

## Purpose

The 2026 Form ND-1PRV is a payment voucher that you complete and send in with your return if you:

- are filing your 2026 Form ND-EZ or Form ND-1 on paper,
- have a balance due on your return, and
- are paying the balance due with a paper check or money order.

**Do not use Form ND-1PRV if you filed or are going to file your return electronically, or are paying a balance due electronically - see "Electronic payment option."**

**Also do not use this form to make an extension payment; instead, if you have an extension of time to file your Form ND-1 and you want to make an advance payment of an expected balance due on it, use Form ND-1EXT.**

## Payment Due Date

A balance due on a 2026 Form ND-EZ or 2026 Form ND-1 must be paid on or before April 15, 2027, to avoid any late payment penalty and interest charges.

## How to Make a Payment

### Electronic Payment Option

Instead of paying by check or money order with this payment voucher, the payment may be made online with an electronic check or a debit or credit card. To make an electronic payment, go to [www.tax.nd.gov](http://www.tax.nd.gov) and select "Make A Payment."

### Check or Money Order

Make your check or money order payable to "ND State Tax Commissioner." Write the last four digits of your social security number and "2026 ND-1PRV" on your check or money order. Complete the payment voucher, detach it from this page, and mail it with your payment and return to:

Office of State Tax Commissioner  
600 E. Boulevard Ave., Dept. 127  
Bismarck, ND 58505-0599

Only a check drawn on a U.S. or Canadian bank in U.S. dollars and using a standard 9-digit routing number is accepted.

**If paying electronically, do not use this payment voucher.**
