certain personal services, such as training and site inspections, are not counted against the 12-day threshold. Also, generally, a nonresident individual present in Maine for business for no more than 12 days and earning no more than \$3,000 from business activity in Maine is not required to pay a Maine tax or file a Maine income tax return on that income. Compensation or income directly related to a declared state disaster or emergency is exempt from Maine tax if the taxpayer's only presence in Maine is for the sole purpose of providing disaster relief. For more information, see Maine Revenue Services Rule 806 and 36 M.R.S. §§ 5142(8-B) and 5220(2) available on the MRS website at www.maine.gov/revenue (select Laws and Rules).

INCOME SUBJECT TO MAINE INCOME TAX:

A **part-year resident** is subject to Maine income tax on all income received while a resident of Maine, plus any income derived from Maine sources during the period of nonresidence. A **nonresident** or "**Safe Harbor**" resident is subject to Maine income tax on taxable income derived from sources within Maine. For a description of Maine source income, see Maine Revenue Services Rule 806 available at www.maine.gov/revenue (select Laws and Rules) or the Instructional Pamphlets for Schedule NR or NRH at www.maine.gov/revenue (select forms).

SHOULD I FILE SCHEDULE NR OR SCHEDULE NRH?

You must file Schedule NR if you are a part-year resident, a nonresident or a "Safe Harbor" resident individual required to file a Maine return, have income not taxable to Maine, and are using the same filing status used on your federal return.

Instead of filing Schedule NR, you may elect to file single on the Maine return using Schedule NRH if your filing status on your federal return is married filing jointly and your residency status is different from that of your spouse or both you and your spouse are nonresidents of Maine or "Safe Harbor" residents, but only one of you has Maine-source income. The nonresident or "Safe Harbor" resident spouse with no Maine-source income does not have to file a Maine return. Do not use Schedule NRH if your filing status on your federal return is single, head-of-household, or married filing separately.

STEP 1 — If required, complete Worksheets A and B available at www.maine.gov/revenue/forms before completing Schedule NR.

STEP 2 — Complete Form 1040ME, lines 1 through 20a.

Find the amount of Maine income tax as if you were a full-year Maine resident. To do this, complete Form 1040ME, lines 1 through 20a. Use your total federal adjusted gross income on line 14.

STEP 3 — Complete Schedule NR to compute your Nonresident Credit.

- Line 1. Enter your income from Worksheet B on line 1. List your total federal income in Box A. In Box B, list only your Maine-source income. List your non-Maine-source income in Box C.
- Line 2. RATIO OF INCOME. Divide your total non-Maine-source income on line 1, Box C, by your total federal income on line 1, Box A. Except, if non-Maine-source income (line 1, Box C) is negative, enter 0.0000 or if line 1, Box C is positive and Maine-source income (line 1, Box B) is negative, enter 1.0000.
- **Line 3. FEDERAL INCOME ADJUSTMENTS NON-MAINE-SOURCE ONLY.** Complete this section only if you have federal income adjustments from non-Maine sources on federal Schedule 1, line 22. Enter the total federal income adjustments from non-Maine sources; otherwise, multiply your total federal income adjustments by the percentage listed on line 2 of Schedule NR.
- Line 4. FEDERAL ADJUSTED GROSS INCOME NON-MAINE-SOURCE ONLY. Subtract line 3 from line 1, Box C.
- **Line 5. MODIFICATIONS NON-MAINE-SOURCE ONLY.** Use this section only if you have income modifications entered on Form 1040ME, line 15. Enter your modifications to income from non-Maine sources received while you were a nonresident of Maine. For details on these modifications, see the instructions for Schedule 1 on pages 5 and 6 of the individual income tax booklet. Do not include taxable refunds of state and local taxes. Prorate the pension deduction (Form 1040ME, Schedule 1, line 2d) based on the percentage of qualified pension income received as a nonresident or a "Safe Harbor" resident.
- Line 6. NON-MAINE ADJUSTED GROSS INCOME. Add or subtract your total modifications, line 5c, to or from line 4.
- **Line 7. RATIO OF MAINE ADJUSTED GROSS INCOME.** Divide the amount of your non-Maine adjusted gross income, line 6, by your total Maine adjusted gross income from Form 1040ME, line 16. Except, if line 6 is negative, enter 0.0000 or if line 6 is greater than the amount on Form 1040ME, line 16, enter 1.0000.
- Line 8. MAINE INCOME TAX. Enter the Maine income tax from Form 1040ME, line 20.
- **Line 9. NONRESIDENT CREDIT.** Multiply the amount on line 8 by the percentage on line 7. This is your Nonresident Credit. Enter the result here and on Form 1040ME, line 21.
