Instructions for Completion of Form NMC Affordable Housing Member Consent Agreement

This agreement is valid for Subchapter K entity members of certain affordable rental housing developments where making a composite payment would be in violation of a federal or Alabama law or a directive from any governmental agency having regulatory authority over the development. See rule 810-3-24.2.01 at www.revenue.alabama.gov for further information.

Form NMC must be completed by each qualifying nonresident member of an entity for whom an agreement has not been previously filed. Once filed, Form NMC remains in effect until the member notifies the Alabama Department of Revenue and the entity in writing that the Form NMC has been revoked. A copy should be filed with the Alabama Form 65 return each year. A copy of Form NMC should be maintained by the entity and the member for future reference.

If the Form NMC is not submitted timely by the entity on behalf of the nonresident member, when applicable, the entity must complete the Form PTE-C on behalf of that member and pay to the state an amount equal to the highest income tax rate applicable to individuals multiplied by the owner's pro rata share of income allocated and apportioned to this state as reflected in the entity's return for the period in question.

In the spaces labeled Subchapter K Entity Information enter the name, Federal Employer Identification Number (FEIN) and address of the Subchapter K entity.
