GENERAL FILING INFORMATION

GENERAL INFORMATION

The tax code is found at title 68 of the Oklahoma Statutes (OS).

Every partnership, including syndicates, groups, pools, joint ventures or other unincorporated organizations (exclusive of trusts, estates or corporations defined by the Act), having Oklahoma source income, shall make a return of income on Form 514, for the calendar year or fiscal year ended on the last day of any month other than December.

Partnerships filing Federal Form 1065-B will file Form 514.

Each partner having Oklahoma source income sufficient to make a return shall make such return as required by law.

For returns by LLCs and Limited Liability Partnerships (LLPs), any reference to partnership partners in the instructions and Form 514 also applies to LLC and LLP members.

Notice: If this is a fiscal year or short period return, enter both the beginning and ending dates.

ACCOUNTING METHODS AND PERIODS

The taxable year and method of accounting shall be the same as the taxable year and method of accounting used for federal income tax purposes.

WHEN AND WHERE THE RETURN MUST BE FILED

Partnership returns shall be due no later than 30 days after the due date established under the IRC.

Electronic filing is required pursuant to OAC 710:50-19-1.

An extension of time for the filing of the return may be granted but in no case to exceed six months. If you have an extension of time from the IRS in which to file your federal return, an Oklahoma extension is automatic. However, a copy of the federal extension must be provided with your Oklahoma tax return. To extend the due date to the full six months, partnerships who are not electing PTEs must file Form 504-C. Partnerships who are electing PTEs must file Form 504-PTE.

When the last date for filing any document or performing any act required by the OTC falls on a day when the offices are not open for business, the filing of the document or performance of the act shall be considered timely if it is performed by the end of the next business day.

BUSINESS CODE NUMBER

Oklahoma business codes are the same as federal business codes.

2024 OKLAHOMA PARTNERSHIP TAX PACKET

COMPOSITE RETURN INFORMATION

Any partnership required to file an Oklahoma income tax return may elect to file a composite return for its nonresident partners. The income tax liability for such nonresident partners will be computed and paid on the partnership return. Any nonresident partner may be included in the composite return. When filing a composite return, the Form 514-PT Partnership Composite Income Tax Supplement and **Form 514, Part One, Tax Computation for Nonresident Composite Filers**, must be completed. If there are more than 15 partners included in the composite return, complete Form(s) 514-PT-SUP. Rule 710:50-19-1.

Use Form 514-PT and, if applicable, Form 514-PT-SUP to compute each of the nonresident partner's Oklahoma income tax. The instructions are on page 2 of Form 514-PT. The totals of the nonresidents' Oklahoma distributive income and their tax are carried from Form 514-PT to Form 514, Part One, lines 1 and 2a. See page 11 for the instructions for Part One.

Estimated tax payments made on behalf of the nonresident partners electing to be included in the composite return must be made under the partnership's name and FEIN. Partnerships who are not electing PTEs use Form OW-8-ESC, and partnerships who are electing PTEs use Form OW-8-PTE.

INFORMATION AT SOURCE

Every partnership making payments of salaries, wages, premiums, annuities or other periodical gains, profits or income, amounting to \$750 or more, paid or payable during the year, to any taxpayer, shall make a complete report by February 28 of the succeeding calendar year in the manner prescribed by the OTC. 68 OS Sec. 2369(A) and Rule 710:50-3-50(A).

ADJUSTMENTS BY THE IRS

Taxpayers who file "consents" extending the time for making federal adjustments automatically extend the time for making state adjustments. Also, taxpayers are required to **provide** copies of all IRS adjustments.

WITHHOLDING ON NONRESIDENT MEMBERS

PTEs (partnerships, S Corporations, LLCs or trusts) are required to withhold Oklahoma income tax at a rate of 4.75% of the Oklahoma share of taxable income distributed to each nonresident member (partner, member, shareholder or beneficiary). A PTE is **not** required to withhold income tax with regard to any nonresident member who submits a Form OW-15 Nonresident Member Withholding Exemption Affidavit. 68 OS Sec. 2385.29, 2385.30 and 2385.31.

Withholding is not required on distributions made to persons, other than individuals, who are exempt from federal income tax; organizations granted an exemption under Section 501(c)(3) of the IRC; insurance companies subject to the Oklahoma Gross Premiums Tax and therefore exempt from Oklahoma income tax under 68 OS Sec. 2359(c), and nonresident members who have filed Form OW-15. Withholding is not required on any distribution of royalty income on which the nonresident royalty interest income tax has already been withheld, on any distribution made to another PTE or on any distribution of income not subject to Oklahoma income tax.

