Schedule F applies to nonresident and part-year resident estates and trusts only. The fiduciary will use this schedule to compute the ratio of undistributed Montana source income to total undistributed income. This ratio is then multiplied by the tax from page 2, line 26, and reduced by the capital gains credit on Schedule F, line 17, to determine the nonresident or part-year resident tax to be reported on page 2, line 28a.

Column A – For lines 1 through 13, start with the corresponding line on page 1 and reduce that amount by any income distributed to the beneficiaries. **Column B** – For lines 1 through 13, report the amount of Montana source included in column A.
