Introduction

The Oklahoma Tax Commission (OTC), in conjunction with the Internal Revenue Service (IRS), accepts returns filed through the Modernized e-File system (MeF). This transmission method is a web service using Simple Object Access Protocol (SOAP) with attachments messaging capability. State returns are submitted as linked to the IRS submissions (also referred to as a Fed/State return). Oklahoma relies on the IRS to receive the state's electronic data. The IRS will do minimal validation on the state submission and will then pass along to the state what the ERO/taxpayer sends in the state submission. Oklahoma resident returns (Form 511) and part-year & nonresident returns (Form 511NR) are accepted.

Electronically transmitted individual income tax returns will be accepted from all participants that are accepted into the federal electronic filing program and are using accepted Federal/State Electronic Filing software, subject to suitability checks.

IRS Publication 1345, Handbook for Electronic Filers of Individual Income Tax Returns, as well as all rules, regulations and requirements governing tax preparers, transmitters, and originators of returns put forth by the IRS are used by OTC.

The Oklahoma Handbook is to be used in conjunction with the IRS Publication 1345. Since most functions in the Federal/State Electronic Filing Program are the same, the Oklahoma Handbook highlights the special features unique to Oklahoma.

Your comments on this handbook are appreciated.

The total amount of principle deducted and earnings excluded cannot exceed \$50,000.

Form 566 - Credit for Qualified Software or Cybersecurity Employees

Establishes a credit for a qualified software or cybersecurity employee who, on or after November 1, 2019, is employed in Oklahoma by a qualified employer in a qualifying industry. The credit is \$2,200 for a qualified employee who has an undergraduate or graduate degree in an accredited program from a degree-producing institution, or \$1,800 for a qualified employee who has a certificate or credential in an accredited program from a technology center. The credit is allowed each year for up to the first seven years. To qualify for the credit, the employee may not have been working in Oklahoma before November 1, 2019.

Chapter 2

Federal/State Electronic Filing

General Information

Electronic filing continues to be very successful. During the 2020 filing season there were over 1.5 million taxpayers that filed electronically. Direct deposit refunds were issued in approximately three to five days and debit card refunds in 10 to 12 days. The OTC would like to thank all preparers and software developers for their participation.

How Federal/State Electronic Filing Works

For Modernized e-File Program (MeF), the federal and state returns do not have to be transmitted together. The state return can be transmitted after the federal return is transmitted and accepted by the IRS. The federal and state returns will be linked by including the Submission ID of the federal return in the state manifest.

The IRS will acknowledge to the transmitter the acceptance of the federal return and receipt of state data. The state data will then be made available for retrieval by OTC where it will be entered and processed in the State Income Tax system.

Unlinked (state-only) returns will not be accepted on an original filing. Unlinked returns will be accepted on an amended return.

Acknowledgement

The OTC will generate an acknowledgement of acceptance or rejection for all returns received. The acknowledgment record will be in a format approved and agreed upon by the IRS, state agencies, transmitters and software developers. (See Oklahoma Business Rules.)

Transmitters and software developers should allow one business day to receive the state acknowledgment before contacting the OTC.

A return is not considered filed until an acknowledgement of acceptance has been received.

Who May Participate

Federal/State Electronic Filing for Oklahoma returns is available to all interested parties who have been accepted in the Federal Electronic Filing Program and transmit returns to the IRS Service Centers.

Note: You do not need to register with the OTC. When the IRS approves you for electronic filing of tax returns, Oklahoma automatically accepts you.

Mandate

All “specified tax return preparers” must file individual income tax returns electronically. The term specified tax return preparer has the same meaning as provided in Section 6011 of the Internal Revenue Code.

Chapter 3

Filing an Electronic Return

Composition of an Electronic Return

In total, an Oklahoma electronic return contains the same information as a comparable return filed entirely on paper documents. An electronic return consists of:

- Data transmitted electronically to the OTC using the IRS as a conduit; and
- Paper documents (sent directly to OTC) containing information that cannot be electronically transmitted, such as taxpayer signatures, documents prepared by third parties, etc. This does not include forms or schedules that are not accepted by the electronic filing system.

