**Concerning:** MTST\_TY24\_PTE Updates

**Reject Code – FormPTE-A12115B has been updated.**

The original reject code said:

If PTET election checkbox is marked and Resident PTET checkbox is not marked, Part 5, line 1 must equal 5.9% multiplied by Part IV, Column B, line 14.

The new reject code says:

If PTET election checkbox is marked and Resident PTET checkbox is not marked, Part V, line 1 must equal 5.9% multiplied by Part IV, Column B, Line 14 when Part IV, Column B, Line 14 is greater than zero.

**Reject Code – FormPTE-A12120B has been updated.**

The original reject code said:

If Resident PTET election box is marked Part 5, line 1 must equal 5.9% multiplied by Part 4 Column A, Line 14.

The new reject code says:

If Resident PTET election box is marked, Part V, line 1 must equal 5.9% multiplied by Part IV, Column A, Line 14 when Part IV, Column A, Line 14 is greater than zero.

Thank you,
