**2023 PTE-EXT Pass-Through Entities Tax Return**  
**Extension Payment Voucher**

**Purpose of this form.** Use this 2023 PTE-EXT payment voucher to make an extension payment towards a 2023 Pass-through Entities Tax Return liability. An extension payment requires a federal automatic extension or a New Mexico extension. A full payment towards a potential tax liability with PTE-EXT avoids accrual of interest. By obtaining an extension of time to file your report, penalty for failure to file and pay is waived through the extension period, provided you file the report and pay the tax shown on the report by the extended due date. Interest accrues even if you obtain an extension of time to file. Interest is assessed daily at the quarterly rate established for individuals by the U.S. Internal Revenue Code on the amount of tax due. The Department posts annual and daily interest rates for each quarter at [www.tax.newmexico.gov](http://www.tax.newmexico.gov). In the black navigation bar at the top, click **INDIVIDUALS**. Under **FILE YOUR TAXES**, select **Penalty and Interest Rates**.

If you expect to owe tax when you file your 2023 PTE Pass-through Entities Tax Return and you obtained an extension of time to file, make a payment using the 2023 PTE-EXT payment voucher to avoid the accrual of interest on the principal tax due. Submit the payment voucher at the bottom of this page with your check or money order.

**About the Application for Extension of Time to File.**

- **Federal automatic extension filed.** New Mexico recognizes and accepts an Internal Revenue Service (IRS) automatic extension of time to file. If you obtain the federal automatic extension for tax year 2023, you have the federal automatic extension period allowed by the IRS to file your New Mexico report. You do not need to file Form RPD-41096, *Application for Extension of Time to File*. Detach the voucher at the bottom and submit it to the Department with your extension payment.
- **New Mexico extension request filed.** If you expect to file your federal return by the original due date or by the federal automatic extension of time to file allowed by the IRS, but you need additional time to file your New Mexico report, you must obtain approval through the state. To request approval, you must submit Form RPD-41096, *Application for Extension of Time to File*, on or before the due date of the return or the extended due date of the return. You may submit RPD-41096 at the same time you submit your extension payment. Detach the voucher at the bottom and submit it to the Department with your extension payment.

You may submit your payment with the payment voucher below or pay online at no charge by electronic check. You can pay online through Taxpayer Access Point (TAP) at <https://tap.state.nm.us>. Under **GENERAL TASKS**, click **Make a Payment**, and then click **Business**. From the drop-down box in **Account Type**, select **PTE Remitter**. The electronic check authorizes the Department to debit your checking account in the amount and on the date you specify. You may also use a credit card for your online payment. A convenience fee is applied for using a credit card. The State of New Mexico uses this fee, calculated on the transaction amount, to pay charges from the credit card companies. To file a New Mexico application for extension of time to file and pay, you must submit Form RPD-41096.

**NOTE:** When you provide a check as payment, you authorize us to use information from your check to make a one-time electronic fund transfer from your account. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment.

**SUBMIT ONLY A HIGH-QUALITY PRINTED, ORIGINAL FORM AND FOLLOW THESE INSTRUCTIONS.**

With the high-speed scanners the Department uses when processing payment vouchers, a quality form helps ensure accuracy. Do not use a photocopy of the voucher. Because the scanners can read only one page size to process vouchers, it is important to **cut on the dotted line only**. When printing the voucher from the Department website or a software product, prevent resizing by setting the printer's page scaling function to **None**. If your payment voucher has a scanline (a very long row of numbers) within the bottom 1 and 1/2-inch of the voucher, do not write in the area around the scanline.

**IMPORTANT:** Please make sure you submit the payment with the payment voucher.
