

Instructions for Form 5323**2027 City Income Tax Withholding Monthly Return**

Purpose

The purpose of this form is for an employer to file a City Income Tax Withholding return and make monthly payments on behalf of an employee **for the City of Detroit or the City of Flint**.

IMPORTANT: See the **2027** City Income Tax Withholding Guide available online at www.michigan.gov/citytax for additional details on an employer's withholding obligations.

NOTE: An employer reporting withholding to both cities must file two separate monthly returns, one for Detroit and one for Flint.

Due Date

Employers are required to file a return on a monthly basis. A return may be filed by paper or electronically. However, all payments must be made electronically.

The "City Income Tax Withholding Monthly Return" (Form 5323) and payments (if applicable) are due on the 15th day of the month following the month in which the tax was withheld.

Filers are also required to file the "City Income Tax Withholding Annual Reconciliation Return" (Form 5321). See Form 5321 for additional instructions.

NOTE FOR ALL TAXPAYERS: If the taxpayer inserts a "0.00" (zero) on any line for reporting withholding tax, the taxpayer is certifying that no tax is owed for that period. If it is determined that tax is owed, the taxpayer will be liable for the deficiency as well as penalty and interest. Form 5323 must be filed even if there is no tax liability for the period.

If filing of City Withholding tax is no longer required, Form 5321 must be completed to discontinue. See Form 5321 for additional instructions.

Electronic Filing

Filing of tax returns and payments electronically is accurate, convenient and secure. E-file returns have significantly less chance of error and are processed faster than paper returns. When e-filing, do not mail a paper copy of Form 5323, unless requested by Treasury to do so.

Visit www.MIfastfile.org for more information.
