

Instructions For Form AR8453-FE

SPECIAL INFORMATION

The State of Arkansas requires a completed and signed AR8453-FE for the Fiduciary return filed electronically. The AR8453-FE must be signed by the fiduciary representative, the ERO and the paid preparer.

The "Declaration for Electronic Filing" document used for e-filing is the form AR8453-FE. The document is an affidavit in which the fiduciary attests to the truth of the information contained in the declaration and attached return information. It has the same legal effect as if the fiduciary has actually and physically signed the return.

The State of Arkansas requires the FEIN for each fiduciary. Arkansas does not accept Social Security Numbers for fiduciaries.

SIGNATURE FOR MULTIPLE-RETURN FILING

Arkansas will not be supporting a single signature for multiple return filing. The AR8453-FE must be used for each fiduciary or estate return electronically filed.

IMPORTANT NOTES FOR EROs

- Effective January 1, 2014 and for future years, Electronic Filers, Transmitters, and Electronic Return Originators must retain all signed AR8453 forms with all required schedules, attachments and information for three years from the due date of the return or the Arkansas received date, whichever is later.
- You should confirm the identity of the taxpayer(s).
- Provide the taxpayer with a copy of the signed Form AR8453-FE for his or her records upon request.
- Provide the taxpayer with a corrected copy of Form AR8453-FE if changes are made to the return.
- EROs can sign the form using a rubber stamp, mechanical device (such as a signature pen), or computer software program.

For more information, see Publication AR1345 on our website at www.arkansas.gov/efile

LINE INSTRUCTIONS

Name, Address, and Social Security Number

Verify the Name(s), Address and Federal Employer Identification Number are correct. An incorrect or missing FEIN will delay any refund.

Part I-Tax Return Information

Line 3. Enter the total State of Arkansas withholding from Form(s) AR1099PT and/or 1099R.

Part II-Declaration of Fiduciary

The fiduciary's signature allows the State of Arkansas to disclose to the ERO and/or the transmitter the reason(s) for delays in the processing of the return.

If the ERO makes changes to the electronic return after Form AR8453-FE has been signed by the fiduciary but before it is transmitted, the ERO must have the fiduciary complete and sign a corrected Form AR8453-FE.

Part III-Declaration of Electronic Return Originator (ERO) and Paid Preparer

The State of Arkansas requires the EROs signature.

A paid preparer must sign Form AR8453-FE in the space for Paid Preparer's Use Only. Only handwritten signatures are acceptable. If the paid preparer is also the ERO, he/she should not complete the paid preparer's section. Instead, the box labeled "Check if paid preparer" should be checked.
