2021 – 2022 LETTER OF INTENT

TO PRODUCE SUBSTITUTE OR REPRODUCED FORMS

_____ agrees to abide by the policies, procedures, and
(Company Name)

guidelines published by the Kansas Department of Revenue concerning the development of substitute or reproduced forms. The requirements include but are not limited to the following:

- First submittals of scannable and non-scannable forms must be received by **December 1, 2021**, in order to be used by the first of the year. (Income, Homestead, Fiduciary, Corporate, S-Corp, and Privilege)
- **No** first submittals of scannable forms will be accepted after **March 8, 2022**.
- Companies or individuals who develop substitute tax forms or products must meet the placement and data requirements in accordance with the guidelines "Specifications and Approval Requirements for Reproducing State Tax Forms" Pub. KS-1648 issued by the Kansas Department of Revenue.
- Software Developers/Vendors and Forms library products must be able to print a banner on all affected "returns/voucher" forms, where incorrect variable (data) has been entered in a format other than what is specified by the Kansas Department of Revenue. The banner must be 18pt font **bold** and be printed on the return/voucher; to alert the user that incorrectly formatted data has been entered. The Kansas Department of Revenue recommends using: **"INCOMPLETE DATA: DO NOT FILE"**. This banner is to allow the Kansas Department of Revenue to readily identify these forms to reject them.
- Refrain from selling, releasing, licensing, or distributing tax packages to customers or clients prior to receiving approval for each tax form included in the package. – Due to the large number of **"DRAFT"** forms being filed, not approved or non-submitted forms are **not** to be included in the release of any software package.
- Notify customers or clients of the computer hardware requirements, including printers, printer fonts, font cartridges, specialty fonts, etc., necessary to produce our company's scannable/substitute tax forms that were approved by the Kansas Department of Revenue.
- Notify the Kansas Department of Revenue, and our customers / clients immediately if computation errors or other variable data errors are found. Promptly correct errors in the company's products and substitute tax forms. Provide the Kansas Department of Revenue with proof(s) showing that the company has corrected the errors and notified customers or clients of the corrections.
- Authorize the Kansas Department of Revenue to include the name of our company in various public information materials designed to inform practitioners and the public about software developers who have agreed, complied, or failed to comply with the specifications for reproducing tax forms.

[^] New forms, there may be other new forms, or some may be added into a line. Everything hasn't been ironed out yet. **"K-48 will not be provided as it is a test project with only one qualified. Sch F will not be provided for 2021, it's for 2022. If you had marked these on your LOI, I will remove them and you won't have to resubmit one."**

+ Form 200 is not K-200 or KS-200

* Forms that have no changes will not be posted on the FTA SES. Once you have sent in your LOI and the first scannable form, I will add to the approval list those forms with no changes. Your approval from 2020 will still be good for **2021** regarding non-scannable forms listed above.

Quite a few of the credit schedules can no longer be claimed when filing a K-40 (see Sch CR) but can still be claimed when filing K-41, K-120, K-120S or K-130 (see each specific form) or can be used for carryforwards only.

After 1/1/2020, Form K-706 is no longer valid and no new claims can be made. All information regarding Estate / Inheritance tax will be removed from the Dept's website at that time.
