## What's New and Other Important Information for 2020

Dependent Exemption Credit with No ID — For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for a Social Security Number (SSN) and a federal Individual Taxpayer Identification Number (ITIN) may provide alternative information to the Franchise Tax Board (FTB) to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, Alternative Identifying Information for the Dependent Exemption Credit, attach the form and required documentation to their tax return, and write "no id" in the SSN field of line 8, Dependents, on Form 540 2EZ, California Resident Income Tax Return. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation.

Taxpayers may amend their 2018 and 2019 tax returns to claim the dependent exemption credit. For more information on how to amend your tax returns, see "Instructions for Filing a 2020 Amended Return" on page 16.

Expansion for Credits Eligibility – For taxable years beginning on or after January 1, 2020, California expanded Earned Income Tax Credit (EITC) and Young Child Tax Credit (YCTC) eligibility to allow either the federal ITIN or SSN to be used by all eligible individuals, their spouses, and qualifying children. If an ITIN is used, eligible individuals should provide identifying documents upon request of the FTB. Any valid SSN can be used, not only those that are valid for work. Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. The YCTC is available if the eligible individual or spouse has a qualifying child younger than six years old. For more information, get form FTB 3514, California Earned Income Tax Credit, or go to ftb.ca.gov and search for eitc.

Resident State Tax Filers List – For taxable years beginning on or after January 1, 2020, taxpayers will include on their Form 540 2EZ the address and county of their principal residence as part of the FTB's annual reporting requirements to the jury commissioner. Taxpayers that are required to provide this information include persons who are 18 years of age or older and have filed a California resident income tax return for the preceding taxable year. The list of resident state tax filers will be used as one of the source lists for jury selection by the jury commissioner's office. For more information, see specific line instructions or California Revenue and Taxation Code (R&TC) Sections 19548.4 and 19585.

Minimum Essential Coverage Individual Mandate – For taxable years beginning on or after January 1, 2020, California requires residents and their dependents to obtain and maintain minimum essential coverage (MEC), also referred to as qualifying health care coverage. Individuals who fail to maintain qualifying health care coverage for any month during taxable year 2020 will be subject to a penalty unless they qualify for an exemption.

For more information, see Specific Line Instructions for Form 540 2EZ, line 27 or get form FTB 3853, Health Coverage Exemptions and Individual Shared Responsibility Penalty.

Young Child Tax Credit – For taxable years beginning on or after January 1, 2019, the refundable YCTC is available to taxpayers who also qualify for the California EITC and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. The maximum amount of credit allowable for a qualified taxpayer is \$1,000. The credit amount phases out as earned income exceeds the "threshold amount" of \$25,000, and completely phases out at \$30,000. For more information, see the instructions for line 24 of Form 540 2EZ, and get form FTB 3514.

**California Earned Income Tax Credit** – For taxable years beginning on or after January 1, 2018, the age limit for an eligible individual without a qualifying child is revised to 18 years or older. For more information, go to **ftb.ca.gov** and search for **eitc**, or get form FTB 3514.

For taxable years beginning on or after January 1, 2017, California conforms to federal law to include in the definition of earned income net earnings from self employment. If you have self-employment income, you cannot use Form 540 2EZ. Get Form 540, California Resident Income Tax Return at **ftb.ca.gov/forms** or **e-file**.

Earned income thresholds have also increased. You may now qualify for the refundable EITC if you have earned income of less than \$30,001.

**Real Estate Withholding Statement** – Effective January 1, 2020, the real estate withholding forms and instructions have been consolidated into one new **Form 593**, **Real Estate Withholding Statement**. For more information, get Form 593.

Schedule X, California Explanation of Amended Return Changes – For taxable years beginning on or after January 1, 2017, use Schedule X to determine any additional amount you owe or refund due to you, and to provide reason(s) for amending your previous filed income tax return. For additional information, see "Instructions for Filing a 2020 Amended Return" on page 16.

