Note: MRS Rule 104 (Electronic Filing of Maine Tax Returns) generally requires electronic filing of Maine income tax withholding returns, including Form W-3ME. Employers/payers unable to meet the electronic filing requirement because of undue hardship may request a waiver from the State Tax Assessor. The request must be in writing and must include the name, address and withholding account number of the business, a detailed explanation of why filing electronically poses a significant hardship and the length of time for which you are requesting a waiver. Mail requests to: Maine Revenue Services, Withholding Unit, P.O. Box 1060, Augusta, ME 04332-1060. To view Rule 104, see www.maine.gov/revenue (select "Laws & Rules").

Maine Revenue Services provides two electronic filing options: File online using the Maine Revenue Services Withholding I-File program or upload a text file (formatted to required specifications) containing Form W-3ME data using the Maine Revenue Services MEETRS system. For more information on these programs, see www.maine.gov/revenue/electronic-services.

General Instructions

Employers and other payers who withhold Maine income tax during the calendar year must file an annual reconciliation (Form W-3ME) on or before February 28 of the following year. Generally, total income tax withheld as shown on Form W-3ME should equal the total withholding reported to Maine Revenue Services for the year on quarterly returns and should also equal the total amount of Maine income tax withheld as shown on all information returns furnished to payees. If you are completing this form as a third-party payer of sick pay, lines 1 and 2 should differ only by the amount entered on line 3. If you are completing this form as an employer issuing wage statements that includes withholding reported by a third-party payer of sick pay, lines 1 and 2 should differ only by the amount entered on line 4. Otherwise, if lines 1 and 2 do not agree, correct any reporting errors by filing an amended quarterly return for each period in which errors were made. See the instructions for Form 941ME for further details.

Payee Statements - Due January 31

Maine Revenue Services does not accept paper copies of payee statements (Forms W-2 and 1099).

Employers that file 250 or more W-2 forms with the Social Security Administration, non-wage payers that submit 250 or more of a single type of 1099 form with the Internal Revenue Service, and entities that have received an exception from the requirement to complete Schedule 2 on their quarterly return must file copies of such forms electronically directly with Maine Revenue Services.

A person who is licensed to conduct pari-mutuel wagering or to operate a slot machine in Maine must electronically file Form W-2G with Maine Revenue Services for each payee for whom a statement is required to be provided under federal regulations.

All others may, at their option, file annual statements electronically with Maine Revenue Services or, for Forms 1099 only, through the Combined Federal/State Filing Program.
