

Use this schedule to compute credits available on the Individual Income Tax Return.

What's New

Individual taxpayers must apply through My Alabama Taxes (MAT) at www.myalabamataxes.alabama.gov and receive approval before certain credits are claimed on Schedule OC. Once logged into MAT, a taxpayer will need to select "Individual Income Tax" as their account type, then select "Submit a Credit Claim" from the "I Want To" menu on the right margin of the page and follow a short series of instructions/steps to claim a credit. Any supporting documentation for the credit claim is required to be attached in MAT. The process of "Submitting a Claim" through MAT must be completed to allow the recipients a credit claim. Taxpayers needing assistance with reserving a tax credit may call (334) 353-9770 or (334) 353-0602.

SECTION A – Current Tax Period Liability

Enter tax amount from Form 40, page 1, line 17 or Form 40NR, page 1, line 19.

SECTION B – Current Year Credits

* **The Individual Credits must be submitted and approved through My Alabama Taxes (MAT) before completion of the Schedule OC.**

Part A – Credit for Taxes Paid to Other States (Form 40 Only)

This credit is provided to prevent the double taxation of income and is only available to legal residents of Alabama filing Form 40 who have income from sources outside of Alabama that is being taxed by Alabama and another state (or territory of the United States) in the same tax year. Residents of Alabama for only a part of the tax year can claim this credit only if the returns filed with Alabama and the other state cover the same periods. In order to claim this credit, you must complete the Schedule CR, this section and attach a copy of other state's return or W-2G's if the taxing state does not allow a return to be filed for gambling winnings. (For more instruction see Form 40 Tax Booklet)

NOTE: Residents that worked and received income/wages from a state that doesn't have income tax will not be eligible for the credit for taxes paid to another state.

- A1. Sum of Alabama Adjusted Gross Income Attributable to all other States from Schedule CR, line 26.
- A2. Alabama Adjusted Gross Income from Form 40, page 1, line 10.
- A3. Total Other States' % of Alabama AGI (Divide line A1 by line A2).
- A4. Multiply the current tax liability (Section A) by line A3.
- A5. Enter line 27 from Schedule CR.
- A6. Credit Allowable (Enter smaller of lines A4 or A5). Enter here and on Section C, Part A, Column 2.

Part B – Alabama Enterprise Zone Credit or Exemption

This credit is available to corporations, partnerships, and proprietorships that locate or expand within a designated enterprise zone as approved by the Alabama Department of Economic and Community Affairs. It was designed to stimulate business and industrial growth in depressed areas of the state. These tax incentives were enacted by Act No. 87-573 of the Alabama Legislature and were signed into law on July 22, 1987 as the "Alabama Enterprise Zone Act."

In order to qualify for the tax credits, a business must be located within a designated zone as approved by the Alabama Department of Economic and Community Affairs.

If a credit is earned by a partnership or S corporation, the credit will be distributed to each partner or shareholder based on the percentage of ownership. The partnership or S corporation should advise each partner or shareholder of

the amount of his/her income subject to this credit.

For further information regarding the "Alabama Enterprise Zone Act" and the necessary forms to claim this credit, you should contact:

Part C – Basic Skills Education Credit

This credit is available to resident and nonresident employers who provide basic skills education programs approved by the Alabama Department of Education to employees. Expenses incurred for or relating to instructors, materials, or equipment used in the qualifying program, or for supplies, textbooks, or salaries, including compensation paid to employees while participating in the basic skills program may be used in calculating the credit. The credit will equal 20 percent of the actual costs of education limited to the amount of the employer's income tax liability. A credit will not be allowed for employers receiving reimbursement for any cost of the education.

- C1. Enter the Certification Number assigned by the Department of Education.
- C2. Enter the name of the employer/firm sponsoring the education program.
- C3. Enter the name of the approved provider.
- C4. Mark the appropriate box to indicate whether all participants for whom you are claiming a tax credit, were continuously employed by you for at least 16 weeks.
- C5. If the box on line 4 is marked "yes", mark the appropriate box to indicate if employee(s) for whom you are claiming a tax credit work at least 24 hours each week.
- C6. If the box on line 4 and 5 is marked "yes", enter the total expenses available for credit.
- C7. CREDIT ALLOWABLE. Multiply line C6 by 20% (.20). Enter here and on Section C, Part C, Column 2.

Part D – Rural Physician Credit

This credit is available to licensed physicians who practice and reside in a small or rural Alabama community of less than 25,000 residents with admission privileges to a small or rural hospital having an emergency room. Under the terms of this credit a "small or rural hospital" is defined as an acute care hospital with less than 105 beds, located more than 20 miles from another acute care facility, or which receives Medicare rural reimbursement from the federal government. The amount of this credit is \$5,000.00 per year and may be claimed for not more than five consecutive tax years. No credit will be allowed to physicians meeting the requirements on or before May 5, 1993 nor to a physician having previously practiced within a rural community unless he/she returns to such practice after

having practiced in a large or urban community for at least three years.

- D1. Name of hospital and community where you live and provide medical services.

- D3. CREDIT ALLOWABLE. Enter the amount from line D2. Enter here and on Section C, Part D, Column 2.