Improper Withholding on Severance Paid to Veterans – The Combat-Injured Veterans Tax Fairness Act of 2016 gives veterans who retired from the Armed Forces for medical reasons additional time to claim a refund if they had taxes improperly withheld from their severance pay. If you filed an amended return with the Internal Revenue Service (IRS) on this issue, you have two years to file your amended California return.

**Electronic Funds Withdrawal (EFW)** – Make extension payments using tax preparation software. Check with your software provider to determine if they support EFW for extension payments.

Payments and Credits Applied to Use Tax – For taxable years beginning on or after January 1, 2015, if a taxpayer includes use tax on their personal income tax return, payments and credits will be applied to use tax first, then towards income tax, interest, and penalties. Additional information can be found in the Form 540 2EZ instructions for line 26.

**MyFTB** – Make tax time less taxing! Check MyFTB for information about your FTB-issued 1099-Gs, Report of State Income Tax Refund; 1099-INTs, Statement of Interest Income; California wage and withholding data; and more! Go to **ftb.ca.gov** and login or register for MyFTB.

Direct Deposit Refund – You can request a direct deposit refund on your tax return whether you e-file or file a paper return. Be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy.

Direct Deposit for ScholarShare 529 College Savings Plans - If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account. Please visit scholarshare529.com for instructions.

Mandatory Electronic Payments - You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80.000.
- The amount you paid is not representative of your total tax liability.

For more information or to obtain the waiver form, go to ftb.ca.gov/e-pay. Electronic payments can be made using Web Pay on the FTB's website, EFW as part of the e-file tax return, or your credit card.

Registered Domestic Partners (RDP) - Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same-sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to an RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Head of Household - California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

If you do not attach a completed form FTB 3532 to your tax return, we will deny your HOH filing status. For more information about the HOH filing requirements, go to **ftb.ca.gov** and search for **hoh**. To get form FTB 3532, see "Automated Phone Service" or go to ftb.ca.gov/forms.

## Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Registered domestic partners (RDP) who file single for federal must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You were unmarried and not in an RDP, or you met the requirements to be considered unmarried or considered not in an RDP on December 31, 2020.

- You paid more than one-half the cost of keeping up your home for the year in 2020.

- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use head of household filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the head of household (HOH) filing status was determined. To get form FTB 3532, see "Automated Phone Service" or go to **ftb.ca.gov/forms**.

     If the child isn't claimed as your dependent, enter the child's name in the entry space under the "Qualifying widow(er)" filing status.
- This child lived in your home for all of 2020. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

Enter the year of your spouse's/RDP's death on your tax return.

If someone else can claim you (or your spouse/RDP) as a dependent on his or her tax return, even if they choose not to, and your total income is less than or equal to the following amounts based on your filing status or you have a dependent, you cannot use Form 540 2EZ. The document must show the child was born alive. If you claim more than three dependents get Form 540 online at **ftb.ca.gov/forms** or file online through **CalFile** or **e-file**.

For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the Franchise Tax Board (FTB) to identify the dependent.

These taxpayers should complete an amended Form 540 2EZ, write "no id" in the SSN field on the Dependents line, and attach Schedule X. Generally, the amount of capital gains taxable by California is the same as the amount taxable under federal law. If you received capital gain distributions from a mutual fund, report them on line 13, if both of the following apply:

- You received federal Form 1099-DIV with an amount in box 2a.
- The federal Form 1099-DIV does not have amounts in box 2b, 2c,

If you have other capital gains, you cannot use Form 540 2EZ. Get Form 540 at ftb.ca.gov/forms or e-file.

## **Line 23 – Earned Income Tax Credit (EITC)**

Enter your Earned Income Tax Credit from form FTB 3514, California Earned Income Tax Credit, line 20.

## **Line 24 - Young Child Tax Credit (YCTC)**

Enter your YCTC from form FTB 3514, line 28.