Note: The Oklahoma Form 511 & 511NR require an accompanying copy of the taxpayer's federal return.

Electronic Portion of Returns

The following forms and schedules can be transmitted electronically and are considered the electronic portion of the return.

- All federal individual income tax forms and schedules accepted for IRS e-file

- Information Return – Production Payments (OTC Form 500-A) - Use this form if it shows Oklahoma withholding.
- Information Return - Nonresident Member Income Tax Withheld (OTC Form 500-B) - Use this form if it shows Oklahoma withholding.
- Certain Government Payments (State 1099G) - Use this form if it shows Oklahoma withholding.
- Miscellaneous Income (State 1099Misc) - Use this form if not part of the federal return and it shows Oklahoma withholding.
- Binary attachments for any supporting documentation (PDFs)

Non-Electronic Portion of Returns

The non-electronic portion of the return consists of the following:

- Oklahoma Individual Income Tax Declaration for Electronic Filing (Form 511EF), required for all electronic returns, is to be retained by the ERO for three years.
- Copies of form W-2, W-2G, or 1099s, which would normally be attached to a paper return, must be attached to the Form 511EF and retained by the ERO. ERO's may be subject to inspection of records by the OTC during the filing season.
- If a return contains any forms or supporting schedules listed below and binary attachments* are not supported, they should be attached to the 511EF and mailed to the Oklahoma Tax Commission, Income Tax, PO Box 26800, Oklahoma City, OK 73126-0800. These are not part of the electronic record and may be required by OTC:
 - Form OW-8-P-Sup-I - Annualized Income Installment Method for Individuals
 - Form 511-NOL – Oklahoma Net Operating Loss
 - Form 573 - Farm Income Averaging
 - FTAC's Form – Oklahoma Volunteer Firefighter Tax Credit
 - Include a copy of other state's income tax return if Form 511TX is filed
 - Include any Oklahoma statements containing additional information.

Note: The 511EF should be placed on top as a cover page. Do not mail copies of the Oklahoma income tax return, federal income tax return or withholding statements. Only mail the 511EF to the OTC if you have any of the above forms as part of the transmitted tax return.

* If binary attachments are supported these forms and/or supporting schedules are attached, as PDFs, to the e-filed return.

Exclusions from Electronic Filing

The following types of returns are excluded from electronic filing:

- Returns from preparers, originators or transmitters who have not been accepted into the Electronic Filing Program.
- Original returns for any tax year other than the current and two prior tax years.
- Returns with dollars and cents entries. Only whole dollars are accepted.

Chapter 4

Rejected Returns

Paper returns, to replace electronic returns that were rejected and not resubmitted, are to be mailed to the OTC. The following information is required:

- A printout of the return
- The original, signed, Form 511EF
- State copy of all W-2s, W-2Gs and 1099s
- A cover letter giving the date the return was rejected eg: rejected 01/30/2020

Mail paper returns to:

Oklahoma Tax Commission
Crystal Cameron – Account Maintenance Division
PO Box 269060
Oklahoma City OK 73126-9060

When the paper replacement return is received by the OTC, at the specified address, it will be given priority processing status. Contact Crystal Cameron at (405) 522-5723 for additional information, or inquiries.

Note: If non-qualifying returns are filed electronically, the replacement returns will not be given priority by the OTC.

The OTC will monitor receipt of replacement returns.

Failure to submit paper returns in a timely manner may adversely affect your authorization to file Oklahoma electronic returns.

Changes to Electronic Returns:

After electronic returns are transmitted, they cannot be recalled or intercepted in process. If the electronic filer or taxpayer wishes to change any entry after a return has been accepted please note the following:

- An amended Oklahoma individual income tax return prior to TY2020 must be filed through the normal paper filing process.
- No action should be taken to change the computation between the date transmitted and the date the OTC acknowledges the return.
- If an Oklahoma return is transmitted in error, please contact Crystal Cameron, immediately at (405) 522-5723.

Chapter 5

Form 511EF Oklahoma Individual Income Tax Declaration for Electronic Filing

Form 511EF is the signature portion of the return. It must be completed and signed* by all appropriate parties before the return is transmitted electronically. The ERO is to keep the 511EF as documentation.

