22 24 26 28 30 State of New Mexico Taxation and Revenue Department 2024 FID-EXT, Extension Payment Voucher, Checklist □ Did you write the federal employer identification number (FEIN), FID-EXT, and the correct tax year on your check? ☐ Did you select the FID-EXT for the correct tax year for which you are making the payment? Did you mail your FID-EXT and check to the address on the payment youcher? □ Did you sign and include your check? Did you attach Form RPD-41096, Application for Extension of Time to File, or otherwise submit a timely request for a New Mexico extension? You can download this form at www.tax.newmexico.gov. At the top, click FORMS & PUBLICATIONS, then select Extension from the Income Taxes folder. If you obtained a federal automatic extension, you do not need to file RPD-41096 unless the requested extension period extends beyond the time allowed by the federal automatic extension. □ Are you using the correct form? Form 2024 FID-EXT, Extension Payment Voucher, is for taxpayers who have obtained a federal automatic extension or a New Mexico extension, who expect to owe tax on their 2024 FID-1 return, and who want to make a payment towards the liability to avoid accrual of interest. Form FID-PV, Tax Payment Voucher, is for taxpayers when making a payment towards a 2024 FID-1 return that has already been filed or is filed when making the payment. Form FID-ES, Estimated Payment Voucher, is used by taxpayers making an estimated payment towards the current year tax liability. SUBMIT ONLY A HIGH-QUALITY PRINTED, ORIGINAL FORM AND FOLLOW THESE INSTRUCTIONS. With the high-speed scanners the Department uses when processing payment vouchers, a quality form helps ensure accuracy. Do not use a photocopy of the voucher. Because the scanners can read only one page size to process vouchers, it is important to **cut on the dotted line only**. When printing the voucher from the Department website or a software product, prevent resizing by setting the printer's page scaling function to **None**. If your payment voucher has a scanline (a very long row of numbers) within the bottom 1 and 1/2-inch of the voucher, do not write in the area around the scanline. **IMPORTANT:** Please make sure you submit the payment with the payment youcher. 6 8 10 12 14 16 18 20 22 24 26 28 30 32 34 36 38 40 42 44 46 48 50 52 54 56 58 60 62 64 66 68 70 72 74 76 78