## **Use Tax**

## Line 26 - Use Tax

You are required to enter a number on this line. If the amount due is zero, you must check the applicable box to indicate that you either owe no use tax, or you paid your use tax obligation directly to the California Department of Tax and Fee Administration.

You may owe use tax if you make purchases from out-of-state retailers (for example, purchases made by telephone, online, by mail, or in person) where California sales or use tax was not paid and you use those items in California.

If you have questions about whether a purchase is taxable, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov. or call its Customer Service Center at 1.800.400.7115 (CRS:711) (for hearing and speech disabilities).

Some taxpayers are required to report business purchases subject to use tax directly to the California Department of Tax and Fee Administration. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report business purchases subject to use tax on your income tax return if you:

- Have or are required to hold a California seller's permit.
- Receive \$100,000 or more per year in gross receipts from business
- Are otherwise registered or required to be registered with the California Department of Tax and Fee Administration to report use

**Note:** You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the California Department of Tax and Fee Administration. For information on how to report use tax directly to the California Department of Tax and Fee Administration, go to their website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search har.

Failure to report and pay timely may result in the assessment of interest, penalties, and fees.

See page 15 for a general explanation of California use tax.

### Use Tax Worksheet

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business and you are not registered or required to be registered with the California Department of Tax and Fee Administration to report sales or use tax.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

**Example 1:** You purchased a television for \$2,000 from an out-of-state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

**Example 2:** You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual non-business items purchased for \$1,000 or more each, and/or items purchased for use in a trade or business in addition to individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus all items purchased for use in a trade or business.
- Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on Line 26.

**Example 3:** The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or
- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on Line 26.

## Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand-carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the California Department of Tax and Fee Administration.

**Note:** You cannot report the following types of purchases on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Rental receipts from leasing machinery, equipment, vehicles, and other tangible personal property to your customers.

### Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate, please go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "City and County Sales and Use Tax Rates" in the search bar. You may also call their Customer Service Center at 800.400.7115 (CRS:711) (for hearing and speech disabilities).

## Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You cannot claim a credit for more than the amount of use tax that is imposed on your use of property in this state. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

## **Estimated Use Tax Lookup Table**

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on Line 16) and enter it on Line 26. You will not be assessed additional use tax on the individual non business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

## **ISR Penalty**

## **Line 27 – Individual Shared Responsibility (ISR) Penalty**

Enter your Individual Shared Responsibility Penalty from form FTB 3853, Health Coverage Exemptions and Individual Shared Responsibility Penalty, Part IV, line 1.

If you, your spouse/RPD (if filing a joint return), and anyone you can or do claim as a dependent had minimum essential coverage (also referred to as qualifying health care coverage) that covered all of 2020 tax year, check the "Full-year health care coverage" box on Form 540 2EZ, line 27. If you check the box on Form 540 2EZ, line 27, you do not owe the individual shared responsibility penalty and do not need to file form FTB 3853. For more information, get form FTB 3853.

## **Overpaid Tax/Tax Due**

## **Line 32 – Overpaid Tax**

If the amount on line 30 is more than the amount on line 21, your payments and credits are more than your tax. Subtract the amount on line 21 from line 30. Enter the result on line 32.

**Refund Intercept** – FTB administers the Interagency Intercept Collection (IIC) program on behalf of the State Controller's Office. The IIC program intercepts (offsets) refunds when individuals and business entities owe delinquent debts to government agencies including the IRS and California colleges. All refunds are subject to interception. FTB only intercepts the amount owed.

Refunds from joint tax returns may be applied to the debts of the taxpayer or spouse/RDP. After all tax liabilities are paid, any remaining credit will be applied to requested voluntary contributions, if any, and the remainder will be refunded.

If the debt was previously paid to the requestor and FTB also intercepted the refund, any overpayment will be refunded by the agency that received

For more information, go to ftb.ca.gov and search for interagency intercept collection.