The following PTEs are not required to withhold:

- An entity electing to be treated as a disregarded entity for federal income tax purposes. A disregarded entity is an eligible entity that is treated as an entity that is not separate from its single owner.
- An entity that does not have a requirement, or properly elects out of the requirement, to file a federal income tax return.
- An entity making distributions of income not subject to Oklahoma income tax.
- An entity that made the election to become an electing PTE (see "Electing Pass-Through Entity" on page 7 for more information).

Distributions Made From the Partnership

Partnerships that make distributions subject to Oklahoma withholding must register with the OTC. Register by completing Form OW-11 Registration for Oklahoma Withholding for Nonresident Members. This form is available from our website at **tax.ok.gov**.

2024 OKLAHOMA PARTNERSHIP TAX PACKET

Distributions Made From the Partnership (continued)

To file and pay the income tax withheld, the partnership must complete Form WTP-10003 Oklahoma Nonresident Distributed Income Withholding Tax Annual Return. The partnership will file Form WTP-10003 separately on or before the due date (including extensions) of the partnership's income tax return. The partnership must **provide** nonresident partners a Form 500-B by the due date (including extensions) of its income tax return, showing their respective amount of income and tax withheld. Copies of Form 500-Bs, along with the cover Form 501, must be electronically filed separately with the OTC by the same date (the amount withheld by a third party should be reported on Form K-1). Each nonresident partner must **provide** a copy of the Form 500-B with their Oklahoma income tax return as verification for this withholding.

When a partnership files a composite return on behalf of its nonresident partners, the nonresident partner's withholding can be claimed on Form 514, Part 1, line 7. **A copy of the nonresident partner's Form 500-B must be provided with Form 514.**

AMENDED RETURNS

Form 514 is also used for amended returns. If this is an amended return, place an 'X' in the box located on Form 514, page 1. Enter on line 9 any amount paid with the original return plus any amount paid after it was filed. Enter on line 10 any refund previously received or overpayment applied. Complete Schedule 514-X on page 8. **Provide** Federal Amended Form 1065 when applicable. **Overpayments cannot be applied to next year's estimated tax. Line 13 cannot be amended or changed once the original return has been processed.** See 68 OS Sec. 2373 for the statute of limitations for refunds.

OKLAHOMA DEPLETION IN LIEU OF FEDERAL DEPLETION

Oklahoma depletion on oil and gas well production, at the option of the taxpayer, may be computed at 22% of gross income derived from each Oklahoma property during the taxable year. Major oil companies, as defined in 52 OS Sec. 288.2, when computing Oklahoma depletion shall be limited to 50% of the net income (computed without the allowance for depletion) from each property. If Oklahoma options are exercised, the federal depletion not used due to the 65% limit may not be carried over. Lease bonus received is considered income subject to depletion. If depletion is claimed on a lease bonus and no income is received as a result of non-producing properties, upon expiration of the lease, such depletion must be restored. A complete schedule by property must be provided.

AGRICULTURAL COMMODITY PROCESSING FACILITY EXCLUSION

Owners of agricultural commodity processing facilities may exclude from Oklahoma taxable income 15% of their investment in a new or expanded agricultural commodity processing facility located within Oklahoma.

Agricultural commodity processing facility means buildings, structures, fixtures and improvements used or operated primarily for the processing or production of agricultural commodities to marketable products. The investment is deemed made when the property is placed in service.

Provide a separate schedule showing the type of investment(s), the date placed in service, the cost, the total exclusion and the exclusion available for each partner. Do not include this exclusion in the Oklahoma distributive income. Each partner shall report their allowable share of the exclusion on the designated line of their individual return.

ALLOCABLE INCOME OR LOSS

Part Two, Column A and Part Three, Column A are to be completed by all partnerships.

Part Two, Column B and Part Three, Column B are to be completed by partnerships deriving all of their income from within Oklahoma and by partnerships whose business is oil and gas production, mining, farming, income from other pass-throughs, or rental within and without Oklahoma, on a direct accounting basis.