Form 511EF

- Authenticates the return.
- Authorizes the ERO to file the return electronically on behalf of the taxpayer.

Form 511EF does not serve as a power of attorney or as a substitute for the information required to be provided on the electronic tax return.

Use only the official Form 511EF or an approved substitute which duplicates the official form in format, language, content and size. Photocopies are acceptable as long as they are legible.

The following is a sequence of events in the handling of Form 511EF:

- 1) An ERO prepares the return and computes the taxes based on the information the taxpayer provides or accepts an already prepared return for the purpose of electronic transmission.
- 2) After the return has been prepared and/or before it is transmitted, the taxpayer must verify the information on the return and sign the 511EF prior to the electronic transmission of the tax return. Both signatures* are required on a joint return.
- 3) A copy of the prepared return must be provided to the taxpayer.
- 4) Form 511EF should be retained by the ERO for three years. All EROs will be subject to periodic review by the OTC to assure the paperwork is being retained. If supporting schedules are required by the OTC, please ensure the taxpayer is given a copy of the 511EF to mail to the OTC along with the supporting documents as mentioned in Chapter 3 NonElectronic Portion of Returns.

Form 511EF is part of the electronic return for the purposes of taxpayer verification and signature. A blank 511EF is the same as a blank tax return.

- Practitioners are prohibited from allowing taxpayers to sign a blank tax return.
- It is permissible to have the taxpayer review the completed tax return on the display terminal.

* Entry of the Taxpayer's Personal Identification Number (PIN) or use of an electronic signature pad (as authorized by the Internal Revenue Service) in the electronic filing process operated by the IRS shall serve as an "electronic signature". Entry of the

Taxpayer's PIN or use of an electronic signature pad as signature will only be allowed on a linked (Fed/State) electronically filed return.

Chapter 6

Refunds

Taxpayers have four options when their return shows an overpayment of their tax. They may elect to have their overpayment:

- Refunded directly into their financial institution account by electronic transfer (direct deposit).
- Refunded to them in the form of a debit card.
- Applied to next year's estimated tax .
- Donated to a variety of Oklahoma Organizations. See Schedule 511-H or 511NR-G for a list of the organizations.

Direct deposit offers the taxpayer a quick, convenient way to receive their refund, reducing the risk of loss and allowing immediate use of funds upon deposit.

Direct deposit of a refund is not guaranteed. A direct deposit may be denied due to:

- Oklahoma income tax due from a previous year.
- Fines or debts owed to state agencies, district courts, municipalities or IRS (ie: child support, student loans, etc).
- The estimated tax payments claimed on the return do not match the estimated tax payments recorded by the OTC.
- Adjustment is made to disallow a credit when the taxpayer was not eligible for it.
- Due to the electronic banking rules, the OTC will not allow direct deposits to or through foreign financial institutions. The taxpayer will be issued a paper check.

Although we do not anticipate problems with the Federal/State Electronic Filing Program, a refund may be delayed. If a taxpayer owes Oklahoma taxes, fines or a debt to a state agency, the OTC is required by law to apply (off-set) the income tax refund to these balances.

Taxpayers should first confirm acknowledgment of their Oklahoma return with their practitioner or transmitter and allow at least three weeks for their return to be processed. Once processed, tax preparers should wait seven business days from the approval date for a debit card or five business days for a direct deposit before contacting the OTC about a refund.

Inquiries may be directed to the Taxpayer Resource Center at (405) 521-3160.

Chapter 7

Payment of Balance Due Amounts

The taxpayer is responsible for paying the amount due to the OTC when a return is filed or no later than April 20 if paid electronically.* If the payment is not remitted electronically the amount due must be paid by April 15.

Payment may be made by check, money order, credit card or direct debit.

- Checks or money orders should be attached to the **511-V** and mailed to the OTC no later than April 15. Mail to:

**Oklahoma Tax Commission
Electronic Filing
PO Box 26890
Oklahoma City OK 73126-0890**

Do not mail a copy of the tax return with your payment.

If the taxpayer is not paying at the time of transmission, provide the taxpayer the completed 511-V to be mailed by April 15. If the taxpayer is making a partial payment, the form 511-V should be attached to the payment and mailed to the OTC no later than April 15. A billing coupon will be sent to the taxpayer for the balance due at which time the taxpayer will have the option of paying the remaining balance in full or making monthly payments until the balance is paid off.