## **Line 33 – Tax Due**

If the amount on line 30 is less than the amount on line 21, subtract the amount on line 30 from the amount on line 21. Enter the result on line 33. Your tax is more than your credits and withholdings.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at 888.745.3886. You can download the DE 4 at edd.ca.gov or go to ftb.ca.gov and search for de 4. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

## **Contributions**

You can make voluntary contributions to the funds listed on Form 540 2EZ, Side 3. See "Voluntary Contribution Fund Descriptions" for more information.

You may also contribute any amount to the State Parks Protection Fund/Parks Pass Purchase. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will not be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

## **Line 34 – Total Contributions**

Add code 400 through code 444. Enter the result on line 34.

## Instructions: Form 540 2EZ

## Line 35 - Amount You Owe

If you do not have an amount on line 32, add the amount on line 29, line 31, line 33, and line 34. Enter the result on line 35.

If you have an amount on line 32 and the amount on line 34 is more than line 32, subtract line 32 from line 34. Enter the difference on line 35.

## **Paying Your Taxes**

You must pay 100% of the amount you owe by April 15, 2021, to avoid interest and underpayment penalties. However, the underpayment penalty will be waived if 90% of the tax shown on the tax return is paid by the original due date of the tax return. There are several ways to pay your tax:

- Electronic funds withdrawal (e-file only)
- Pav online/Web Pav
- Credit card
- · Check or money order
- Monthly installments

## **Electronic Funds Withdrawal**

## **Line 36 – Refund or No Amount Due**

Did you report an amount on line 34?

No Enter the amount from line 32 on line 36. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 2EZ requesting the refund.

Yes If the amount on line 34 is:

- Less than the amount on line 32, subtract line 34 from line 32 and enter the difference on line 36. This is your refund amount.
- More than the amount on line 32, enter zero on line 36.

## **Direct Deposit**

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 37 and line 38. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration on the following page.

An individual taxpayer may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. **Do not** check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. When filing an original return, the total of line 37 and line 38 must equal the total amount of your refund on line 36. If line 37 and line 38 do not equal line 36, the FTB will issue a paper check.

When filing an amended return, only complete the amended Form 540 2EZ through line 36. Next complete Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 2EZ and will be entered on line 37 and line 38. The total of the amended Form 540 2EZ, line 37 and line 38 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540 2EZ, line 37 and line 38 do not equal Schedule X, line 11, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for direct deposit.

**Caution:** Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

FREE e-file at ftb.ca.gov Instructions: Form 540 2EZ

Prior to depositing the refund, FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Direct Deposit for ScholarShare 529 College Savings Plans - If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account. Please visit scholarshare529.com for instructions.

Sign your tax return on Side 4. If you file a joint tax return, your spouse/RDP must also sign it.

If you file a joint tax return, both you and your spouse/RDP are generally responsible for tax and any interest or penalties due on the tax return. If one spouse/RDP does not pay the tax, the other spouse/RDP may have to. See "Innocent Joint Filer Relief" under Additional Information section for more information.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information the FTB will be able to provide you better customer service.

## **Paid Preparer's Information**

If you pay a person to prepare your Form 540 2EZ, that person must sign and complete the area at the bottom of Side 4 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

## Third Party Designee

If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2020 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number.

If you check the "Yes" box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, go to ftb.ca.gov/poa.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2021 tax return. This is April 15, 2022, for most people. ## **California Use Tax General Information**

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the California Department of Tax and Fee Administration, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 26 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine.

For more information on nontaxable and exempt purchases, you may refer to Publication 61, Sales and Use Taxes: Exemptions and Exclusions, on the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

For information about California use tax, please refer to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search bar.

Complete the Use Tax Worksheet on page 8 or use the Use Tax Lookup **Table** on page 9, to calculate the amount due.

**Extensions to File.** If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Interest, Penalties and Fees. Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

Changes in Use Tax Reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the California Department of Tax and Fee Administration.

