	6		6	
	7	Purpose of this form. Use this 2021 PIT-EXT payment voucher to make an extension payment towards a 2021 personal income tax liability.		
	8	An extension payment requires a federal automatic extension or a New Mexico extension. A payment towards a potential tax liability with		
	9	a PIT-EXT avoids accrual of interest. By obtaining an extension of time to file your return, the Department waives penalty for failure to file		T
	10	and pay through the extension period, if you file the return and pay the tax shown on the return by the extended due date. Interest accrues even if you obtain an extension of time to file and pay the return. Interest is assessed daily at the quarterly rate established for individuals		T
	11	by the U.S. Internal Revenue Code on the amount of tax due. The Department posts annual and daily interest rates for each quarter on		Ť
	12	our website at http://www.tax.newmexico.gov/Individuals/penalty-interest-rates.aspx.	12	Ť
