(This form must be filed even if no tax was withheld. Give this packet to your tax preparer, if you use one. Do not throw this packet away.)

- **No tax is due:** A return must be filed by the taxpayer even when no tax is due unless the Indiana tax account has been properly closed. If no return is filed, an estimated return will be filed by the Department using the best information available (IC 6-8.1-10-3). A tax liability notice will be issued.
- **Electronic Filing:** Pursuant to IC 6-3-4-16.5, any employer that files a combined total of more than 25 W-2, W-2G, and 1099 forms in a calendar year is required to file those forms and the WH-3 electronically. This law applies to all withholding statements filed after December 31, 2012.

To be considered as an electronic filing method, you must use the INTIME portal or DOR's bulk SFTP process.

If your withholding file size is 10MB or less, you will manually enter or batch upload via INTIME.dor.in.gov.

If your withholding file size is 10MB or larger, your file must be uploaded via bulk SFTP (Secure File Transfer Protocol). For more information about DOR's bulk SFTP process, visit in.gov/dor/business-tax/bulk-filing/.
- **Closed Business:** Do not write changes on the tax return. Instead, complete and file Form BC-100 or close your business at INTIME.dor.in.gov
- **Who Should File:** This form should be filed by all withholding agents who withhold state and/or county income tax from employees and nonresident contractors during the calendar year.
- **When To File:** Form WH-3 and state copies of Form W-2, W-2G, (also Form 1099 if state withholding is included) must be filed on or before the last day in January.
- **Late Filings:** A penalty of \$10 will be charged per W-2, W-2G, and 1099 statement not included or that is filed past the due date. An extension of time to file may be requested. The Department will accept a copy of the federal withholding extension (8809) to submit Form WH-3.
- **Pay by (EFT) Electronic Funds Transfer:** To remit an underpayment by EFT, initiate a supplemental payment for the tax year's final period.