For assistance with your use tax questions, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov or call their Customer Service Center at 800.400.7115 (CRS:711) (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

## **Instructions for Filing a 2020 Amended Return**

## **Important Information**

**Protective Claim** – If you are filing a claim for refund for a taxable year where an audit is being conducted by another state's taxing agency, litigation is pending or where a final determination by the IRS is pending, check box a for "Protective claim for refund" on Schedule X, Part II, line 1. Specify the pending litigation or reference to the federal determination on Part II, line 2 so we can properly process your claim.

**Do not** attach your previously filed return to your amended return.

**Do not** file an amended return to correct your SSN, name, or address, instead, call or write us. See "Contacting the Franchise Tax Board" for more information.

**Use Tax – Do not** amend your return to correct a "use tax" error reported on your original tax return. Enter the amount from your original return. The California Department of Tax and Fee Administration (CDTFA) administers this tax. Refer all questions or requests relating to use tax to the CDTFA at **cdtfa.ca.gov** or call **800.400.7115**.

**Voluntary Contributions** – You cannot amend voluntary contributions. Enter the amount from your original return.

**Direct Deposit** – You can now use direct deposit on your amended return. When filing an amended return, only complete the amended Form 540 2EZ through line 36. Next complete the Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 2EZ and will be entered on line 37 and line 38. The total of the amended Form 540 2EZ, line 37 and line 38 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540 2EZ, line 37 and line 38 do not equal Schedule X, line 11, the FTB will issue a paper check.

**Dependent Exemption Credit with No ID** — For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the FTB to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, attach the form and required documentation to their tax return, and write "no id" in the SSN field of line 8, Dependents, on Form 540 2EZ. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation.

If you are amending a return to claim dependent exemption credit for tax years 2018 and 2019, complete an amended Form 540 2EZ, and write "no id" in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for "Other" on Part II, line 1, and write the explanation "Claim dependent exemption credit with no id and form FTB 3568 is attached" on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended return and Schedule X. If you do not claim the dependent exemption credit on the original 2020 tax return, you may amend the 2020 tax return following the same procedure as for 2018 and 2019 amended tax returns.

## **Purpose**

Use Form 540 2EZ to amend your original California resident income tax return. Check the box at the top of Form 540 2EZ indicating AMENDED return. Submit the completed amended Form 540 2EZ and Schedule X along with all required schedules and supporting forms.

## When to File

Generally, if you filed federal Form 1040-X, Amended U.S. Individual Income Tax Return, file an amended California tax return within six months unless the changes do not affect your California tax liability. File an amended return only after you have filed your original or previously filed California tax return.

### **California Statute of Limitations**

## Original tax return was filed on or before April 15th:

If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed within the extension period (April 15th – October 15th):

If you are making a claim for refund, file an amended tax return within four years from the date the original tax return was filed or within one year from the date of overpayment, whichever period expires later.

## Original tax return was filed after October 15th:

If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return (April 15th) or within one year from the date of overpayment, whichever period expires later.

If you are filing your amended tax return after the normal statute of limitation period (four years after the due date of the original tax return), attach a statement explaining why the normal statute of limitations does not apply.

If you are filing your amended return in response to a billing notice you received, you will continue to receive billing notices until your amended tax return is accepted. You may file an informal claim for refund even though the full amount due including tax, penalty, and interest has not yet been paid. After the full amount due has been paid, you have the right to appeal to the Office of Tax Appeals at ota.ca.gov or to file suit in court if your claim for refund is disallowed.

To file an informal claim for refund, check box I for "Informal claim" on Schedule X, Part II, line 1 and mail the claim to:

FRANCHISE TAX BOARD PO BOX 942840 SACRAMENTO CA 94240-0040

## **Financially Disabled Taxpayers**

The statute of limitations for filing claims for refunds is suspended during periods when a taxpayer is "financially disabled." You are considered "financially disabled" when you are unable to manage your financial affairs due to a medically determinable physical or mental impairment that is deemed to be either a terminal impairment or is expected to last for a continuous period of not less than 12 months. You are not considered "financially disabled" during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled — Suspension of the Statute of Limitations.

