Part D – Alabama New Markets Development Credit

Act Number 2012-483, passed by the Alabama Legislature during the 2012 Regular Session, establishes a tax credit to corporations/financial institutions that invest in businesses located in impoverished and low income communities. The credit allowance date is the date on which such investment is initially made and each of the six anniversary dates thereafter. The credit shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. Tax credits claimed under this act are not saleable or transferable. Any amount of tax credit that the taxpayer is prohibited from claiming in a taxable year may be carried forward to any of the taxpayer's subsequent taxable years.

D1. Enter the amount of the New Markets Development Credit claimed from the Notice of Certification.

Part E – Veterans Employment Act - Employee Credit

Act 2018-194 amend Sections 40-18-320 and 40-18-321 for all tax years beginning on or after January 1, 2018 to rename the Heroes for Hire Tax Credit Act of 2012 as the Veterans Employment Act. The act add Sections 40-18-320.1 and 40-18-325 to the Code of Alabama, 1975. A qualified employer subject to the requirements of the act shall be eligible for an additional nonrefundable credit against the income tax or financial institution excise tax in the amount of \$2,000 for each new unemployed or combat veteran hired for a full-time position paying at least fourteen dollars per hour, where majority of the duties are at a business located within Alabama. The additional credit shall only be available in the tax year during which the employee has completed 12 months of consecutive employment. This credit is required to be submitted through MAT.

E1. Enter the number of unemployed veterans included in Section B, Part B, B4 – Full Employment Credit.

E2. Multiply line D1 by \$2,000. Enter the amount.

Part F – 2013 Alabama Historic Rehabilitation Tax Credit

Act Number 2014-452 amends Act 2013-241. The act provides an income tax credit against the tax liability of the taxpayer for the rehabilitation, preservation, and development of historic structures. The credit is equal to 25% of the qualified rehabilitation expenditures for certified historic structures. The act also provides a tax credit equal to 10% of the qualified rehabilitation expenditures for qualified pre-1936 non-historic structures. No tax credit claimed for any certified rehabilitation may exceed \$5,000,000 for all allowable property types except a certified historic residential structure, and \$50,000 for a certified historic residential structure. The entire credit may be claimed by the taxpayer in the taxable year in which the certified rehabilitation is placed in service. This credit is not refundable, but any unused portion of the credit may be carried forward for up to 10 additional tax years. This credit is required to be submitted through MAT.

F1a- F1c. Enter the Project Number(s) assigned by the Alabama Historic Tax Commission, the date the project(s) were placed in service, and the amount of credit.

F2. Enter the amount of the 2013 Alabama Historic Rehabilitation Tax Credit from the Alabama Historical Commission Tax Credit Certificate. CREDIT ALLOWABLE.

Part G – Apprenticeship Tax Credit

Act Number 2016-314 passed the Alabama Legislature during the 2016 Regular Session. This act provides for a tax credit for employers that employ an apprentice. Eligible employers that employ an apprentice for at least seven full months of the prior taxable year are allowed a credit equal up to \$1,000 for each apprentice employed, not to exceed five apprentices employed. This credit is nontransferable, nonrefundable, and not available for an individual apprentice for more than four taxable years. This credit is required to be submitted through MAT.

G1. Enter the amount from the Apprenticeship Tax Credit Certificate issued by

the Workforce Development Division of the Department of Commerce.

Part H – Income Tax / Capital Credit

Sections 40-18-190 through 40-18-203 provide for a tax credit against Alabama income tax with respect to income generated by or arising out of a qualifying project undertaken by certain existing businesses and certain new businesses to be located in the state. A statement of intent to invest in a qualifying project must be filed prior to the qualifying project being placed in service and must be approved by the Alabama Department of Revenue prior to the project entity taking the credit. The credit allowable is up to 5 percent of the qualifying project's allowable capital costs for each of 20 years, limited to the tax liability generated by or arising out of the qualifying project, and is applied after all deductions, exemptions and other credits have been taken.

A project entity that is a financial institution must complete Form AR-C on their MAT account prior to filing Alabama Form ET-1. The AR-C replaces both the Forms AR and KRCC.

However, if the project entity is a pass-through entity where the financial institution is a member or partner, the pass-through will complete Form KRCC for each member/partner allocating the project income and income tax capital credit available based on ownership. The financial institution that is claiming the income tax capital credit will receive Form KRCC from the pass-through entity and complete Form KRCC-B. Both these forms must be attached to Schedule EC and the boxes checked on Schedule EC, Part H.

H1a – H1g Enter the Project Number(s) assigned by the Alabama Department of Revenue, the Project Name(s) and the amount of the Capital Credit claimed from Form AR-C, line 10 or Schedule KRCC-B, Part II, line 4.

H2. Total Income Tax Capital Credit Available. CREDIT ALLOWABLE.

For further information regarding the income tax/ capital credit and the necessary forms to claim the capital credit, visit the Alabama Department of Revenue's Web site at www.revenue.alabama.gov under the Tax Incentives page, or contact the Department at P.O. Box 327001, Montgomery, AL 36132-7001 or 334-242-1175.
