Partnerships and LLCs File Same as Federal (Act 965 of 2003)

This act adopts the federal "check the box" regulations and requires partnerships and LLCs to file in the same manner in which the entity files and pays federal income tax.

Section 179 Depreciation

Act 580 of 2015 adopted Internal Revenue Code Section 179, **as in effect on January 1, 2009**, regarding depreciation and expensing of property for the purpose of computing Arkansas income tax liability. The maximum deduction allowed for property placed in service during the tax year is \$25,000. The deduction is decreased "dollar for dollar" for property over \$200,000, and no deduction is allowed for property over \$225,000.

You can find more information about Arkansas tax code by visiting the Department of Finance and Administration web site at www.arkansas.gov/incometax

Act 1283 of 1999. Under this act, income attributable to an investment partnership's qualifying investment securities would not be taxed if distributed to a nonresident partner. "Investment partnership" is defined as a partnership with at least 90% of its assets comprised of investment securities plus office equipment. Only income derived from dividends, interest and gains would be excluded from a nonresident partner's income. The provisions of this act do not apply to income derived from investment activity that is interrelated with any trade or business activity of the nonresident or an Arkansas entity in which the nonresident owns an interest.

GENERAL INSTRUCTIONS

Form **AR1050** is used to file the income of a partnership. Every domestic or foreign partnership doing business within the State of Arkansas **or** in receipt of income from Arkansas sources, regardless of amount, must file an **AR1050**. This form is also to be used by business organizations that are two or more member limited liability companies unless the LLC has "checked the box" to file as a corporation for federal tax purposes. **(Nonresident partners may choose to be included in an Arkansas composite filing. For details see instructions for AR1000CR.)**

WHEN TO FILE

The due date is April 15th for calendar year filers. Fiscal year filers must file on or before the fifteenth (15th) day of the fourth (4th) month following the close of the fiscal year.

If you request an extension of time to file your federal partnership tax return (with federal Form 7004) you can receive the same extension on your state return. If you do not file a federal extension, you can request a 180 day Arkansas extension using Form **AR1055-PE** before the filing date of April 15th (for calendar year filers).