## **Federal Notices**

If you were notified of an error on your federal income tax return that changed your AGI, you may need to amend your California income tax return for that year.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540 2EZ and Schedule X to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment. Note: Most penalties assessed by the IRS also apply under California law. If you are including penalties in a payment with your amended tax return, see Schedule X, line 8a instructions.

## **Children With Investment Income**

If your child was required to file form FTB 3800, Tax Computation for Certain Children with Unearned Income, and your taxable income has changed, review your child's tax return to see if you need to file an amended tax return. Get form FTB 3800 for more information.

## Contacting the Franchise Tax Board

If you have not received a refund within six months of filing your amended return, **do not** file a duplicate amended return for the same year. For information on the status of your refund, you may write to:

FRANCHISE TAX BOARD PO BOX 942840 SACRAMENTO CA 94240-0040

For telephone assistance, see General Phone Service on page 63.

## Filing Status

Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are in an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you entered into a same-sex marriage your filing status for California would generally be the same as the filing status that was used for federal. If you are a same-sex married

individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Changing Your Filing Status - If you changed your filing status on your federal amended tax return, also change your filing status for California.

Married/RDP Filing Jointly to Married/RDP Filing Separately - You cannot change from married/RDP filing jointly to married/RDP filing separately after the due date of the tax return.

**Exception:** A married couple who meets the exception for filing a separate tax return shown above may change from joint to separate tax returns after the due date of the tax return.

Filing Separate Tax Returns to Married/RDP Filing Jointly - If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow the Form 540 2EZ instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

## 2020 Instructions for Form FTB 3514

## California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

## What's New

Expansion for Credits Eligibility – For taxable years beginning on or after January 1, 2020, California expanded Earned Income Tax Credit (EITC) and Young Child Tax Credit (YCTC) eligibility to allow either the federal Individual Tax Identification Number (ITIN) or the Social Security Number (SSN) to be used by all eligible individuals, their spouses, and qualifying children. If an ITIN is used, eligible individuals should provide identifying documents upon request of the Franchise Tax Board (FTB). Any valid SSN can be used, not only those that are valid for work. Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. The YCTC is available if the eligible individual or spouse has a qualifying child younger than six years old. For more information, see Specific Instructions for line 7 and go to **ftb.ca.gov** and search for **eitc**.

Worker Status: Employees and Independent Contractors – Some individuals may be classified as independent contractors for federal purposes and employees for California purposes, which may also cause changes in how their income and deductions are classified. For more information, see General Information B, Differences in California and Federal Law and Specific Instructions, Step 5, line 13 and line 18.

## **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

## Registered Domestic Partners (RDPs)

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

## **California Earned Income Tax Credit**

The refundable California EITC is available to taxpayers who earned wage income subject to California withholding and/or have net earnings from self-employment. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. The CA EITC reduces your California tax obligation, or allows a refund if no California tax is due. You do not need a child to qualify, but must file a California income tax return to claim the credit and attach a completed form FTB 3514, California Earned Income Tax Credit.

## **Young Child Tax Credit**

For taxable years beginning on or after January 1, 2019, the refundable YCTC is available to taxpayers who also qualify for the CA EITC and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. The maximum amount of credit allowable for a qualified taxpayer is \$1,000. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely

phases out at \$30,000. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC) in the instructions.

## **A** Purpose

Use form FTB 3514 to determine whether you qualify to claim the credit, provide information about your qualifying children, if applicable, and to figure the amount of your credit.