- Taxpayers who have a tax amount due may choose to have their payment directly withdrawn from their checking or savings account. Taxpayers must supply the bank routing and account numbers, the amount to be withdrawn and the date the funds are to be withdrawn. No form 511-V is required. The due date for the payment is April 20.
- Credit card payments may be made through the OTC website. Visit OkTAP. Please be aware a convenience fee will be added to the transaction. The due date for the payment is April 20.
- The taxpayer can choose to have their payment directly withdrawn from their checking or savings account via the OTC website. Visit the "Online Services" section at tax.ok.gov. The due date for the payment is April 20.

* Warning! Due to the electronic banking rules, the OTC will not allow direct debits from or through foreign financial institutions. If the taxpayer uses a foreign financial institution they will be required to pay by check, money order or credit card.

Note: If the due date falls on a weekend or legal holiday when OTC offices are closed, your payment is due the next business day.

Chapter 8

Information Electronic Filers Must Provide to the Taxpayer

The ERO must furnish the taxpayer with documentation of all completed Oklahoma forms and schedules filed for the taxpayer. This documentation may be furnished on official Oklahoma forms, on copies of official forms, or on software designed forms that have been approved by OTC.

These should be provided to the taxpayers at the time they sign Form 511EF.

- The completed Oklahoma Individual Income Tax Declaration for Electronic Filing (511EF)
- Other documents containing required signatures
- Any other documents which are not Oklahoma forms or schedules.

The ERO should advise the taxpayer to retain copies of:

- Forms W-2, W-2G, 1099s
- Any other documents, not required by OTC which the taxpayer voluntarily included with the Form 511EF as supporting material
- The signed Form 511EF

The ERO will also retain the 511EF and copies of the W-2s etc. for 3 years.

If an electronically filed return was acknowledged as accepted by the OTC, the ERO should advise the taxpayer to wait 1 week from the acknowledgment date before making an inquiry about his/her refund.

Taxpayers have two quick, convenient ways to check the status of their refund. You can check on your refund for the current tax year by one of the following ways:

- Visit the OTC website at tax.ok.gov and click on the "Check on a Refund" link, which will lead you to our Taxpayer Access Point (OkTAP). Once on this page, you will be required to enter the last seven digits of the primary social security number on the return, the Zip Code on the return as well as the amount of the anticipated refund.
- Call (405) 521-3160 and enter the same information as prompted by our interactive automated phone system.

Chapter 9

Responsibilities of Electronic Filers

The guidelines in IRS Publications 1345 and 3112 must be followed for Oklahoma Electronic Filing.

Penalties for Disclosure or Use of Information

Guidelines outlined in Section 6, IRS Revenue Procedure 93-8 should be followed, as well as Title 68, Section 205 Oklahoma Statutes.

Penalties for Late Filing, Late Payment and Fraudulent Returns

This provision provides due notice that all penalties, interest and criminal provisions which are applicable for paper returns, are also applicable for electronic returns. Specifically, penalty and interest on tax for late filing and/or late payment will be assessed.

Penalties will be assessed for any person filing a fraudulent or misleading return. Additionally, any person who willfully subscribes or presents a fraudulent return will be subject to prosecution and the penalties.

- Other criminal provisions will be applicable to the extent that a person attempts to commit forgery and falsify signatures on any electronic filing form or check.
- Any attempt to pass bad checks for payment of taxes will be prosecuted.

Advertising Standards

Guidelines in IRS Publications 1345 and 3112 and Revenue Procedure 93-8, Sec 12.01 through 03 and 05 through 09 must be followed as though references to the IRS or Service were references to the OTC, State of Oklahoma, or the State and references to the FMS or Treasury Seals were references to the State of Oklahoma Seal.

Monitoring and Suspension of an Electronic Filer

The OTC will monitor electronic filers for conformity to this publication. The OTC can recommend suspension of an electronic filer for due cause through the local IRS District Office Coordinator.

Note: Warning letters, suspension and rejection from electronic filing will be administered by the local IRS District Director.