APPORTIONMENT INCOME OR LOSS

Part Four is to be completed by partnerships conducting a business of a unitary nature. A unitary business is one whose income is derived from the conduct, in more than one state, of a single business enterprise (commonly called unitary business) all the factors of which are essential to the realization of an ultimate gain derived from the enterprise as a whole, and not from its component parts which are too closely connected and necessary to each other to justify division or separate allocation.

2024 OKLAHOMA PARTNERSHIP TAX PACKET

Apportionment Income or Loss (continued)

Partnerships consisting of business other than oil and gas production, mining, farming or rentals operating in more than one state should compute their Oklahoma income by using the three-factor formula consisting of property, payroll and sales. If fewer than three factors are present, the resulting amount is apportioned to Oklahoma on a two-factor or single-factor formula consisting of the arithmetical average of the factors present. A factor is considered present if there is a denominator. When a partnership has capital gains (or other allocable items such as depletion), a separate schedule must be provided showing the Oklahoma portion and the total amount claimed on the federal return. 68 OS Sec. 2358(A)(4) and Sec. 2358(A)(5).

SAFETY PAYS OSHA CONSULTATION SERVICE EXEMPTION

(Part Two, Column B, line 20 or Part Four, line 3)

An employer that is eligible for and utilizes the Safety Pays OSHA Consultation Service provided by the Oklahoma Department of Labor shall receive a \$1,000 exemption for the tax year the service is utilized. Employers must be able to substantiate their participation in the Oklahoma Department of Labor's Safety Pays OSHA Consultation Service upon request.

QUALIFIED REFINERY PROPERTY

(Part Two, Column B, line 7 or Part Four, line 2)

If the election was made to expense the cost of qualified refinery property located in Oklahoma on a previous year's Oklahoma return, the depreciation deduction claimed on the federal return for such property must be added back to arrive at Oklahoma distributive income. This addition must be made regardless of whether the expense was claimed on the partnership return or allocated to its owners. 68 OS Sec. 2357.204.

COST OF COMPLYING WITH SULFUR REGULATIONS

A qualified refinery may make an irrevocable election to allocate all or a portion of the cost of complying with sulfur regulations issued by the Environmental Protection Agency as a deduction allowable to its owners. The allocation for each person is equal to the ratable share of the total amount allocated, determined on the basis of the ownership interest of the person. The taxable income of the refinery shall not be reduced by the reason of any amount allowed under this section. 68 OS Sec. 2357.205.

If You Are the Refinery

To make the election, **provide** a schedule of a list of the costs of complying with sulfur regulations some or all of which are being allocated to your owners and the portion of such costs allocated to each owner, including the owner's name and federal identification number. You shall also provide each owner with written notice of the amount of costs allocated to such owner. The notice must include your name and FEIN and the owner's name and federal identification number.

If You Are the Owner

(Part Two, Column B, line 20, or Part Four, line 6 - as a deduction)

Deduct the portion of the cost of complying with sulfur regulations that have been allocated to you. **Provide** the written notice of the allocation received from the refinery.

INDIAN EMPLOYMENT EXCLUSION

(Part Two, Column B, line 20 or Part Four, line 3)

All qualified wages equal to the Federal Indian Employment Credit set forth in 26 U.S.C.A., Section 45A, shall be deducted from taxable income. Deduct on the Oklahoma return an amount equal to the reduction of salaries and wages reported on the federal return as a result of Form 8845 Indian Employment Credit. The deduction allowed shall only be permitted for the tax years in which the federal credit is allowed, even if not used in such year because of tax liability limitations. **Provide** a copy of the federal return, Form 8845 and if applicable, Form 3800.

DEDUCTION FOR QUALIFIED EQUITY INVESTMENTS

(Part Two, Column B, line 20 or Part Four, line 3)

Corporations may deduct qualified equity investments in an eligible Oklahoma venture capital company. The deduction may not exceed \$25 million by an accredited investor during a taxable year and may not reduce Oklahoma taxable income below zero. 68 OS Sec 2358.110. **Provide** Form 582-I (available at tax.ok.gov).

2024 OKLAHOMA PARTNERSHIP TAX PACKET

DEDUCTION FOR QUALIFIED PROPERTY

(Part Two, Column B, line 16 or Part Four, line 3)

Corporations may deduct the cost of business assets that are qualified property or qualified improvement property covered under Sec. 168 of the IRC. The qualified property is eligible for 100% Oklahoma bonus depreciation and may be deducted as an expense incurred by the taxpayer during the taxable year during which the property is placed in service.