## B Differences in California and Federal Law

The differences between California and federal law for the Earned Income Tax Credit are as follows:

- California allows this credit for wage income (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- If you were a nonresident, you must have earned wage income that is subject to California withholding.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$56,844 to qualify for the federal credit, and less than \$30,001 to qualify for the California credit.
- An eligible individual without a qualifying child is 18 years or older for the California credit.
- You may elect to include all of your (and/or all of your spouse's/RDP's
  if filing jointly) nontaxable military combat pay in earned income for
  California purposes, whether or not you elect to include it for federal
  purposes. Get FTB Pub. 1032, Tax Information for Military Personnel,
  for special rules that apply to military personnel claiming the EITC.
- California allows this credit to eligible individuals and their spouses who have a valid federal ITIN or who have qualifying children who have a valid federal ITIN.

## **Specific Instructions**

If certain requirements are met, you or your eligible spouse may claim the EITC even if you do not have a valid SSN and instead have a valid federal ITIN. This also applies for the YCTC. If you have a valid federal ITIN, enter it in the Your SSN or ITIN field at the top of the form. For more information, see the What's New Section and specific instructions for line 7.

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 7 below to determine if you qualify for the credit and to figure the amount of the credit

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC then answer "Yes" on line 1b within the form and follow Step 1 through Step 7 below to determine if you qualify for the credit.

Attach the completed form FTB 3514 to your Form 540 or 540 2EZ, California Resident Income Tax Return, or Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

## Step 3 Qualifying Child

## **Qualifying Child Definition**

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2020 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2020, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.
- Is not filling a joint return for 2020 or is filling a joint return for 2020 only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2020. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

**Note:** If the child was married or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Publication 596 for more information.

### **Qualifying Child Questionnaire**

a. Do you have at least one child who meets the conditions to be your qualifying child?

Yes Continue. No Go to Step 4.

**b.** Are you filing a joint return for 2020?

Yes Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

No Continue.

c. Could you be a qualifying child of another person for 2020? (Answer "No" if the other person is not required to file, and is not filing, a 2020 tax return or is filing a 2020 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596 for examples.)

Yes Stop here, you cannot take the credit.

No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

Note: If your qualifying child is younger than six years old as of the last day of the taxable year, you must list that child information under Child 1, Child 2 or Child 3 column. **Do not** include any child younger than six years old as an attachment to the form FTB 3514. See Step 8 and Step 9 in the instructions to see if you qualify for the Young Child Tax Credit.

### Line 7 – SSN or ITIN

The child must have a valid SSN or ITIN, as defined below, unless the child was born and died in 2020. If your child was born alive and died in 2020 and did not have an SSN, enter "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

Valid SSN. A valid SSN is a number issued by the Social Security Administration without regard to whether it was issued for employment or issued solely for the purpose of receiving federally funded benefits.

Valid ITIN. A valid ITIN is a federal tax processing number issued by the Internal Revenue Service that is not expired or revoked. For taxable years beginning on or after January 1, 2020, a valid federal ITIN can be used to claim the EITC and YCTC. If an ITIN is used, eligible individuals should provide the documents listed below upon request by FTB:

- Identifying documents acceptable for purposes of obtaining a California driver's license as authorized by the Vehicle code and related regulations for purposes of establishing documents acceptable to prove identity.
- Identifying documents used to report earned income for the taxable year.

Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. For more information, go to ftb.ca.gov and search for eitc.

An Adoption Taxpayer Identification Number (ATIN) cannot be used to claim EITC. If you or your child has an ATIN and later gets a valid SSN or a valid federal ITIN, you may be able to file an amended return. Use Form 540, 540 2EZ, or 540NR to amend your original or previously filed tax return with Schedule X, California Explanation of Amended Return Changes, attached to the amended return.

If you did not have an SSN or federal ITIN by the due date of your 2020 return (including extensions), you cannot claim the EITC (or YCTC) on either your original or an amended 2020 return, even if you later get an SSN or federal ITIN. Also, if a child did not have an SSN or federal ITIN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC (or YCTC) on either your original or an amended 2020 return, even if that child later gets an SSN or federal ITIN.

## Line 9a - Student

A student is a child who during any part of 5 calendar months of 2020 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

## Line 9b - Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2020, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

## Line 10 - Child's relationship to you

For additional information see qualifying child definition.

