ANALYST'S CHECK OF CAMERA-READY COPY

In releasing Portfolios, analysts are responsible for the following items.

Note: Analyst review should take 15-30 minutes at most.

- ☒ 1. Is the cover art work correct (i.e., correct title and edition number)?
- ☒ 2. Are the black tabs placed correctly on the first page of the Detailed Analysis, and Table of Worksheets?
- ☒ 3. Read completely the Title Page and Portfolio Description sheet.
- ☒ 4. Check Table of Contents for continuity of roman numerals, capital letters, and major headings.
- ☒ 5. Check Table of Worksheets for correct Worksheet list and titles.
- ☒ 6. Note here any corrections that need to be made:

- replace board of editors list on page 2 of Final 190-2nd with updated list (see JIRA comment to Murat on 4/16/25)
- in IX.D.2 heading, change "Sourcing in General" to "Sourcing In General"
- in TOC, IX.D.2 heading, change "Sourcing in General" to "Sourcing In General"
- in IX.D.2.a(2) heading, change "Transactions in Nonfungible Tokens ("NFTs") to "Transactions in Nonfungible Tokens (NFTs)"
- in TOC, IX.D.2.a(2) heading, change "Transactions in Nonfungible Tokens ("NFTs") to "Transactions in Nonfungible Tokens (NFTs)"
- In TOW, remove the periods after each worksheet heading (for example, change "Worksheet 1 Glossary of Terms." to "Worksheet 1 Glossary of Terms")