Note: If 100% Oklahoma depreciation was claimed for a previous year, the depreciation must be added back on Part 2, Line 7, Column B or Part 4, Line 6 to avoid duplication. For partnerships filing Part 4, the apportioned depreciation claimed in the first year should be added back to Oklahoma distributable net income in subsequent years.

ELECTING PASS-THROUGH ENTITY

“Electing pass-through entity” means any PTE as defined in 68 OS Sec 2355.1P-2(6) that has made an election pursuant to 68 OS Sec 2355.1P-4(F) to pay income tax as computed pursuant to 68 OS Sec 2358. 68 OS Sec. 2355.1P-1 through 2355.1P-4.

Any PTE required to file an Oklahoma partnership income tax return or Oklahoma S corporation income tax return may elect to become an electing PTE by filing Form 586 or by making the election on Form 514. The election to become an electing PTE has priority over and revokes any election to file a composite Oklahoma partnership return or the requirement of a Subchapter S corporation to report and pay tax on behalf of a nonresident shareholder for the same tax year. An election made by one PTE is not binding on any other PTE; each PTE must make its own election.

The election is binding until revoked by the PTE or by the OTC. Form 586 is also used by the PTE to revoke the election. If the amount of tax required to be paid by the PTE pursuant to the provision of the Pass-Through Entity Tax Equity Act of 2019 is not paid when due, the OTC may revoke the PTE’s election effective for the first year for which the tax is not paid.

If You Are the Electing PTE

Place an “X” in the “Electing PTE” box (4) located at the top of Form 514, page 1. Use Form 587-PTE Pass-Through Entity Income Tax Supplement to compute the electing PTE’s Oklahoma tax. Each member’s distributive share of the PTE’s Oklahoma net entity income is multiplied by 4.75% for individual and trust members or 4% for corporate, S corporation and partnership members. The total of which is the electing PTE’s tax. The electing PTE’s taxable income and tax are entered on Form 514, Part 1, lines 1 and 2b and 2c.

OKLAHOMA NET ENTITY LOSS

If the PTE election results in a net entity loss for Oklahoma income tax purposes in any tax year, the net entity loss may be carried back and carried forward by the electing PTE for Oklahoma income tax purposes as set forth in 68 OS Sec 2358(A)(3)(b). The electing PTE’s net entity loss equal to the percentage of ownership reported in each part is entered on Form 587-PTE, Part 1, line 18, or Part 2, line 18.

If You Are a Member of an Electing PTE

(Part 2, Column B, line 4 or Part 4, line 6)

If you are a member, either directly or indirectly, of an electing PTE, you may exclude the Oklahoma income (loss) covered by the election pursuant to the provisions of the Pass-Through Entity Act of 2019. **Provide** a schedule listing the electing PTE, federal identification number, federal taxable income (loss) and Oklahoma taxable income (loss) that is covered by the election pursuant to this Act. Also, **provide** a copy of the OTC acknowledgment letter (**provide** a copy of the Form 586 if the electing PTE made a first-time election for the current tax year). 68 OS Sec. 2358(A)(11).

If You Want to Become an Electing PTE

Place an “X” in the “First-year PTE Election” box (5) located at the top of Form 514, page 1, and include Form 586 with your return. (See “If You Are the Electing PTE” instructions for reporting the election.)

Interest from entities such as FNMA & GNMA does not qualify.

PART FOUR

Part Four is to be used by partnerships conducting a business within and without the state of Oklahoma that must be apportioned.

Generally, unitary income is apportioned to Oklahoma based on the three-factor formula. The basis of the apportionment is the arithmetical average of three factors consisting of property, payroll and sales. If fewer than three factors are present, the resulting amount is apportioned to Oklahoma on a two-factor or single-factor formula consisting of the arithmetical average of the factors present. A factor is considered present if there is a denominator. Each factor is a ratio of the total within Oklahoma to the total everywhere. Oklahoma distributable net income is figured by adding separately allocated Oklahoma income with net Oklahoma apportioned income. 68 OS Sec. 2358.

Line 1

Enter net distributable income from Page 4, Part Three, Column A, line 15.

Line 2

Deductions relating to income that is separately allocated shall not be allowed and will be entered here.

Rents and interest expenses paid to a captive real estate investment trust and deducted on your federal return must be added back to compute Oklahoma distributable income.