## Line 11 - Number of days child lived with you

Enter the number of days the child lived with you in California during 2020. To qualify, the child must have the same principal place of residence in California as you for more than half of 2020, defined as 184 days or more. If the child was born or died in 2020 and your home was the child's home for more than half the time he or she was alive during 2020, enter "366". Do not enter more than 366 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information get federal Publication 596.

## Line 12 - Child's physical address

Enter the physical address where the child resided during 2020. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2020. If the child lived with you in California for more than half of 2020, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.

## Line 13 – Wages, salaries, tips, and other employee compensation, subject to California withholding

Enter the total amount of your California wages from your federal Form(s) W-2, Wage and Tax Statement. This amount appears on Form W-2, box 16. Include all of your Medicaid waiver payments or In Home Supportive Services (IHSS) payments that are nontaxable for federal purposes.

**Note:** If you have clergy wages, subtract the self employment tax, if any, that was reported on federal Schedule SE (Form 1040), Self-Employment Tax, and enter the result on form FTB 3514, line 13.

Employees and independent contractors – If the taxpayer's classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

## Line 14 – IHSS payments

You may elect to include or exclude your Medicaid waiver payments or IHSS payments that are nontaxable for federal purposes. If you elect to exclude such payments from your earned income for California EITC purposes, enter the amount you received as Medicaid waiver payments or IHSS payments that are nontaxable for federal purposes on line 14. If you elect to include such payments, leave line 14 blank. If you are filing a joint return, both you and/or your spouse/RDP can elect to include or exclude your own nontaxable Medicaid waiver payments or IHSS payments for California EITC purposes. Each must elect to include or exclude all such payments, not just a portion of it. You may elect to include or exclude such payments from earned income for California EITC purposes, whether or not you elect to include or exclude them for federal purposes.

If you are filing a joint return, both you and/or your spouse/RDP can elect to include your own nontaxable military combat pay for EITC purposes. Each must include all of their nontaxable military combat pay, not just a portion of it. You may elect to include nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes.

## Line 18 – Business income or (loss)

If you are self-employed and have net earnings from self-employment, go to Worksheet 3 to figure your business income or loss. Attach a copy of your complete federal return, including any federal Schedule C (Form 1040), Profit or Loss From Business, Schedule F (Form 1040), Profit or Loss From Farming, Schedule SE (Form 1040), and any Schedule K-1 (Form 1065), Partner's Share of Income, Deductions, Credits, etc.

Employees and independent contractors – If the taxpayer's classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

To qualify for the YCTC, you must meet **all** of the following:

- You have been allowed the CA EITC on this form.
- You have at least one qualifying child for the CA EITC.
- Your qualifying child is younger than six years old as of the last day of the taxable year.

**Caution:** If you **do not** meet all of the above requirements, you cannot take this credit.

If you meet all of the above requirements, complete Part VII, Young Child Tax Credit. If you are a nonresident or part-year resident, also complete Part VIII, Nonresident or Part-Year Resident Young Child Tax Credit.

For taxable years beginning on or after January 1, 2020, California expanded YCTC eligibility to a qualifying child who is younger than 6 years old as of the last day of the taxable year, who has a valid federal ITIN. The child must be a qualifying child of an eligible individual, the eligible individual's spouse (if married), who have a federal ITIN.

**Note:** If your qualifying child is younger than six years old as of the last day of the taxable year, you must list that child information under Part III, Qualifying Child Information, Child 1, Child 2 or Child 3 column. **Do not** include any child younger than six years old as an attachment to the form FTB 3514.

### Line 26 and Line 27

For every \$100 over the threshold amount, your credit is reduced by \$20.

### Line 28

This is the amount of your allowable YCTC to claim on your tax return. This amount should also be entered on Form 540, line 76; or Form 540 2EZ, line 24. If you file Form 540 or 540 2EZ, stop here, do not go to Step 9.