Part E – Coal Credit*

For the tax years beginning on and after January 1, 1995, every corporation, whether a "subchapter S" corporation, as defined by the 1995 Internal Revenue Code, or not, foreign or domestic, that is doing business in Alabama, as a producer of coal mined in Alabama, shall be allowed a credit against the tax imposed by Section 40-18-2, in the amount of one dollar (\$1) per ton of increased production of coal over the previous year's production of coal as set out herein below. Such tax credit shall be based on coal produced after January 1, 1995, provided the coal was mined in Alabama as certified by the producer of the coal. The amount of the total credit in any one year shall be based on the number of tons of Alabama coal produced by the corporation in the year which exceeds the number of tons of Alabama coal produced by the corporation in calendar year 1994. In the event a corporation did not produce Alabama coal during calendar year 1994, such corporation must establish a base year by producing Alabama coal for 12 consecutive months. Thereafter, such corporation shall be eligible for the tax credit as specified herein above over the base year production. (Acts 1995, No. 95-239, p. 403, §1.) The credit is required to be submitted through MAT.

NOTE: If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.

Part F – Full Employment Act of 2011 Credit*

This credit is available to a small business that creates new jobs paying more than ten dollars (\$10) per hour. A small business is defined as a business existing on January 1, 2011 that employs 50 or fewer employees. The credit shall equal \$1,000.00 for each qualifying new employee. The credit is available in the tax year during which the employee has completed 12 months of consecutive employment. The employer must have a net increase in the total number of full time employees in Alabama on the last date of each tax year during which employees are hired for which the employer claims a credit, over the number employed in Alabama as of the last day of the tax year immediately preceding the first employment year. The increase must equal or exceed the number of newly hired employees for which a credit is sought by one employee for each newly hired employee for whom a credit is being sought for the current year, plus one employee for all employees for whom credits were claimed in prior years. The credit is required to be submitted through MAT.

NOTE: If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.

- F1. Enter the number of full time employees on 12-31-2019.
- F2. Enter the number of full time employees on 12-31-2018.
- F3. Subtract F2 from line F1.

- F5. Multiply line F4 by 1,000.
- F6. Enter pro rata share of credit from Schedule K-1 and FEIN of entity. If credit from more than one entity, attach schedule.
- F7. CREDIT ALLOWABLE. Add line F5 and line F6. Enter here and on Section C, Part F, Column 2.

Part G – Veterans Employment Act - Employer's Credit*

This credit is available to a business that meets the requirements of the Full

Employment Act of 2011 that hires resident unemployed veterans or combat veterans for a full-time position paying at a minimum \$14 per hour. The credit is \$2,000 per qualifying hire and is available in the tax year during which the employee has completed 12 months of consecutive employment. An employer cannot take this credit for any employee who claims a start-up expense credit for themselves allowed under the Veterans Employment Act (formerly Heroes For Hire Credit) Business Start-up Expense Credit. The credit is required to be submitted through MAT.

NOTE: If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.

- G1. Number of unemployed veterans included in Part F, line F4.
- G2. Multiply line G1 by \$2,000.00.
- G3. Enter pro rata share of credit from Schedule K-1 and FEIN of entity. If credit from more than one entity, attach schedule.
- G4. CREDIT ALLOWABLE. Add line G2 and line G3. Enter here and on Section C, Part G, Column 2.

Part H – Veterans Employment Act - Business Startup Expense Credit*

This credit is available to recently deployed and now discharged unemployed veterans who start their own business. To qualify the business must have a start date after April 2, 2012. The one-time credit is nonrefundable and can be applied against the income tax liability in an amount up to \$2,000. The recently deployed unemployed veteran must hold at least a 50 percent ownership interest in the business, which must be located in Alabama and show a net profit of at least \$3,000 for the year in which the credit is taken. The recently deployed unemployed veteran is not allowed to claim this credit for themselves if an employer has claimed a hire credit for him or her under the Veterans Employment Act (formerly Heroes For Hire Credit) shown above in Part F. The credit is required to be submitted through MAT.

NOTE: If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.

- H1. Name and business ID number.
- H2. Enter total amount of business start-up expenses.
- H3. Maximum credit.
- H4. Enter the lesser of line H2 or line H3.

Part J – Qualified Irrigation System/Reservoir System Tax Credit*

This credit is available to any agricultural trade or business described in the 2007 North American Industry Classification System, Sector 11. This credit is used to offset costs associated with the purchase and installation of any qualified irrigation equipment and any conversion costs related to the conversion of irrigation equipment from fuel to electricity or the cost of constructing a qualified reservoir. Taxpayers can either take a credit for an irrigation system or a reservoir but not both. This credit is taken in the year the system is placed in service. The credit shall not exceed the taxpayer's liability computed without regard to the credit. Any remaining credit not utilized in the year placed in service may be carried forward for up to 5 years. For tax years 2012-2017, there is a one-time, one-purchase credit equal to 20 percent of the costs not to exceed \$10,000. For tax years 2018-2022, there is a one-time, one-purchase credit equal to 20 percent of the costs not to exceed \$10,000 or 10 percent of the costs not to exceed \$50,000, whichever is greater. Qualified irrigation equipment is any equipment used by an agricultural trade or business in irrigation systems, including but not limited to equipment used to construct irrigation systems and water wells. A qualified reservoir is an off-stream upland reservoir used as a source of water for irrigation by an agricultural trade or business. MAT approval is required to claim this credit. If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.

(Any unused Qualified Irrigation System/Reservoir System Tax Credit may be carried forward for a maximum of 5 years).
